Re: Prohibitions and Restrictions on Proprietary Trading, etc. (OCC: OCC-2011-14, FRS: Docket No. R-1432 and RIN 7100 AD82, FDIC: RIN 3064-AD85, SEC: S7-41-11)

Dear Decision Makers:

Regulators should move quickly to implement a strong final version of the Volcker Rule. The rule must be strengthened from the initial proposal, must be strong enough to create systemic changes in financial markets, and must not be weakened due to exaggerated industry concerns about market liquidity.

Hoping that the concerns expressed in the AFR letter will receive the attention they deserve, I remain,

Yours sincerely,
Robert E. Rutkowski
