

Early TV Memories

THE LONE RANGER | The year 2008 marked the 75th anniversary of the Lone Ranger. Since his radio debut in 1933, this masked hero has captivated fans in books, movies, comics and—most successfully of all—television. Moore played the virtuous if mysterious character who was beloved for his valor, righteousness and the jaunty command he gave his white horse, "Silver, away!"

Dear Madam or Sir:

I support the proposed SEC rule which would require public companies to report the amounts and recipients of their political spending.

The SEC could atone for its inactivity before the financial crisis

Sincerely,  
Lynn Montu
