## RE: Release No. 34-72460 Plan to Implement a Tick Size Pilot Program; Request for Extension of Public Comment Period

Dear Mr. Fields:

KOR Group LLC<sup>1</sup> "KOR" submits this letter in connection with the above release to implement a Tick Size Pilot Program to widen the minimum quoting and trading increments for certain smaller capitalized stocks<sup>2</sup>.

As ordered by the Securities and Exchange Commission "SEC" on June 24, 2014, the national securities exchanges and the Financial Industry Regulatory Authority ("FINRA") filed the plan<sup>3</sup> on August 25<sup>th</sup>, subject to a 21-day comment period.

KOR notes the joint plan filed by the exchanges and FINRA contains significant revisions and is a departure from the SEC order. KOR therefore requests that the SEC seek to expand the comment period from the current 21-day to 60-day period from publication in the Federal Register to allow industry participants and the public more time to review the added complexities introduced within the proposal.
