Re: File No. 4-699

Dear Mr. Fields:

I am an attorney located in St. Louis, Missouri. Part of my practice includes private securities law. I have closely watched Regulation A since the SEC announced its amendment to the regulation in March of 2015.

I urge the SEC to strongly consider expanding the availability of Regulation A to small publicly reporting companies. As such, I support the petition filed on June 6, 2016, File No. 4-699, to amend Regulation A to make SEC reporting companies eligible issuers and permit at the market offerings.

Very truly yours,

Sewell Law, LC
