RE: File 4-725 – Staff Roundtable on the Proxy Process

Dear Mr. Chairman,

I am a member of a religious community and have some investments that help support our ministries. Because of our size we cannot hold large numbers of shares in any one corporation. However, we find that the shares we hold are helpful to us in having dialogues with various companies and in filing and/or supporting shareholder resolutions on topics we are concerned about.

We are members of ICCR, as well as an investor, and support the ICCR letter sent on November 6, 2018. We would feel it a violation of our rights as a shareholder to have our ability to engage the company, just because we are not able to hold large numbers of shares in said company. We are still owners of said company!

Sincerely,

Sr. Carmen Schnyder, CPPS
Treasurer
