

REQUEST FOR HEARING

Release No. 31598 File No. 812-14368, Business Development Corporation of America.

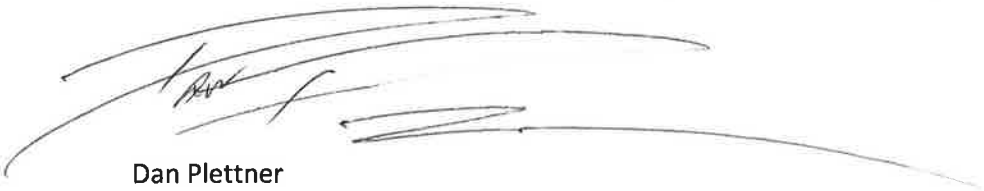

To: Secretary, U.S. Securities and Exchange Commission, 100 F St., NE, Washington, DC 20549

From: Dan Plettner (BDCV Shareholder), [REDACTED]

The reason for my letter today is to request a hearing as pertains to Release No. 31598 File No. 812-14368, Business Development Corporation of America. Inclusive to this request is my affidavit that I am giving service to the applicant of my request. My interest as a BDCV shareholder is ultimately the fact that such an order could allow for the BDCV portfolio to include new investments that ultimately thwart the endeavors and success of already present well-intentioned shareholder activism. Basically the order would facilitate the company making new investments which make successful outcomes of shareholders achieving liquidity near net asset value impractical or improbable by virtue of illiquidity or restrictive covenants in new investments.

Affidavit of service: I am giving service of this request to the applicant at James A. Tanaka, General Counsel, RCS Capital. 405 Park Avenue, 14th Floor, New York, NY, 10022

Respectfully Yours

Dan Plettner
