RE: Section 108 of the JOBS Act – Regulation S-K Review

Ladies and Gentlemen:

I have recently had occasion to review in detail the comments of Daniel J. Winnike, Nancy H. Wojtas and Ann Yvonne Walker in their comment letter to you dated June 19, 2012 concerning the above matter. Please be advised that in my judgment the comments therein are perceptive, timely and constructive, and I unreservedly indorse their conclusions and recommendations and urge early action on them.

This comment is mine alone and does not reflect any input from other members of the Business Law Section of the American Bar Association or the Securities Laws Committee of the Washington State Bar Association, nor does it constitute the official position of this firm or any of its clients on the subject.

I hope that the above comment will prove useful to the Staff and the Commission in its review of the Regulation S-K.

Very truly yours,
