**Transaction Fee Pilot for NMS Stocks**  
**Securities Exchange Act Release No. 82873 (March 14, 2018), 83 FR 13008 (March 26, 2018) (File No. S7-05-18)**

Dear Mr. Fields:

On behalf of Tredegar Corporation (NYSE: TG), I am writing to express our concerns with the "Transaction Fee Pilot" program recently proposed by The Securities and Exchange Commission (the "Commission").

As an NYSE listed company, Tredegar has received a copy of the comment letter provided to you by Elizabeth K. King, General Counsel and Corporate Secretary, NYSE Group, Inc., dated May 31, 2018. We encourage the Commission to pay close attention to the arguments raised by the NYSE. In particular, we believe that the pilot could disadvantage Tredegar if we were to participate in it.

Tredegar urges the Commission not to adopt the Transaction Fee Pilot.

Should the Commission decide to continue with the pilot, Tredegar requests to be excluded from the proposed test groups (effectively placed in the "control group").

Respectfully submitted,

Michael J. Schewel  
Vice-President, General Counsel and Secretary  
Tredegar Corporation
