Re: Pay Ratio Disclosure, File No. S7-07-13

Dear Ms. Murphy,

I am an investor.

I strongly support regulations that would require publicly-traded companies to disclose CEO-to-median worker pay ratios. Opacity in earnings leads to corruption and the expansion of greed. Growing inequality in the US is not just unhealthy as Wilkinson and Pickett have shown in their epidemiological research, but it is also morally wrong. Do the right thing.

Sincerely,

Jennifer Cross
