Re: Pay Ratio Disclosure, File No. S7-07-13

Dear Ms. Murphy,

I strongly support regulations that would require publicly-traded companies to disclose CEO-to-median worker pay ratios. Our economy is being harmed by growing income inequality and stagnation of wages for the majority of workers. Measures that can help address this threat to our future are needed. As income inequality reaches unprecedented heights, the public has the right to know which corporations are fueling the yawning gap between rich and poor.

Sincerely,

Sally Brown
