Re: Pay Ratio Disclosure, File No. S7-07-13

Dear Ms. Murphy,

Please make this important step in transparency and equity by requiring publicly-traded companies to disclose CEO-to-median worker pay ratios.

Income inequality is becoming a HUGE issue in the US, and the public has the right to know which corporations are making the situation worse.

Please demand that public disclosure of CEO incomes be REQUIRED! thank you.

Sincerely,

Julie Moran
