Re: Pay Ratio Disclosure, File No. S7-07-13

Dear Ms. Murphy,

I am an investor.

The ratio between the salaries of CEOs and those of particularly wage employees is fairly obscene, especially when one considers that these same CEOs say their corporations cannot afford to raise the minimal wages they pay their employees. It makes me sick.

I strongly support regulations that would require publicly-traded companies to disclose CEO-to-median worker pay ratios.

What do these corporations fear?

Sincerely,

Melanie Miller
