Re: Pay Ratio Disclosure, File No. S7-07-13

Dear Ms. Murphy,

I am an investor.

At a time when for 30 years the rich have been getting richer, working people are having to make do with less, and state food banks shelves go bare for the need, this inequity needs to be uncovered. The house majority would characterize those that have benefited from this transfer of wealth as hard working Americans, maybe they are but the rules shouldn't be structured to benefit one group of people at the expense of others.

I strongly request that you follow through with enforcing a law you are charged to enforce.

Sincerely yours
Michael Streeter

Sincerely,

Michael Streeter
