Re: Pay Ratio Disclosure, File No. S7-07-13

Dear Ms. Murphy,

Both shareholders of companies with overpaid executives, as well as the American people in general, deserve to have the info on how much top executives are paid and how many times more than the median worker is that pay scale.

Don't let "bad actor" companies force you to backtrack. Please proceed with your proposal to make such info disclosure mandatory. Thank you.

Sincerely,

Bruce Campbell
