Re: Pay Ratio Disclosure, File No. S7-07-13

Dear Ms. Murphy,

I am an investor.

I am strongly against regulations that would require publicly-traded companies to disclose CEO-to-median worker pay ratios.

This is nothing more than class envy politics, and is one of a myriad of propaganda tools to divide our country and keep the public pointing fingers at each other in order to keep attention off of what our government is doing to us all.

To pass regulations like this shows a lack of leadership and integrity and can only hurt our already-ailing country.

Sincerely,

Robert Rice
