Re: Pay Ratio Disclosure, File No. S7-07-13

Dear Ms. Murphy,

I believe that since corporations often profit from contracts funded by tax dollars and since they also benefit from a plethora of laws implemented to maximize profits, the American public has a right to know how that's working out for them. Not only should CEO pay be disclosed but so also should shareholder dividends--especially if any monies are made from tax dollars.

Sincerely,

Kelly Wright
