Re: Pay Ratio Disclosure, File No. S7-07-13

Dear Ms. Murphy,

I am an investor.

I am writing to urge the SEC to support regulations that would require publicly-traded companies to disclose CEO-to-median worker pay ratios. Disclosure of CEO-to-worker pay ratios is crucial for investors. This information is important for determining whether corporations are diverting resources to executives at the expense of long-term investments and workforce development. Additionally, investors need to be able to gauge whether executives' compensation is falling in line with their performance.

Sincerely,

Greg Conway
