*Dear Ms. Shapiro:*

*It is absolutely necessary to stop the 'free fall' of the "Market"! This can only happen if you will revisit one of the many mistakes of the SEC used under Christopher Cox, which resulted in changing the 'rules' under which Short Sellers operated.*

*Many of the financial and business leaders, i.e. Charles Schwab, Steve Forbes, etc., feel as I do. We will be another 1929, unless you change back the 'rules'.*

*Thank you for your attention to this matter.*

*Respectfully,*

  
*John A. Loconsolo*
