

ES129094 3/9/09

To Mary Shapiro,

We plead with you to reinstate
the "Upstick rule".

We have just experienced an
horrendous time in the
Stock Market, one that
we believe could have been
unavoidable had the
"Upstick Rule" still been
in place.

The Market could suffer
severe and irreparable
damage if nothing is done.

Please act NOW!

Regards,
Debra Hopkins
