Re: Reporting of Securities Loans (File No. S7-08-22)

Dear Secretary Countryman:

I am writing in strong support of rule 10c-1, "Reporting of Securities Loans". This rule would provide much-needed transparency in the markets. Victimized companies will be able to guard themselves better against predatory short selling. The current level of opacity in trading leaves retail investors in the dark at risk of making financial decisions with false or partial information. In conclusion, I am a strong supporter of any legislation that creates stronger standards for transaction reporting.

Sincerely,

A Concerned Investor
