

MEMORANDUM

To: Comment File (S7-10-22) – The Enhancement and Standardization of Climate-Related Disclosures for Investors

From: The Office of the Chair, U.S. Securities and Exchange Commission

Date: May 27, 2022

Re: Meeting with General Motors

On May 27, 2022, Chair Gensler met with General Motors CEO Mary Barra to discuss the SEC's proposal related to the enhancement and standardization of climate-related disclosures for investors. Topics discussed included timing of disclosures, financial reporting metrics and scenario analysis.

Attendees from GM included:

- Mary Barra, CEO

SEC staff included:

- Heather Slavkin Corzo, Policy Director, Chair's Office
