

## **MEMORANDUM**

**To:** Comment File (S7-10-22) – The Enhancement and Standardization of Climate-Related Disclosures for Investors

**From:** The Office of the Chair, U.S. Securities and Exchange Commission

**Date:** September 26, 2023

**Re:** Meeting with Chamber of Commerce

---

On September 6, staff from the Office of the Chair met with Evan Williams from the Chamber of Commerce about the SEC’s proposal for the enhancement and standardization of climate-related disclosures for investors. During the meeting, the participants discussed trends in corporate climate disclosures, and the Chamber’s engagement with the EU and the ISSB about disclosure requirements in other jurisdictions.

On September 25, participants had a follow-up phone call to discuss the agenda for an upcoming meeting between the Chamber and the Chair.

**Attendees:**

- Mika Morse, Chair’s Office
- Evan Williams, Chamber of Commerce
