

MEMORANDUM

To: Comment File (S7-10-22) – The Enhancement and Standardization of Climate-Related Disclosures for Investors

From: The Office of the Chair, U.S. Securities and Exchange Commission

Date: October 17, 2023

Re: Meeting with the American Farm Bureau Federation

On October 10, the Chair and staff from the Office of the Chair met with representatives from the American Farm Bureau Federation about the SEC’s proposal for the enhancement and standardization of climate-related disclosures for investors. During the meeting, the participants discussed agricultural producers’ concerns about the proposal’s Scope 3 emissions disclosure provisions.

Attendees:

- Chair Gensler, SEC
- Heather Slavkin Corzo, Office of the Chair
- Mika Morse, Office of the Chair
- Zippy Duvall, AFBF
- Travis Cushman, AFBF
