Re: Meeting with the American Farm Bureau Federation

On October 5, staff from the Office of the Chair met with representatives from the American Farm Bureau Federation (AFBF) about the SEC’s proposal for the enhancement and standardization of climate-related disclosures for investors. During the meeting, the participants discussed setting up a meeting between the AFBF and the Chair to discuss the proposal’s Scope 3 emissions disclosure provisions.

Attendees:

- Mika Morse, Office of the Chair
- Travis Cushman, AFBF
