

MEMORANDUM

To: Comment File (S7-10-22) – The Enhancement and Standardization of Climate-Related Disclosures for Investors

From: The Office of the Chair, U.S. Securities and Exchange Commission

Date: January 26, 2024

Re: Meeting with Chamber of Commerce

On January 8, the Chair and staff from the Office of the Chair met with representatives from the Chamber of Commerce about the SEC’s proposal for the enhancement and standardization of climate-related disclosures for investors. During the meeting, the participants discussed trends in corporate climate disclosures and issues raised in the Chamber’s comment letters, including one submitted to the file on December 6, 2023, concerning the recent California climate disclosure laws.

Attendees:

- Chair Gensler, SEC
- Mika Morse, Office of the Chair
- Erik Gerding, Director, Division of Corporation Finance
- David Hirschmann, Chamber of Commerce
- Tom Quaadman, Chamber of Commerce
- Bill Hulse, Chamber of Commerce
- Evan Williams, Chamber of Commerce
