

## MEMORANDUM

**To:** Comment File (S7-10-22) – The Enhancement and Standardization of Climate-Related Disclosures for Investors

**From:** The Office of the Chair, U.S. Securities and Exchange Commission

**Date:** February 8, 2024

**Re:** Meeting with staff from the Offices of California Senators Wiener and Stern

---

On September 27, 2023, staff from the Office of the Chair met with staff from the Offices of California State Senators Wiener and Stern to discuss the California climate disclosure bills, which were signed into law on October 7, 2023. While the participants did not discuss the SEC's proposal for the enhancement and standardization of climate-related disclosures for investors, they discussed the requirements of the California disclosure laws and the timeframe for implementation.

Attendees:

- Mika Morse, Office of the Chair, SEC
- Gil Topete, Legislative Director, Senator Stern's Office
- Ross Zelen, Chief Consultant, California State Senate
- Tate Hanna, Policy Analyst, Senator Wiener's Office
- Erik, Mebust, Director of Communications, Senator Wiener's Office
