

## MEMORANDUM

**To:** File No. S7-10-22

**From:** Office of Legislative and Intergovernmental Affairs  
U.S. Securities and Exchange Commission

**Re:** Discussion with Rep. Maxine Waters

---

On Thursday, February 29, 2024, Chair Gary Gensler and his staff had a phone call with Representative Maxine Waters. During the conversation, Rep. Waters discussed the SEC's proposal for the enhancement and standardization of climate-related disclosures for investors. Consistent with the comments she made in her October 30, 2023, letter, Rep. Waters expressed her views on the importance of Scope 3 GHG disclosures.

Commission participants:

- Gary Gensler, Chair
- Kevin Burris, Director, Office of Legislative and Intergovernmental Affairs

US House participants:

- Representative Maxine Waters, Member of Congress
