Re: Reporting of Securities Loans (File No. S7-18-21)

Dear Secretary Countryman:

I am writing in strong support of rule 10c-1, "Reporting of Securities Loans".

We most opt for more transparency in the Reporting of Securities Loans. There is simply too much room for fraud in the system as is. Short selling is a tool where many things can be influenced by bad actors if the public can't see what those bad actors are doing behind the curtains.

Sincerely,

A Concerned Investor
