Re: Reporting of Securities Loans (File No. S7-18-21)

Dear Secretary Countryman:

I am writing in strong support of rule 10c-1, "Reporting of Securities Loans".

For far too long, market makers and hedge funds have been able to siphon money to the top by robbing the hard-working American people. I think it's time we add transparency to the market and stop this rigged circus so that retail investors will have the opportunity to make informed decisions based on accurate research and ensure their hard-earned money is growing for them to enjoy retirement and build wealth.

As the richest nation to have ever existed, let's allow more people to benefit from their life's work; not just the top 1%.

Sincerely,

A Concerned Investor
