

August 1, 2008

The rules are in place to prohibit Naked short selling and except for a select few(Fannie and Freddie) they are not being enforced.You sirs are aiding and abetting these criminals in the fleecing of Americans who invest in this country.

This Nov. we will have our say but until that time you folks have a responsibility that you must uphold and if you dont you can also be thrown out on the streets.

respectfully I remain

Yours truly

B Richmond
