

August 1, 2008

If you think for a minute that you can lie and cheat your way out of this mess, think again.

Your fraud and lies are in the sunshine and when those that are responsible for taking the uptick rule out and allowing **S7-20-08** to be used without regard to fairness and honesty and stocks bought, you all will pay the price and I am certain it will be criminal indictments, as it should be.

The lies and cheating will stop and a pound of flesh will be required of the guilty.

Again, you must do the right thing and cease allowing NAKED SHORT SELLING.

Get a move on,

Dan Arace

A buyer and seller of stocks that are owned
