Wall Street Journal and the Volcker Rule

Dear Chairman Schapiro,

We are enclosing the letter to the editor that the Black Economic Council, the Latino Business Chamber of Greater LA and the National Asian American Coalition had published in the *Wall Street Journal* on November 3rd, "Volcker Rule Should Be Simple To Do."

We filed preliminary comments on October 21st and will be filing more comprehensive comments in the near future. Since our October 21st filing, we have already had a lengthy discussion on the effective implementation of the Volcker Rule with Paul Volcker's chief of staff.

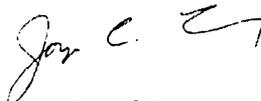

If there is a senior official who is focusing on the Volcker Rule and public comments, we would be most appreciative if we could have the opportunity to speak with that person.

We thank you again for your concerns for Main Street issues.

Most sincerely,

Len Canty
Chairman
Black Economic Council

Jorge Corralejo
Chairman
Latino Business Chamber of Greater LA

Faith Bautista
President and CEO
National Asian American Coalition
