Re: SR-FINRA-2014-020
Notice of Filing of Proposed Rule Changed to Adopt FINRA Rule 2081
(Prohibited Conditions Relating to Expungement of Customer Dispute
Information)

To the Office of the Secretary:

I am a partner at Aidikoff, Uhl and Bakhtiari, a law firm devoted to the representation of individuals and institutions in disputes with Wall Street and the financial service industry. I am a former President of the Public Investors Arbitration Bar Association (PIABA) and the current Chairman of FINRA's National Arbitration and Mediation Committee (NAMC).

The purpose of this letter is to provide the Securities and Exchange Commission with comments on the above referenced rule proposal. The prohibition of any member firm or associated person from bartering for an expungement during the process in which a dispute is settled with a public customer is an important step towards protecting the integrity of the CRD system and the disclosure of material information to the investing public.

I urge the Commission to approve Rule 2081 on an expedited basis.

Very truly yours,

AIDIKOFF, UHL & BAKHTIARI
