Dear Chairman Cox and Commissioners:

Chipotle Mexican Grill, Inc. supports the one, two or three symbol distinction of the New York Stock Exchange and believes in its value.

Our three letter ticker (CMG) readily identifies Chipotle as a member of the NYSE. By choosing to list on the NYSE, we are associated

with high quality brands, reputations and achievements of other NYSE listed companies. The NYSE holds its companies to the highest

corporate governance and financial standards. We are proud to be a listing company with the NYSE.

We ask for your attention to the New York Stock Exchange's Symbology Plan and for your support of one, two, and three character

tickers which so distinctly represent the companies of the NYSE.

Sincerely,

Jack Hartung

Chief Finance and Development Officer
