1. Text of the Proposed Rule Change

- (a) Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”)¹ and Rule 19b-4 thereunder,² New York Stock Exchange LLC (“NYSE” or the “Exchange”) proposes to delay the implementation of its recently approved rule requiring listed companies to provide notice to the Exchange at least 10 minutes before making any public announcement with respect to a dividend or stock distribution in all cases.³

The text of the proposed rule change is set forth in Exhibit 5 attached hereto. The proposed rule change is available on the Exchange’s website at www.nyse.com, at the Exchange’s principal office, and at the Commission’s Public Reference Room.

- (b) The Exchange does not believe that the proposed rule change will have any direct effect, or any significant indirect effect, on any other Exchange rule in effect at the time of this filing.
- (c) Not applicable.

2. Procedures of the Self-Regulatory Organization

Senior management has approved the proposed rule change pursuant to authority delegated to it by the Board of the Exchange. No further action is required under the Exchange’s governing documents. Therefore, the Exchange’s internal procedures with respect to the proposed rule change are complete.

The person on the Exchange staff prepared to respond to questions and comments on the proposed rule change is:

Senior Director
NYSE Group, Inc.

² 17 CFR 240.19b-4.

³ The Exchange previously filed a proposed rule change to delay the implementation of its recently approved rule requiring listed companies to provide notice to the Exchange at least 10 minutes before making any public announcement with respect to a dividend or stock distribution in all cases. See SR-NYSE-2017-43 (August 22, 2017). This Amendment No. 1 replaces and supersedes the original filing of SR-NYSE-2017-43 in its entirety.

3. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

(a) Purpose

On August 14, 2017, the Commission approved changes to the NYSE Listed Company Manual (the “Manual”) that require listed companies to provide notice to the Exchange at least 10 minutes before making any public announcement with respect to a dividend or stock distribution in all cases, including outside of the hours in which the Exchange’s immediate release policy is in operation.⁴ The principal effect of this amendment is to require listed companies to provide 10 minutes advance notice to the Exchange with respect to a dividend or stock distribution announcement made at any time, rather than just during the hours of operation of the immediate release policy as is currently the case.⁵

Because listed companies may need to change their internal procedures to comply with the new policy and because the Exchange requires additional time to finalize its implementation of new technology changes and processes to effectively perform this function, the Exchange proposes to delay the final implementation date of the changes.⁶ This delay would provide listed companies with additional time to prepare to comply with the new requirements and for the Exchange’s systems to provide the necessary support to Exchange staff in reviewing notifications. The Exchange will provide reasonable advance notice of the new implementation date to its listed companies at least 30 days in advance by emailing a notice to them that will also be posted on nyse.com. The new implementation date will be no later than February 1, 2018.

The Exchange proposes to amend Section 204.12 of the Manual to include two versions of the first paragraph of such section. Version A of such paragraph will include the rule text in effect prior to the Commission’s August 14, 2017 approval of the Exchange’s proposed revision.⁷ Version B of such paragraph will include

⁴ See Securities Exchange Act Release No. 81393 (August 14, 2017) (SR-NYSE-2017-17).

⁵ The Exchange also amended Section 202.06(B) of the Manual to emphasize the Exchange’s consistent interpretation of that rule as requiring listed companies to comply with the immediate release policy with respect to all announcements relating to a dividend or stock distribution.

⁶ The original filing also included an amendment to Section 202.06(B). As this amendment was a clarification of an existing interpretation of that section, the Exchange does not propose to delay its implementation.

⁷ The following is the text of Version A:

the amended rule text approved by the Commission on August 14, 2017.⁸ The Exchange proposes to include a header above each paragraph stating that (i) Version A will remain operative until the Exchange notifies listed companies that Version B is operative and (ii) Version B will be operative on February 1, 2018 or such earlier date as the Exchange notifies listed companies that Version B is operative.

The Exchange proposes to amend Section 204.21 of the Manual to include two versions of the first paragraph of such section. Version A of such paragraph will include the rule text in effect prior to the Commission's August 14, 2017 approval of the Exchange's proposed revision.⁹ Version B of such paragraph will include the amended rule text approved by the Commission on August 14, 2017.¹⁰ The Exchange proposes to include a header above each paragraph stating that (i) Version A will remain operative until the Exchange notifies listed companies that Version B is operative and (ii) Version B will be operative on February 1, 2018 or such earlier date as the Exchange notifies listed companies that Version B is operative.

(b) Statutory Basis

Prompt notice will be given to the Exchange as to any dividend action or action relating to a stock distribution in respect of a listed stock (including the omission or postponement of a dividend action at the customary time as well as the declaration of a dividend). Such notice is in addition to immediate publicity and should be given at least ten days in advance of the record date. The dividend notice should be given to the Exchange in accordance with Section 204.00. Notice should be given as soon as possible after declaration and in any event, no later than simultaneously with the announcement to the news media. The notice should include:

* * * * *

⁸ See Footnote 4 above.

⁹ The following is the text of Version A:

Prompt notice is required to be given to the Exchange of the fixing of a date for the taking of a record of shareholders, or for the closing of transfer books (in respect of a listed security), for any purpose. The notice should state the purpose or purposes for which the record date has been fixed. This notice should be provided to the Exchange in accordance with Section 204.00.

¹⁰ See Footnote 4 above.

The Exchange believes that the proposed rule change is consistent with Section 6(b)¹¹ of the Act, in general, and furthers the objectives of Section 6(b)(5) of the Act,¹² in particular in that it is designed to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest and is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers. The proposed amendment is consistent with the protection of investors and the public interest because it will ensure an orderly and effective implementation of the Exchange's new dividend and stock distribution notification policy.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purpose of the Act. The purpose of the proposal is to delay the effectiveness of the Exchange's new dividend and stock distribution notification policy to give the Exchange staff and listed companies additional time to prepare for compliance with the new policy and it will not have any effect on competition.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

6. Extension of Time Period for Commission Action

The Exchange does not consent at this time to an extension of any time period for Commission action.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The Exchange believes that the proposal qualifies for immediate effectiveness upon filing as a "non-controversial" rule change in accordance with Section 19(b)(3)(A)¹³ of the Act and Rule 19b-4(f)(6)¹⁴ thereunder. The Exchange asserts

¹¹ 15 U.S.C. 78f(b).

¹² 15 U.S.C. 78f(b)(5).

¹³ 15 U.S.C. 78s(b)(3)(A).

that the proposed rule change (i) will not significantly affect the protection of investors or the public interest, (ii) will not impose any significant burden on competition, and (iii) by its terms, will not become operative for 30 days after the date of this filing, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest. In addition, the Exchange provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing, or such shorter time as the Commission may designate.

The Exchange believes that the proposal will not significantly affect the protection of investors and the public interest because listed companies are already required to provide notice to the Exchange with respect to dividends and stock distributions and the revised policy simply requires an adjustment in the timing of that notification to enable the Exchange staff to review dividend and stock distribution announcements before they are publicly disseminated.

The Exchange respectfully requests that the Commission waive the 30-day delayed operative date and required five business days advance written notice so that the proposed rule change may become effective and operative upon filing with the Commission pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6) thereunder. Waiving the 30-day operative delay and five days advance written notice requirement would be consistent with the protection of investors and the public interest because listed companies currently provide the Exchange with notice with respect to their dividends and stock distributions and the revised policy simply requires an adjustment in the timing of that notification to enable the Exchange staff to review dividend and stock distribution announcements before they are publicly disseminated. In addition, the waiver would enable the Exchange to avoid any potential confusion that might be caused among listed companies if the new policy was in effect for a brief period prior to the proposal becoming operative. Waiver of the operative delay and advance written notification requirement would also be consistent with the protection of investors and the public interest because it would promote transparency to listed companies regarding when they would be required to comply with the approved changes to the Manual.

For the foregoing reasons, this rule filing qualifies for immediate effectiveness as a “non-controversial” rule change under paragraph (f)(6) of Rule 19b-4.¹⁵ At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the

Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Delay the Implementation of its Recently Approved Rule Requiring Listed Companies to Provide Notice to the Exchange at Least 10 Minutes Before Making any Public Announcement

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the “Act”)² and Rule 19b-4 thereunder,³ notice is hereby given that on August 29, 2017, New York Stock Exchange LLC (“NYSE” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to delay the implementation of its recently approved rule requiring listed companies to provide notice to the Exchange at least 10 minutes before making any public announcement with respect to a dividend or stock distribution in all cases.⁴ The proposed rule change is available on the Exchange’s website at

¹ 15 U.S.C.78s(b)(1).

www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

On August 14, 2017, the Commission approved changes to the NYSE Listed Company Manual (the "Manual") that require listed companies to provide notice to the Exchange at least 10 minutes before making any public announcement with respect to a dividend or stock distribution in all cases, including outside of the hours in which the Exchange's immediate release policy is in operation.⁵ The principal effect of this amendment is to require listed companies to provide 10 minutes advance notice to the Exchange with respect to a dividend or stock distribution announcement made at any

announcement with respect to a dividend or stock distribution in all cases. See SR-NYSE-2017-43 (August 22, 2017). This Amendment No. 1 replaces and supersedes the original filing of SR-NYSE-2017-43 in its entirety.

⁵ See Securities Exchange Act Release No. 81393 (August 14, 2017) (SR-NYSE-2017-17).

time, rather than just during the hours of operation of the immediate release policy as is currently the case.⁶

Because listed companies may need to change their internal procedures to comply with the new policy and because the Exchange requires additional time to finalize its implementation of new technology changes and processes to effectively perform this function, the Exchange proposes to delay the final implementation date of the changes.⁷ This delay would provide listed companies with additional time to prepare to comply with the new requirements and for the Exchange's systems to provide the necessary support to Exchange staff in reviewing notifications. The Exchange will provide reasonable advance notice of the new implementation date to its listed companies at least 30 days in advance by emailing a notice to them that will also be posted on nyse.com. The new implementation date will be no later than February 1, 2018.

The Exchange proposes to amend Section 204.12 of the Manual to include two versions of the first paragraph of such section. Version A of such paragraph will include the rule text in effect prior to the Commission's August 14, 2017 approval of the Exchange's proposed revision.⁸ Version B of such paragraph will include the amended

⁶ The Exchange also amended Section 202.06(B) of the Manual to emphasize the Exchange's consistent interpretation of that rule as requiring listed companies to comply with the immediate release policy with respect to all announcements relating to a dividend or stock distribution.

⁷ The original filing also included an amendment to Section 202.06(B). As this amendment was a clarification of an existing interpretation of that section, the Exchange does not propose to delay its implementation.

⁸ The following is the text of Version A:

Prompt notice will be given to the Exchange as to any dividend action or action relating to a stock distribution in respect of a listed stock (including the omission

rule text approved by the Commission on August 14, 2017.⁹ The Exchange proposes to include a header above each paragraph stating that (i) Version A will remain operative until the Exchange notifies listed companies that Version B is operative and (ii) Version B will be operative on February 1, 2018 or such earlier date as the Exchange notifies listed companies that Version B is operative.

The Exchange proposes to amend Section 204.21 of the Manual to include two versions of the first paragraph of such section. Version A of such paragraph will include the rule text in effect prior to the Commission's August 14, 2017 approval of the Exchange's proposed revision.¹⁰ Version B of such paragraph will include the amended rule text approved by the Commission on August 14, 2017.¹¹ The Exchange proposes to include a header above each paragraph stating that (i) Version A will remain operative until the Exchange notifies listed companies that Version B is operative and (ii) Version

or postponement of a dividend action at the customary time as well as the declaration of a dividend). Such notice is in addition to immediate publicity and should be given at least ten days in advance of the record date. The dividend notice should be given to the Exchange in accordance with Section 204.00. Notice should be given as soon as possible after declaration and in any event, no later than simultaneously with the announcement to the news media. The notice should include:

* * * * *

⁹ See Footnote 4 above.

¹⁰ The following is the text of Version A:

Prompt notice is required to be given to the Exchange of the fixing of a date for the taking of a record of shareholders, or for the closing of transfer books (in respect of a listed security), for any purpose. The notice should state the purpose or purposes for which the record date has been fixed. This notice should be provided to the Exchange in accordance with Section 204.00.

¹¹ See Footnote 4 above.

B will be operative on February 1, 2018 or such earlier date as the Exchange notifies listed companies that Version B is operative.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b)¹² of the Act, in general, and furthers the objectives of Section 6(b)(5) of the Act,¹³ in particular in that it is designed to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest and is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers. The proposed amendment is consistent with the protection of investors and the public interest because it will ensure an orderly and effective implementation of the Exchange's new dividend and stock distribution notification policy.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purpose of the Act. The purpose of the proposal is to delay the effectiveness of the Exchange's new dividend and stock distribution notification policy to give the Exchange staff and listed companies additional time to prepare for compliance with the new policy and it will not have any effect on competition.

¹³ 15 U.S.C. 78f(b)(5).

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act¹⁴ and Rule 19b-4(f)(6) thereunder.¹⁵ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.

A proposed rule change filed under Rule 19b-4(f)(6)¹⁶ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹⁷ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing.

At any time within 60 days of the filing of such proposed rule change, the

Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹⁸ of the Act to determine whether the proposed rule change should be approved or disapproved.
