**SR-NYSEArca-2013-122; Partial Amendment No. 2**

NYSE Arca, Inc. (“Exchange”) hereby amends SR-NYSEArca-2013-122 (“Filing”) as follows:

1. The third full paragraph on page 10 of the Filing and the second full paragraph on page 28 of the Filing are replaced with the following:

“Except for the changes noted herein, all other facts presented and representations made in the Prior Release remain unchanged.”

2. The section “Disclosed Portfolio” on page 12 of the Filing and pages 30-31 of Exhibit 1 to the Filing are deleted and replaced with the following:

“The Fund’s disclosure of derivative positions in the Disclosed Portfolio will include information that market participants can use to value these positions intraday. On a daily basis, the Fund will disclose on the Fund’s website the following information regarding each portfolio holding, as applicable to the type of holding: ticker symbol, CUSIP number or other identifier, if any; a description of the holding (including the type of holding, such as the type of swap); the identity of the security, commodity, index or other asset or instrument underlying the holding, if any; for options, the option strike price; quantity held (as measured by, for example, par value, notional value or number of shares, contracts or units); maturity date, if any; coupon rate, if any; effective date, if any; market value of the holding; and the percentage weighting of the holding in the Fund’s portfolio.”

3. The second sentence of the bottom paragraph on page 15 of the Filing and of the bottom paragraph on page 35 (extending to page 36) of Exhibit 1 to the Filing are replaced with the following:

“On a daily basis, the Fund will disclose on the Fund’s website the following information regarding each portfolio holding, as applicable to the type of holding: ticker symbol, CUSIP number or other identifier, if any; a description of the holding (including the type of holding, such as the type of swap); the identity of the security, commodity, index or other asset or instrument underlying the holding, if any; for options, the option strike price; quantity held (as measured by, for example, par value, notional value or number of shares, contracts or units); maturity date, if any; coupon rate, if any; effective date, if any; market value of the holding; and the percentage weighting of the holding in the Fund’s portfolio.”

The Exchange believes that the proposed rule change, as modified by this amendment, is consistent with the requirement of Section 6(b)(5) of the Securities Exchange Act of

1934<sup>1</sup> (“Act”) that an exchange have rules that are designed, among other things, to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to, and perfect the mechanism of a free and open market and, in general to protect investors and the public interest. The proposed amendment clarifies the representations in the Filing regarding disclosure of the Fund’s holdings on the Fund’s website by providing additional details and information regarding each instrument or asset held by the Fund that will be disclosed on a daily basis. The additional details and information contained in the proposed amended language above will permit investors and other market participants to identify each of the Fund’s holdings, which will be useful for pricing and valuation purposes. In addition, such clarification ensures that investors have accurate and complete information with respect to their investment in the Fund and, therefore, promotes just and equitable principles of trade, remove impediments to a free and open market and protects investors and the public interest.

All other representations in the Filing remain as stated therein and no other changes are being made.
