SR-NYSEArca-2015-102, Partial Amendment No. 2

NYSE Arca, Inc. (“NYSE Arca” or the “Exchange”) hereby submits this Partial Amendment No. 1 to the above-referenced filing (“Filing”) in connection with the proposed rule change to provide that the co-location services offered by the Exchange include three time feeds and four bundles of co-location services (“Partial Cabinet Solution Bundles”) and to amend the NYSE Arca Options Fee Schedule (the “Options Fee Schedule”) and, through its wholly owned subsidiary NYSE Arca Equities, Inc. (“NYSE Arca Equities”), the NYSE Arca Equities Schedule of Fees and Charges for Exchange Services (the “Equities Fee Schedule” and, together with the Options Fee Schedule, the “Fee Schedules”) to reflect the changes. The Exchange proposes the following amendments to the filing:

1. Amend the first full paragraph on page 4 of the Filing (second full paragraph on page 22 of the Exhibit 1).

The Exchange proposes to amend the first full paragraph on page 4 of the Filing (second full paragraph on page 22 of the Exhibit 1) to indicate that the Exchange proposes to offer the Partial Cabinet Solution bundles beginning the later of February 1, 2016 and the date of Commission approval. To reflect the proposed change, the Exchange proposes to amend the text as follows (new text underlined, deleted text in strike-through):

The Exchange proposes to change its rules to provide that the co-location³ services offered by the Exchange include three time feeds and four new Partial Cabinet Solution bundles. In addition, the Exchange proposes to amend the Fee Schedules to reflect the time feeds and the Partial Cabinet Solution bundles. The Exchange proposes to offer the Partial Cabinet Solution bundles
beginning January 1, 2016 the later of February 1, 2016 and the date of Commission approval.

2. Amend the first full paragraph on page 5 of the Filing (carry-over paragraph on pages 23 to 24 of the Exhibit 1).

The Exchange proposes to amend the first full paragraph on page 5 of the Filing (carry-over paragraph on pages 23 to 24 of the Exhibit 1) to include information regarding the distinction between the three time feeds. To reflect the proposed change, the Exchange proposes to amend the text as follows (new text underlined):

The proposed change includes three time feeds. Global Positioning System (“GPS”) is a time and location system maintained by the United States

³ The Exchange initially filed rule changes relating to its co-location services with the Securities and Exchange Commission (“Commission”) in 2010. See Securities Exchange Act Release No. 63275 (November 8, 2010), 75 FR 70048 (November 16, 2010) (SR-NYSEArca-2010-100) (the “Original Co-location Filing”). The Exchange operates a data center in Mahwah, New Jersey (the “data center”) from which it provides co-location services to Users.

government. The Exchange accesses the GPS Time Source feed through dedicated equipment and subscribing Users connect to the feed over dedicated cables. For the NTP and PTP time feeds, the Exchange routes the GPS data through dedicated equipment that reformats the GPS data into NTP and PTP.⁷ Subscribing Users connect to PTP over dedicated cables and NTP over the Liquidity Center Network (“LCN”), a local area network available in the data center. The GPS Time Source feed is a sub-microsecond time feed, providing the highest level of accuracy of the three time feeds. PTP has an accuracy of less than 10 microseconds, while the accuracy of NTP can be greater than 10 milliseconds.

3. Amend the second full paragraph on page 6 of the Filing (carry-over paragraph on pages 25 to 26 of the Exhibit 1).

The Exchange proposes to amend the second full paragraph on page 6 of the Filing (carry-over paragraph on pages 25 to 26 of the Exhibit 1) to indicate that the Exchange proposes to offer the Partial Cabinet Solution bundles beginning the later of February 1, 2016 and the date of Commission approval. To reflect the proposed change, the Exchange proposes to amend the text as follows (new text underlined, deleted text in strike-through):

The Exchange proposes to offer four Partial Cabinet Solution bundles intended to make it more cost effective for smaller Users to utilize co-location. These proposed Partial Cabinet Solution bundles would provide smaller Users a convenient way to create a colocation environment, by including in each Partial Cabinet Solution bundle cabinet space, network access, fiber connections (“cross connects”), and the choice of either the NTP or PTP time feed. The Exchange expects that such Users would include those with minimal power or cabinet space demands and Users for which the costs attendant with having a dedicated cabinet or greater network connection bandwidth are too burdensome. The Exchange expects that the majority of Users that purchase a Partial Cabinet Solution bundle will not previously have been a User or Hosted Customer, but recognizes that it is possible that purchasing Users may include entities that otherwise would be Hosted Customers. The Exchange proposes to offer the Partial Cabinet Solution bundles beginning January 1, 2016 ~~the later of February 1, 2016 and the date of Commission approval~~.

4. Amend the table on pages 9 to 10 of the Filing (table on pages 29 to 30 of the Exhibit 1).

The Exchange proposes to amend the table on pages 9 to 10 of the Filing (table on pages 29 to 30 of the Exhibit 1) to remove the reference to the proposed fees for the Partial

The Exchange proposes to implement the proposed Partial Cabinet Solution bundle changes effective ~~January 1, 2016 the later of February 1, 2016 and the date of Commission approval~~. If as of that date a User already had each of the components of a Partial Cabinet Solution bundle and met the conditions described above for access to the Partial Cabinet Solution bundle, the Exchange would

automatically treat the User's services as a Partial Cabinet Solution bundle and reduce the User's MRC to the MRC for the relevant bundle, effective January 1, 2016 the later of February 1, 2016 and the date of Commission approval.

6. Amend the date on page 47 of Exhibit 5.

The Exchange proposes to update the date on page 47 of the Exhibit 5, as follows (new text underlined, deleted text in strike-through)

Effective Date: [November 2, 2015January 27, 2016

7. Amend Proposed General Note 2 on page 48 and pages 52 to 53 of the Exhibit 5.

The Exchange proposes to amend proposed General Note 2 on page 48 and pages 52 to 53 of the Exhibit 5, to remove the reference to it being effective January 1, 2016. To reflect the proposed change, the Exchange proposes to amend the proposed text as follows (deleted text in strike-through):

2. To qualify for a Partial Cabinet Solution bundle, a User must meet the following conditions: (1) it must purchase only one Partial Cabinet Solution bundle; (2) the User and its Affiliates must not currently have a Partial Cabinet Solution bundle; and (3) after the purchase of the Partial Cabinet Solution bundle, the User, together with its Affiliates, will have an Aggregate Cabinet Footprint of no more than 2 kW.

- A User requesting a Partial Cabinet Solution bundle will be required to certify to the Exchange (a) whether any other Users or Hosted Customers are Affiliates of the certifying User, and (b) that after the purchase of the Partial Cabinet Solution bundle, the User, together with its Affiliates, would have an Aggregate Cabinet Footprint of no more than 2 kW. The certifying User will be required to inform the Exchange immediately of any event that causes another User or Hosted Customer to become an Affiliate. The Exchange shall review available information regarding the entities and may request additional information to verify the Affiliate status of a User or Hosted Customer. The Exchange shall approve a request for a Partial Cabinet Solution bundle unless it determines that the certification is not accurate.
- If a User that has purchased a Partial Cabinet Solution bundle becomes affiliated with one or more other Users or Hosted Customers and thereby no longer meets the conditions for access to the Partial Cabinet Solution bundle, or if the User otherwise ceases to meet the conditions for access to the Partial Cabinet Solution bundle, the Exchange will no longer offer it to such User and the User will be charged for each of the services individually, at the price for each such service set out in the Price List.

In addition, a User that changes its Partial Cabinet Solution bundle from one option to another will not be subject to a second initial charge, but will be required to pay the difference, if any, between the bundles' initial charges.

(Note 2 effective from January 1, 2016)

8. Amend proposed text for fee for Partial Cabinet Solution bundles on page 49 to 50 and pages 54 to 55 of the Exhibit 5.

The Exchange proposes to amend the proposed text for the fee for Partial Cabinet Solution bundles on page 49 to 50 and pages 54 to 55 of the Exhibit 5, to remove the reference to it being effective January 1, 2016.
