SR-NYSEArca-2016-173, Amendment No. 3

NYSE Arca, Inc. (“Exchange”) hereby amends SR-NYSEArca-2016-173 (the “Filing”) as follows:

1. The first sentence on page 16 of the Filing and the last partial sentence on page 41 of Exhibit 1 to the Filing (extending to page 42) is deleted and replaced with the following:

“This website disclosure of each Fund’ daily holdings will occur at the same time as the disclosure by the Trust of the daily holdings to Authorized Participants so that all market participants are provided daily holdings information at the same time.”

2. The first sentence of the third full paragraph on page 5 of the Filing and the first sentence of the first full paragraph on page 25 of Exhibit 1 to the Filing are deleted and replaced with the following:

“The Benchmark Oil Futures Contract is the futures contract on light, sweet crude oil as traded on the New York Mercantile Exchange (the “NYMEX”, which is part of the CME Group, Inc. (“CME”)), traded under the trading symbol “CL” (for WTI Crude Oil futures), that is the near month contract to expire, except when the near month contract is within two weeks of expiration, in which case it will be measured by the futures contract that is the next month contract to expire.⁷”

The Exchange believes that the proposed rule change, as modified by this amendment, is consistent with the requirement of Section 6(b)(5) of the Securities Exchange Act of 1934¹ (“Act”) that an exchange have rules that are designed, among other things, to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to, and perfect the mechanism of a free and open market and, in general to protect investors and the public interest. Item 1 above deletes the word “approximately” from the specified sentence included in Amendment 2 to the Filing, and, therefore, makes the representation regarding website disclosure more specific. Item 2 above identifies WTI Crude Oil futures as the futures to which the symbol “CL” applies.

All other representations in the Filing remain as stated therein and no other changes are being made.
