Form 19b-4 Information *

Add Remove View

The self-regulatory organization must provide all required information, presented in a clear and comprehensible manner, to enable the public to provide meaningful comment on the proposal and for the Commission to determine whether the proposal is consistent with the Act and applicable rules and regulations under the Act.

Exhibit 1 - Notice of Proposed Rule Change *

Add Remove View

The Notice section of this Form 19b-4 must comply with the guidelines for publication in the Federal Register as well as any requirements for electronic filing as published by the Commission (if applicable). The Office of the Federal Register (OFR) offers guidance on Federal Register publication requirements in the Federal Register Document Drafting Handbook, October 1998 Revision. For example, all references to the federal securities laws must include the corresponding cite to the United States Code in a footnote. All references to SEC rules must include the corresponding cite to the Code of Federal Regulations in a footnote. All references to Securities Exchange Act Releases must include the release number, release date, Federal Register cite, Federal Register date, and corresponding file number (e.g., SR-[SRO]-xx-xx). A material failure to comply with these guidelines will result in the proposed rule change being deemed not properly filed. See also Rule 0-3 under the Act (17 CFR 240.0-3)

Exhibit 2 - Notices, Written Comments, Transcripts, Other Communications

Add Remove View

Exhibit Sent As Paper Document

Copies of notices, written comments, transcripts, other communications. If such documents cannot be filed electronically in accordance with Instruction F, they shall be filed in accordance with Instruction G.

Exhibit 3 - Form, Report, or Questionnaire

Add Remove View

Exhibit Sent As Paper Document

Copies of any form, report, or questionnaire that the self-regulatory organization proposes to use to help implement or operate the proposed rule change, or that is referred to by the proposed rule change.

Exhibit 4 - Marked Copies

Add Remove View

The full text shall be marked, in any convenient manner, to indicate additions to and deletions from the immediately preceding filing. The purpose of Exhibit 4 is to permit the staff to identify immediately the changes made from the text of the rule with which it has been working.

Exhibit 5 - Proposed Rule Text

Add Remove View

The self-regulatory organization may choose to attach as Exhibit 5 proposed changes to rule text in place of providing it in Item I and which may otherwise be more easily readable if provided separately from Form 19b-4. Exhibit 5 shall be considered part of the proposed rule change.

Partial Amendment

Add Remove View

If the self-regulatory organization is amending only part of the text of a lengthy proposed rule change, it may, with the Commission's permission, file only those portions of the text of the proposed rule change in which changes are being made if the filing (i.e. partial amendment) is clearly understandable on its face. Such partial amendment shall be clearly identified and marked to show deletions and additions.

SR-NYSEArca-2017-59, Partial Amendment No. 1

On May 22, 2017, NYSE Arca, Inc. (“NYSE Arca” or the “Exchange”)¹ filed with the Securities and Exchange Commission (the “Commission” or “SEC”) proposed rule change SR-NYSEArca-2017-59 (the “Proposal”), pursuant to which the Exchange proposed to delete the Order Audit Trail System (“OATS”) rules in the NYSE Arca Equities Rule 7400 Series (now NYSE Arca Rule 6-E) (the “OATS Rules”) and amend NYSE Arca Rule 10.2 and NYSE Arca Equities Rule 10.2 (now NYSE Arca Rule 10.2) governing submission of Electronic Blue Sheet trading data (“EBS”), as these Rules provide for the collection of information that is duplicative of the data collection requirements of the consolidated audit trail (“CAT”) once the Financial Industry Regulatory Authority (“FINRA”) publishes a notice announcing the date that it will retire its OATS and EBS rules.

The Commission published the proposed rule change for public comment in the Federal Register on June 1, 2017.² No comments were received to the Proposal.³

With this Partial Amendment No. 1, the Exchange is including Exhibit 4, which reflects changes to the text of the proposed rule change pursuant to this Partial Amendment No. 1, and Exhibit 5, which reflects the changes to the current rule text that are proposed in the Proposal, as amended by this Partial Amendment No. 1. Changes to the NYSE Arca Rules as a result of the Arca Merger Filing are reflected as current text.

This Partial Amendment No. 1 makes the following changes to the Proposal: (1) it adds introductory language to the NYSE Arca Rule 6-E Series to clarify that, if the SEC approves the proposed rule change, the NYSE Arca Rule 6-E Series will be deleted from

¹ In connection with the merger of its wholly owned subsidiary NYSE Arca Equities with and into NYSE Arca effective August 17, 2017, the Exchange recently amended, among other things, certain Rules of the Exchange to facilitate the integration of NYSE Arca Equities and create a single rulebook, including the rules relating to Order Audit Trail System and the submission of Electronic Blue Sheet trading data. See Securities Exchange Act Release No. 81419 (August 17, 2017) (SR-NYSEArca-2017-40) (the “Arca Merger Filing”). Specifically, the NYSE Arca Equities Rule 7400 Series (Order Audit Trail System) is now NYSE Arca Rule 6-E (Order Audit Trail System) of the Equities Rules, and NYSE Arca Rule 10.2 (Investigations and Regulatory Cooperation) and NYSE Arca Equities Rule 10.2 (Investigations and Regulatory Cooperation) have been combined into a single rule, NYSE Arca Rule 10.2 of the Disciplinary and Miscellaneous Rules, which applies to both options and equities trading and permit holders.

² Securities Exchange Act Release No. 80791 (May 26, 2017), 82 FR 25362 (June 1, 2017) (SR-NYSEArca-2017-59).

³ FINRA received four comments on its rule filing referenced in the Proposal. See Securities Exchange Act Release No. 80783 (May 26, 2017), 82 FR 25423 (June 1, 2017) (Notice of Filing of SR-FINRA-2017-013). The Exchange has been advised that FINRA will be responding to these comments in a separate letter.

the Exchange's Rules upon announcement by FINRA that the CAT has achieved a level of accuracy and reliability sufficient to replace OATS; and (2) it amends the Supplementary Material to NYSE Arca Rule 10.2 of the Disciplinary and Miscellaneous Rules to clarify that the Exchange will not request trade data or information, and ETP Holders, OTP Holders, OTP Firms, and associated persons of ETP Holders and OTP Firms will not be required to provide trade data or information, pursuant to NYSE Arca Rule 10.2 for trades reported to the CAT after FINRA announces that it has determined that the accuracy and reliability of the CAT are sufficient to replace requests pursuant to its EBS rules.

Introductory Language to the OATS Rules

The National Market System Plan Governing the Consolidated Audit Trail (the "CAT NMS Plan" or "Plan"),⁴ provides that the elimination of rules that are duplicative of the requirements of the CAT and the retirement of the related systems should be effective at such time as CAT Data meets minimum standards of accuracy and reliability.⁵ The Proposal notes that FINRA believes that OATS will be deleted once (1) the CAT achieves the specific accuracy and reliability standards described in the Proposal, and (2) FINRA has determined that its usage of the CAT has not revealed material issues that have not been corrected, confirmed that the CAT includes all data necessary to allow FINRA to continue to meet its surveillance obligations, and confirmed that the Plan Processor is sufficiently meeting all of its obligations under the Plan.

If the Commission approves the proposed rule change, the rule text to delete the OATS Rules will be effective; however, the amendments will not be implemented until FINRA publishes a notice announcing the date that it will retire its OATS rules, at which time the Exchange will publish a regulatory notice announcing implementation date of the proposed rule change. FINRA will publish its notice once it concludes that the thresholds for accuracy and reliability described in the Proposal have been met and that the CAT Plan Processor is sufficiently meeting all of its obligations. Because the time period for implementation for the deletion of the OATS Rules could be significant, the Exchange is proposing in this Partial Amendment No. 1 to add language to the NYSE Arca Rule 6-E Series that would alert ETP Holders and associated persons that the SEC has approved a proposed rule change to remove the NYSE Arca Rule 6-E Series from the Exchange's Rules upon announcement by FINRA that the CAT has achieved a level of accuracy and reliability sufficient to replace OATS. The rule text would also note that, upon the announcement by FINRA, ETP Holders and associated persons will no longer be required to record and report order information pursuant to the NYSE Arca Rule 6-E Series. The deleted rule text would be marked "Reserved."

The Exchange believes that adding this language to the NYSE Arca Rule 6-E Series would help to alert ETP Holders and associated persons of the status of the OATS Rules

⁴ See Securities Exchange Act Release No. 79318 (Nov. 15, 2016), 81 FR 84696, 85010 (November 23, 2016) (File No. 4-698).

⁵ Appendix C of CAT NMS Plan, Approval Order at 85010.

and is proposing that this language be added to the NYSE Arca Rule 6-E Series upon approval of the Proposal by the SEC.

Supplementary Material to NYSE Arca Rule 10.2

In addition to deleting the OATS Rules, the Proposal adds new Supplementary Material to NYSE Arca Rule 10.2 to clarify how the Exchange will request data after ETP Holders, OTP Holders, OTP Firms, and associated persons of ETP Holders or OTP Firms are reporting to the CAT. As noted in the Proposal, FINRA believes that the CAT must meet certain minimum accuracy and reliability standards before FINRA could rely on the CAT to replace existing regulatory tools, including EBS. Consequently, the proposed Supplementary Material would be implemented only after the CAT achieves the thresholds set forth in the Proposal. Unlike the OATS Rules, NYSE Arca Rule 10.2 will not be deleted; rather, the Proposal adds Supplementary Material to NYSE Arca Rule 10.2 to accommodate the fact that EBS requests will still be necessary for transactions occurring before the CAT is sufficiently accurate and reliable and for transactions involving securities that are not reportable to the CAT.

In this Partial Amendment No. 1, the Exchange proposes to revise the Supplementary Material to clarify that the Exchange will not request trade data or information, and ETP Holders, OTP Holders, OTP Firms, and associated persons of ETP Holders and OTP Firms will not be required to provide trade data or information, for trades reported to the CAT after FINRA announces that it has determined that the accuracy and reliability of the CAT are sufficient to replace requests pursuant to its EBS rules. In the Proposal, the proposed Supplementary Material stated that the Exchange will request information under NYSE Arca Rule 10.2 only if the information is not available in the CAT because, for example, the transactions in question occurred before the firm was reporting information to the CAT or involved securities that are not reportable to the CAT. The Exchange is proposing changes to this language to make clear that, after the CAT achieves the accuracy and reliability standards set forth in the Proposal, the Exchange would only use CAT to obtain trading information and will make requests under NYSE Arca Rule 10.2 only for transactions that occurred before the CAT achieved sufficient levels of accuracy and reliability or transactions that involve securities that are not reportable to the CAT (e.g., fixed income securities, OTC options).

Deletions: [Bracketed]

Marked Additions: Double-underlined

Marked Deletions: ~~Strikethrough~~

Exhibit 4 shows the changes proposed in this Partial Amendment No. 1, with the proposed changes in the original filing shown as if adopted. Proposed new language in this Partial Amendment No. 1 is double-underlined; proposed deletions in this Partial Amendment No. 1 are in brackets. Changes to the Rules as a result of the Arca Merger Filing are reflected as current text.

RULE 10 DISCIPLINARY PROCEEDINGS, OTHER HEARINGS AND APPEALS

Rule 10.2. Investigations and Regulatory Cooperation

(e) An ETP Holder, OTP Holder, OTP Firm, or associated person of an ETP Holder or OTP Firm must submit such trade data elements specified in Commentary .01 below in such automated format as may be prescribed by the Exchange from time to time, in regard to such transaction or transactions as may be the subject of a particular request for information made by the Exchange. Failure to submit such data in the required format will be considered obstructive of an Exchange inquiry or investigation and subject to formal disciplinary action.

Commentary :

.01

(A) If the transaction was a proprietary transaction effected or caused to be effected by the ETP Holder, OTP Holder or OTP Firm for any account in which such ETP Holder, OTP Holder, OTP Firm or associated person of an ETP Holder or OTP Firm is directly or indirectly interested, such ETP Holder, OTP Holder or OTP Firm shall submit or cause to be submitted the following information:

(i) Clearing house number, or alpha symbol, as used by the ETP Holder, OTP Holder or OTP Firm submitting the data;

(ii) Clearing house number(s), or alpha symbol(s) as may be used from time to time, of the ETP Holder(s), OTP Holder(s) or OTP Firm(s) on the opposite side of the transaction;

(iii) Identifying symbol assigned to the security;

(iv) Date transaction was executed;

(v) Number of shares, or quantity of bonds or option contracts for each specific transaction and whether each transaction was a purchase, sale, short sale and, if an option contract, whether open long or short or close long or short;

(vi) Transaction price;

(vii) Account number; and

(viii) Market center where transaction was executed.

(B) If the transaction was effected or caused to be effected by the ETP Holder, OTP Holder or OTP Firm for any customer account, such ETP Holder, OTP Holder or OTP Firm shall submit or cause to be submitted the following information:

(i) Data elements (i) through (viii) as contained in paragraph (A) above; and

(ii) Customer name, address(es), branch office number, registered representative number, whether order was solicited or unsolicited, date account opened and employer name and the tax identification number(s).

(iii) If transaction was effected for a customer of a broker-dealer, whether the broker-dealer was acting as principal or agent on the transaction that is the subject of the Exchange's request.

(C) In addition to the above trade data elements, an ETP Holder, OTP Holder or OTP Firm shall submit such other information in such automated format as may be prescribed by the Exchange, as may from time to time be required.

(D) The Exchange may grant exceptions, in such cases and for such time periods as it deems appropriate, from the requirement that the data elements prescribed in paragraphs (A) and (B) above be submitted to the Exchange in an automated format.

(E) The Exchange will not request trade data or information, and ETP Holders, OTP Holders, OTP Firms, and associated persons of ETP Holders and OTP Firms will not be required to provide trade data or information, for trades reported to the CAT after FINRA announces that it has determined that the accuracy and reliability of the CAT are sufficient to replace requests pursuant to its EBS rule. [The Exchange will request information pursuant to this Rule only if the information is not available in

the CAT because, for example, the transactions in question occurred before the firm was reporting information to the CAT or involved securities that are not reportable to the CAT.]

[RULE 6-E, Reserved.][ORDER AUDIT TRAIL SYSTEM

The SEC has approved a proposed rule change to remove the NYSE Arca Rule 6-E Series from the Exchange's Rules upon announcement by FINRA that the Consolidated Audit Trail has achieved a level of accuracy and reliability sufficient to replace the Order Audit Trail System. Upon this announcement by FINRA, ETP Holders and associated persons will no longer be required to record and report order information pursuant to the NYSE Arca Rule 6-E Series.

(B) If the transaction was effected or caused to be effected by the ETP Holder, OTP Holder or OTP Firm for any customer account, such ETP Holder, OTP Holder or OTP Firm shall submit or cause to be submitted the following information:

- (i) Data elements (i) through (viii) as contained in paragraph (A) above; and
- (ii) Customer name, address(es), branch office number, registered representative number, whether order was solicited or unsolicited, date account opened and employer name and the tax identification number(s).
- (iii) If transaction was effected for a customer of a broker-dealer, whether the broker-dealer was acting as principal or agent on the transaction that is the subject of the Exchange's request.

(C) In addition to the above trade data elements, an ETP Holder, OTP Holder or OTP Firm shall submit such other information in such automated format as may be prescribed by the Exchange, as may from time to time be required.

(D) The Exchange may grant exceptions, in such cases and for such time periods as it deems appropriate, from the requirement that the data elements prescribed in paragraphs (A) and (B) above be submitted to the Exchange in an automated format.

(E) The Exchange will not request trade data or information, and ETP Holders, OTP Holders, OTP Firms, and associated persons of ETP Holders and OTP Firms will not be required to provide trade data or information, for trades reported to the CAT after FINRA announces that it has determined that the accuracy and reliability of the CAT are sufficient to replace requests pursuant to its EBS Rule.

RULE 6-E. Reserved.[ORDER AUDIT TRAIL SYSTEM

The SEC has approved a proposed rule change to remove the NYSE Arca Rule 6-E Series from the Exchange's Rules upon announcement by FINRA that the Consolidated

Audit Trail has achieved a level of accuracy and reliability sufficient to replace the Order Audit Trail System. Upon this announcement by FINRA, ETP Holders and associated persons will no longer be required to record and report order information pursuant to the NYSE Arca Rule 6-E Series.

Rule 6.7410-E. Definitions

For purposes of the Rule 6.7400-E Series:

- (a) Terms shall have the same meaning as those defined in the Exchange Rules, unless otherwise specified.
- (b) "Bunched Order" shall mean two or more orders that are aggregated prior to execution.
- (c) "Customer" shall mean a person other than a broker or dealer.
- (d) "Electronic Communication Network" shall mean any electronic system that widely disseminates to third parties orders entered therein by an exchange market maker or over-the-counter market maker, and permits such orders to be executed in whole or in part, and as further defined in Rule 600(b)(23) of SEC Regulation NMS.
- (e) "Electronic Order" shall mean an order captured by an ETP Holder in an electronic order-routing or execution system.
- (f) "Exchange System" shall mean the service provided by the Exchange that provides for the automated execution and reporting of transactions in NMS stocks.
- (g) "Index Arbitrage" shall mean a trading strategy in which pricing is based on discrepancies between a "basket" or group of stocks and the derivative index product (i.e. a basis trade) involving the purchase or sale of a "basket" or group of stocks in conjunction with the purchase or sale, or intended purchase or sale, of one or more derivative index products in an attempt to profit by the price difference between the "basket" or group of stocks and the derivative index products. While the purchase or sale of the stocks must be in conjunction with the purchase or sale of derivative index products, the transaction need not be executed contemporaneously to be considered index arbitrage. The term "derivative index products" refers to cash-settled options or futures contracts on index stock groups, and options on any such futures contracts.
- (h) "Intermarket sweep order" shall have the same meaning as contained in Rule 600(b)(30) of SEC Regulation NMS.
- (i) "Manual Order" shall mean an order that is captured by an ETP Holder other than in an electronic order-routing or execution system.

- (j) "NMS stock" shall have the same meaning as contained in Rule 600(b)(47) of SEC Regulation NMS.
- (k) "Order" shall mean any oral, written, or electronic instruction to effect a transaction in an NMS stock that is received by an ETP Holder from another person for handling or execution, or that is originated by a department of an ETP Holder for execution by the same or another ETP Holder, other than any such instruction to effect a proprietary transaction originated by a trading desk in the ordinary course of an ETP Holder's market making activities.
- (l) "Order Audit Trail System" shall mean the automated system owned and operated by FINRA that is designed to capture order information in NMS stocks reported by ETP Holders for integration with trade and quotation information to provide the Exchange with an accurate time sequenced record of orders and transactions.
- (m) "Program Trading" means either (A) index arbitrage or (B) any trading strategy involving the related purchase or sale of a "basket" or group of 15 or more stocks. Program trading includes the purchases or sales of stocks that are part of a coordinated trading strategy, even if the purchases or sales are neither entered nor executed contemporaneously, nor part of a trading strategy involving options or futures contracts on an index stock group, or options on any such futures contracts, or otherwise relating to a stock market index.
- (n) "Reporting Agent" shall mean a third party that enters into any agreement with an ETP Holder pursuant to which the Reporting Agent agrees to fulfill such ETP Holder's obligations under Rule 6.7450-E.
- (o) "Reporting ETP Holder" shall mean an ETP Holder that receives or originates an order and has an obligation to record and report information under Rules 6.7440-E and 6.7450-E. An ETP Holder shall not be considered a Reporting ETP Holder in connection with an order, if the following conditions are met:
- (1) the ETP Holder engages in a non-discretionary order routing process, pursuant to which it immediately routes, by electronic or other means, all of its orders to a single receiving Reporting ETP Holder;
 - (2) the ETP Holder does not direct and does not maintain control over subsequent routing or execution by the receiving Reporting ETP Holder;
 - (3) the receiving Reporting ETP Holder records and reports all information required under Rules 6.7440-E and 6.7450-E with respect to the order; and
 - (4) the ETP Holder has a written agreement with the receiving Reporting ETP Holder specifying the respective functions and responsibilities of each party to effect full compliance with the requirements of Rules 6.7440-E and 6.7450-E.

(p) "Proprietary Trading Firm" shall mean an ETP Holder that trades its own capital and that does not have "customers," as that term is defined in NYSE Arca Rule 6.7410-E(c), and that is not a FINRA member. The funds used by a Proprietary Trading firm must be exclusively firm funds and all trading must be in the firm's accounts. Traders must be owners of, employees of, or contractors to the firm.

Rule 6.7420-E. Applicability

(a) Unless otherwise indicated, the requirements of the Rule 6.7400-E Series are in addition to the requirements contained elsewhere in Exchange Rules.

(b) Unless otherwise indicated, the requirements of the Rule 6.7400-E Series shall apply to all ETP Holders and to their associated persons.

(c) Unless otherwise indicated, the requirements of the Rule 6.7400-E Series shall apply to all executed or unexecuted orders for all NMS stocks traded on the Exchange.

Rule 6.7430-E. Synchronization of ETP Holder Business Clocks

Each ETP Holder shall synchronize its business clocks that are used for purposes of recording the date and time of any event that must be recorded pursuant to the Rules of the Exchange, with reference to a time source as designated by the Exchange, and shall maintain the synchronization of such business clocks in conformity with such procedures as are prescribed by the Exchange.

Rule 6.7440-E. Recording of Order Information

(a) ETP Holders and associated persons shall comply with FINRA Rule 7440 as if such Rule were part of the Exchange's rules. The Exchange and FINRA are parties to the Regulatory Services Agreement pursuant to which FINRA has agreed to perform certain functions on behalf of the Exchange. Therefore, ETP Holders are complying with NYSE Arca Rule 6.7440-E by complying with FINRA Rule 7440 as written, including, for example, filing requirements and notifications. In addition, functions performed by FINRA, FINRA departments, and FINRA staff under NYSE Arca Rule 6.7440-E are being performed by FINRA on behalf of the Exchange.

(b) For purposes of this Rule, references to Rules 6.7420-E through 6.7460-E shall be construed as references to NYSE Arca Rules 6.7420-E through 6.7460-E.

(c) ETP Holders shall assign and enter a unique order identifier, in the form prescribed by the Exchange, to all orders that are electronically transmitted to the Exchange. An order identifier shall not be required for orders that are manually transmitted.

Rule 6.7450-E. Order Data Transmission Requirements

(a) Except as provided in paragraph (b), ETP Holders and associated persons shall comply with FINRA Rule 7450 as if such Rule were part of the Exchange's rules. The Exchange and FINRA are parties to the Regulatory Services Agreement pursuant to which FINRA has agreed to perform certain functions on behalf of the Exchange. Therefore, ETP Holders are complying with NYSE Arca Rule 6.7450-E by complying with FINRA Rule 7450 as written, including, for example, filing requirements and notifications. In addition, functions performed by FINRA, FINRA departments, and FINRA staff under NYSE Arca Rule 6.7450-E are being performed by FINRA on behalf of the Exchange.

(b) Proprietary Trading Firms shall be required to comply with FINRA Rule 7450 as if such Rule were part of the Exchange's rules, only when they receive a request from the Exchange to submit order information with respect to specific time periods identified in such request. Nothing in this Rule shall be construed to limit the obligations of Proprietary Trading Firms under any other Rule of the 6.7400-E Series, including but not limited to, Rule 6.7440-E.

(c) For purposes of this Rule, references to Rule 6.7440-E shall be construed as references to NYSE Arca Rule 6.7440-E.

Rule 6.7460-E. Violation of Order Audit Trail System Rules

Failure of an ETP Holder or associated person to comply with any of the requirements of Rule 6.7410-E through Rule 6.7460-E may be considered conduct that is inconsistent with high standards of commercial honor and just and equitable principles of trade, in violation of Rule 9.2010-E.

Rule 6.7470-E. Exemption to the Order Recording and Data Transmission Requirements

(a) The Exchange, for good cause shown after taking into consideration all relevant factors, may exempt subject to specified terms and conditions, an ETP Holder from the recording and order data transmission requirements of Rules 6.7440-E and 6.7450-E, respectively, for manual orders, if such exemption is consistent with the protection of investors and the public interest, and the ETP Holder meets the following criteria:

- (1) the ETP Holder and current control affiliates and associated persons have not been subject within the last five years to any final disciplinary action, and within the last ten years to any disciplinary action involving fraud;
- (2) the ETP Holder has annual revenues of less than \$2 million;
- (3) the ETP Holder does not conduct any market making activities in NMS stocks:

(4) the ETP Holder does not execute principal transactions with its customers (with limited exception for principal transactions executed pursuant to error corrections); and

(5) the ETP Holder does not conduct clearing or carrying activities for other firms.

(b) An exemption provided pursuant to this Rule shall not exceed a period of two years. At or prior to the expiration of a grant of exemptive relief under this Rule, an ETP Holder meeting the criteria set forth in paragraph (a) above may request a subsequent exemption, which will be considered at the time of the request consistent with the protection of investors and the public interest.

(c) This Rule shall be in effect until November 15, 2019.]
