Re: Request for No-Action Letter on behalf of FSP 50 South Tenth Street Corp. and FSP 50 South Tenth Street Corp. Liquidating Trust

Securities Exchange Act of 1934 Sections 12 and 13

Ladies and Gentlemen:

We are counsel to FSP 50 South Tenth Street Corp., a Delaware corporation (the “Company”), and FSP 50 South Tenth Street Corp. Liquidating Trust (the “Liquidating Trust”). On behalf of the Company and the Liquidating Trust, we hereby request that the staff of the Division of Corporation Finance (the “Staff”) confirm that, under the circumstances described herein, it will not recommend that the Securities and Exchange Commission (the “Commission”) take any enforcement action if the Liquidating Trust, which was established in connection with completing the liquidation of the Company’s assets, does not register or report with respect to the units of beneficial interest in the Liquidating Trust under Sections 12(g) and 13(a) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”).

The no-action relief requested herein is in all material respects identical to the no-action relief that the Staff granted on August 13, 2014 to FSP Galleria North Corp., a Delaware corporation (“FSP Galleria North”) and FSP Galleria North Corp. Liquidating Trust (“FSP Galleria North Liquidating Trust”). In a letter dated August 13, 2014 (the “FSP Galleria North Letter”), the Staff confirmed that it would not recommend enforcement action to the Commission if (i) FSP Galleria North Liquidating Trust did not register the units of beneficial interest in the Liquidating Trust or (ii) FSP Galleria North Liquidating Trust did not (A) file reports on Form 10-Q, (B) include audited financial statements in its annual reports on Form 10-K, (C) present its financial statements in an interactive format through the use of XBRL or (D) comply with the proxy rules. Because the facts and circumstances described herein with respect to the Company and the Liquidating Trust are virtually identical to those described in the FSP Galleria North Letter, we request that the Staff grant similar no-action relief to the Company and the Liquidating Trust.

Office of Chief Counsel

## **BACKGROUND OF THE COMPANY AND THE LIQUIDATING TRUST**

The Company was incorporated on September 12, 2006. It was formed to purchase, own and operate a twelve-story multi-tenant office and retail building, containing approximately 498,768 rentable square feet of space in Minneapolis, Minnesota (the "Property"). The Company purchased the Property from an unaffiliated third party for \$127,000,000 on November 8, 2006.

Between November 2006 and January 2007, the Company sold an aggregate of 700 shares of preferred stock in a private placement offering to 627 "accredited investors" within the meaning of Regulation D under the Securities Act of 1933, as amended (the "Securities Act") for an aggregate consideration of approximately \$70,000,000 (the "Private Placement"). On June 5, 2007, the Company registered its preferred stock under Section 12(g) of the Exchange Act because it had in excess of 500 holders of record and at least \$10 million in assets as of December 31, 2006. The Company has not registered, and is not required to register, any other classes of securities under Section 12 of the Exchange Act, nor are any classes of the Company's securities subject to reporting under Section 15(d) of the Exchange Act. Prior to the Company's dissolution, American Stock Transfer & Trust Company served as the transfer agent for the preferred stock.

Immediately prior to the Company's dissolution on September 3, 2014, there were 700 shares of preferred stock held by 638 holders of record and one share of common stock outstanding. Franklin Street Properties Corp. ("Franklin Street") held the sole share of the Company's common stock.

The Company's preferred and common stock have never been listed or traded on any exchange or trading system or any "pink sheets" or bulletin board listing service, and there has been no public market for, or active trading of, the stock. There have never been any market makers for the Company's stock. Prior to the Company's dissolution, the Company's preferred stock was traded through infrequent privately negotiated sales between Company stockholders and prospective buyers. During 2014, and prior to the Dissolution Date (as defined below), a total of 17 transfers of the Company's preferred stock were effected, as follows:

1. 1 transfer of 0.25 share of preferred stock was effected in a privately negotiated sale between an existing Company stockholder and a prospective buyer.
2. 16 transfers of an aggregate of 9.50 shares of preferred stock were effected in ordinary course transfers (other than sales between existing Company stockholders and prospective buyers and sellers), including transfers by operation of law (i.e., deaths and divorces) and estate planning.

Office of Chief Counsel  
November 13, 2014  
Page 3

Prior to its dissolution, the Company operated in a manner intended to qualify as a real estate investment trust, or REIT, for United States federal income tax purposes.

On May 8, 2014, the board of directors of the Company approved (i) the sale of the Property, comprising a sale of substantially all assets under the General Corporation Law of the State of Delaware (the "DGCL"), to an unaffiliated third-party buyer for a gross sales price in the aggregate of no less than \$164,500,000 (the "Sale") and (ii) the subsequent dissolution of the Company and the adoption of a plan of complete dissolution and liquidation (the "Plan of Dissolution"). On August 7, 2014, the Company mailed a Proxy Statement (the "Proxy Statement") to its stockholders seeking advance stockholder approval of the Sale and the subsequent dissolution of the Company and adoption of the Plan of Dissolution, as required by the DGCL. On August 18, 2014, the Company received the required vote of the stockholders under the DGCL approving the Sale and the subsequent dissolution of the Company and adoption of the Plan of Dissolution.

On June 25, 2014, the Company entered into an agreement with Union Investment Real Estate GmbH (the "Buyer"), an unaffiliated third-party, for the sale of the Property for a gross sales price of \$164,500,000 (the "Purchase and Sale Agreement").

On August 22, 2014, in anticipation of the sale of the Property and the subsequent dissolution of the Company, and pursuant to the Plan of Dissolution, the board of directors of the Company determined that it would be in the best interests of the Company and its stockholders to complete the liquidation of the Company following the sale of the Property by assigning and transferring to the Liquidating Trust all of the Company's assets, including certain cash and other reserves set aside for the costs and expenses of the Company in liquidation, as well as any other existing or contingent liabilities or obligations of the Company. In furtherance thereof, the Liquidating Trust was formed on such date pursuant to a liquidating trust agreement (the "Liquidating Trust Agreement") and in accordance therewith FSP Property Management LLC was appointed trustee of the Liquidating Trust (the "Trustee").

On August 25, 2014, in anticipation of the sale of the Property and the subsequent dissolution of the Company, and in order to preserve its qualification as a REIT for United States federal income tax purposes, Franklin Street assigned its sole share of common stock of the Company to a wholly-owned subsidiary of Franklin Street.

On September 2, 2014, the Company consummated the sale of the Property to the Buyer for a \$164,500,000 gross sale price.

On September 3, 2014 (the "Dissolution Date"), the Company filed its Certificate of Dissolution with the Secretary of State of the State of Delaware, which became effective on that date, and transferred all of its assets, claims, obligations and liabilities to the Liquidating Trust. The assets and liabilities transferred by the Company to the Liquidating Trust consisted of

Office of Chief Counsel

November 13, 2014

Page 4

approximately \$65,234,949 of cash and cash equivalents, the rights to receive up to \$1,645,000 in escrow proceeds in accordance with the terms of the Purchase and Sale Agreement and related documents, \$647,596 of receivables, and liabilities of the Company of \$799,143, primarily consisting of accounts payable and accrued expenses, taxes and professional fees. On the Dissolution Date, in accordance with the Plan of Dissolution and the Liquidating Trust Agreement, the Company's stock records were closed, all of the outstanding shares of the Company's preferred and common stock were cancelled, and each stockholder of the Company automatically became the holder of beneficial interests in the Liquidating Trust equal to their respective interests in the proceeds of the liquidation of the Company prior to the dissolution. The stockholders were not required to take any action to receive the beneficial interests in the Liquidating Trust. The beneficial interests in the Liquidating Trust are not transferable, except by will, intestate succession or by operation of law, nor does a beneficiary of the Liquidating Trust have authority or power to sell or in any other manner dispose of any such beneficial interests. Any beneficial interests in the Liquidating Trust transferred by will, intestate succession or operation of law will thereafter be subject to such transfer restrictions. Units of beneficial interest in the Liquidating Trust are not listed on any exchange or quoted on any quotation system, nor are they or will they be represented by certificates. As of the Dissolution Date, there were 638 holders of beneficial interests in the Liquidating Trust.

Although the Company's dissolution became effective upon the filing of the Certificate of Dissolution with the Secretary of State of the State of Delaware, Section 278 of the DGCL provides that the Company's existence continues for at least three years after dissolution for limited purposes. Specifically, the Company will continue to exist for the purpose of prosecuting and defending suits, whether civil, criminal or administrative, by or against it, and enabling the Company gradually to settle and close its business, to dispose of and convey its property, to discharge its liabilities and to distribute to its stockholders any remaining assets, but not for the purpose of continuing the business for which the Company was organized.

On the Dissolution Date, FSP 50 South Tenth Street LLC, a wholly owned subsidiary of the Company, filed a certificate of cancellation with the Secretary of State of the State of Delaware, which became effective upon filing.

On the Dissolution Date, following the dissolution of the Company, the Trustee authorized, pursuant to the Liquidating Trust Agreement, an initial liquidating distribution of a total of \$64,400,000 to the beneficiaries of the Liquidating Trust, which amount was to be apportioned pro rata according to the beneficiaries' respective interest in the Liquidating Trust as of the Dissolution Date (the "Initial Liquidating Distribution"). The Initial Liquidating Distribution was effected on September 19, 2014. After giving effect to the Initial Liquidating Distribution, as of September 19, 2014, the Liquidating Trust retained approximately \$2,783,149 in assets, comprised of \$879,736 in cash and cash equivalents, the rights to receive up to \$1,645,000 in escrow proceeds in accordance with the terms of the Purchase and Sale Agreement and related documents, and \$258,413 in receivables, in order to wind up the Company's affairs,

Office of Chief Counsel

November 13, 2014

Page 5

resolve any claims and discharge any liabilities of the Company during the Company's continued existence after dissolution under the DGCL as described above. As of September 19, 2014, the known liabilities of the Company were estimated to be approximately \$459,571, primarily consisting of accounts payable and accrued expenses, taxes and professional fees.

On September 19, 2014, the Liquidating Trust effected the conveyance of the Initial Liquidating Distribution to the beneficiaries of the Liquidating Trust, comprising \$92,000 per share of preferred stock outstanding as of the Dissolution Date.

On October 20, 2014, the Company filed a Form 15 pursuant to Rule 12g-4(a)(1) to terminate the registration of the preferred stock under the Exchange Act and to cease filing periodic reports with respect thereto. The Company determined that it was eligible to rely on this rule because the Company no longer had any record holders of its preferred stock. Prior to the date of the filing of the Form 15, the Company was current and timely in its reporting obligations under the Exchange Act. Since the date of the filing of the Form 15, the Liquidating Trust has been current and timely in its reporting obligations under the Exchange Act.

Between the Dissolution Date and September 19, 2014, other than the Initial Liquidating Distribution, the Liquidating Trust collected approximately \$389,183 of receivables, paid approximately \$339,572 of accounts payable and accrued liabilities, and incurred expenses of approximately \$4,824.

#### **Terms of the Liquidating Trust**

The sole purpose of the Liquidating Trust is to collect all outstanding assets of the Company and to liquidate the Liquidating Trust's corpus and discharge the liabilities transferred to it with no objective to continue or engage in the conduct of any trade or business. Under the terms of the Liquidating Trust Agreement, the Trustee is authorized and empowered to take only such action as is necessary or advisable to preserve the Trust corpus pending its distribution to the owners of the beneficial interests of the Liquidating Trust, and has no power or authority to enter into or engage in the conduct of any trade or business in respect of the Liquidating Trust corpus. For example, the Trustee is authorized and empowered to settle, prosecute and defend all suits and proceedings including, without limitation, all claims and causes of actions which could be brought by or on behalf of the Company, and prosecute or defend all actions against or appeals on behalf of the Company. The Trustee has not brought any claims or causes of actions on behalf of the Company, nor has it prosecuted or defended any actions against or appeals on behalf of the Company. The Liquidating Trust has not engaged, and will not engage in the conduct of a trade or business, and does not require active management. As a result, the Liquidating Trust conducts no active business other than for the purpose of winding up its affairs. Under the terms of the Liquidating Trust Agreement, the Trustee is required to keep an accounting of receipts and distributions of the Liquidating Trust.

Office of Chief Counsel  
November 13, 2014  
Page 6

Under the terms of the Liquidating Trust Agreement, the beneficial interests in the Liquidating Trust are not transferable, except by will, intestate succession or operation of law. Beneficiaries of the Liquidating Trust do not have the authority or power to sell or in any other manner dispose of any such beneficial interests, except by will, intestate succession or operation of law. Any beneficial interests in the Liquidating Trust transferred by will, intestate succession or operation of law will thereafter be subject to such transfer restrictions. Units of beneficial interest in the Liquidating Trust are not listed on any exchange or quoted on any quotation system, nor are they or will they be represented by certificates. Rather, the Trustee, through its transfer agent American Stock Transfer & Trust Company, is maintaining a record of the name and address of each beneficiary and such beneficiary's aggregate units of beneficial interest in the Liquidating Trust. As of September 30, 2014, there were 638 holders of beneficial interests in the Liquidating Trust.

Under the terms of the Liquidating Trust Agreement, neither the Trustee, the Liquidating Trust, the Company nor any of their respective affiliates will take any actions to facilitate or encourage any trading in the beneficial interests in the Liquidating Trust or in any instrument or interest tied to the value of the beneficial interests of the Liquidating Trust.

Under the terms of the Liquidating Trust Agreement, the existence of the Liquidating Trust will terminate upon the earlier of (1) the distribution of all such Liquidating Trust's assets in accordance with the terms of its Liquidating Trust Agreement, or (2) August 22, 2017, the expiration of a period of three years from the effective date of the Liquidating Trust. The existence of the Liquidating Trust may, however, be extended for up to two additional one-year periods in the Trustee's reasonable discretion. Accordingly, the existence of the Liquidating Trust may be extended until August 22, 2019, at the latest.

Under the terms of the Liquidating Trust Agreement, the Trustee is required to issue annual reports to the beneficiaries showing the assets and liabilities of such Liquidating Trust at the end of each year and the receipts and disbursements of the Trustee with respect to such Liquidating Trust for each year. The annual reports will also describe the changes in the Liquidating Trust's assets and liabilities during the reporting period and any action taken by the Trustee in the performance of its duties that it has not previously reported, and which, in its opinion, materially affects the Liquidating Trust's assets and liabilities. The financial statements contained in such reports will be prepared in accordance with generally accepted accounting principles; however, it is not contemplated that the financial statements will be audited by an independent registered public accounting firm. The annual reports furnished to the beneficiaries will be filed with the Commission under cover of Form 10-K using the Company's existing Commission file number. The Trustee will sign and file a certification with respect to the annual reports in the form attached hereto as Exhibit A.

In this regard, the attached certification has been modified from the certification provided in Item 601 of Regulation S-K in the following respects:

Office of Chief Counsel  
November 13, 2014  
Page 7

- **Signatures:** Because the Liquidating Trust does not have a principal executive officer or principal financial officer, the signature requirements for the certifications are met by the Trustee and all references in the certifications are solely to the Trustee.
- **Board and Audit Committee:** The Liquidating Trust does not have a board of directors or an audit committee and therefore all references to the board of directors have been deleted.
- **Statement of Operations:** The financial statements of the Liquidating Trust are provided on a liquidation basis and therefore do not include a statement of operations; all references to the results of operations have been deleted and replaced by references to changes in financial condition.
- **Internal Controls:** The references in Section 4 of the certification to internal controls over financial reporting and the design of such internal controls are included in certifications accompanying annual reports.

The Trustee will file with the Commission current reports under cover of Form 8-K using the Commission file number for the Company whenever an event with respect to the Liquidating Trust occurs that would require the filing of Form 8-K by a company registered under the Exchange Act or whenever a material event relating to such Liquidating Trust's assets or liabilities has occurred, and a copy of each such report will be sent to all holders of beneficial interests in the Liquidating Trust. It is not presently contemplated that the Trustee will provide beneficiaries with quarterly reports and, therefore, no quarterly reports will be filed under cover of Form 10-Q for the Liquidating Trust.

#### **Assets and Liabilities**

As of October 16, 2014, the Liquidating Trust retained approximately \$2,447,327 in assets, comprised of \$551,669 in cash and cash equivalents, the rights to receive up to \$1,645,000 in escrow proceeds in accordance with the terms of the Purchase and Sale Agreement and related documents, and \$250,658 in receivables, in order to wind up the Company's affairs, resolve any claims and discharge any liabilities of the Company during the Company's continued existence after dissolution under the DGCL as described above. As of October 16, 2014, the known liabilities of the Company were estimated to be approximately \$126,719, primarily consisting of accounts payable and accrued expenses, taxes and professional fees.

The Company anticipates that the \$1,645,000 in escrow proceeds will be returned to the Liquidating Trust on or about June 2, 2015 and be available for one or more additional liquidating distributions to the beneficiaries of the Liquidating Trust in amounts and on dates to be determined. However, there can be no assurance that all or any portion of these funds will be

Office of Chief Counsel  
November 13, 2014  
Page 8

returned to the Liquidating Trust or that there will be sufficient funds available to make any such future liquidating distributions.

### ANALYSIS

As in the FSP Galleria North Letter and as described below, the Staff has consistently agreed to grant relief from the Section 13(a) and 15(d) reporting requirements for quarterly reports on Form 10-Q and with respect to the inclusion of audited financial statements in annual reports on Form 10-K to registrants who have substantially curtailed their operations upon a showing that not filing quarterly reports or including audited financial statements in annual reports would not significantly alter the total information available to investors and that filing quarterly reports and including audited annual financial statements in annual reports would present an unnecessary burden or expense. See Exchange Act Release No. 9660 (June 30, 1972) (Release 34-9660) and the following no-action letters: the FSP Galleria North Letter; FSP Phoenix Tower Corp. Liquidating Trust (April 1, 2013); Behringer Harvard Mid-Term Value Enhancement Liquidating Trust (March 31, 2011); REMEC Liquidating Trust (March 28, 2011); G REIT, Inc. and G REIT Liquidating Trust (August 4, 2010); ICON Cash Flow Partners L.P. Seven and ICON Cash Flow Partners L.P. Seven Liquidating Trust (Aug. 14, 2007); T REIT, Inc. and T REIT Liquidating Trust (Aug. 9, 2007); FORE Holdings LLC and FORE Holdings Liquidating Trust (December 1, 2005); Shelbourne Properties et al. (Apr. 29, 2004); Wilmington Trust Company, as Trustee, and AFG Investment Liquidating Trusts (June 18, 2003); PLM Equipment Growth Fund III Liquidating Trust (June 9, 2003); Wilmington Trust Company et al. (Feb. 26, 2003); and Burnham Pacific Properties, Inc. and BPP Liquidating Trust (June 21, 2002).

The Liquidating Trust will operate exclusively to liquidate its remaining assets, pay its expenses and liabilities and distribute cash to the holders of its beneficial interests. It will not operate in any capacity to acquire additional investments. Units of beneficial interest in the Liquidating Trust will not be listed on any exchange and will not be actively traded.

It is our opinion that the Liquidating Trust will not be an issuer of "equity securities" within the meaning of Section 12 of the Exchange Act. The Liquidating Trust will operate solely for the purpose of liquidating and distributing the cash and the cash proceeds from the liquidation of the assets transferred to it, and will terminate upon the complete distribution of the trust corpus or the expiration of a period of three years from the effective date of the Liquidating Trust. Except as may be necessary to complete the liquidation of the assets held in trust, the Liquidating Trust will not engage or continue in the conduct of any trade or business. No certificates will be issued to represent the beneficial interests in the Liquidating Trust and the beneficial interests will not be transferable, except by will, intestate succession or by operation of law. Any beneficial interests in the Liquidating Trust transferred by will, intestate succession or operation of law will thereafter be subject to such transfer restrictions. Due to the restriction on transfer, there is no market for the beneficial interests in the Liquidating Trust and, consequently,

Office of Chief Counsel  
November 13, 2014  
Page 9

no need for the general public to have the type of information about the Liquidating Trust required by Section 13 of the Exchange Act. Nevertheless, beneficiaries of the Liquidating Trust will continue to receive periodic reports under cover of Forms 10-K and 8-K. In addition, a person performing similar functions to a principal financial officer of the Trustee will sign and file a certification in his individual capacity with respect to the annual reports in the form attached hereto as Exhibit A. In similar circumstances, such as the FSP Galleria North Letter, the Staff has consistently stated that it would not recommend any enforcement action in the absence of registration of beneficial interests in a liquidating trust. See, e.g., the FSP Galleria North Letter; FSP Phoenix Tower Corp. Liquidating Trust, *supra*; Behringer Harvard Mid-Term Value Enhancement Liquidating Trust, *supra*; REMEC Liquidating Trust, *supra*; G REIT, Inc. and G REIT Liquidating Trust, *supra*; ICON Cash Flow Partners L.P. Seven and ICON Cash Flow Partners L.P. Seven Liquidating Trust, *supra*; T REIT, Inc. and T REIT Liquidating Trust, *supra*; FORE Holdings LLC and FORE Holdings Liquidating Trust, *supra*; Shelbourne Properties et al., *supra*; Wilmington Trust Company, as Trustee, and AFG Investment Liquidating Trusts, *supra*; PLM Equipment Growth Fund III Liquidating Trust, *supra*; Wilmington Trust Company et al., *supra*; and Burnham Pacific Properties, Inc. and BPP Liquidating Trust, *supra*.

In addition, compliance with the reporting obligations of the Exchange Act and the proxy rules would place an unreasonable financial and administrative burden on the Liquidating Trust and significantly reduce the amount of distributions to holders of beneficial interests. The cost of auditing annual financial statements, preparing the financial statements in XBRL interactive data format and preparing and filing quarterly reports would further decrease the proceeds available for distribution. The Liquidating Trust has estimated that the continuing expense associated with preparing and filing its annual reports (with audited financial statements) and quarterly reports, including fees for independent auditors, outside legal counsel and printing and electronic filing costs, would exceed \$365,000 through the anticipated completion of the dissolution in September 2017. Further, holders of beneficial interests will receive annual statements from the Trustee and will be provided with other annual and current reports as deemed necessary by the Trustee, filed on Form 10-K or 8-K, as appropriate. Annual reports will contain information for a company in a non-operating, liquidation mode prepared in accordance with generally accepted accounting principles. As discussed above, a person performing similar functions to a principal financial officer of the Trustee will sign and file a certification in his individual capacity with respect to the annual reports in the form attached hereto as Exhibit A.

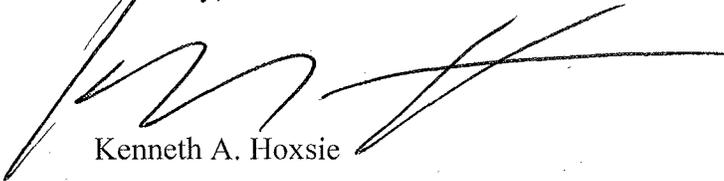

Therefore, because (i) there will be no market, public or private, for beneficial interests in the Liquidating Trust, (ii) the Trustee will keep beneficiaries of the Liquidating Trust informed of pertinent fiscal developments through timely filings of annual reports and current reports under cover of Forms 10-K (with the modified certifications described above) and 8-K, respectively, and (iii) the reporting obligations under the Exchange Act would place an unreasonable financial burden on the Liquidating Trust, it is our opinion that the registration of the beneficial interests in the Liquidating Trust is not required under 12(g) and there is no need

Office of Chief Counsel  
November 13, 2014  
Page 10

for the Liquidating Trust to (a) file quarterly reports on Form 10-Q, (b) include audited financial statements in its annual reports on Form 10-K, (c) present its financial statements in an interactive format through the use of XBRL or (d) comply with the proxy rules.

As such, the Company believes that the foregoing meets the criteria established in Release 34-9660 (June 30, 1972), which sets forth the Commission's position that relief from the reporting requirements may be granted where issuers can demonstrate that such relief is consistent with the protection of investors and that it would be difficult for the reporting company to comply with such requirements. Based on the foregoing, we respectfully request the Staff to confirm that it will not recommend any enforcement action to the Commission if the Liquidating Trust does not register under the Exchange Act and complies with the reporting requirements thereunder in the manner proposed above.

Sincerely,

A handwritten signature in black ink, appearing to read 'KHoxsie', written over a horizontal line.

Kenneth A. Hoxsie

cc: George J. Carter  
Scott H. Carter, Esq.

**EXHIBIT A**

**Certification**

I, John G. Demeritt, certify that:

1. I have reviewed this annual report on Form 10-K of the FSP 50 South Tenth Street Corp. Liquidating Trust (the "Liquidating Trust");
2. Based on my knowledge, this report does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in light of the circumstances under which such statements were made, not misleading with respect to the period covered by this report;
3. Based on my knowledge, the financial statements, and other financial information included in this report, fairly present in all material respects the net assets and changes in net assets under the liquidation basis of accounting of the Liquidating Trust as of, and for, the periods presented in this report;
4. I am responsible for establishing and maintaining disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) and internal control over financial reporting (as defined in Exchange Act Rules 13a-15(f) and 15d-15(f)) for the Liquidating Trust and have:
  - a. Designed such disclosure controls and procedures, or caused such disclosure controls and procedures to be designed under my supervision, to ensure that material information relating to the Liquidating Trust, including its consolidated subsidiaries, is made known to me by others within those entities, particularly during the period in which this report is being prepared;
  - b. Designed such internal control over financial reporting, or caused such internal control over financial reporting to be designed under my supervision, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles;
  - c. Evaluated the effectiveness of the Liquidating Trust's disclosure controls and procedures and presented in this report my conclusions about the effectiveness of the disclosure controls and procedures, as of the end of the period covered by this report based on such evaluation; and

Office of Chief Counsel  
November 13, 2014  
Page 12

- d. Disclosed in this report any change in the Liquidating Trust's internal control over financial reporting that occurred during the Liquidating Trust's most recent fiscal year that has materially affected, or is reasonably likely to materially affect, the Liquidating Trust's internal control over financial reporting; and
5. This report discloses, based on my most recent evaluation of internal control over financial reporting:
- a. All significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the Liquidating Trust's ability to record, process, summarize and report financial information; and
  - b. Any fraud, whether or not material, that involves management or other employees who have a significant role in the Liquidating Trust's internal control over financial reporting.
