Petroleos Mexicanos (Pemex) and the Pemex Project Funding Master Trust have filed an application under Section 304(d) of the Trust Indenture Act of 1939. In that application, Pemex and the Master Trust have asked the Commission to exempt from the provisions of Section 316(b) of the 1939 Act: (1) an indenture between Pemex, certain subsidiary guarantors of Pemex and Deutsche Bank Trust Company Americas, as trustee and (2) an indenture between the Master Trust, Pemex as guarantor, certain subsidiary guarantors of Pemex and Deutsche Bank Trust Company Americas, as trustee. The indentures relate to debt securities of Pemex and the Master Trust that will be issued in the future and that will be qualified under the 1939 Act. The application requests an exemption from Section 316(b) to allow the inclusion of a “collective action clause” in each of the indentures at issue. These collective action clauses would permit, under specified circumstances described in the application, an amendment of payment terms (including the amount due as principal or interest and the maturity date) with the consent of the holders of a supermajority (75%) of the outstanding principal amount of debt securities. A description of the indentures and the basis for the request is more fully set forth in the application from Pemex and the Master Trust dated August 27, 2004. That application is on file in the Commission’s Public Reference Section, File No. 22-28755, 450 Fifth Street, NW, Washington, DC 20549.
It appears to the Commission, upon consideration of the application and the indentures, that a conditional exemption from the requirements of Section 316(b) of the 1939 Act is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the 1939 Act. In this regard, among other things:

1. Pemex is a decentralized entity of the federal government of Mexico. It is wholly owned and controlled by the Mexican federal government and thus has no private shareholders. Because Mexico does not guarantee Pemex’s debt, Pemex is not considered a foreign government or political subdivision of the Mexican government for the purposes of Schedule B of the Securities Act of 1933, and instead follows the rules and regulations applicable to foreign private issuers. Furthermore, in connection with offerings registered under the 1933 Act, Pemex and the Master Trust have qualified their indentures under the 1939 Act and will continue to qualify their indentures under the 1939 Act based on the understanding that a government guaranty would be necessary for Pemex and the Master Trust to fall within the exemption provided by Section 304(a)(6) of the 1939 Act.

2. Under a subsidiary guarantee agreement, Pemex’s three principal operating subsidiaries, each of which is also a decentralized public entity of the federal government of Mexico, jointly and severally guarantee payment of principal and interest on Pemex’s debt.
3. The Master Trust is a Delaware statutory trust established by Pemex as a financing vehicle to segregate the funding of its long-term productive infrastructure projects and take advantage of preferential budgetary treatment. Pemex is the only beneficiary of the Master Trust and controls the Master Trust in all of its activities. Pemex guarantees all of the Master Trust’s debt, and the subsidiary guarantors, in turn, jointly and severally guarantee Pemex’s payment obligations as guarantors. The Master Trust has no shareholders, issues no subordinated debt and is consolidated into Pemex’s consolidated financial statements prepared in accordance with Mexican generally accepted accounting principles.

4. Mexican government debt restructurings have proceeded in tandem with Pemex’s debt restructuring primarily because Pemex’s debt makes up a substantial part of Mexican public sector debt and, accordingly, investors view the debt of Pemex (and the Master Trust) and the debt of Mexico as inextricably connected. Any future debt restructuring of Mexico’s public debt would thus be expected to include the debt of Pemex and the Master Trust.

5. Mexico, as a sovereign issuer to which the 1939 Act does not apply pursuant to Section 304(a)(6) of the 1939 Act, recently introduced collective action clauses in its debt securities. These collective action clauses included in Mexico’s debt securities permit amendment of the payment terms and certain key non-financial terms with the consent of 75% of the outstanding principal amount of the debt securities.
6. Pemex’s and the Master Trust’s collective action clauses are contained in sections 9.02 of the indentures that have been submitted as Exhibit A and Exhibit B to the application. These provisions are designed to ensure that the collective action clauses are narrowly tailored to be invoked only in situations in which an effective restructuring of Pemex’s and the Master Trust’s debt is necessary in order to effect a tandem general restructuring of the Mexican government’s debt. Specifically, the proposed collective action clauses would permit amendments to payment terms with the consent of the holders of 75% of the principal amount of the series of debt securities affected thereby in the event that such an amendment is being made in connection with a “General Restructuring” by Mexico. “General Restructuring” is defined as a request by Mexico for an amendment or an exchange offer by Mexico, each of which affects a matter that would (if made to Pemex’s or the Master Trust’s debt securities) constitute a “Reserved Matter,” and that applies to either (1) at least 75% of the aggregate principal amount of outstanding Mexico External Market Debt that will become due and payable within a period of five years following such request or exchange offer or (2) at least 50% of the aggregate principal amount of Mexico External Market Debt outstanding at the time of such request or exchange offer. Mexico External Market Debt is defined as all debt securities issued by the Mexican government and indebtedness of the Mexican government for borrowed money which is payable or at the option of its holder may be paid in a currency other than Mexican pesos, excluding any such indebtedness that is owed to or guaranteed by multilateral creditors, export credit agencies and other international or
governmental institutions. The principal amount of Mexico External Debt that is
the subject of any request by Mexico for such an amendment will be added to the
principal amount of Mexico External Market Debt that is the subject of a
substantially contemporaneous exchange offer by Mexico for the purposes of
determining the existence of a General Restructuring.

7. As decentralized entities of the federal government, like the Mexican government
itself, Pemex and its subsidiary guarantors are not subject to commercial
bankruptcy protection under Mexican law or Chapter 11 of the U.S. Bankruptcy
Code. Although the Master Trust is eligible for bankruptcy protection under
Chapter 11 of the U.S. Bankruptcy Code, in the event of such a filing or
reorganization thereunder, the Master Trust’s creditors could still continue to
enforce their rights against Pemex under its guaranty of the Master Trust’s debt
securities notwithstanding any such filing or proceeding. Because a bankruptcy
filing by the Master Trust would not affect Pemex’s and the subsidiary
guarantors’ obligations as guarantors, Pemex and the Master Trust are thus not
able to avail themselves of the benefits of consensual debt restructuring that are
afforded other companies under Mexican and U.S. bankruptcy law.

8. In addition to the collective action clauses, Pemex and the Master Trust propose
to increase the percentage of holders needed to consent to modifications of certain
key nonpayment terms, expand the scope of persons who are excluded from
voting and quorum purposes and add a restriction on their ability to issue further
debt securities that are fungible with the debt securities originally issued at a
discount. These measures are intended to provide a further safeguard against the potential abuses that the 1939 Act intended to rectify and protect investors from other coercive measures.

The Commission issued a notice on September 10, 2004 giving interested persons until October 12, 2004 to request a hearing on the application. There have been no requests for a hearing on the application.

IT IS ORDERED that an indenture between Pemex, certain subsidiary guarantors of Pemex and Deutsche Bank Trust Company Americas, as trustee, and an indenture between the Master Trust, Pemex as guarantor, certain subsidiary guarantors of Pemex and Deutsche Bank Trust Company Americas, as trustee, shall be, and the same are, conditionally exempted from the provisions of Section 316(b) of the 1939 Act.

Deputy Secretary
The Securities and Exchange Commission gives notice that Petroleos Mexicanos (Pemex) and the Pemex Project Funding Master Trust have filed an application under Section 304(d) of the Trust Indenture Act of 1939. Pemex and the Master Trust ask the Commission to exempt from the provisions of Section 316(b) of the 1939 Act: (1) an indenture between Pemex, certain subsidiary guarantors of Pemex and Deutsche Bank Trust Company Americas, as trustee and (2) an indenture between the Master Trust, Pemex as guarantor, certain subsidiary guarantors of Pemex and Deutsche Bank Trust Company Americas, as trustee. The indentures relate to debt securities of Pemex and the Master Trust that will be issued in the future and that will be qualified under the 1939 Act.

Section 304(d) of the 1939 Act, in part, authorizes the Commission to exempt conditionally or unconditionally any indenture from one or more provisions of the 1939 Act. The Commission may provide an exemption under Section 304(d) if it finds that the exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the 1939 Act.

Section 316(b) provides, with stated exceptions, that, the right of any holder of any indenture security to receive payment of the principal of and interest on such indenture
security, on or after the respective due dates expressed in such
indenture security, or to institute suit for the enforcement of
any such payment on or after such respective due dates, shall
not be impaired or affected without the consent of such holder

The application requests an exemption from Section 316(b) to allow the
inclusion of a “collective action clause” in each of the indentures at issue. These
collective action clauses would permit, under specified circumstances described in the
application, an amendment of payment terms (including the amount due as principal or
interest and the maturity date) with the consent of the holders of a supermajority (75%)
of the outstanding principal amount of debt securities. Absent an exemption, the 1939
Act would preclude the inclusion of collective clauses in indentures qualified under the
1939 Act.

In their application, Pemex and the Master Trust allege that:

9. Pemex is a decentralized entity of the federal government of Mexico. It is wholly
owned and controlled by the Mexican federal government and thus has no
private shareholders. Because Mexico does not guarantee Pemex’s debt, Pemex
is not considered a foreign government or political subdivision of the Mexican
government for the purposes of Schedule B of the Securities Act of 1933, and
instead follows the rules and regulations applicable to foreign private issuers.
Furthermore, in connection with offerings registered under the 1933 Act, Pemex
and the Master Trust qualify their indentures under the 1939 Act based on the
understanding that a government guaranty would be necessary for Pemex and the
Master Trust to fall within the exemption provided by Section 304(a)(6) of the 1939 Act.

10. Under a subsidiary guarantee agreement, Pemex’s three principal operating subsidiaries, each of which is also a decentralized public entity of the federal government of Mexico, jointly and severally guarantee payment of principal and interest on Pemex’s debt.

11. The Master Trust is a Delaware statutory trust established by Pemex as a financing vehicle to segregate the funding of its long-term productive infrastructure projects and take advantage of preferential budgetary treatment. Pemex is the only beneficiary of the Master Trust and controls the Master Trust in all of its activities. Pemex guarantees all of the Master Trust’s debt, and the subsidiary guarantors, in turn, jointly and severally guarantee Pemex’s payment obligations as guarantors. The Master Trust has no shareholders, issues no subordinated debt and is consolidated into Pemex’s consolidated financial statements prepared in accordance with Mexican generally accepted accounting principles.
12. As noted above, in connection with previous offerings registered under the 1933 Act, including exchange offers, Pemex and the Master Trust have qualified their indentures under the 1939 Act. Pemex and the Master Trust will qualify the indentures at issue under the 1939 Act.

13. Mexican government debt restructurings have proceeded in tandem with Pemex’s debt restructuring primarily because Pemex’s debt makes up a substantial part of Mexican public sector debt and, accordingly, investors view the debt of Pemex (and the Master Trust) and the debt of Mexico as inextricably connected. Any future debt restructuring of Mexico’s public debt would thus be expected to include the debt of Pemex and the Master Trust.

14. Mexico, as a sovereign issuer to which the 1939 Act does not apply pursuant to Section 304(a)(6) of the 1939 Act, recently introduced collective action clauses in its debt securities. The collective action clauses permit amendment of the payment terms and certain key nonfinancial terms with the consent of the holders of 75% of the outstanding principal amount of the debt securities. Because Mexican government debt restructurings have historically been negotiated and implemented in tandem with restructuring of the debt of Pemex, Pemex and the Master Trust request that they be permitted to issue debt securities in the future under indentures that contain collective action clauses similar to those that the Mexican government has recently introduced.

15. The collective action clauses are contained in sections 9.02 of the indentures that have been submitted as Exhibit A and Exhibit B to the application. These provisions are designed to ensure that the collective action clauses are narrowly
tailored to be invoked only in situations in which an effective restructuring of
Pemex’s and the Master Trust’s debt is necessary in order to effect a tandem
general restructuring of the Mexican government’s debt. Specifically, the
proposed collective action clauses would permit amendments to payment terms
with the consent of the holders of 75% of the principal amount of the series of
debt securities affected thereby in the event that such an amendment is being
made in connection with a “General Restructuring” by Mexico. “General
Restructuring” is defined as a request by Mexico for an amendment or an
exchange offer by Mexico, each of which affects a matter that would (if made to
Pemex’s or the Master Trust’s debt securities) constitute a “Reserved Matter,” and
that applies to either (1) at least 75% of the aggregate principal amount of
outstanding Mexico External Market Debt that will become due and payable
within a period of five years following such request or exchange offer or (2) at
least 50% of the aggregate principal amount of Mexico External Market Debt
outstanding at the time of such request or exchange offer. Mexico External
Market Debt is defined as all debt securities issued by the Mexican government
and indebtedness of the Mexican government for borrowed money which is
payable or at the option of its holder may be paid in a currency other than
Mexican pesos, excluding any such indebtedness that is owed to or guaranteed by
multilateral creditors, export credit agencies and other international or
governmental institutions. The principal amount of Mexico External Debt that is
the subject of any request by Mexico for such an amendment will be added to the
principal amount of Mexico External Market Debt that is the subject of a
substantially contemporaneous exchange offer by Mexico for the purposes of
determining the existence of a general restructuring.

16. As decentralized entities of the federal government, like the Mexican government
itself, Pemex and its subsidiary guarantors are not subject to commercial
bankruptcy protection under Mexican law or Chapter 11 of the U.S. Bankruptcy
Code. Although the Master Trust is eligible for bankruptcy protection under
Chapter 11 of the U.S. Bankruptcy Code, in the event of such a filing or
reorganization thereunder, the Master Trust’s creditors could still continue to
enforce their rights against Pemex under its guaranty of the Master Trust’s debt
securities notwithstanding any such filing or proceeding. Because a bankruptcy
filing by the Master Trust would not affect Pemex’s and the subsidiary
 guarantors’ obligations as guarantors, Pemex and the Master Trust are thus not
able to avail themselves of the benefits of consensual debt restructuring that are
afforded other companies under Mexican and U.S. bankruptcy law.

17. Because Pemex, like the Mexican government, has no recourse to formal
bankruptcy or reorganization proceedings under Mexican or U.S. law, with
respect to its own debt securities or its guaranty of the debt securities issued by
the Master Trust, and given the practical impossibility of obtaining consents from
the holders of 100% of the debt that will be issued, the collective clauses are
necessary for an effective restructuring of the external bonds of Pemex and the
Master Trust.

18. The proposed collective action clauses would place an investor in debt securities
issued or guaranteed by Pemex in no materially worse position than it would be in
were Pemex able to avail itself of Mexican or U.S. bankruptcy proceedings.

19. In addition to the collective action clauses, Pemex and the Master Trust propose to increase the percentage of holders needed to consent to modifications of certain key nonpayment terms, expand the scope of persons who are excluded from voting and quorum purposes and add a restriction on their ability to issue further debt securities that are fungible with the debt securities originally issued at a discount. These measures are intended to provide a further safeguard against the potential abuses that the 1939 Act intended to rectify and protect investors from other coercive measures.

Any interested persons should look to the application for a more detailed statement of the asserted matters of fact and law. The application is on file in the Commission’s Public Reference Section, File Number 22-28755, 450 Fifth Street, NW, Washington, DC 20549.

The Commission also gives notice that any interested persons may request, in writing, that a hearing be held on this matter. Interested persons must submit those requests to the Commission no later than October 12, 2004. Interested persons must include the following in their request for a hearing on this matter:

- the nature of that person’s interest;
- the reasons for the request; and
- the issues of law or fact raised by the application that the interested person desires to refute or request a hearing on.

The interested person should address this request for a hearing to: Jonathan G. Katz, Secretary, Securities and Exchange Commission, 450 Fifth Street, NW,
Washington, DC 20549-0609. At any time after October 12, 2004, the Commission may issue an order granting the application, unless the Commission orders a hearing.

Re: Petróleos Mexicanos and Pemex Project Funding Master Trust
Application for Exemption from Section 316(b) of
the Trust Indenture Act of 1939 Pursuant to Section 304(d) thereof

Ladies and Gentlemen:

Petróleos Mexicanos (“Pemex”), a decentralized public entity of the federal government of the United Mexican States (“Mexico”), and its finance vehicle, the Pemex Project Funding Master Trust (the “Master Trust”), a Delaware statutory trust, hereby request, pursuant to Section 304(d) of the Trust Indenture Act of 1939, as amended (the “TIA”) that the Director of the Division of Corporation Finance of the Securities and Exchange Commission (the “Commission”) issue an order exempting the attached indentures (the “New Indentures”) of Pemex and the Master Trust from the provisions of Section 316(b) of the TIA, under which future Pemex and Master Trust debt securities will be issued if the order is granted.

Pemex and the Master Trust propose to make a number of modifications to the terms of their respective existing indentures in order to incorporate so-called “collective action clauses” as reflected in the proposed New Indentures. These changes would permit under certain circumstances described below an amendment of payment terms (including, for example, the amount due as principal or interest and maturity date) with the consent of the holders of a supermajority (75%) of the outstanding principal amount of debt securities. Attached as Exhibits A and B are the New Indentures of

1 The proposed modifications will not affect the terms of Pemex’s and the Master Trust’s currently outstanding bonds, but will be reflected in the attached New Indentures under which Pemex and the Master Trust would in the future issue multiple series of securities containing the proposed collective action clause and other revisions described herein.

2 See Section I.D below.
Pemex and the Master Trust, respectively, containing the proposed collective action clause and other proposed revisions, and attached as Exhibit C is a summary of the proposed revisions and a comparison of the provisions of the New Indentures with the terms of the outstanding debt securities of Pemex and the Master Trust issued under their existing indentures. Since February 2003, Mexico has issued six series of debt securities under its shelf registration statement which contain a similar collective action clause.\(^3\) Pemex understands that Mexico also anticipates that the debt securities issued by other Mexican public sector entities, including Nacional Financiera, S.N.C. and Banco Nacional de Comercio Exterior, S.N.C., both of which file under Schedule B of the Securities Act of 1933, as amended (the “Securities Act”), will contain collective action clauses.\(^4\)

Section 316(b) of the TIA states that “the right of any holder of any indenture security to receive payment of the principal of and interest on such indenture security, on or after the respective due dates expressed in such indenture security . . . shall not be impaired or affected without the consent of such holder,” subject to certain exceptions.\(^5\) Thus, absent an exemption, the TIA would preclude the inclusion of the proposed collective action clause in a TIA-qualified indenture.

Section 304(d) of the TIA permits the Commission, upon its own motion or by order on application by an interested person, to “exempt conditionally or unconditionally any person, registration statement, indenture, security or transaction, or any class or classes of persons, registration statements, indentures, securities, or transactions, from any one or more of the provisions of this title, if and to the extent that such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by this title.” In its Release No. 39-2263 (effective May 15, 1991), the Commission delegated to the Director of the Division of Corporation Finance (the “Director”) its authority to issue orders granting exemptive relief under Section 304(d) of the TIA. Thus, we respectfully request that the Director exercise his delegated exemptive authority under Section 304(d) of the TIA to exempt the New Indentures and the debt securities issued by Pemex and the Master Trust thereunder from Section 316(b) of the TIA.

---

\(^4\) Banco Nacional de Obras y Servicios Públicos, S.N.C., a Mexican national development bank, and Comisión Federal de Electricidad, the Mexican electricity company, have each issued bonds containing collective action clauses in private placements.

\(^5\) Section 316(b) of the TIA authorizes deferments of payment dates for up to a period of three years with the consent of holders of at least 75% of the outstanding principal amount of the securities.
I. **Background**

A. **Pemex and the Master Trust**

Pemex is Mexico’s state oil and gas company, and the largest company in Mexico. It was established by decree of the Mexican Congress in 1938 following the nationalization of all foreign-owned oil companies operating in Mexico. Pemex is wholly owned and controlled by the Mexican federal government; it has no private shareholders. As described further below, Pemex is not subject to bankruptcy protections under Mexican law.

Pemex is a decentralized public entity, similar in some respects to U.S. statutory agencies whose debt is not guaranteed by the government. Because its debts are not guaranteed by Mexico, Pemex is not considered a foreign government or political subdivision of the Mexican government for the purposes of Schedule B of the Securities Act, and instead follows the Securities Act rules applicable to foreign private issuers and files annual reports on Form 20-F pursuant to Section 15(d) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). In connection with their registered offerings, including exchange offers, Pemex and the Master Trust have qualified their indentures under the TIA, based on the understanding that a government guaranty (express or statutory) would be necessary for Pemex and the Master Trust to fall within the exemption provided by Section 304(a)(6) of the TIA.  

Pursuant to a subsidiary guaranty agreement, Pemex’s three principal operating subsidiaries (Pemex-Refining, Pemex-Exploration and Production and Pemex-Gas and Basic Petrochemicals, collectively, the “Subsidiary Guarantors”), each of which is also a decentralized public entity of the federal government of Mexico, jointly and severally guarantee payment of principal of and interest on Pemex’s debt.

Pemex issues most of its debt securities through the Master Trust, a Delaware statutory trust established by Pemex as a financing vehicle to segregate the funding of its long-term productive infrastructure projects (“PIDIREGAS”). Under Mexican law, PIDIREGAS investments must be approved and designated as such by the Mexican government and, once so designated, are granted special treatment under the public sector budget.  

---

6 While Schedule B of the Securities Act refers to “securities issued by a foreign government or political subdivision thereof,” Section 304(a)(6) of the TIA exempts from the TIA “any note, bond, debenture, or evidence of indebtedness issued or guaranteed by a foreign government or by a subdivision, department, municipality, agency, or instrumentality thereof.” Although the broader language of TIA §304(a)(6) would arguably exempt securities that are issued by Pemex and securities of the Master Trust that are guaranteed by Pemex, Pemex and the Master Trust have qualified their indentures under the TIA based on the assumption that the TIA exemption was intended to cover the same set of issuers that are eligible to file under Schedule B of the Securities Act.

7 Expenditures for PIDIREGAS investments are granted priority in the budget process. In addition, only the current year and the next following year of payments on PIDIREGAS debt are considered as liabilities in the public sector accounts, although the full amount of such liabilities is included in Pemex’s consolidated financial statements prepared in accordance with Mexican generally accepted
of the familiarity of U.S. investors with Delaware trusts, the well-developed law in Delaware and the ease and cost of its formation.

Unlike a typical financing vehicle, the Master Trust was created for the sole purpose of financing PIDIREGAS and to take advantage of this preferential budgetary treatment. Pemex is the only beneficiary of the Master Trust and controls the Master Trust in all of its activities. Pemex guarantees all of the Master Trust’s debt, and the Subsidiary Guarantors, in turn, jointly and severally guarantee Pemex’s payment obligations as guarantor of this debt. In addition, the Master Trust is consolidated into Pemex’s consolidated financial statements prepared in accordance with Mexican generally accepted accounting principles.

B. Previous Mexico debt restructurings have included Pemex’s debt, and any future restructurings would likely include Pemex’s and the Master Trust’s debt securities.

Mexico has, at various times in the past twenty years, been faced with the necessity of restructuring its public sector external debt. Mexico negotiated four consensual restructurings with its commercial bank creditors in 1982, 1984, 1987 and 1990. In each of these restructurings, external debt of all Mexican public sector entities, including Pemex, was treated identically to Mexico’s direct debt. Neither Pemex nor Mexico amended the terms of their external bonds in these restructurings (bonds were considered “excluded debt”) because of the relatively small principal amount of bonds then outstanding and the practical difficulty of obtaining consent of 100% of the holders of each bond issue to a change in payment terms.

Mexican government debt restructurings have proceeded in tandem with Pemex’s debt restructurings primarily because Pemex’s debt makes up a substantial part of Mexican public sector debt and, accordingly, investors view the debt of Pemex (including that of the Master Trust) and the debt of Mexico as inextricably connected. Any future restructuring of Mexico’s public debt would thus be expected to include the debt of Pemex and the Master Trust, as well as the debt securities issued by both. The outstanding long-term external debt of Pemex and its consolidated subsidiaries, including the Master Trust, totaled approximately U.S. $26 billion at June 30, 2004, or approximately 34% of Mexico’s public sector long-term debt at that date. Approximately 62% of Mexico’s total external public sector debt at June 30, 2004 was in the form of debt securities (excluding commercial paper), and approximately 65% of Pemex’s consolidated long-term debt at June 30, 2004 was in the form of debt securities. Pemex is also the single largest contributor of foreign exchange to the Mexican government, and its revenues from both export and domestic sales supply a significant portion of the Mexican government’s total revenues. As a result of these factors, the yields and credit ratings of Pemex’s, the Master Trust’s and the Mexican government’s debt securities have historically been quite similar and have moved in tandem.

accounting principles and in Pemex’s U.S. GAAP-reconciled financial statements filed with the Commission.
C. **Pemex and the Subsidiary Guarantors are not subject to bankruptcy protection.**

As decentralized entities of the federal government, like the Mexican government itself, Pemex and its Subsidiary Guarantors are not subject to the Mexican commercial bankruptcy law (*Ley de Concursos Mercantiles*), and are thus not able to reorganize their debts in a formal judicial procedure as would other Mexican corporations. In addition, although the Master Trust is eligible for bankruptcy protection under Chapter 11 of the U.S. Bankruptcy Code, Pemex and the Subsidiary Guarantors, in their capacities as guarantors of all of the Master Trust’s indebtedness, are not entitled to such protection under Chapter 11. As a result, even if the Master Trust filed for bankruptcy protection under Chapter 11, creditors could still continue to enforce their rights under the guaranty against Pemex and the Subsidiary Guarantors, whose assets would not be protected by the automatic stay provisions in the Bankruptcy Code. In addition, despite a subsequent confirmation by a bankruptcy court of a plan of reorganization, Pemex and the Subsidiary Guarantors, as guarantors, would in any case remain liable for the debt in question. Thus, the indebtedness of the Master Trust could not be effectively restructured by filing for bankruptcy in the United States. Since a bankruptcy of the Master Trust would not affect Pemex’s and the Subsidiary Guarantors’ obligations as guarantors, and therefore the rights of the debt holders, any restructuring of Pemex’s debt securities, or its and the Subsidiary Guarantors’ guaranties of the Master Trust’s debt securities, would have to originate from within the terms of the New York law-governed documentation under which the securities are issued. As a result, such a restructuring would be extremely difficult to achieve absent a collective action clause.

D. **The proposed collective action clause**

Mexico, as a sovereign issuer to which the TIA does not apply, in 2003 introduced in its debt securities collective action clauses permitting amendment of the payment terms and certain key nonfinancial terms with the consent of the holders of 75%

---

8 Transitional Article 4 of the *Ley de Concursos Mercantiles* states that entities of the federal public administration that are not incorporated as commercial companies (*sociedades mercantiles*) shall not declare commercial bankruptcy (*concurso mercantil*).

9 The terms of Pemex’s guarantee of the Master Trust’s obligations under its debt securities provide that Pemex’s obligations as guarantor will not be affected by any bankruptcy, reorganization or similar proceeding. To the same effect, the Bankruptcy Code provides that, subject to limited exceptions, a discharge of debts of a debtor thereunder does not affect other parties’ liabilities. See 11 U.S.C. §524(e) (1994).

10 TIA §304(a)(6).
of the outstanding principal amount of the debt securities, and Pemex understands that Mexico intends to continue that practice for the foreseeable future.

Because the Mexican government restructurings have historically been negotiated and implemented in tandem with those of Pemex, Pemex and the Master Trust request that they be permitted to issue debt securities in the future under the New Indentures, which contain collective action clauses triggered by a general Mexican government debt restructuring and are otherwise similar to those that the Mexican government has recently introduced. The proposed collective action clauses permit amendments to payment terms with the consent of the holders of 75% of outstanding principal amount of the series of debt securities affected thereby in the event that such an amendment is being made in connection with a General Restructuring by Mexico.

“General Restructuring” is defined as a request by Mexico for an amendment or an exchange offer by Mexico, each of which affects a matter that would (if made to Pemex’s or the Master Trust’s debt securities) constitute a “Reserved Matter,” and that applies to either (1) at least 75% of the aggregate principal amount of outstanding Mexico External Market Debt that will become due and payable within a period of five years following such request or exchange offer or (2) at least 50% of the aggregate principal amount of Mexico External Market Debt outstanding at the time of such request or exchange offer. “Mexico External Market Debt” would be defined as all debt securities issued by the Mexican government and indebtedness of the Mexican government for borrowed money which is payable or at the option of its holder may be paid in a currency other than Mexican pesos, excluding any such indebtedness that is owed to or guaranteed by

12 The Master Trust’s most recent issuances of debt securities (its €750,000,000 6.625 per cent. Guaranteed Notes due 2010, €500,000,000 6.25 per cent. Guaranteed Notes due 2010, U.S. $500,000,000 Guaranteed Floating Rate Notes due 2009, U.S. $1,500,000,000 Guaranteed Floating Rate Notes due 2010 and €850,000,000 6.375 per cent. Guaranteed Notes due 2016, which were primarily placed outside the United States and do not have registration rights) also contain collective action clauses. Each of these notes were issued under an English law governed trust deed and agency agreement and contain customary English law style collective action clauses. In November 2003, the Master Trust also reopened an issue of sterling-denominated notes originally issued in January 2003. In order for the new notes to be fungible with the outstanding sterling-denominated notes, the new notes did not contain a collective action clause.

13 As was the case in Mexico’s issuances with collective action clauses, Pemex and the Master Trust will disclose on the cover page of any prospectus or offering circular pursuant to which any debt securities with collective action clauses that are or will be registered with the Commission (or have such registration rights) are offered the fact that such debt securities contain collective action clauses.

14 See Section 9.02 of Exhibit A and Section 9.02 of Exhibit B. These provisions are designed to ensure that the collective action clause is narrowly tailored to be invoked only in situations in which an effective restructuring of Pemex’s and the Master Trust’s debt is necessary to effect a tandem general restructuring of the Mexican government’s debt.
multilateral creditors, export credit agencies and other international or governmental institutions.\textsuperscript{15}

The rationale for this approach is to reflect how such sovereign restructurings have historically been effected. First, Pemex believes five years is an appropriate time period over which the restructuring of the vast majority of maturities would indicate a so-called “general restructuring” because reestructurings have generally focused on the maturities coming due through the medium term. Furthermore, the indebtedness owed to or guaranteed by multilateral creditors, export credit agencies and other international or governmental institutions are excluded because such indebtedness has historically been excluded from sovereign restructurings.\textsuperscript{16} Similarly, sovereign restructurings typically also exclude a portion of the debt that would otherwise constitute Mexico External Market Debt, such as secured financings, lease financings, trade financings and interbank lines of credit, as was the case when Mexico entered into reestructurings with its creditors in 1982, 1984, 1987 and 1990. Thus, we believe the 75% and 50% thresholds represent a realistic estimate of debt of the Mexican government to be restructured that would constitute a general restructuring requiring the reestructuring of Pemex and Master Trust debt. Finally, virtually every sovereign debt restructuring has addressed only external debt since the sovereign has the ability to print additional currency to service its debt payable in local currency.

In addition to the aforementioned changes, like Mexico, Pemex and the Master Trust would expand the terms that would require a 75% vote to include certain terms that previously only required a majority vote (such as governing law, submission to jurisdiction and status). Finally, Pemex and the Master Trust would amend the definition of “Outstanding” debt securities so that debt securities owned directly or indirectly by Mexico or any public sector instrumentality of Mexico would be excluded for voting and quorum purposes, and would add a restriction on their ability to issue further debt securities that are fungible with the debt securities originally issued at a discount, in order to provide protection to the holders that the voting process could not be manipulated by Pemex.

\textsuperscript{15} The principal amount of Mexico External Market Debt that is the subject of any request by Mexico for such an amendment will be added to the principal amount of Mexico External Market Debt that is the subject of a substantially contemporaneous exchange offer by Mexico for the purposes of determining the existence of a general restructuring.

\textsuperscript{16} In particular, indebtedness owed to multilateral creditors, such as the International Monetary Fund, the International Bank for Reconstruction and Development, or World Bank, and the Inter-American Development Bank, are not restructured, as these organizations are generally accorded a “preferred creditor status” in recognition of their important roles in supporting the stability of the international financial markets and international economic and social development. Similarly, indebtedness owed to export credit agencies and other international or governmental institutions are never restructured together with market debt. Instead, institutions such as “Paris Club” creditors typically engage in separate negotiations with the country in respect of the indebtedness owed to it.
II. Discussion

A. The New Indentures provide a mechanism for orderly debt workouts where no other feasible alternatives exist, and the requested exemption is thus necessary and appropriate in the public interest.

It is widely accepted that there is a public interest in having effective procedures to resolve sovereign debt crises expeditiously, and that collective action clauses are a primary and important mechanism for this.\(^{17}\) For the sovereign issuer who has no recourse to formal reorganization or liquidation proceedings, given the practical impossibility of obtaining consents from holders of 100% of the debt in question, the only feasible alternative it faces in restructuring bonds containing such amendment restrictions is through an exchange offer whereby it offers bonds with new terms in exchange for the outstanding bonds. However, this method of restructuring is not always effective and has been criticized due to the problem of “holdout” creditors (who may seek more favorable terms or inadvertently miss the exchange) and the coercive use of “exit consents.”\(^{18}\) On the other hand, the use of collective action clauses in bonds as an effective mechanism for orderly restructuring of sovereign debt crises has widely been supported, particularly by the official sector, including the U.S. Treasury,\(^{19}\) the International Monetary Fund (“IMF”)\(^ {20}\) and the Group of Ten (“G-10”) countries.\(^ {21}\) In

\(^{18}\) Under this mechanism, an issuer can seek the consent of a majority of holders who are tendering their bonds for exchange to amend certain terms which, under the terms of these bonds, can be modified by some majority of holders in order to make the outstanding bonds less attractive. Exit consents have been criticized for introducing an element of coercion vis-à-vis minority “holdout” bondholders that destroys the element of the minority investor protection that Section 316(b) of the TIA was intended to preserve. See infra section II.C (discussing legislative intent of Section 316(b) of the TIA).

\(^{19}\) In February 2003, the U.S. Treasury reaffirmed its support of collective action clauses in preventing and resolving financial crises in emerging market countries. See Post-G7 Statement by United States Treasury Secretary John Snow (February 22, 2003), at http://www.ustreas.gov/press/releases/js62.htm. In addition, the U.S. Treasury has specifically expressed its support of Mexico’s recent issuance of external bonds with collective action clauses. See U.S. Treasury Statement Regarding the Decision by Mexico to Issue Bonds with Collective Action Clauses (February 24, 2003), at http://www.ustreas.gov/press/releases/200322418171120575.htm; Statement by United States Treasury Secretary John Snow before the International Monetary and Financial Committee of the IMF (April 12, 2003), at http://www.ustreas.gov/press/releases/js185.htm (urging other emerging market borrower to follow Mexico’s lead in incorporating collective action clauses in external sovereign bonds).

\(^{21}\) See Group of Ten, Report of the G-10 Working Group on Contractual Clauses (September 26, 2002) (recommending, among other things, allowing a sovereign bond’s financial terms to be amended with a 75% vote).
this context, a number of sovereigns, including Brazil, Uruguay, South Korea, South Africa, Turkey, Peru, Chile, Colombia and the Philippines have incorporated collective action clauses in their global offerings over the past year.

For the same reasons that collective action clauses are necessary for the effective restructuring of sovereign bonds, so too are they necessary for the effective restructuring of the external bonds of Pemex and the Master Trust. Given (i) that Pemex, like the Mexican government, has no recourse to formal bankruptcy or reorganization proceedings under Mexican or U.S. law, with respect to its own debt securities or its guaranty of the debt securities issued by the Master Trust, (ii) the likelihood of a parallel restructuring of the debt of Mexico, Pemex and the Master Trust, (iii) the Mexican government’s recent introduction of collective action clauses in its offerings, and (iv) the use of the proposed collective action clauses will be limited to instances when the Mexican Government is simultaneously seeking a general restructuring of its debt, it would be in the public interest for Pemex and the Master Trust to have contractual provisions in place within their external bond documentation whereby they would be able to restructure that debt in an orderly manner.

B. The NewIndentures as a whole, including the collective action clause and related provisions, are consistent with the protection of investors.

As discussed above, the use of collective action clauses in debt securities is widely accepted as an effective mechanism for promoting amicable debt restructurings. Generally, the investor benefit from an amicable restructuring (i.e., the avoidance of payment default, moratorium and, potentially, collapse of the country’s financial system) outweighs minority investor rights to veto a restructuring supported by a supermajority of bondholders, especially in light of the unavailability of formal bankruptcy or reorganization proceedings as an alternative. In both U.S. and Mexican bankruptcy proceedings, a plan of reorganization (which in the ordinary course would contain provisions for changing payment terms) does not require the consent of every creditor, but in fact requires a lower threshold be met to bind a dissenting minority of bondholders. Thus, the proposed collective action clause would place an investor in debt securities issued or guaranteed by Pemex in no materially worse position than it would be in were Pemex able to avail itself of either of these proceedings. Rather, because of the unavailability of any bankruptcy proceedings to Pemex, the proposed collective action clause would provide enhanced protection of a majority of such investors from a dissenting minority, who currently have the right to veto virtually any effective restructuring of payment terms. The proposed changes would also permit the holders of Pemex’s and the Master Trust’s SEC-registered securities to be treated in a

---

22 Under Chapter 11 proceedings, two-thirds of a class of bondholders in amount and a majority of the claims in number can compel a dissenting minority of bondholders to consent to a plan of reorganization. Under certain circumstances, the plan can also “cram down” other dissenting classes of creditors. See 11 U.S.C. §§ 1126(c), 1129(a)(8), 1129(b) (1994). Under Mexican bankruptcy law, a majority in amount of certain recognized classes of bondholders can bind a dissenting minority of bondholders. See Ley de Concursos Mercantiles, Art. 157.
similar manner as the holders of their English law-governed securities in a restructuring (since the debt of both could be consensually restructured by use of their collective action clauses), and would remove a significant disincentive for Pemex and the Master Trust to register additional securities under the Securities Act.

In addition to the proposed collective action clause, the New Indentures include other new provisions that would, taken as a whole, be beneficial for investors. First, the New Indentures increase to 75% the percentage of holders whose consent is needed to change certain nonpayment terms, including (i) the definition of “Outstanding,” (ii) the governing law and waiver of immunity, (iii) the courts to the jurisdiction of which Pemex has submitted, (iv) the obligation to appoint and maintain an agent for service of process in New York, (v) the events of default in connection with an exchange offer for the debt securities, and (vi) the pari passu status of the debt securities, each of which can currently be amended with the consent of only a majority of the holders of Pemex’s and the Master Trust’s outstanding debt securities. These changes would make exit consents more difficult to attain, thus improving the dissenting minority investor’s position vis-à-vis majority investors who might otherwise be able to coerce the former’s consent to the terms of an exchange offer with which it is not satisfied. In addition to these revisions, the New Indentures broaden the definition of “Outstanding” securities (for the purposes of quorum and voting requirements) to exclude those debt securities that are owned directly or indirectly by the Mexican government or any public sector instrumentality, thereby providing more protection for investors—particularly minority investors—from insider control and conflict of interest problems. Furthermore, the debt securities to be issued under the New Indentures would provide that the issuer could not reopen an issue of debt securities if the additional debt securities have a greater amount of original issue discount for U.S. federal income tax purposes than the original debt securities had on the date of the reopening, which would further safeguard investors by preventing the issuer from selling further debt securities at a discount to friendly investors for the purposes of manipulating the voting process in its favor.

The investor community has not objected to the use of collective action clauses by sovereigns in their securities, as highlighted by the multiple successful offerings described above by Mexico of its debt securities containing collective action clauses beginning in February 2003, as well as the successful offerings by Brazil, Uruguay, South Korea, South Africa, Turkey, Peru, Chile and Colombia of debt securities with collective action clauses thereafter. Similarly, the Master Trust’s recent issuances of its notes governed by English law (described in footnote 12 above) were also well received by investors. Indeed, the use of collective action clauses in debt securities

is not a new concept; these clauses are a regular feature of both corporate and sovereign bonds governed by English law.27 Bonds governed by English law typically provide that changes to payment terms are permitted with the affirmative vote of holders of 75% in principal amount of the bonds represented at a meeting of holders that meets certain quorum requirements. The collective action clause Pemex and the Master Trust propose to incorporate and have included in the New Indentures would provide more protection than such provisions, since it requires the consent of holders of 75% of the principal amount of debt securities outstanding (rather than 75% of the principal amount of those voting at a meeting of holders, which would likely be less than those outstanding) for an amendment of payment terms.

C. Legislative history suggests that permitting collective action clauses in debt securities issued by Pemex and the Master Trust would be consistent with the purposes fairly intended by the TIA.

The TIA was adopted in 1939 to address concerns about certain corporate abuses relating to publicly issued debt securities. In a multi-volume study of corporate reorganization, the report of which provided the impetus for the adoption of the TIA, the Commission expressed its concern about corporate abuses involving insider control and conflict of interest issues; namely, that corporate insiders (including an issuer’s bankers) or junior security or equity holders could obtain a majority of proxies or otherwise control the majority of bonds in order to further their own interests to the detriment of minority bondholders.28

Relatedly, the Commission and Congress were concerned by the lack of judicial scrutiny of contractual debt readjustments plans.29 Without the prohibition of

27 Similar collective action clauses are also commonly used in bonds issued under Luxembourg and Japanese law.

28 VI Securities and Exchange Commission, Report on the Study and Investigation of the Work, Activities, Personnel and Functions of Protective and Reorganization Committees (hereinafter “Commission Report”) 150 (1937-1940) ("If . . . proxies come into hands with interest adverse to those of the bondholders the latter will not only be inadequately represented; they may be exploited."). For example, one concern was that junior security holders could gain control of the votes of the bonds to invert bankruptcy priorities in their favor. Id. ("If the management or the junior security holders of a corporation can obtain proxies from bondholders to vote in their place and stead for changes in the bonds and in the indenture, grave injustices may result. The interests of such parties normally will not lie with the bondholders.")

29 See Senate Comm. on Banking and Currency, Trust Indenture Act of 1939: Report to Accompany S. 2065, S.Rep. No. 248, 76th Cong., 1st Sess. 26 (1939) ("Evasion of judicial scrutiny of the fairness of debt-readjustment plans is [intended to be] prevented by [Section 316(b)’s] prohibition."); III Commission Report, supra note 28, at 227 (expressing concern that the “essential control . . . is lacking under the procedures set forth in [trust indentures which permit amendment of any terms with supermajority consent], since no machinery is provided for the submission of the contemplated action to judicial review"). Although there is testimony by the Commission that Section 316(b) of the TIA was intended to “preserve the individual holder’s right to bring an action at law to collect his interest and principal in accordance with the terms of his contract, unless he has himself consented to a variation from that contract,” the same testimony later demonstrates that this was primarily based on the concern over the lack of judicial scrutiny over the process by which such holders’ rights are affected. Hearings
collective action clauses found in Section 316(b) of the TIA, an issuer could collude with its majority bondholders, who might also be corporate insiders, to enter into unnecessary voluntary restructurings under terms the fairness of which would never be reviewed by a bankruptcy tribunal. When drafting Section 316(b) of the TIA, the Commission and Congress were aware that consensual workouts would be a practical impossibility, and enacted Section 316(b) with the understanding that it would help induce court-supervised bankruptcy or reorganization proceedings. Given the potential for the corporate abuses described herein, and so as to ensure fairness to minority holders’ interest, the preference was to force these recapitalizations into bankruptcy court for judicial scrutiny.\(^\text{30}\)

In fact, at the time of the adoption of the TIA, new bankruptcy legislation had recently been enacted in order to facilitate corporate debt reorganizations under the supervision of a bankruptcy court, under which reorganization plans approved with the consent of less than 100% of creditors (which in the ordinary course could contain provisions for the amendment of payment terms) could bind the dissenting minority creditors.\(^\text{31}\) Thus, the Commission and Congress enacted Section 316(b) with the understanding that some amendment to payment terms could, and likely would, eventually be achieved without the consent of all holders of bonds affected.

Neither Pemex nor Master Trust is comparable to the corporate issuer about which Congress and the Commission were concerned in drafting the TIA, but rather they are akin to a sovereign issuer. Given that neither Pemex nor the Master Trust has any equity holders that could present the conflict alluded to in the Commission report, that neither issues subordinated debt and that neither can pursue effective debt on H.R. 2191 and H.R. 5220 Before a Subcomm. of the House Comm. on Interstate and Foreign Commerce, 67th Cong., 1st Sess. 237, 284-85 (1939) (“In the case of readjustment plans which are not subject to . . . scrutiny [of an impartial tribunal] it seems only fair to preserve . . . the individual bondholder’s right to enforce payment of principal and interest.”) (statements of Edmund Burke, Jr., Assistant Director, Reorganization Division of the Commission). Congress and the Commission also considered the prevailing interpretation of the now-defunct Uniform Negotiable Instruments Law (“N.I.L.”) (under which, without the prohibition on collective action, a bond might not meet the statutory standard of a negotiable instrument) and recognized this, along with the investment criteria for trustees, interest companies and savings banks, as largely responsible for the widespread disuse of collective action clauses in the majority of indentures at the time. Id. at 285. These considerations, although useful for explaining common practice at the time of the adoption of the TIA, are no longer applicable given the adoption of Article 8 of the Uniform Commercial Code, which governs bonds and which does not restrict the use of collective action clauses. Furthermore, we do not believe that the addition of collective action clauses into Pemex’s indentures would change the eligibility for investment of the bonds issued thereunder by Pemex’s typical investors.

\(^{30}\) See UPIC & Co. v. Kinder-Care Learning Ctrs., Inc., 793 F. Supp. 448, 453 (S.D.N.Y. 1992) (“The [Commission] was undoubtedly aware that requiring unanimity in bondholder voting—rather than mere majority action—would frustrate consensual workouts and help induce bankruptcy. And convinced that insiders or quasi-insiders would damage bondholders, the Commission welcomed this prospect.”).

\(^{31}\) III Commission Report, supra note 28, at 227 (citing the policy implicit in the new legislation, known as Section 77B of the U.S. Bankruptcy Act (the predecessor of the modern Chapter 11), that, subject to judicial scrutiny, “a plan consented to by a majority shall be binding upon all holders of the particular class of securities”).
workouts under the supervision of a bankruptcy tribunal, none of the purposes of the prohibition of collective action clauses in Section 316(b) set forth above is served in their case. Furthermore, the intention that debt restructurings could nonetheless be approved by less than 100% of creditors similarly does not apply in the case of the Master Trust or Pemex, which cannot avail itself of bankruptcy proceedings that could effect such restructurings. Rather, the only way Pemex and the Master Trust could achieve an effective restructuring of their debt securities is through the use of collective action clauses. As a result, Pemex and the Master Trust are unintentionally disadvantaged because they have no or very limited ability to restructure their debt when in financial distress in the likely event that one or more creditors do not consent to proposed amendments to their debt securities.

Moreover, the proposed revisions contained in the New Indentures that (i) increase the percentage of holders needed to consent to modifications of certain key nonpayment terms and (ii) expand the scope of persons who are excluded from voting, provide a further safeguard against the potential abuses that the TIA intends to rectify. As discussed above in Section II.B, the former revision makes exit consents more difficult to attain, thus enhancing the minority investor protection that Section 316(b) of the TIA intends to safeguard. The latter revision is consistent with and furthers the intent of the TIA of preventing potential abuses by insiders or quasi-insiders by excluding them from participation in the process for approving the debt readjustment introduced by the collective action clause. In addition, the restriction against reopening an issue of debt securities with a greater amount of original issue discount further safeguards the protection of minority investors that the TIA intends by inhibiting the dilution of such investors’ interests in a situation where the collective action clause is invoked by Pemex.

III. Conclusion

For the reasons set forth above, we believe that the aforementioned provision in Section 316(b) of the TIA should not apply to the attached New Indentures of Pemex and the Master Trust, or debt securities to be issued in the future thereunder. Consequently, we hereby respectfully request that the Director issue an order under Section 304(d) of the TIA exempting the New Indentures and the debt securities to be issued in the future thereunder from the forgoing requirements of Section 316(b) of the TIA in order to incorporate collective action clauses and the other revisions enumerated herein into such indentures.

have notice of the contents of any notice to the Holders of the related Bearer Securities.

Where this Indenture provides for notice in any manner, such notice may be
waived in writing by the Person entitled to receive such notice, either before or after the event,

(ii) Neither any members of, or participants in, a U.S. Depositary (“Agent Members”) nor any other persons on whose behalf Agent Members may act (including Euroclear and Clearstream, Luxembourg and account holders and participants therein) shall have any rights under this Indenture with respect to any U.S. Global Security registered in the name of such U.S. Depositary or any nominee thereof, or under any such U.S. Global Security, and such U.S. Depositary or nominee, as the case may be, may be treated by the Issuer, the Trustee and any agent of the Issuer or the Trustee as the absolute owner and holder of such U.S. Global Security (including all Securities represented
thereby) for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization furnished by such U.S. Depositary or such nominee, as the case may be, or impair, as between such U.S. Depositary, its Agent Members and any other person on whose behalf an Agent Member may act, the operation of customary practices of such persons governing the exercise of the rights of a holder of any Security.

(iii) Any Securities offered and sold in reliance on Regulation S may be issued in the form of a U.S. Global Security that is registered in the name of DTC, as U.S. Depositary, or a nominee thereof, and deposited with the Trustee, at its New York office, as custodian for the U.S. Depositary, for credit to the respective accounts of beneficial owners of the Securities represented thereby (or to such other accounts as they may direct); provided that upon such deposit all such accounts are maintained at or through Euroclear or Clearstream, Luxembourg. Each such U.S. Global Security, initially and until such time as the Restricted Period with respect to such Security has ended, shall be deemed to be a “Regulation S Global Security” and, thereafter, shall be deemed to be an “Unrestricted Global Security.” The aggregate principal amount of each Regulation S Global Security and Unrestricted Global Security may from time to time be increased or decreased by adjustments made on the records of the Trustee, as custodian for the U.S. Depositary therefor, as provided herein.

(iv) Any Securities offered and sold in reliance on Rule 144A may be issued in the form of a U.S. Global Security that is registered in the name of DTC, as U.S. Depositary, or a nominee thereof, and deposited with the Trustee, at its New York office, as custodian for the U.S. Depositary, for credit to the respective accounts of beneficial owners of the Securities represented thereby (or to such other accounts as they may direct). Each such U.S. Global Security shall be deemed to be a “Restricted Global Security”. The aggregate principal amount of each Restricted Global Security may from time to time be increased or decreased by adjustments made on the records of the Trustee, as custodian for the U.S. Depositary, as provided herein.

(v) Exchange Securities that are issued in exchange for Initial Securities that are represented by a U.S. Global Security shall also be issued in the form of a U.S. Global Security that is registered in the name of DTC, as U.S. Depositary, or a nominee thereof, and deposited with the Trustee, at its New York office, as custodian for the U.S. Depositary. Exchange Securities shall not contain restrictions on transfers.

(vi) Any Securities offered and sold pursuant to an effective registration statement filed with the Commission may be issued in the form of a U.S. Global Security that is registered in the name of DTC, as U.S. Depositary, or a nominee thereof, and deposited with the Trustee, at its New York office, as custodian for the U.S. Depositary, for credit to the respective accounts of beneficial owners of the Securities represented thereby (or to such other accounts as they may direct). Such Securities shall not contain restrictions on transfer.
(b) **International Global Securities.** The Issuer may issue Securities represented, in whole or in part, by a Security in definitive or temporary global form that is deposited with or on behalf of a common depositary located outside the United States (a “Common Depositary”), for credit to the respective accounts of the beneficial owners of the Securities represented thereby (or to such other accounts as they may direct); provided that all such accounts are maintained at or through Euroclear or Clearstream, Luxembourg (an “International Global Security”). Registered Securities and Bearer Securities may be issued in the form of an International Global Security. This Section 3.04(b) shall apply to all International Global Securities.

(i) If the Issuer shall establish in the Officer’s Certificate or supplemental indenture for any series of Securities that such Securities are to be issued in whole or in part in the form of one or more International Global Securities, then the Issuer shall execute one or more International Global Securities that (A) if issued in registered form, shall be registered in the name of the Common Depositary or its nominee and (B) shall be delivered by the Trustee to the Common Depositary or pursuant to the Common Depositary’s instructions, and the Trustee shall arrange for the authentication and delivery of such International Global Securities.

(ii) Neither any members of, or participants in, a Common Depositary (“Member Organizations”) nor any other persons on whose behalf Member Organizations may act shall have any rights under this Indenture with respect to any International Global Security registered in the name of, or held by, such Common Depositary or any nominee thereof, or under any such International Global Security, and such Common Depositary or nominee, as the case may be, may be treated by the Issuer, the Trustee and any agent of the Issuer or the Trustee as the absolute owner and holder of such International Global Security (including all Securities represented thereby) for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization furnished by such Common Depositary or such nominee, as the case may be, or impair, as between such Common Depositary, its Member Organizations and any other person on whose behalf a Member Organization may act, the operation of customary practices of such persons governing the exercise of the rights of a holder of any Security.

(iii) If all Securities represented by an International Global Security have been offered and sold in reliance upon Regulation S, such International Global Security may be designated, pursuant to the applicable Officer’s Certificate or supplemental indenture, as a “Regulation S Global Security” subject to such procedures regarding exchanges and transfers as may be established in accordance with Section 3.05(b).

(c) **Bearer Securities.** This Section 3.04(c) shall apply to all Bearer Securities.

(i) Each Bearer Security shall initially be represented only in the form of one or more Securities in temporary global form without interest coupons attached (each, a “Temporary Global Bearer Security”), which shall be deposited with or on behalf of a Common Depositary, for credit to the respective accounts of the beneficial owners of the
Securities represented thereby (or to such other accounts as they may direct); provided that all such accounts shall be maintained at or through Euroclear or Clearstream, Luxembourg. Notwithstanding the foregoing, if indicated in the applicable Officer’s Certificate or supplemental indenture, Bearer Securities with a maturity not exceeding one year from the date of issue may initially be represented by one or more Bearer Securities in permanent global form without interest coupons attached (each, a “Permanent Global Bearer Security”). No Bearer Security shall be mailed or otherwise delivered in connection with its sale during the applicable Restricted Period to any location in the United States of America (including the States thereof and the District of Columbia), its territories, its possessions and other areas subject to its jurisdiction (collectively, the “United States”). Temporary Global Bearer Securities and Permanent Global Bearer Securities are International Global Securities.

(ii) Each Temporary Global Bearer Security will be exchangeable for definitive Bearer Securities, interests in a Permanent Global Bearer Security or definitive Registered Securities, as provided pursuant to the applicable Officer’s Certificate or supplemental indenture relating to the series of which such Security is a part; provided that no Temporary Global Bearer Security or portion thereof may be exchanged for any definitive Bearer Security or an interest in a Permanent Global Bearer Security until (A) on or after the 40th day after the issue date of such Security (the “Exchange Date”) and (B) with respect to each beneficial interest in the portion of such Temporary Global Bearer Security to be so exchanged, (1) the Member Organization through which such beneficial interest is held has delivered to Euroclear or Clearstream, Luxembourg, as the case may be, a certificate substantially in the form of Exhibit F hereto (or such other form as may be established by the Issuer) and (2) Euroclear or Clearstream, Luxembourg, as the case may be, has delivered to the Trustee a certificate in substantially the form of Exhibit G hereto (or such other form as may be established by the Issuer).

Upon the exchange of any portion of a Temporary Global Bearer Security for definitive Securities or interests in a Permanent Global Bearer Security, such Temporary Global Bearer Security shall be endorsed to reflect the reduction of the principal amount evidenced thereby, whereupon its remaining principal amount shall be reduced for all purposes by the amount so exchanged. Until so exchanged in full, such Temporary Global Bearer Security shall in all respects be entitled to the same benefits under this Indenture as the definitive Securities or Permanent Global Bearer Security that may be authenticated and delivered hereunder in exchange therefor, except with respect to the payment of interest as described in paragraph (iii) of this Section 3.04(c).

(iii) No interest payable in respect of any beneficial interest in a Temporary Global Bearer Security shall be paid until the certification requirements set forth in Section 3.04(c)(ii)(B)(1) and (2) above have been satisfied with respect to such beneficial interest. Delivery of the certificate contemplated by Section 3.04(c)(ii)(B)(1) above by a Member Organization shall constitute an irrevocable instruction by such Member Organization to Euroclear or Clearstream, Luxembourg, as the case may be, to exchange, on the applicable Exchange Date, the beneficial interest covered by such certificate for such definitive Securities or an interest in a Permanent Global Bearer Security as such Member Organization may specify consistently with the applicable Officer’s Certificate.
or supplemental indenture (or, if no such specification is made, for definitive Bearer Securities, unless only an interest in a Permanent Global Bearer Security or definitive Registered Securities are issuable on such exchange, in which case for such interest or definitive Registered Securities, as the case may be).

(d) **Legends.** Securities of a series shall be stamped or otherwise imprinted with such legends, if any, as contemplated by the forms of Securities attached as Exhibits A, B, C and D hereto or as provided in the applicable Officer’s Certificate or supplemental indenture with respect to Securities of such series or pursuant to Section 3.04(a) or 3.01(c) hereof. Any legends so provided may be removed as provided in the Officer’s Certificate or supplemental indenture or pursuant to Section 3.05(c) hereof.

SECTION 3.05. **Registration, Registration of Transfer and Exchange Generally; Certain Transfers and Exchanges; Securities Legends.**

(a) **Registration, Registration of Transfer and Exchange Generally.** The Issuer shall cause to be kept at the Corporate Trust Office of the Trustee a register (the register maintained in such office and in any other office or agency designated pursuant to Section 10.02 being herein sometimes collectively referred to as the “Security Register”) in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Registered Securities and of transfers of Registered Securities. The Trustee is hereby appointed “Security Registrar” for the purpose of registering Registered Securities and transfers of Registered Securities as herein provided.

Upon surrender for registration of transfer of any Registered Security at an office or agency of the Issuer designated pursuant to Section 10.02 for such purpose, the Issuer shall execute one or more new Registered Securities of any authorized denominations and of a like aggregate principal amount, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, such new Registered Securities.

At the option of the Holder, and subject to the other provisions of this Section, Securities may be exchanged for other Securities of any authorized denominations, of a like aggregate principal amount and tenor and bearing such restrictive legends as may be required by this Indenture, upon surrender of the Securities to be exchanged at such office or agency; provided that Bearer Securities may not be issued in exchange for Registered Securities. Whenever any Securities are so surrendered for exchange, the Issuer shall execute the Securities which the Holder making the exchange is entitled to receive, and the Trustee shall authenticate and deliver such Securities.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Issuer, evidencing the same debt, and subject to the other provisions of this Section, entitled to the same benefits under this Indenture, as the Securities surrendered upon such registration of transfer or exchange.

Every Bearer Security surrendered for exchange for other Securities of such series shall have attached thereto all unmatured coupons and all matured coupons in default appertaining thereto. Every Security presented or surrendered for registration of transfer or for
exchange shall (if so required by the Issuer or the Trustee) be accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Security Registrar executed by the Holder thereof or his attorney duly authorized in writing.

No service charge shall be made for any registration of transfer or exchange of Securities, but the Issuer may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Securities, other than any United States or Mexican stamp tax or other governmental charge payable in connection with exchanges pursuant to Section 3.03, 3.04, 9.07 or 11.08 not involving any transfer or exchanges pursuant to a Registration Rights Agreement.

The provisions of clauses (1), (2), (3), (4), (5) and (6) below shall apply only to U.S. Global Securities unless otherwise provided in the applicable Officer’s Certificate or supplemental indenture:

(1) Each U.S. Global Security authenticated under this Indenture shall be registered in the name of the U.S. Depositary designated for such U.S. Global Security or a nominee thereof and delivered to such U.S. Depositary or a nominee thereof or custodian therefor, and each such U.S. Global Security shall constitute a single Security for all purposes of this Indenture.

(2) Notwithstanding any other provision in this Indenture, no U.S. Global Security may be exchanged (except at the option of the Issuer subject to Applicable Procedures) in whole or in part for Securities registered, and no transfer of a U.S. Global Security in whole or in part may be registered, in the name of any Person other than the U.S. Depositary for such U.S. Global Security or a nominee thereof, unless (A) such U.S. Depositary has notified the Issuer that it is unwilling or unable to continue as U.S. Depositary for such U.S. Global Security or a nominee thereof, unless (A) such U.S. Depositary has notified the Issuer that it is unwilling or unable to continue as U.S. Depositary for such U.S. Global Security or a nominee thereof or custodian therefor, and each such U.S. Global Security shall constitute a single Security for all purposes of this Indenture.

(3) Subject to clause (2) above, any exchange of a U.S. Global Security for other Securities may be made in whole or in part, and all Securities issued in exchange for a U.S. Global Security or any portion thereof shall be registered in such names as the U.S. Depositary for such U.S. Global Security shall direct.

(4) Every Security authenticated and delivered upon registration of transfer of, or in exchange for or in lieu of, a U.S. Global Security or any portion thereof, whether pursuant to this Article or otherwise, shall be authenticated and delivered in the form of, and shall be, a U.S. Global Security, unless such Security is registered in the name of a Person other than the U.S. Depositary for such U.S. Global Security or a nominee thereof.

(5) The U.S. Depositary or its nominee, as registered owner of a U.S. Global Security, shall be the Holder of such U.S. Global Security for all purposes under this
Indenture and the Securities, and owners of beneficial interests in a U.S. Global Security shall hold such interests pursuant to the Applicable Procedures. Accordingly, any such owner’s beneficial interest in a U.S. Global Security shall be shown only on, and the transfer of such interest shall be effected only through, records maintained by the U.S. Depositary or its nominee or its Agent Members and such owners of beneficial interests in a U.S. Global Security shall not be considered the owners or holders thereof.

(6) In the event the Securities are issued as U.S. Global Securities with the U.S. Depositary: (i) the Trustee may deal with the U.S. Depositary as the authorized representative of the Holders; (ii) the rights of the Holders shall be exercised only through the U.S. Depositary and shall be limited to those established by law and agreement between the Holders and the U.S. Depositary and/or direct participants of the U.S. Depositary; (iii) the U.S. Depositary will make book-entry transfers among the direct participants of the U.S. Depositary and will receive and transmit distributions of the principal of and premium, if any, and interest on the Securities to such direct participants; and (iv) the direct participants of the U.S. Depositary shall have no rights under this Indenture under or with respect to any of the Securities held on their behalf by the U.S. Depositary, and the U.S. Depositary may be treated by the Trustee and its agents, employees, officers and directors as the absolute owner of the Securities for all purposes whatsoever.

An International Global Security may be exchanged, in whole or from time to time in part, for other Securities of such series, which may be issued as International Global Securities or in non-global form, all if and as established pursuant to the applicable Officer’s Certificate or supplemental indenture and the Securities and this Indenture. Any International Global Security to be so exchanged shall be surrendered to the Trustee for exchange; provided that, if such Security so provides and is to be exchanged in part only, then, in lieu of such surrender, the principal amount thereof may be reduced, by an amount equal to the portion thereof to be so exchanged, by means of an appropriate adjustment on the records of the Trustee (and, if so contemplated by such Security, any appropriate notation made on such Security). Upon any such surrender or adjustment, the Trustee shall arrange for the authentication and delivery, in exchange for each portion of such International Global Security to be exchanged and without charge to the holders, of an equal aggregate principal amount of Bearer Securities and/or Registered Securities of the same series of authorized denominations and of like tenor as such portion, in such combination thereof as shall be communicated to the Trustee by Euroclear or Clearstream, Luxembourg, and, if in registered form, registered in such name as may be so communicated to the Trustee. With respect to any remaining portion of an International Global Security so surrendered for partial exchange, the Trustee shall arrange for the authentication and delivery, in exchange for such remaining portion and without charge to the holder, of a new International Global Security of the same series and of like tenor and form having an equal principal amount.

(b) Certain Transfers and Exchanges of Restricted Securities and Regulation S Securities. Notwithstanding any other provision of this Indenture or the Securities, transfers and exchanges of beneficial interests in U.S. Global Securities shall be made only in accordance with this paragraph (b). Transfers and exchanges subject to this paragraph (b) shall also be subject to the other provisions of this Indenture that are not inconsistent with this paragraph (b). Nothing
in this paragraph (b) shall be deemed to apply to the transfer and exchange of Exchange Securities or Securities from which the legends have been removed (and not reinstated) pursuant to paragraph (c) of this Section.

(i) Restricted Global Security to Regulation S Global Security. If Securities of the same series and like tenor are issued in the form of a Restricted Global Security and a Regulation S Global Security, and if the owner of a beneficial interest in the Restricted Global Security wishes at any time to transfer such interest to a Person who wishes to take delivery thereof in the form of a beneficial interest in the Regulation S Global Security of the same series and like tenor, such holder may, subject to the rules and procedures of the U.S. Depositary therefor, Euroclear and Clearstream, Luxembourg (the “Applicable Procedures”), transfer or cause the transfer of such interest for an equivalent beneficial interest in such Regulation S Global Security in accordance with this clause (i). Upon receipt by the Trustee, as Security Registrar, at its office in The City of New York of (A) written instructions given in accordance with the Applicable Procedures from an Agent Member directing the Trustee to credit or cause to be credited to such Agent Member’s account a beneficial interest in such Regulation S Global Security in an amount equal to the beneficial interest in such Restricted Global Security to be transferred, (B) a written order given by the holder of such beneficial interest in accordance with the Applicable Procedures containing information regarding the Agent Member’s account to be credited with such increase and the name of such account, and (C) a certificate in substantially the form of Exhibit H hereto given by the holder of such beneficial interest stating that the transfer of such interest has been made in compliance with the transfer restrictions applicable to the Securities and pursuant to and in accordance with Regulation S, the Trustee shall instruct the U.S. Depositary to reduce or reflect on its records a reduction of such Restricted Global Security by the aggregate principal amount of the beneficial interest in such Restricted Global Security to be so transferred and the Trustee shall instruct the U.S. Depositary concurrently with such reduction, to increase or reflect on its records an increase in the principal amount of such Regulation S Global Security by the aggregate principal amount of the beneficial interest in such Restricted Global Security to be so transferred, and to credit or cause to be credited to the account of the person specified in such instructions a beneficial interest in such Regulation S Global Security equal to the reduction in the principal amount of such Restricted Global Security.

(ii) Transfer or Exchange from Restricted Global Security to Unrestricted Global Security. If Securities of the same series and like tenor are issued in the form of a Regulation S Global Security and a Restricted Global Security, and if a holder of a beneficial interest in the Restricted Global Security deposited with the U.S. Depositary wishes at any time to exchange its interest in such Restricted Global Security for an interest in the Unrestricted Global Security of the same series and like tenor, or to transfer its interest in such Restricted Global Security to a person who wishes to take delivery thereof in the form of an interest in the Unrestricted Global Security of the same series and like tenor, such holder may, subject to the Applicable Procedures, exchange or cause the exchange, or transfer or cause the transfer, of such interest for an equivalent beneficial interest in such Unrestricted Global Security in accordance with this clause (ii). Upon receipt by the Trustee, as Security Registrar, at its office in The City of New York
of (A) written instructions given in accordance with the Applicable Procedures from an Agent Member directing the Trustee to credit or cause to be credited to a specified Agent Member’s account, a beneficial interest in such Unrestricted Global Security in an amount equal to the beneficial interest in such Restricted Global Security to be exchanged or transferred, (B) a written order given by the holder of such beneficial interest in accordance with the Applicable Procedures containing information regarding the account of the Agent Member to be credited with such increase, and (C) a certificate in substantially the form of Exhibit I hereto given by the holder of such beneficial interest stating that the exchange or transfer of such interest has been made in compliance with the transfer restrictions applicable to the Securities and (1) that such transfer or exchange has been made pursuant to and in accordance with Regulation S or (2) that the Security being exchanged or transferred is being exchanged or transferred in a transaction permitted by and in accordance with Rule 144 under the Securities Act, the Trustee shall instruct the U.S. Depositary to reduce or reflect on its records a reduction of such Restricted Global Security by the aggregate principal amount of the beneficial interest in such Restricted Global Security to be so exchanged or transferred and the Trustee shall instruct the U.S. Depositary, concurrently with such reduction, to increase or reflect on its records an increase in the principal amount of such Unrestricted Global Security by the aggregate principal amount of the beneficial interest in such Restricted Global Security to be so exchanged or transferred, and to credit or cause to be credited to the account of the person specified in such instructions a beneficial interest in such Unrestricted Global Security equal to the reduction in the principal amount of such Restricted Global Security.

(iii) Transfer or Exchange from Regulation S Global Security or Unrestricted Global Security to Restricted Global Security. If Securities of the same series and like tenor are issued in the form of a Regulation S Global Security and a Restricted Global Security, and if a holder of a beneficial interest in the Regulation S Global Security or the Unrestricted Global Security deposited with the U.S. Depositary wishes at any time to exchange its interest in such Regulation S Global Security or Unrestricted Global Security for an interest in the Restricted Global Security of the same series and like tenor, or to transfer its interest in such Regulation S Global Security or Unrestricted Global Security to a person who wishes to take delivery thereof in the form of an interest in the Restricted Global Security of the same series and like tenor, such holder may, subject to the Applicable Procedures, exchange or cause the exchange, or transfer or cause the transfer, of such interest for an equivalent beneficial interest in such Restricted Global Security in accordance with this clause (iii). Upon receipt by the Trustee, as Security Registrar, of (A) written instructions given in accordance with the Applicable Procedures from an Agent Member directing the Trustee to credit or cause to be credited a beneficial interest in such Restricted Global Security in an amount equal to the beneficial interest in such Regulation S Global Security or such Unrestricted Global Security to be exchanged or transferred, such instructions to contain information regarding the Agent Member’s account with the U.S. Depositary to be credited with such increase, and, with respect to an exchange or transfer of an interest in the Unrestricted Global Security, information regarding the Agent Member’s account with the U.S. Depositary to be debited with such decrease, and (B) with respect to an exchange or transfer of an interest in such Regulation S Global Security (but not such Unrestricted Global Security) for an interest in the
Restricted Global Security, a certificate in substantially the form of Exhibit J hereto given
by the holder of such beneficial interest and stating that the person transferring such
interest in such Regulation S Global Security reasonably believes that the person
acquiring such interest in the Restricted Global Security is acquiring such interest for its
own account or accounts as to which it exercises sole investment discretion and each such
person and each such account is a qualified institutional buyer (as defined in Rule 144A)
and is obtaining such beneficial interest in a transaction meeting the requirements of
Rule 144A, the Trustee shall instruct the U.S. Depositary to reduce or reflect in its
records a reduction of such Regulation S Global Security or such Unrestricted Global
Security, as the case may be, by the aggregate principal amount of the beneficial interest
in such Regulation S Global Security or Unrestricted Global Security to be exchanged or
transferred, and the Trustee shall instruct the U.S. Depositary, concurrently with such
reduction, to increase or reflect in its records an increase in the principal amount of such
Restricted Global Security by the aggregate principal amount of the beneficial interest in
such Regulation S Global Security or such Unrestricted Global Security, as the case may
be, to be so exchanged or transferred, and to credit or cause to be credited to the account
of the person specified in such instructions a beneficial interest in such Restricted Global
Security equal to the reduction in the principal amount of such Regulation S Global
Security or such Unrestricted Global Security, as the case may be.

(iv) Other Transfers or Exchanges. In the event that a Registered Global
Security is exchanged for definitive Registered Securities, such Securities may be
exchanged, as specified in the relevant Officer’s Certificate or supplemental indenture, or
transferred for one another only in accordance with such procedures as are substantially
consistent with the provisions of clauses (i) through (iii) above (including the certification
requirements intended to ensure that such exchanges or transfers comply with Rule 144A
or Regulation S under the Securities Act, as the case may be) and as may be from time to
time adopted by the Issuer and the Trustee, and any Applicable Procedures.

(v) International Global Securities. If all Securities represented by an
International Global Security deposited with a Common Depositary are offered and sold
outside the United States in accordance with Regulation S, such International Global
Security may be designated in the applicable Officer’s Certificate or supplemental
indenture as a Regulation S Global Security. In such event, the procedures for transfer of
beneficial interests in Regulation S Global Securities, Unrestricted Global Securities and
Restricted Global Securities set forth in this Section 3.05(b) shall, if so established in the
applicable Officer’s Certificate or supplemental indenture, apply to such International
Global Security, with such modifications as may be necessary to reflect the involvement
of the Common Depositary and similar matters, all as may be established in the
applicable Officer’s Certificate or supplemental indenture.

The Trustee shall retain copies of all letters, notices and other written communications received
pursuant to this Section 3.05(b). The Issuer (at its own expense) shall have the right to inspect
and make copies of all such letters, notices or other written communications at any reasonable
time upon the giving of reasonable prior written notice to the Trustee.
(c) **Legends.** If any Security is issued upon the transfer, exchange or replacement of another Security that does not bear a legend setting forth restrictions on transfer that are intended to ensure compliance with the Securities Act (the “Legend”), the Security so issued shall not bear the Legend. If any Security is issued upon the transfer, exchange or replacement of another Security bearing the Legend, or if a request is made to remove the Legend on any Security, the Security so issued shall bear the Legend, or the Legend shall not be removed, as the case may be, unless (i) such Securities (or beneficial interests) are exchanged in an Exchange Offer; (ii) such Securities (or beneficial interests) are transferred pursuant to a Registration Statement; or (iii) in connection with such transfer, exchange or replacement there is delivered to the Issuer such satisfactory evidence, which may include an opinion of independent counsel licensed to practice law in the State of New York, as may reasonably required by the Issuer that neither the Legend nor the restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of Rule 144A, Rule 144 or Regulation S under the Securities Act or that such Securities are not “restricted securities” within the meaning of Rule 144 under the Securities Act. Upon provision of such satisfactory evidence, the Trustee, at the written direction of the Issuer, shall authenticate and deliver in exchange for such Security another Security or Securities having an equal aggregate principal amount that does or do not bear the Legend. If such a Legend required for a Restricted Security has been removed from such Security as provided above, it shall not be a Restricted Security and no other Security issued in exchange for all or any part of such Security shall bear the Legend, unless the Issuer has reasonable cause to believe that such other Security is a “restricted security” within the meaning of Rule 144 under the Securities Act (or any successor provision) and instructs the Trustee in writing to cause a legend to appear thereon. If the Legend is removed from the face of a Security and it is subsequently held by an Affiliate of the Issuer, the Legend shall be reinstated.

SECTION 3.06. **Mutilated, Destroyed, Lost and Stolen Securities.**

If any mutilated Security of any series is surrendered to the Trustee, the Issuer shall execute a new Security of such series of like tenor and principal amount and bearing a number not contemporaneously Outstanding, and the Trustee shall authenticate and deliver such new Security in exchange for such mutilated Security.

If there shall be delivered to the Issuer and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security of any series and the ownership thereof and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of written notice to the Issuer or the Trustee that such Security has been acquired by a *bona fide* purchaser, the Issuer shall execute a new Security of the same series of like tenor and principal amount and bearing a number not contemporaneously Outstanding, and the Trustee shall authenticate and deliver such new Security in lieu of any such destroyed, lost or stolen Security.

In case any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Issuer may require the payment of a sum sufficient to cover any tax or other governmental charge that may be
imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Issuer, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of that series duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

SECTION 3.07. Payment of Interest; Interest Rights Preserved.

(a) In respect of any series of Registered Securities, interest on any Security which is payable other than at Maturity, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest. In respect of any series of Registered Securities, interest payable at Maturity shall be payable to the Person to whom the principal thereof is payable.

Any interest on any Registered Security of any series which is payable other than at Maturity, but is not punctually paid or duly provided for, on any Interest Payment Date (herein called “Defaulted Interest”) shall forthwith cease to be payable to the Holder on the relevant Regular Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Issuer, at its election in each case, as provided in clause (1) or (2) below:

(1) The Issuer may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuer shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Security of such series and the date of the proposed payment, and at the same time the Issuer shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon the Trustee shall fix a “Special Record Date” for the payment of such Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Issuer of such Special Record Date and, in the name and at the expense of the Issuer, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be given to the Holders of Securities of such series in accordance
with Section 1.06, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so given, such Defaulted Interest shall be paid to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (2).

(2) The Issuer may make payment of any Defaulted Interest on the Securities of any series in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Securities of such series may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Issuer to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Security (except that Exchange Securities shall not be entitled to Additional Interest).

(b) Any interest on Bearer Securities of a series shall be payable by check or wire transfer upon presentation of the relevant Permanent Global Bearer Security or surrender of the applicable coupon, if any, and principal of (and premium, if any, on) Bearer Securities of such series shall be payable by check or wire transfer upon surrender of such Securities, at such offices or agencies of the Trustee or any paying agent outside the United States as the Issuer may from time to time designate, unless the Issuer shall have otherwise instructed the Trustee in writing, or additionally or alternatively, in such other manner as may be set forth or provided for in the Securities of such series. No such check which is mailed shall be mailed to an address in the United States, nor shall any transfer made in lieu of payment by check be made to an account maintained by the payee with a bank in the United States. The Trustee and each other Paying Agent shall not, and the Issuer shall not instruct the Trustee or any Paying Agent to, make such payments on Bearer Securities of a series at an office or agency located in the United States unless such payments are to be made in U.S. dollars and payment of the full amount so payable at each office of the Trustee and of each Paying Agent outside the United States appointed and maintained by the Issuer in accordance with Section 10.02 hereof is illegal or effectively precluded by reason of the imposition of exchange controls or other similar restrictions on the full payment or receipt of such amount in U.S. dollars.

(c) The Issuer shall have the right reasonably to require a holder of a Security, as a condition of payment of the principal of or any premium or interest on such Security, to present at such place as the Issuer shall designate a certificate to the Issuer and the Trustee in such form as the Issuer may from time to time prescribe to enable the Issuer to determine its respective duties and liabilities with respect to (i) any taxes, assessments or governmental charges which the Issuer, the Trustee or any withholding agent may be required to deduct or withhold from payments in respect of such Security under any present or future law of any jurisdiction or any regulation of any taxing authority thereof and (ii) any reporting or other requirements under such laws or regulations. To the extent not otherwise prohibited by applicable laws and regulations, the Issuer shall be entitled to determine its respective duties and liabilities with respect to such
deduction, withholding, reporting or other requirements on the basis of information contained in such certificate, or, if no certificate shall be presented, on the basis of any presumption created by any such law or regulation, and shall be entitled to act in accordance with such determination; provided that the Issuer shall not be entitled to withhold all or any part of any such payment except as required by applicable law or regulation.

The Trustee and each such withholding agent shall retain each certificate received by it and relating to the Securities of a series for so long as any Security of such series is outstanding and in no event for less than four years after its receipt, and for such additional period thereafter as such certificate may become material in the administration of applicable tax laws.

(d) With respect to any series of Securities that is listed on the Luxembourg Stock Exchange and bears interest at a floating rate, the Trustee shall notify the Luxembourg Stock Exchange of the Interest Payment Dates for such Securities, the applicable interest rate and the amount of interest payable on each Interest Payment Date by no later than the beginning of the relevant Interest Reset Date (as defined in such Securities) relating to such Securities.

SECTION 3.08. Additional Amounts.

(a) The Issuer, or, in the case of a payment by a Guarantor, such Guarantor will pay to the Holders of the Securities of each series such additional amounts (“Additional Amounts”) as may be necessary in order that every net payment made by the Issuer or a Guarantor on the Securities, after deduction or withholding for or on account of any present or future tax, assessment or other governmental charge imposed upon or as a result of such payment by Mexico or any political subdivision or taxing authority thereof or therein (“Mexican Withholding Taxes”) will not be less than the amount then due and payable on the Securities. The foregoing obligation to pay Additional Amounts, however, will not apply to:

(1) any Mexican Withholding Taxes which would not have been imposed or levied on a Holder of Securities but for the existence of any present or former connection between such Holder and Mexico or any political subdivision or territory or possession thereof or area subject to its jurisdiction, including, without limitation, such Holder of Securities (i) being or having been a citizen or resident thereof, (ii) maintaining or having maintained an office, permanent establishment or branch therein, or (iii) being or having been present or engaged in trade or business therein, except for a connection solely arising from the mere ownership of, or receipt of payment under, such Securities;

(2) except as otherwise provided, any estate, inheritance, gift, sales, transfer, or personal property or similar tax, assessment or other governmental charge;

(3) any Mexican Withholding Taxes that are imposed or levied by reason of the failure by the Holder of such Securities to comply with any certification, identification, information, documentation, declaration or other reporting requirement that is required or imposed by a statute, treaty, regulation, general rule or administrative practice as a precondition to exemption from, or reduction in the rate of, the imposition, withholding or deduction of any Mexican Withholding Taxes; provided that at least 60 days prior to
(i) the first Interest Payment Date with respect to which the Issuer or any Guarantor shall apply this clause (3) and, (ii) in the event of a change in such certification, identification, information, documentation, declaration or other reporting requirement, the first Interest Payment Date subsequent to such change, the Issuer or such Guarantor, as the case may be, shall have notified the Trustee, in writing, that such Holders will be required to provide such certification, identification, information or documentation, declaration or other reporting;

(4) any Mexican Withholding Taxes imposed at a rate in excess of 4.9%, in the event that such Holder has failed to provide on a timely basis, at the reasonable request of the Issuer, information or documentation (not described in clause (3) above) concerning such Holder’s eligibility, if any, for benefits under an income tax treaty to which Mexico is a party that is necessary to determine the appropriate rate of deduction or withholding of Mexican Withholding Taxes under any such treaty;

(5) any Mexican Withholding Taxes that would not have been so imposed but for the presentation of such Security by such Holder for payment on a date more than 15 days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later;

(6) any payment to a Holder who is a fiduciary or partnership or other than the sole beneficial owner of any such payment, to the extent that a beneficiary or settlor with respect to such fiduciary, a member of such a partnership or the beneficial owner of such payment would not have been entitled to the Additional Amounts had such beneficiary, settlor, member or beneficial owner been the Holder of such Security; or

(7) any withholding tax or deduction imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other European Union Directive implementing the conclusions of the ECOFIN Council meeting of November 26-27, 2000 on the taxation of savings income, or any law implementing or complying with, or introduced in order to conform to, such a directive or presented for payment by or on behalf of a Holder who would have been able to avoid such withholding or deduction by presenting the relevant Security to another Paying Agent in a member state of the European Union.

(b) Notwithstanding the foregoing, the limitations on the Issuer’s and the Guarantors’ obligation to pay Additional Amounts set forth in clauses (3) and (4) of paragraph (a) above will not apply if the provision of the certification, identification, information, documentation, declaration or other evidence described in such clauses (3) and (4) would be materially more onerous, in form, in procedure or in the substance of information disclosed, to a Holder or beneficial owner of a Security (taking into account any relevant differences between United States and Mexican law, regulation or administrative practice) than comparable information or other applicable reporting requirements imposed or provided for under United States federal income tax law (including the United States-Mexico Income Tax Treaty), regulations (including proposed regulations) and administrative practice. In addition, the limitations on the Issuer’s and the Guarantors’ obligation to pay Additional Amounts set forth in clauses (3) and (4) of paragraph (a) above shall not apply if Rule 3.23.8 published in the Diario
Official de la Federación on April 30, 2004, as amended to date, or a substantially similar successor of such rule is in effect, unless (i) the provision of the certification, identification, information, documentation, declaration or other evidence described in such clauses (3) and (4) is expressly required by statute, regulation, general rules or administrative practice in order to apply Rule 3.23.8 (or a substantially similar successor of such rule), the Issuer or the applicable Guarantor cannot obtain such certification, identification, information, documentation, declaration or evidence, or satisfy any other reporting requirements, on its own through reasonable diligence and the Issuer or the applicable Guarantor otherwise would meet the requirements for application of Rule 3.23.8 (or such successor of such rule) or (ii) in the case of a Holder or a beneficial owner of a Security that is a pension fund or other tax-exempt organization, such Holder or beneficial owner would be subject to Mexican Withholding Taxes at a rate less than that provided by Rule 3.23.8 if the information, documentation or other evidence required under clause (4) of paragraph (a) above were provided. In addition, clauses (3) or (4) of paragraph (a) above shall not be construed to require that a non-Mexican pension or retirement fund, a non-Mexican tax-exempt organization or a non-Mexican financial institution or any other Holder or beneficial owner of this Security register with the Secretaría de Hacienda y Crédito Público (the “Ministry of Finance and Public Credit”) for the purpose of establishing eligibility for an exemption from or reduction of Mexican Withholding Taxes.

(c) The Issuer or the applicable Guarantor will, upon written request, provide the Trustee, the Holders and the Paying Agents with a duly certified or authenticated copy of an original receipt of the payment of Mexican Withholding Taxes which the Issuer or such Guarantor has withheld or deducted in respect of any payments made under or with respect to the Securities or the Guaranty thereof.

(d) Any reference in this Indenture or the Securities to principal, interest, Redemption Price or any other amount payable under or with respect to the Securities or the Guaranty will be deemed also to refer to any Additional Amounts which may be payable under the undertakings referred to in this Section and express mention of Additional Amounts in any provision hereof or thereof shall not be construed as excluding Additional Amounts in those provisions hereof and thereof where such express mention is not made.

(e) In the event that Additional Amounts actually paid with respect to the Securities are based on rates of deduction or withholding of Mexican Withholding Taxes in excess of the appropriate rate applicable to the Holder or beneficial owner of a Security and, as a result thereof, such Holder or beneficial owner is entitled to make a claim for a refund or credit of such excess, then such Holder or beneficial owner shall, by accepting the Securities, be deemed to have assigned and transferred all right, title and interest to any such claim for a refund or credit of such excess to the Issuer or the applicable Guarantor, as the case may be. By making such assignment, however, the Holder or beneficial owner makes no representation or warranty that the Issuer will be entitled to receive such claim for a refund or credit, and such Holder or beneficial owner incurs no other obligation with respect thereto.

SECTION 3.09. Persons Deemed Owners.

Prior to due presentment of a Registered Security for registration of transfer, the Issuer, the Trustee and any agent of the Issuer or the Trustee may treat the Person in whose name
such Security is registered as the owner of such Security for the purpose of receiving payment of principal of and (subject to Section 3.07) interest on such Security and for all other purposes whatsoever, whether or not such Security be overdue, and neither the Issuer, the Trustee nor any agent of Issuer or the Trustee shall be affected by notice to the contrary.

The Trustee, the Issuer, the Guarantors and any agent of any of them may deem and treat the bearer of any Bearer Security or coupon appertaining thereto as the owner thereof for all purposes thereunder and under this Indenture.

SECTION 3.10. Cancellation.

All Securities surrendered for payment, redemption, registration of transfer or exchange or conversion, if surrendered to any Person other than the Trustee, shall be delivered to the Trustee and shall be promptly canceled by it. The Issuer may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Issuer may have acquired in any manner whatsoever, and all Securities so delivered shall be promptly canceled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities canceled as provided in this Section, except as expressly permitted by this Indenture. All canceled Securities held by the Trustee shall be disposed of in accordance with the Trustee’s customary practices and procedures in effect from time to time.

ARTICLE FOUR

SATISFACTION AND DISCHARGE

SECTION 4.01. Satisfaction and Discharge of Indenture.

This Indenture shall cease to be of further effect (except as to any surviving rights of registration of transfer or exchange of Securities, indemnities or other benefits herein expressly provided for) with respect to a series of Securities, and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture with respect to such series, when

(1) either

   (A) all Securities of such series theretofore authenticated and delivered (other than (i) Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 3.06 and (ii) Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust, as provided in Section 10.03) have been delivered to the Trustee for cancellation; or

   (B) all Securities of such series not theretofore delivered to the Trustee for cancellation have become due and payable and the Issuer has deposited or caused to be deposited with the Trustee as trust funds in trust for this purpose an amount sufficient to pay and
discharge the entire indebtedness on such Securities not theretofore
delivered to the Trustee for cancellation, for principal and any
premium and interest to the date of such deposit;

(2) the Issuer has paid or caused to be paid all other sums payable
hereunder by the Issuer; and

(3) the Issuer has delivered to the Trustee an Officer’s Certificate
and an Opinion of Counsel, each stating that all conditions precedent
herein provided for relating to the satisfaction and discharge of this
Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Issuer to
the Trustee under Section 6.07, the obligations of the Trustee to any Authenticating Agent under
Section 6.14 and, if money shall have been deposited with the Trustee pursuant to subclause (B)
of clause (1) of this Section, the obligations of the Trustee under Section 4.02 and the last
paragraph of Section 10.03 shall survive.

SECTION 4.02. Application of Trust Money.

Subject to the provisions of the last paragraph of Section 10.03, all money
deposited with the Trustee pursuant to Section 4.01 shall be held in trust and applied by it, in
accordance with the provisions of the Securities and this Indenture, to the payment, either
directly or through any Paying Agent (including the Issuer acting as its own Paying Agent) as the
Trustee may determine, to the Persons entitled thereto, of the principal and interest for whose
payment such money has been deposited with the Trustee.

SECTION 5.02. Acceleration of Maturity; Rescission and Annulment.

If an Event of Default with respect to any series of Securities occurs and is continuing, then and in every such case the Trustee, if so requested in writing by the Holders of not less than 20% in principal amount of the Outstanding Securities of that series shall declare the principal amount (or, if the Securities of such series are Original Issue Discount Securities, such portion of the principal amount as may be specified in the terms of such series) of, and accrued interest on, all the Securities of that series to be due and payable immediately, by a notice in writing to the Issuer and the Guarantors, and upon any such declaration the same shall become immediately due and payable.

At any time after such a declaration of acceleration with respect to Securities of any series has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article provided, the Holders of a majority in aggregate principal amount of the Outstanding Securities of that series, by written notice to the Issuer and the Trustee, may rescind and annul such declaration and its consequences if all Events of Default with respect to Securities of that series, other than the non-payment of the principal of Securities of that series which has become due solely by such declaration of acceleration, have been cured or waived as provided in Section 5.13.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

If the Securities of any series provide that an amount other than the face amount thereof will be payable upon the maturity thereof or a declaration of acceleration of the maturity thereof, then for purposes of this Section 5.02 the principal amount of such Securities shall be deemed to be such amount as shall be due and payable upon the acceleration of the maturity thereof, except as may otherwise be provided with respect to such Securities pursuant to Section 2.02, and payment of such amount, together with interest, if any, thereon and all other amounts owing thereunder, shall constitute payment in full of such Securities.
SECTION 5.03. **Collection of Indebtedness and Suits for Enforcement by Trustee.**

The Issuer covenants that if

(1) default is made in the payment of any interest on any of the Securities of any series when such interest becomes due and payable and such default continues for a period of 30 days, or

(2) default is made in the payment of the principal of (or premium, if any, on) any of the Securities of any series at the Maturity thereof,

the Issuer shall, upon demand of the Trustee, pay to it, for the benefit of the Holders of the Securities of such series, the whole amount then due and payable on all Securities of such series for principal and any premium and interest, and, to the extent that payment of such interest shall be legally enforceable, interest on any overdue principal and on any overdue interest, at the rate or rates prescribed therefor in the Securities of such series, and, in addition thereto, such further amount as shall be sufficient to cover the reasonable and duly documented costs and expenses of collection, including the reasonable and duly documented compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If an Event of Default with respect to the Securities of any series occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of the Securities of such series by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

SECTION 5.04. **Trustee May File Proofs of Claim.**

In case of any judicial proceeding relative to the Issuer (or any other obligor upon the Securities of any series), its property or its creditors, the Trustee shall be entitled and empowered (but not required), by intervention in such proceeding or otherwise, to take any and all actions authorized under the Trust Indenture Act in order to have claims of the Holders of such Securities and the Trustee allowed in any such proceeding. In particular, the Trustee shall be authorized to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder of such Securities to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders of such Securities, to pay to the Trustee any amount due it for the reasonable and duly documented compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 6.07.

No provision of this Indenture shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder of such Securities any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder of such Securities in any such proceeding.
SECTION 5.05. **Trustee May Enforce Claims Without Possession of Securities.**

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable and duly documented compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

SECTION 5.06. **Application of Money Collected.**

Any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal or any premium or interest, upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 6.07;

SECOND: To the payment of the amounts then due and unpaid for principal or interest on the Securities in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal and any premium and interest, respectively; and

THIRD: Any remaining amounts shall be repaid to the Issuer.

SECTION 5.07. **Limitation on Suits.**

No Holder of any Security of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless

1. such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Securities of that series;

2. the Holders of not less than 20% in principal amount of the Outstanding Securities of that series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

3. such Holder or Holders have offered to the Trustee indemnity satisfactory to it against the costs, expenses and liabilities to be incurred in compliance with such request;
the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and

no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in principal amount of the Outstanding Securities of that series;

it being understood and intended that no one or more Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders, or to obtain or to seek to obtain priority or preference over any other Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders.

SECTION 5.08.  Unconditional Right of Holders to Receive Principal and Interest.

Notwithstanding any other provision of this Indenture, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment of the principal of and any premium and (subject to Section 3.07) interest on such Security on the respective Stated Maturity or Maturities expressed in such Security (or, in the case of redemption, on the Redemption Date) (as such Security may be amended or modified pursuant to Section 9.02) and to institute suit for the enforcement of any such payment, and, except as provided in Section 9.02, such rights shall not be impaired without the consent of such Holder.

SECTION 5.09.  Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuer, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

SECTION 5.10.  Rights and Remedies Cumulative.

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in the last paragraph of Section 3.06, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 5.11.  Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder of any Security to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or
constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 5.12. **Control by Holders.**

The Holders of a majority in principal amount of the Outstanding Securities of any series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, with respect to the Securities of that series; *provided* that

1. such direction shall not be in conflict with any rule of law or with this Indenture, and
2. the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

SECTION 5.13. **Waiver of Past Defaults.**

The Holders of not less than a majority in principal amount of the Outstanding Securities of any series may on behalf of the Holders of all the Securities of such series waive any past default hereunder and its consequences, *provided* that a default

1. in the payment of the principal of or premium or interest on any Security of such series, or
2. in respect of a covenant or provision hereof the modification of which would constitute a Reserved Matter,

may be waived only by a percentage of Holders of Outstanding Securities of such series that would be sufficient to effect a modification, amendment, supplement or waiver of such matter under Article Nine.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

SECTION 5.14. ** Undertaking for Costs.**

In any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, a court may require any party litigant in such suit to file an undertaking to pay the costs of such suit, and may assess costs against any such party litigant, in the manner and to the extent provided in the Trust Indenture Act; *provided* that neither this Section nor the Trust Indenture Act shall be deemed to authorize any court to require such an undertaking or to make such an assessment in any suit instituted by the Issuer.
SECTION 5.15. Waiver of Stay or Extension Laws.

The Issuer covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE SIX

THE TRUSTEE

SECTION 6.01. Certain Duties and Responsibilities.

(a) The duties and responsibilities of the Trustee shall be as provided by the Trust Indenture Act. Notwithstanding the foregoing, no provision of this Indenture shall require the Trustee to expend or risk its own funds or incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it. Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

(b) The Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Agreement and in the Trust Indenture Act.

SECTION 6.02. Notice of Defaults.

If a default occurs hereunder with respect to Securities of any series, and if such default is actually known to a Responsible Officer of the Trustee, the Trustee shall give the Holders of Securities of such series notice of such default as and to the extent provided by the Trust Indenture Act; provided that except in the case of any default of the character specified in Section 5.01(a), the Trustee shall be protected in withholding such notice if and so long as Responsible Officers of the Trustee in good faith determine that the withholding of such notice is in the interests of the Holders; and provided, further, that, in the case of any default of the character specified in Section 5.01(c), no such notice to Holders shall be given until after the grace period, if any, applicable to such default has run. For the purpose of this Section, the term “default” means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Securities of such series.
SECTION 6.03. Certain Rights of Trustee.

Subject to the provisions of Section 6.01:

(1) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(2) any request or direction of the Issuer mentioned herein shall be sufficiently evidenced by an Issuer Request or Issuer Order, and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;

(3) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee shall be entitled to receive (unless other evidence be herein specifically prescribed) and may, in the absence of bad faith on its part, conclusively rely upon an Officer’s Certificate;

(4) the Trustee may consult with counsel of its own choosing and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(5) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to it against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(6) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document or to inquire into the compliance by the Issuer with the covenants in Article Ten, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit;

(7) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it with the prior written consent of the Issuer and monitored with due care.
by it hereunder; provided that the Trustee shall be required to terminate any such agent if it has actual knowledge of any failure by such agent to perform its delegated duties;

(8) the Trustee shall not be under any obligation to take any action that is discretionary under the provisions of this Indenture;

(9) the Trustee shall not be charged with knowledge of any default or Event of Default unless either (a) a Responsible Officer of the Trustee shall have actual knowledge of such event or (b) a Responsible Officer of the Trustee shall have received written notice thereof from the Issuer or a Holder;

(10) no permissive power or authority available to the Trustee shall be construed as a duty;

(11) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer of the Trustee, unless the Trustee was grossly negligent in ascertaining the pertinent facts;

(12) the Trustee shall have no obligation to invest in and reinvest any cash held in the absence of timely and specific written investment direction from the Issuer; in no event shall the Trustee be liable for the selection of investments or for investment losses incurred thereon; and the Trustee shall have no liability in respect of losses incurred as a result of the liquidation of any investment prior to its stated maturity or the failure of the Issuer to provide timely written investment direction; and

(13) neither the Trustee nor any of its officers, directors, employees or agents shall be liable for any action taken or omitted under this Agreement or in connection therewith except to the extent caused by the Trustee’s gross negligence, bad faith, or willful misconduct. Anything in this Agreement to the contrary notwithstanding, in no event shall the Trustee be liable for special, indirect or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

SECTION 6.04. Not Responsible for Recitals or Issuance of Securities.

The recitals contained herein and in the Securities, except the Trustee’s certificates of authentication, shall be taken as the statements of the Issuer, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities. The Trustee shall not be accountable for the use or application by the Issuer of Securities or the proceeds thereof.
SECTION 6.05.  May Hold Securities.

The Trustee, any Authenticating Agent, any Paying Agent, any Security Registrar or any other agent of the Issuer, in its individual or any other capacity, may become the owner or pledgee of Securities and, subject to Sections 6.08 and 6.13, may otherwise deal with the Issuer with the same rights it would have if it were not Trustee, Authenticating Agent, Paying Agent, Security Registrar or such other agent.

SECTION 6.06.  Money Held in Trust.

Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed with the Issuer.

SECTION 6.07.  Compensation and Reimbursement.

The Issuer agrees:

(1) to pay to the Trustee from time to time such compensation as shall be agreed upon in writing between the Issuer and the Trustee from time to time for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(2) except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable and duly documented expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable and duly documented compensation and the reasonable and duly documented expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its gross negligence or bad faith; and

(3) to indemnify the Trustee and its directors, officers, agents and employees for, and to hold it harmless against, any and all loss, liability or expense incurred without gross negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of this trust, including the reasonable and duly documented costs and expenses of defending itself against or investigating any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder.

As security for the performance of the obligations of the Issuer under this Section, the Trustee shall have a lien prior to the Securities upon all property and funds held or collected by the Trustee, except funds held in trust for the benefit of the Holders of particular Securities. When the Trustee incurs expenses or renders services in connection with an Event of Default as set forth in Sections 5.01(f), (g) or (h), such expenses (including the reasonable and duly documented fees and expenses of its counsel and agents) and the compensation for such services
are intended to constitute expenses of administration under any bankruptcy law or law relating to
creditor’s rights generally. The compensation and indemnification obligations of the Issuer set
forth in this Section shall survive the payment in full of all amounts due and owing hereunder
and under the Securities, the termination and discharge of this Indenture or the earlier resignation
or removal of the Trustee.

SECTION 6.08. Disqualification; Conflicting Interests.

If the Trustee has or shall acquire a conflicting interest within the meaning of the
Trust Indenture Act, the Trustee shall either eliminate such interest or resign, to the extent and in
the manner provided by, and subject to the provisions of, the Trust Indenture Act and this
Indenture. To the extent permitted by the Trust Indenture Act, the Trustee shall not be deemed
to have a conflicting interest by virtue of being a trustee under this Indenture with respect to
Securities of more than one series.

SECTION 6.09. Corporate Trustee Required; Eligibility.

There shall at all times be a Trustee hereunder which shall be a Person that is
eligible pursuant to the Trust Indenture Act to act as such and has a combined capital and surplus
of at least U.S. $50,000,000 and is subject to supervision or examination by Federal, State or
District of Columbia authority. If such Person publishes reports of condition at least annually,
pursuant to law or to the requirements of said supervising or examining authority, then for the
purposes of this Section, the combined capital and surplus of such Person shall be deemed to be
its combined capital and surplus as set forth in its most recent report of condition so published.
If at any time the Trustee shall cease to be eligible in accordance with the provisions of this
Section, it shall resign immediately in the manner and with the effect hereinafter specified in this
Article.

SECTION 6.10. Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Trustee and no appointment of a successor
Trustee pursuant to this Article shall become effective until the acceptance of appointment by the
successor Trustee under Section 6.11.

(b) The Trustee may resign at any time with respect to one or more series of
Securities by giving written notice thereof to the Issuer. If an instrument of acceptance by a
successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of
such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction
for the appointment of a successor Trustee.

(c) The Trustee with respect to any series of Securities may be removed at any
time by Act of the Holders of a majority in principal amount of the Outstanding Securities of
such series, delivered to the Trustee and to the Issuer.

(d) If at any time:

(1) the Trustee shall fail to comply with Section 6.08 with respect
to the Securities of any series after written request therefor by the Issuer or
by any Holder who has been a *bona fide* Holder of a Security of such series for at least six months, or

(2) the Trustee shall cease to be eligible under Section 6.09 and shall fail to resign after written request therefor by the Issuer or by any Holder of the Securities of any series, or

(3) the Trustee shall become incapable of acting with respect to the Securities of any series or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (i) the Issuer may remove the Trustee with respect to the applicable series of Securities (or all series, if required), or (ii) subject to Section 5.14, any Holder who has been a *bona fide* Holder of a Security of the applicable series for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee with respect to such series.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause, the Issuer shall promptly appoint a successor Trustee with respect to the applicable series of Securities. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee shall be appointed by an Act of the Holders of a majority in principal amount of the Outstanding Securities of the applicable series delivered to the Issuer and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee with respect to such series and supersede the successor Trustee appointed by the Issuer. If no successor Trustee shall have been so appointed by the Issuer or the Holders of the Securities of the applicable series and accepted appointment in the manner hereinafter provided, any Holder who has been a *bona fide* Holder of a Security of such series for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Issuer shall give notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee to all Holders of the Securities of the applicable series in the manner provided in Section 1.06. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office.

SECTION 6.11. **Acceptance of Appointment by Successor.**

Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to the Issuer and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on written request of the Issuer, or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of
the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Issuer shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

In case of the appointment hereunder of a successor Trustee with respect to the Securities of one or more (but not all) series, the Issuer, the retiring Trustee and each successor Trustee with respect to the Securities of one or more series shall execute and deliver an indenture supplemental hereto wherein each successor Trustee shall accept such appointment and which (1) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, each successor Trustee all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates, (2) if the retiring Trustee is not retiring with respect to all Securities, shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series as to which the retiring Trustee is not retiring shall continue to be vested in the retiring Trustee, and (3) shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees co-trustees of the same trust and that each such Trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee; and upon the execution and delivery of such supplemental indenture the resignation or removal of the retiring Trustee shall become effective to the extent provided therein and each such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates; but, on request of the Issuer or any successor Trustee, such retiring Trustee shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder with respect to the Securities of that or those series to which the appointment of such successor Trustee relates.

No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

SECTION 6.12. **Merger, Conversion, Consolidation or Succession to Business.**

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Securities of any series shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver such authenticated Securities with the same effect as if such successor Trustee had itself authenticated such Securities.
SECTION 6.13. **Preferential Collection of Claims Against Issuer.**

If and when the Trustee shall be or become a creditor of the Issuer (or any other obligor upon the Securities), the Trustee shall be subject to the provisions of the Trust Indenture Act regarding the collection of claims against the Issuer (or any such other obligor).

SECTION 6.14. **Appointment of Authenticating Agent.**

The Trustee may appoint an Authenticating Agent or Agents which shall be authorized to act on behalf of the Trustee to authenticate the Securities of one or more series issued upon original issue and upon exchange, registration of transfer or pursuant to Section 3.06, and Securities so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder. Wherever reference is made in this Indenture to the authentication and delivery of Securities by the Trustee or the Trustee’s certificate of authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee by an Authenticating Agent and a certificate of authentication executed on behalf of the Trustee by an Authenticating Agent. Each Authenticating Agent shall be reasonably acceptable to the Issuer and shall at all times be a corporation organized and doing business under the laws of the United States of America, any State thereof or the District of Columbia, authorized under such laws to act as Authenticating Agent, having a combined capital and surplus of not less than U.S. $50,000,000 and subject to supervision or examination by Federal, State or District of Columbia authority. If such Authenticating Agent publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such Authenticating Agent shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, such Authenticating Agent shall resign immediately in the manner and with the effect specified in this Section.

Any corporation into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which such Authenticating Agent shall be a party, or any corporation succeeding to the corporate agency or corporate trust business of an Authenticating Agent, shall continue to be an Authenticating Agent, provided such corporation shall be otherwise eligible under this Section, without the execution or filing of any paper or any further act on the part of the Trustee or the Authenticating Agent.

An Authenticating Agent for the Securities of any series may resign at any time by giving written notice thereof to the Trustee and to the Guarantor. The Trustee may at any time terminate the agency of an Authenticating Agent by giving written notice thereof to such Authenticating Agent and to the Issuer. Upon receiving such a notice of resignation or upon such a termination of an Authenticating Agent for the Securities of any series, or in case at any time such Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, the Trustee may appoint a successor Authenticating Agent for the Securities of such series which shall be acceptable to the Issuer and shall give written notice of such appointment to all Holders of the Securities of such series. Any successor Authenticating Agent upon
acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent. No successor Authenticating Agent shall be appointed unless eligible under the provisions of this Section.

The Trustee agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services under this Section, and the Trustee shall not be entitled to be reimbursed for such payments unless the Issuer shall have agreed to do so in writing at the time the Authenticating Agent is appointed. Each Authenticating Agent shall be entitled to the benefit of indemnities and other protections in like manner and extent as the Trustee.

If an appointment is made pursuant to this Section for the Securities of any series, the Securities of such series may have endorsed thereon, in addition to the Trustee’s certificate of authentication, an alternative certificate of authentication in the following form:

A supplemental indenture that changes or adds any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular series of Securities, or which modifies the rights of the Holders of Securities of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under this Indenture of the Holders of Securities of any other series.

SECTION 9.02. Supplemental Indentures with Consent of Holders.

With the consent of the Holders of not less than a majority in aggregate principal amount of the Outstanding Securities of each series affected thereby, by Act of said Holders delivered to the Issuer and the Trustee, the Issuer, when authorized by a Board Resolution, and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture (or modifying, amending, supplementing or waiving the terms and conditions of the Securities of a series) or of modifying, amending, supplementing or waiving in any manner the rights of the Holders of Securities of such series under this Indenture; provided that
(1) No such supplemental indenture shall, without the consent of the Holders of not less than 75% in aggregate principal amount of the Outstanding Securities of each series affected thereby, by Act of said Holders delivered to the Issuer and the Trustee, effect a modification, amendment, supplement or waiver that constitutes a Reserved Matter set forth in clauses (9) through (13) below, and

(2) No such supplemental indenture shall, without the consent of each Holder of Outstanding Securities affected thereby, effect a modification, amendment, supplement or waiver that constitutes a Reserved Matter set forth in clauses (1) through (8) below, unless such supplemental indenture is sought in connection with a General Restructuring (as defined below) by Mexico, in which case such supplemental indenture may be entered into with the consent of the Holders of not less than 75% in aggregate principal amount of Outstanding Securities of each series affected thereby, by Act of said Holders delivered to the Issuer and the Trustee.

With respect to the Securities of any series, a “Reserved Matter” means any action that would:

(1) change the Stated Maturity of the principal of, premium (if any) or any installment of interest on, such Security,

(2) reduce the principal or face amount thereof, the portion of such principal amount which is payable upon acceleration of the maturity of such Security, the rate of interest thereon or the premium payable upon redemption of such Security,

(3) shorten the period during which the Issuer is not permitted to redeem such Security (except as permitted by Section 11.04), or permit the Issuer to redeem such Security prior to Maturity if, prior to such action, the Issuer is not permitted to do so (except as permitted by Section 11.04),

authorization, direction, notice, consent, waiver or other action provided thereby to be made, taken or given,

(8) modify any of the provisions of this Section 9.02, Section 5.13, Section 10.07 or Section 12.05, except to increase any such percentage or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Security affected thereby,

(9) change Section 1.12 with respect to this Indenture, the Guaranty or the Securities of such series,

(10) change the courts to the jurisdiction of which the Issuer has submitted, the Issuer’s obligation to appoint and maintain an Authorized Agent in the Borough of Manhattan, The City of New York, as set forth in Section 1.13 hereof, or the Issuer’s waiver of immunity, in respect of actions or proceedings brought by any holder based upon the Securities of such Series, as set forth in Section 1.13 hereof,

“General Restructuring” shall mean a request by Mexico to effect one or more Mexico Reserved Matter Amendments to, or one or more Mexico Exchange Offers for, either (i) at least 75% of the aggregate principal amount of outstanding Mexico External Market Debt that will become due and payable within a period of five years following such request or offer or (ii) at least 50% of the aggregate principal amount of Mexico External Market Debt outstanding at the time of such request or offer, in each case as certified by the Issuer to the Trustee in an Officer’s Certificate. For the avoidance of doubt, the principal amount of Mexico External Market Debt that is the subject of a Mexico Reserved Matter Amendment shall be added to the principal amount of Mexico External Market Debt that is the subject of a substantially contemporaneous Mexico Exchange Offer for the purposes of determining the existence of a General Restructuring.

“Mexico Reserved Matter Amendment” means any modification, amendment or supplement to, or waiver of, a term or condition of any Mexico External Market Debt that would, if made to a term or condition of any Securities issued hereunder, constitute a Reserved Matter (as certified by the Issuer to the Trustee in an Officer’s Certificate).

“Mexico Exchange Offer” means an exchange offer by Mexico pursuant to which one or more series of its outstanding debt securities may be exchanged for one or more series of newly issued debt securities having different terms or conditions, which different terms or
conditions, if effected by means of a modification, amendment or supplement to, or waiver of,
the terms or conditions of such outstanding debt securities, would have constituted a Mexico
Reserved Matter Amendment (as certified by the Issuer to the Trustee in an Officer’s
Certificate).

“Mexico External Market Debt” means Indebtedness of the Mexican Government
(including debt securities issued by the Mexican Government) which is payable or at the option
of its holder may be paid in a currency other than the currency of Mexico, excluding any such
Indebtedness that is owed to or guaranteed by multilateral creditors, export credit agencies and
other international or governmental institutions.

A supplemental indenture which changes or eliminates any covenant or other
provision of this Indenture which has expressly been included solely for the benefit of one or
more particular series of Securities, or which modifies the rights of the Holders of Securities of
such series with respect to such covenant or other provision, shall be deemed not to affect the
rights under this Indenture of the Holders of Securities of any other series.

Upon the request of the Issuer, and upon the filing with the Trustee of evidence of
the consent of the Holders of Securities of such series and other documents, if any, required by
Section 6.01, the Trustee shall join with the Issuer in the execution of such supplemental
indenture unless such supplemental indenture affects the Trustee’s own rights, duties, immunities
or indemnities under this Indenture or otherwise, in which case the Trustee may in its discretion,
but shall not be obliged to, enter into such supplemental indenture.

It shall not be necessary for any Act of Holders under this Section to approve the
particular form of any proposed supplemental indenture, but it shall be sufficient if such Act
shall approve the substance thereof.

Promptly after the execution by the Issuer and the Trustee of any supplemental
indenture pursuant to the provisions of this Section, the Issuer shall, or shall direct the Trustee to,
give notice thereof to the Holders of the Securities of such series setting forth in general terms
the substance of such supplemental indenture. Any failure of the Issuer or Trustee, as the case
may be, to mail such notice, or any defect therein, shall not, however, in any way impair or affect
the validity of any such supplemental indenture.

SECTION 9.03. Execution of Supplemental Indentures.

In executing, or accepting the additional trusts created by, any supplemental
indenture permitted by this Article or the modifications thereby of the trusts created by this
Indenture, the Trustee shall be entitled to receive, and (subject to Section 6.01) shall be fully
protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental
indenture is authorized or permitted by this Indenture.

Upon the execution of any supplemental indenture under this Article, this
Indenture shall be modified in accordance therewith, and such supplemental indenture shall form
a part of this Indenture for all purposes; and every Holder of Securities of the series affected by
such supplemental indenture theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

SECTION 9.05. Conformity with Trust Indenture Act.

Every supplemental indenture executed pursuant to this Article shall conform to the requirements of the Trust Indenture Act (which requirements will be deemed to reflect any exemption(s) granted by the Commission).

SECTION 9.06. Reference in Securities to Supplemental Indentures.

Securities of any series authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Issuer shall so determine, new Securities of any series so modified as to conform to any such supplemental indenture may be prepared and executed by the Issuer and authenticated and delivered by the Trustee in exchange for Outstanding Securities of such series.

ARTICLE TEN

COVENANTS

SECTION 10.01. Payment of Principal and Interest.

The Issuer covenants and agrees for the benefit of each series of Securities that it shall duly and punctually pay the principal of and any premium and interest on the Securities of such series in accordance with the terms of the Securities of such series and this Indenture.

SECTION 10.02. Maintenance of Office or Agency.

The Issuer shall maintain in the Borough of Manhattan, The City of New York, New York for each series of Securities an office or agency where Securities of that series may be presented or surrendered for payment, where Securities of that series may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Issuer in respect of the Securities of that series and this Indenture may be served. The Issuer shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Issuer hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

The Issuer may also from time to time designate one or more other offices or agencies (in or outside the Borough of Manhattan, The City of New York, New York) where the Securities of each series may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency in the Borough of Manhattan, The City of New York, New York for such purposes; and provided, further, that,
so long as the Securities of any series are listed on the Luxembourg Stock Exchange and the rules of the Luxembourg Stock Exchange so require, the Issuer shall maintain a Paying Agent in Luxembourg and an office or agency in Luxembourg where Securities of that series may be surrendered for registration of transfer or exchange. The Issuer shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

SECTION 10.03.  Money for Security Payments to Be Held in Trust.

If the Issuer shall at any time act as its own Paying Agent, it shall, on or before each due date of the principal of or interest on any of the Securities of any series, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal or interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and shall promptly notify the Trustee of its action or failure so to act.

Whenever the Issuer shall have one or more Paying Agents for any series of Securities, it shall, prior to each due date of the principal of or interest on any Securities of that series, deposit with a Paying Agent a sum sufficient to pay such amount, such sum to be held as provided by the Trust Indenture Act, and (unless such Paying Agent is the Trustee) the Issuer shall promptly notify the Trustee of its action or failure so to act.

The Issuer shall cause each Paying Agent for any series of Securities other than the Trustee or an Affiliate of the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent shall (a) comply with the provisions of the Trust Indenture Act applicable to it as a Paying Agent and (b) during the continuance of any default by the Issuer (or any other obligor upon the Securities of that series) in the making of any payment in respect of the Securities of that series, upon the written request of the Trustee, forthwith pay to the Trustee all sums held in trust by such Paying Agent for payment in respect of Securities of that series.

The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Issuer or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Issuer or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of or interest on any Security and remaining unclaimed for two years after such principal or interest has become due and payable shall be paid to the Issuer on Issuer Request, or (if then held by the Issuer) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect thereto, and all liability of the Issuer as trustee thereof, shall thereupon cease. Unless otherwise provided by applicable law, the right to receive payment of principal of any Security (whether at Maturity or otherwise) or interest thereon will become void at the end of five years after the due date thereof.
SECTION 10.04. **Compliance Certificate.**

The Issuer shall deliver to the Trustee, within 180 days after the end of each fiscal year of the Issuer ending after the date hereof, an Officer’s Certificate, stating whether or not to the best knowledge of the signer thereof the Issuer is in default in the performance and observance of any of the terms, provisions and conditions of this Indenture (without regard to any period of grace or requirement of notice provided hereunder) and, if the Issuer shall be in default, specifying all such defaults and the nature and status thereof of which the signer thereof may have knowledge.

SECTION 10.05. **Provision of Financial Information.**

For as long as any Securities of any series remain Outstanding, the Issuer shall furnish to any Holder of a Security or a beneficial interest in a Global Security of such series, or to any prospective purchaser designated by such Holder, upon request of such Holder, financial and other information described in paragraph (d) (4) of Rule 144A (including any successor provision) with respect to the Issuer and its Subsidiaries to the extent required in order to permit such Holder to comply with Rule 144A (including any successor provision) with respect to any resale of such Security or beneficial interest.

SECTION 10.06. **Limitation on Liens.**

For so long as any Security of any series remains outstanding, the Issuer will not create or permit to subsist, and will not permit its Subsidiaries or the Guarantors or any of their respective Subsidiaries to create or permit to subsist, any Security Interest upon the whole or any part of its or their crude oil or receivables in respect of crude oil to secure (a) any of its or their Public External Indebtedness; (b) any of its or their Guarantees in respect of Public External Indebtedness; or (c) the Public External Indebtedness or Guarantees in respect of Public External Indebtedness of any other Person, without at the same time or prior thereto securing the Securities of all series equally and ratably therewith or providing such other Security Interest for the Securities of all series as shall be approved by the Holders of at least 66 2/3% in aggregate principal amount of the Outstanding Securities of all such series; provided that the Issuer and its Subsidiaries, and the Guarantors and their respective Subsidiaries, may create or permit to subsist a Security Interest upon its or their receivables in respect of crude oil if (i) on the date of creation of such Security Interest the aggregate of (A) the amount of principal and interest payments secured by Oil Receivables due during such calendar year in respect of Receivables Financings entered into or before such date, (B) the total amount of revenues during such calendar year from the sale of crude oil or gas transferred, sold, assigned or otherwise disposed of in Forward Sales (other than Governmental Forward Sales) entered into on or before such date and (C) the total amount of payments of the purchase price of crude oil, gas or Petroleum Products foregone during such calendar year as a result of all Advance Payment Arrangements entered into on or before such date, shall not exceed in such calendar year U.S. $4,000,000,000 (or its equivalent in other currencies) less the amount of Governmental Forward Sales during that calendar year, (ii) the aggregate amount outstanding in all currencies at any one time under all Receivables Financings, Forward Sales (other than Governmental Forward Sales) and Advance Payment Arrangements shall not exceed U.S. $12,000,000,000 (or its equivalent in other currencies) and (iii) the Issuer has given a certificate to the Trustee certifying that on the date of
creation of such Security Interest there is no default under any Financing Document resulting from a failure to pay principal or interest.

SECTION 10.07. Waiver of Certain Covenants.

The Issuer may omit in any particular instance to comply with any covenant or condition set forth in Section 10.06 with respect to the Securities of any series, if before or after the time for such compliance the Holders of at least 66 2/3% in principal amount of the Securities of such series at the time Outstanding, shall, by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Issuer and the duties of the Trustee in respect of any such covenant or condition shall remain in full force and effect.

ARTICLE ELEVEN

REDEMPTION AND PURCHASE OF SECURITIES AND SINKING FUNDS

SECTION 11.01. Applicability of Article to Redemptions.

Securities of any series that are redeemable before their Stated Maturity shall be redeemable in accordance with their terms and (except as otherwise specified as contemplated by Section 2.02 for Securities of any series) in accordance with this Article Eleven.

SECTION 11.02. Election to Redeem; Notice to Trustee.

If the Issuer shall desire to exercise the right to redeem all or any part of the Securities of any series, the Issuer shall, at least 60 days prior to the Redemption Date fixed by the Issuer (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee, in writing, of such Redemption Date and of the principal or face amount of the Securities of such series to be redeemed. If the Securities of such series may be originally issued from time to time with varying terms, the Issuer shall also notify the Trustee, in writing, of the particular terms or designation of the Securities of such series to be redeemed. In the case of any redemption of Securities prior to the expiration of any restriction on such redemption provided in the terms of such Securities or elsewhere in this Indenture, the Issuer shall furnish the Trustee with an Officer’s Certificate evidencing compliance with such restriction.

SECTION 11.03. Selection by Trustee of Securities to be Redeemed.

If less than all the Securities of any series are to be redeemed, the particular Securities to be redeemed shall be selected not more than 60 days prior to the Redemption Date by the Trustee, from the Outstanding Securities of such series (or, in the case of Securities of a series that may be originally issued from time to time with varying terms, from among the Securities of such series having the same original issue date and terms) not previously called for redemption, by such method as the Trustee shall deem fair and appropriate and which may provide for the selection for redemption of portions (equal to the minimum authorized
denomination for Securities of such series or any integral multiple thereof) of the principal or face amount of Securities of such series.

The Trustee shall promptly notify the Issuer in writing of the Securities selected for redemption and, in the case of any Securities selected for partial redemption, the principal or face amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption shall relate, in the case of any Securities redeemed or to be redeemed only in part, to the portion of the principal or face amount of such Securities which has been or is to be redeemed.

SECTION 11.04. **Right of Redemption for Tax Reasons; Election to Redeem.**

In addition to any redemption provisions that may be specified as contemplated by Section 2.02 with respect to the Securities of any series, each series of Securities is subject to redemption upon not less than 30 nor more than 60 days notice, at any time, as a whole but not in part, at the election of the Issuer, at a price equal to the sum of (a) 100% of the principal amount of the Securities of such series being redeemed, (b) accrued and unpaid interest thereon up to but not including the date fixed for redemption and (c) any Additional Amounts which would otherwise be payable, if (i) the Issuer certifies to the Trustee immediately prior to the giving of such notice that it has or will become obligated to pay Additional Amounts in excess of the Additional Amounts that it would be obligated to pay if payments of interest made on the Securities of such series were subject to withholding or deduction of Mexican Withholding Taxes at the rate of 10% as a result of any change in, amendment to, or lapse of, the laws, regulations or rulings of Mexico or any political subdivision or any taxing authority thereof or therein affecting taxation, or any change in, or amendment to, an official interpretation or application of such laws, regulations or rulings, which change or amendment becomes effective on or after the date of issuance of such series of Securities and (ii) prior to the publication of any notice of redemption, the Issuer shall deliver to the Trustee an Officer's Certificate stating that the obligation referred to in clause (i) above cannot be avoided by the Issuer taking reasonable measures available to it, and the Trustee shall be entitled to accept such certificate as sufficient evidence of the satisfaction of the condition precedent set out in clause (i) above in which event it shall be conclusive and binding on the Holders of the Securities of such series; provided that (i) no such notice of redemption will be given earlier than 90 days prior to the earliest date on which the Issuer would be obligated but for such redemption to pay such Additional Amounts were a payment in respect of the Securities of such series then due, and (ii) at the time such notice is given, such obligation to pay such Additional Amounts remains in effect.

SECTION 11.05. **Notice of Redemption.**

Notice of redemption shall be given not less than 30 nor more than 60 days prior to the Redemption Date to each Holder of the Securities of any series to be redeemed in accordance with Section 1.06.

All notices of redemption shall state:

(1) the Redemption Date;
(2) the Redemption Price or the manner in which the
Redemption Price is to be determined;

(3) (a) that the Securities of such series are being redeemed at
the option of the Issuer pursuant to provisions contained in the terms of
the Securities of such series or in a supplemental indenture establishing
the terms of such Securities if such is the case, together with a summary of
the facts permitting such redemption; or (b) that the Securities of such
series are being redeemed at the option of the Issuer pursuant to Section
11.04;

(4) that on the Redemption Date, the Redemption Price will
become due and payable with respect to each Security of the series to be
redeemed and that interest thereon will cease to accrue on and after said
date;

(5) the place or places where the Securities of such series are to
be surrendered for payment of the Redemption Price;

(6) the CUSIP and ISIN numbers of the series of Securities to
be redeemed;

(7) if less than all the Securities of any series are to be
redeemed, the identification of the particular Securities of such series to be
redeemed and the portion of the principal or face amount thereof to be
redeemed; and

(8) that the redemption is for a sinking fund, if such is the case.

Notice of redemption of a series of Securities to be redeemed at the election of the
Issuer shall be given by the Issuer or, at the Issuer’s written request, by the Trustee in the name
and at the expense of the Issuer and shall be irrevocable.

SECTION 11.06. Deposit of Redemption Price.

On or prior to any Redemption Date, the Issuer shall deposit with the Trustee or
with a Paying Agent (or, if the Issuer is acting as its own Paying Agent, segregate and hold in
trust as provided in Section 10.03) an amount of money sufficient to pay the Redemption Price
of all the Securities of the series which is to be redeemed on that date.

SECTION 11.07. Securities Payable on Redemption Date.

Notice of redemption having been given as aforesaid, the Securities so to be
redeemed shall, on the Redemption Date, become due and payable at the Redemption Price
therein specified, and from and after such date (unless the Issuer shall default in the payment of
the Redemption Price and accrued interest) such Securities shall cease to bear interest. Upon
surrender of any such Security for redemption in accordance with said notice, such Security shall
be paid by the Issuer at the Redemption Price; provided that installments of interest whose Stated
Maturity is on or prior to the Redemption Date shall be payable to the Holders of the Securities of such series, or one or more Predecessor Securities of such Securities, registered as such at the close of business on the relevant Record Dates, in the case of Registered Securities, or in possession of such Securities or Predecessor Securities at the close of business on the relevant Record Dates, in the case of Bearer Securities, according to their terms and the provisions of Section 3.07.

If any Security of any series called for redemption shall not be so paid upon surrender thereof for redemption, the principal and any premium shall, until paid, bear interest from the Redemption Date at the rate borne by such Security.

SECTION 11.08. Securities Redeemed in Part.

Any Security that is to be redeemed only in part shall be surrendered at a place of payment therefor (with, if the Issuer or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to, the Issuer, the Registrar and the Trustee duly executed by the Holder thereof or his attorney duly authorized in writing), and the Issuer shall execute, and the Trustee shall authenticate and deliver to the Holder of such Security without service charge, a new Security or Securities of the same series, of like tenor and of any authorized denomination, as requested by such Holder, in aggregate principal or face amount equal to and in exchange for the unredeemed portion of the principal or face amount of the Security so surrendered or, in the case of Securities providing appropriate space for notation, at the option of the Holder, the Trustee, in lieu of delivering a new Security or Securities as aforesaid, may make a notation on such Security of the payment of the redeemed portion thereof.

SECTION 11.09. Purchase of Securities by the Issuer.

The Issuer or any Guarantor may at any time purchase any Securities of any series at any price in the open market, in privately negotiated transactions or otherwise. All Securities which are purchased by or on behalf of the Issuer or any Guarantor may be held, resold or surrendered to the Trustee for cancellation.

SECTION 11.10. Applicability of Article to Sinking Funds.

The compliance by the Issuer with any sinking fund provisions included in the Securities of any series shall be in accordance with such provisions and this Article Eleven, except as otherwise specified as contemplated by Section 2.02 for the Securities of such series.

The minimum amount of any sinking fund payment provided for by the terms of the Securities of any series is herein referred to as a “mandatory sinking fund payment”, and any payment in excess of such minimum amount provided for by the terms of Securities of any series is herein referred to as an “optional sinking fund payment”. If provided for by the terms of Securities of any series, the cash amount of any sinking fund payment may be subject to reduction as provided in Section 11.11. Each sinking fund payment shall be applied to the redemption of the Securities of any series as provided for by the terms of the Securities of such series.
SECTION 11.11.  Satisfaction of Sinking Fund Payments.

The Issuer (a) may deliver Outstanding Securities of a series (other than any previously called for redemption) and (b) may apply as a credit Securities of a series which have been redeemed either at the election of the Issuer pursuant to the terms of such Securities or through the application of permitted optional sinking fund payments pursuant to the terms of such Securities, in each case in satisfaction of all or any part of any sinking fund payment with respect to the Securities of such series required to be made pursuant to the terms of such Securities; provided that such Securities have not been previously so credited. Such Securities shall be received and credited for such purpose by the Trustee at the Redemption Price specified in such Securities for redemption through operation of the sinking fund and the amount of such sinking fund payment shall be reduced accordingly.

Not less than 60 days prior to each sinking fund payment date for any series of Securities (unless a shorter period shall be satisfactory to the Trustee), the Issuer will deliver to the Trustee an Officer’s Certificate specifying the amount of the next ensuing sinking fund payment for such series pursuant to the terms of such series, the portion thereof, if any, which is to be satisfied by payment of cash and the portion thereof, if any, which is to be satisfied by delivering and crediting Securities of such series pursuant to Section 11.11 and whether the Issuer intends to exercise its right to make a permitted optional sinking fund payment with respect to such series and will also deliver to the Trustee any Securities to be so delivered and credited. Such certificate shall be irrevocable and upon its delivery the Issuer shall be obligated to make the cash payment or payments therein referred to, if any, on or before the next sinking fund payment date. In the case of the failure of the Issuer to deliver such certificate, the sinking fund payment due on the next succeeding sinking fund payment date for that series shall be paid entirely in cash and shall be sufficient to redeem the principal amount of such Securities subject to a mandatory sinking fund payment without the option to deliver or credit Securities as provided in Section 11.11 and without the right to make any optional sinking fund payment, if any, with respect to such series. Not less than 30 days before each sinking fund payment date the Trustee shall select the Securities to be redeemed on such sinking fund payment date in the manner specified in Section 11.03 and cause notice of the redemption thereof to be given in the name of and at the expense of the Issuer in the manner provided in Section 11.05. Such notice having been duly given, the redemption of such Securities shall be made upon the terms and in the manner stated in Sections 11.06, 11.07 and 11.08.

Prior to any sinking fund payment date, the Issuer shall pay to the Trustee or a Paying Agent (or, if the Issuer is acting as its own Paying Agent, segregate and hold in trust as provided in Section 10.03) in cash a sum equal to any interest that will accrue to the date fixed for redemption of Securities or portions thereof to be redeemed on such sinking fund payment date pursuant to this Section 11.12.
ARTICLE TWELVE

MEETINGS OF HOLDERS OF SECURITIES

SECTION 12.01. Purposes for Which Meetings May Be Called.

A meeting of Holders of the Securities of any series may be called at any time and from time to time pursuant to this Article to make, give or take any request, demand, authorization, direction, notice, consent, waiver, amendment, modification, supplement or other Act provided by this Indenture or the Securities of such series to be made, given or taken by the Holders of the Securities of such series.

SECTION 12.02. Call, Notice and Place of Meetings.

(a) The Trustee may at any time call a meeting of Holders of the Securities of any series for any purpose specified in Section 12.01, to be held at such time and at such place in The City of New York as the Trustee shall determine.

(b) The Issuer or the Holders of at least 10% in principal amount of the Outstanding Securities of any series may request the Trustee to call a meeting of the Holders of such Securities of such series for any purpose specified in Section 12.01 by giving written request to the Trustee setting forth in reasonable detail the action proposed to be taken at the meeting.

(c) Notice of every meeting of Holders of the Securities of any series, setting forth the time and the place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given to such Holders and the Issuer in the manner provided in Section 1.06 and Section 1.05, respectively, not less than 30 and not more than 60 days prior to the date fixed for the meeting. If the Trustee shall not have sent notice of a meeting requested pursuant to Section 12.02(b) within 20 days after receipt of such request or shall not thereafter proceed to cause the meeting to be held as provided herein, then the Issuer or the Holders of the Securities of such series in the amount above specified, as the case may be, may determine the time and the place in The City of New York for such meeting and may call such meeting for such purposes by giving notice thereof as provided in this paragraph (c).

SECTION 12.03. Persons Entitled to Vote at Meetings.

To be entitled to vote at any meeting of Holders of the Securities of any series, a Person shall be (a) a Holder of one or more Outstanding Securities of such series, or (b) a person duly appointed by an instrument in writing as proxy for a Holder or Holders of one or more Outstanding Securities of such series by such Holder or Holders. The only Persons who shall be entitled to be present or to speak at any meeting of Holders shall be the Persons entitled to vote at such meeting and their counsel, any representatives of the Trustee and its counsel and any representatives of the Issuer and its counsel.
SECTION 12.04. Determination of Voting Rights; Conduct and Adjournment of Meetings.

(a) Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Holders of Securities of any series with respect to the proof of the holding of Securities of such series and of the appointment of proxies and with respect to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall deem appropriate. Except as otherwise permitted or required by any such regulations, the holding of Securities shall be proved in the manner specified in Section 3.09 and the appointment of any proxy shall be proved in the manner specified in Section 1.04(b). Such regulations may provide that written instruments appointing proxies, regular on their face, may be presumed valid and genuine without the proof specified in Section 1.04(b) or other proof.

(b) The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Issuer or by Holders of the Securities of such series as provided in Section 12.02(b), in which case the Issuer, or the Holders of the Securities of such series, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Persons entitled to vote a majority in principal amount of the Outstanding Securities of such series represented at the meeting.

(c) At any meeting each Holder of a Security of any series or proxy shall be entitled to one vote for each U.S. $1,000 principal amount of the Outstanding Securities of such series held or represented by such Holder; provided that no vote shall be cast or counted at any meeting in respect of any Security of such series challenged as not Outstanding and ruled by the chairman of the meeting to be not Outstanding. The chairman of the meeting shall have no right to vote, except as a Holder of Securities of such series or proxy.

SECTION 12.05. Quorum.

At any meeting of Holders of the Securities of any series (other than a meeting held to discuss a Reserved Matter), the presence of Persons holding or representing a majority of the aggregate principal amount of the Outstanding Securities of such series shall constitute a quorum. At any meeting of Holders held to discuss a Reserved Matter, the presence of Persons holding or representing 75% of the aggregate principal amount of the Outstanding Securities of such series shall constitute a quorum; provided that, at any meeting of Holders held to discuss a Reserved Matter which would require the consent of each Holder of Outstanding Securities affected thereby under Section 9.02, the presence of Persons holding or representing 100% of the aggregate principal amount of such Outstanding Securities shall constitute a quorum. Any meeting of such Holders duly called pursuant to Section 12.02 at which a quorum is present may be adjourned from time to time by Persons entitled to vote a majority of the aggregate principal amount of the Outstanding Securities of such series represented at the meeting; and the meeting may be held as so adjourned without further notice.
SECTION 12.06. **Counting Votes and Recording Action of Meetings.**

The vote upon any resolution submitted to any meeting of Holders of Securities of any series shall be by written ballots on which shall be subscribed the signatures of such Holders or of their representatives by proxy and the principal amounts and serial numbers of the Outstanding Securities of such series held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record, at least in duplicate, of the proceedings of each meeting of such Holders shall be prepared by the secretary of the meeting and there shall be attached to such record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was given as provided in Section 12.02. Each copy shall be signed and verified by the affidavits of the permanent chairman and secretary of the meeting and one such copy shall be delivered to the Issuer, and another to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting. Any record so signed and verified shall be conclusive evidence of the matters therein stated.

SECTION 12.07. **Revocation by Holders.**

At any time prior to (but not after) the evidencing to the Trustee, in the manner provided in Section 1.04, of the taking of any action by the Holders of the percentage in aggregate principal amount of the Securities of any series specified in this Indenture in connection with such action, any Holder of a Security of such series the serial number of which is included in the Securities the Holders of which have consented to such action may, by filing written notice with the Trustee at its principal corporate trust office and upon proof of holding as provided in Section 1.04, revoke such consent so far as concerns such Security. Except as aforesaid any such consent given by the Holder of any Security of such series shall be conclusive and binding upon such Holder and upon all future Holders and owners of such Security and of any Security of such series issued in exchange therefor or in lieu thereof, irrespective of whether or not any notation in regard thereto is made upon such Security. Any action taken by the Holders of the percentage in aggregate principal amount of the Securities of such series specified in this Indenture in connection with such action shall be conclusively binding upon the Issuer, the Trustee and the Holders of all the Securities of such series.

This instrument may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument.
IN WITNESS WHEREOF, the parties hereto have caused this Indenture to be duly executed, all as of the day and year first above written.

FORM OF REVERSE OF NOTE

1. This Note is one of a duly authorized series of Securities of Petróleos Mexicanos (the “Issuer”) designated as its [Specified Currency, principal amount, interest rate and title of issue] (the “Notes”), issued and to be issued in accordance with an indenture, dated as of [________], 2004 (herein called the “Indenture”), between the Issuer and Deutsche Bank Trust Company Americas, as Trustee (herein called the “Trustee”, which term includes any successor trustee under the Indenture), copies of which Indenture are on file and available for inspection at the Corporate Trust Office of the Trustee in the Borough of Manhattan, The City of New York and, so long as the Notes are listed on the Luxembourg Stock Exchange and such Exchange shall so require, at the office of the Paying Agent in Luxembourg. Reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Issuer and the holders of the Notes and of the terms upon which the Notes are, and are to be, authenticated and delivered. The Notes are initially limited to an aggregate initial principal amount of [amount], subject to increase as provided in Paragraph 10 below. Capitalized terms not otherwise defined herein or on the face of this Note shall have the meanings assigned to them in the Indenture.

The Notes are direct, unsecured and unsubordinated Public External Indebtedness (as defined in Paragraph 8 below) of the Issuer for money borrowed and will rank pari passu with each other and with all other present and future unsecured and unsubordinated Public External Indebtedness for money borrowed of the Issuer. The Notes are not obligations of, or guaranteed by, the United Mexican States (“Mexico”).

The Issuer’s payment obligations under the Notes and the Indenture will have the benefit of an unconditional guaranty as to payment of principal and interest (including Additional Amounts) jointly and severally from each of Pemex-Exploración y Producción, Pemex-Refinación and Pemex-Gas y Petroquímica Básica (each, a “Guarantor” and together, the “Guarantors”), pursuant to a Guaranty Agreement, dated July 29, 1996 (the “Guaranty”), among the Issuer and the Guarantors. The Issuer has designated the Notes and this Indenture as obligations of the Issuer entitled to the benefits of the Guaranty, pursuant to certificates of designation, each dated [________], 2004 (the “Certificates of Designation”).

The Notes are denominated in U.S. dollars or in the Specified Currency specified on the face hereof. Payments on the Notes will be made in the Specified Currency specified on the face hereof, except as may otherwise be provided in a Pricing Supplement attached hereto with respect to Notes issued and denominated in a Specified Currency other than U.S. dollars (each such Note, a “Foreign Currency Note”). [Include if Note is a Registered Note—The Notes are issuable only in fully registered form, without interest coupons. Notes are issuable in authorized denominations of U.S. $10,000 and integral multiples thereof or, if this Note is a Foreign Currency Note, the denominations specified in the Pricing Supplement attached hereto.] [Include if Note is a Bearer Note—The Notes are issued in bearer form (“Bearer Notes”) in denominations of U.S. $10,000 and U.S. $100,000 or, if this Note is a Foreign Currency Note, the denominations set forth in the Pricing Supplement attached hereto. If this Note is a definitive
Bearer Note, it has attached hereto on original issue Coupons with respect to the payment of interest, if any, payable hereon.]

2. (a) This Note will bear interest from the Issue Date specified on the face hereof or [Include if Note is a Fixed Rate Note]—from the most recent Interest Payment Date to which interest has been paid or duly provided for, at the interest rate per annum equal to the Interest Rate specified in the Pricing Supplement and on the face hereof, until the principal hereof has been paid or duly made available for payment. The interest on this Note (other than Fixed Rate Notes denominated in Euro) shall be payable in arrears on each Interest Payment Date specified in the Pricing Supplement attached hereto, and shall be computed, unless otherwise specified in the Pricing Supplement, on the basis of a 360-day year consisting of twelve 30-day months. Interest on Fixed Rate Notes denominated in euro will be computed on the basis of the actual number of days in the relevant period for which interest is being calculated (the “Calculation Period”) divided by the product of the number of days in the interest period during which such Calculation Period falls and the number of interest periods in any year. Any payment on this Note due on any day which is not a Business Day in The City of New York or the place of payment need not be made on such day, but may be made on the next succeeding Business Day with the same force and effect as if made on the due date, and no interest shall accrue for the period from and after such due date. “Business Day”, as used herein with respect to any particular location, means each Monday, Tuesday, Wednesday, Thursday and Friday which is not a day on which banking institutions in such location are authorized or obligated by law to close in such location.] [Include if the Note is a Floating Rate Note]—from the Issue Date specified above or from the most recent Interest Payment Date (or, if the Interest Reset Period specified in the Pricing Supplement is daily or weekly, from the day following the most recent Regular Record Date (as defined herein)) to which interest has been paid or duly provided for, on the Interest Payment Dates in each year specified in the Pricing Supplement and on the Stated Maturity specified above (except to the extent redeemed prior to the Stated Maturity), commencing on the first such Interest Payment Date next succeeding the Issue Date (or, if the Issue Date is after a Regular Record Date and before the Interest Payment Date immediately following such Regular Record Date, on the second such Interest Payment Date next succeeding the Issue Date), at a rate per annum equal to the Initial Interest Rate specified above until the first Interest Reset Date following the Issue Date and on and after such Interest Reset Date at the rate determined in accordance with the provisions set forth herein, until the principal hereof is paid or duly made available for payment.

If any Interest Payment Date other than the Stated Maturity would otherwise fall on a date that is not a Market Day (as defined herein), such Interest Payment Date will be the next succeeding Market Day (or, if the Interest Rate Basis specified in the Pricing Supplement attached hereto is LIBOR, if such day falls in the next calendar month, the next preceding Market Day). If the Stated Maturity falls on a day which is not a Business Day (as defined herein) in The City of New York or the place of payment, payment of the principal hereof and premium (if any) hereon need not be made on such day, and may be made on the next succeeding Business Day with the same force and effect as if made on the due date, and no interest shall accrue for the period from and after such due date.

The rate of interest on this Note will be reset and become effective daily, weekly, monthly, quarterly, semiannually, annually or otherwise (each, an “Interest Reset Period”), as
specified in the Pricing Supplement; provided that (i) the interest rate in effect from the Issue Date to the first Interest Reset Date will be the Initial Interest Rate, if an Initial Interest Rate is specified in the Pricing Supplement, and (ii) the interest rate in effect for the ten days immediately before the Stated Maturity (except to the extent redeemed prior to such Stated Maturity) of this Note will be that in effect hereon on the tenth day preceding such Stated Maturity (except to the extent redeemed prior to such Stated Maturity). Except as provided in the next sentence, the “Interest Reset Date” will be, if this Note resets daily, each Market Day; if this Note resets weekly (unless the Interest Rate Basis for this Note is the Treasury Rate), the Wednesday of each week; if this Note resets weekly and the Interest Reset Basis for this Note is the Treasury Rate, the Tuesday of each week (except as provided in the sixth succeeding paragraph); if this Note resets monthly, the third Wednesday of each month; if this Note resets quarterly, the third Wednesday of each March, June, September and December; if this Note resets semiannually, the third Wednesday of two months of each year, as specified herein and in the Pricing Supplement; and if this Note resets annually, the third Wednesday of one month of each year, as specified herein and in the Pricing Supplement. If any Interest Reset Date would otherwise be a day that is not a Market Day for this Note, the Interest Reset Date shall be postponed to the next day that is a Market Day for this Note, except that if the Interest Rate Basis specified herein is LIBOR and such next succeeding such Market Day is in the next succeeding calendar month, such Interest Reset Date shall be the immediately preceding Market Day for this Note. As used herein:

“Index Maturity” means the period to maturity of the instrument or obligation on which the interest rate formula for this Note is based, as specified in the Pricing Supplement.

“Market Day” means, (a) unless the rate of interest on this Note shall be determined in accordance with the provisions under the heading “LIBOR” below, if this Note is denominated in U.S. dollars, any Business Day in The City of New York, (b) if this Note is denominated in a Specified Currency other than U.S. dollars, any day (i) that is a Business Day in the financial center of the country issuing the Specified Currency or, in the case of Euros, a day on which the Trans-European Automated Real-Time Settlement Express Transfer (“TARGET”) System is operating and a day on which commercial banks are open for dealings in Euro deposits in the London interbank market, (ii) on which banking institutions in such financial center are carrying out transactions in such Specified Currency and (iii) that is a London Banking Day (as defined below) and (c) if the rate of interest on this Note shall be determined in accordance with the provisions under the heading “LIBOR” below, any London Banking Day.

“Business Day”, as used herein with respect to any particular location, means each Monday, Tuesday, Wednesday, Thursday and Friday which is not a day on which banking institutions in such location are authorized or obligated by law to close in such location.

“London Banking Day” means any day on which dealings in deposits in U.S. dollars are transacted in the London interbank market.
“person” means any individual, corporation, partnership, joint venture, association, joint-stock company, trust, unincorporated organization or government or any agency or political subdivision thereof.

The rate of interest on this Note in effect on any day on or after the first Interest Reset Date shall equal either (i) if such day is an Interest Reset Date, the interest rate for such Interest Reset Date or (ii) if such day is not an Interest Reset Date, the interest rate for the immediately preceding Interest Reset Date; provided that the interest rate in effect for the ten days immediately before the Stated Maturity (except to the extent redeemed prior to the Stated Maturity) of this Note will be that in effect hereon on the tenth day preceding such Stated Maturity (except to the extent redeemed prior to the Stated Maturity).

Except as otherwise specified in this paragraph, the rate of interest on this Note for each Interest Reset Date shall be the rate determined in accordance with the provisions below under the heading below corresponding to the Interest Rate Basis specified herein:

LIBOR. If the Interest Rate Basis of this Note is LIBOR, the interest rate hereon for any Interest Reset Date shall be determined in accordance with the following provisions:

(A) On the relevant LIBOR Interest Determination Date (as defined below), LIBOR will be determined on the basis of either:

(i) if the Pricing Supplement specifies “LIBOR Reuters,” or if the Pricing Supplement specifies “LIBOR Moneyline Telerate” but no rate appears on Moneyline Telerate Page 3750 as described in clause (ii) below, the offered rates for deposits in U.S. dollars having the specified Index Maturity, commencing on the second Market Day immediately following such LIBOR Interest Determination Date, which appear on the display designated as page “LIBO” on the Reuters Monitor Money Rates Service (or such other page as may replace the LIBO page on that service for the purpose of displaying London interbank offered rates of major banks) (“Reuters Screen LIBO Page”) as of 11:00 A.M., London time, on such LIBOR Interest Determination Date. If at least two such offered rates appear on the Reuters Screen LIBO Page, LIBOR with respect to such Interest Reset Date will be the arithmetic mean of such offered rates as determined by the Calculation Agent. If fewer than two offered rates appear, LIBOR with respect to such Interest Reset Date will be determined as described in clause (ii) below; or

(ii) if the Pricing Supplement specifies “LIBOR Moneyline Telerate,” or if the Pricing Supplement specifies “LIBOR Reuters” but fewer than two offered rates appear on the Reuters Screen LIBO Page as described in clause (i) above, the offered rate for deposits in U.S. dollars having the specified Index Maturity, commencing on the second Market Day immediately following such LIBOR Interest Determination Date, which appears on the display designated as Page 3750 on the Moneyline Telerate Service (or such other page as may replace Page 3750 on that service or such other services as may be nominated by the British Bankers’ Association for the purpose of displaying London interbank
offered rates for U.S. dollar deposits) (“Moneyline Telerate Page 3750”) as of 11:00 A.M., London time on such LIBOR Interest Determination Date. If no such offered rate appears, LIBOR with respect to such Interest Reset Date will be determined as described in clause (i) above.

(B) With respect to a LIBOR Interest Determination Date on which fewer than two offered rates for the Index Maturity specified herein appear on the Reuters Screen LIBO Page as described in (A)(i) above, and on which no rate appears on Moneyline Telerate Page 3750, as described in (A)(ii) above, LIBOR will be determined on the basis of the rates at approximately 11:00 A.M., London time, on such LIBOR Interest Determination Date at which deposits in U.S. dollars having the Index Maturity specified in the Pricing Supplement are offered to prime banks in the London interbank market by four major banks in the London interbank market selected by the Calculation Agent (after consultation with the Issuer) commencing on the second Market Day immediately following such LIBOR Interest Determination Date and in a principal amount equal to an amount of not less than U.S. $1,000,000 (or its approximate equivalent in a Specified Currency other than U.S. dollars) that in the Issuer’s judgment is representative for a single transaction in such market at such time (a “Representative Amount”). The Calculation Agent will request the principal London office of each of such banks to provide a quotation of its rate. If at least two such quotations are provided, LIBOR with respect to such Interest Reset Date will be the arithmetic mean of such quotations. If fewer than two quotations are provided, LIBOR for such Interest Reset Date will be the arithmetic mean of the rates quoted at approximately 11:00 A.M., New York City time, on such LIBOR Interest Determination Date by three major banks in The City of New York, selected by the Calculation Agent (after consultation with the Issuer), for loans in U.S. dollars to leading European banks having the Index Maturity specified in the Pricing Supplement commencing on the Interest Reset Date and in a Representative Amount; provided that, if fewer than three banks selected as provided above by the Calculation Agent are quoting as mentioned in this sentence, LIBOR with respect to such Interest Reset Date will be the LIBOR in effect on such LIBOR Interest Determination Date.

(C) In each of cases (A)(i), (A)(ii) and (B) above, the interest rate hereon for such Interest Reset Date shall be LIBOR as adjusted (x) by the addition or subtraction of the Spread, if any, specified in the Pricing Supplement, and then (y) by the multiplication by the Spread Multiplier, if any, specified in the Pricing Supplement.

Treasury Rate. If the Interest Rate Basis of this Note is the Treasury Rate, the interest rate hereon for any Interest Reset Date shall be determined in accordance with the following provisions. The “Treasury Rate” with respect to such Interest Reset Date shall equal (a) the rate for the auction on the relevant Treasury Interest Determination Date (as defined below) of direct obligations of the United States (“Treasury Bills”) having the Index Maturity specified in the Pricing Supplement, (i) as such rate as such rate appears on Telerate Page 56, in the case of a Note having a three-month Index Maturity, or Telerate Page 57, in the case of a Note having a six-month Index Maturity, under the heading “INVESTMENT RATE;” or (ii) in the event that such rate does not appear by 3:00 p.m., New York City time, on the Calculation Date pertaining to such Treasury Interest Determination Date, then the rate on such date as published in H.15 Daily Update under the heading “U.S. government securities—Treasury
bills—Auction high;” or (b) in the event that the foregoing rates do not so appear or are not so published by 3:00 p.m., New York City time, on the Calculation Date pertaining to such Treasury Interest Determination Date, then the Treasury Rate for such Interest Reset Date shall be the “Investment Rate” (expressed as a bond equivalent yield, on the basis of a year of 365 or 366 days, as applicable, and applied on a daily basis) as announced by the United States Department of the Treasury for the auction held on the Treasury Interest Determination Date. In the event that the results of the auction of Treasury Bills having the Index Maturity specified on the face hereof are not published or reported as provided above by 3:00 p.m., New York City time, on such Calculation Date or if no such auction is held on such Treasury Interest Determination Date, then the Treasury Rate shall be calculated by the Calculation Agent and shall be a yield to maturity (expressed as a bond equivalent yield, on the basis of a year of 365 or 366 days, as applicable, and applied on a daily basis) of the arithmetic mean of the secondary market bid rates, at approximately 3:30 p.m., New York City time, on such Interest Determination Date, of three leading primary United States government securities dealers selected by the Calculation Agent with the approval of the Issuer (such approval not to be unreasonably withheld) for the issue of Treasury Bills with a remaining maturity closest to the specified Index Maturity; provided that if the dealers selected as aforesaid by the Calculation Agent with the approval of the Issuer (such approval not to be unreasonably withheld) are not quoting as mentioned in this sentence, the Treasury Rate for such Interest Reset Date shall be the Treasury Rate in effect on such Treasury Interest Determination Date.

“Telerate Page 56” means the display designated as page “56” on the Telerate Service (or such other page as may replace the “56” page on that service or such other service or services for the purpose of displaying the rate for three-month Treasury Bills). “Telerate Page 57” means the display designated as page “57” on the Telerate Service (or such other page as may replace the “57” page on that service or such other service or services for the purpose of displaying the rate for six-month Treasury Bills).

Notwithstanding the foregoing, the interest rate hereon shall not be greater than the Maximum Interest Rate, if any, or less than the Minimum Interest Rate, if any, specified in the attached Pricing Supplement. In addition, the interest rate hereon will in no event be higher than the maximum rate permitted by New York law, as the same may be modified by United States law of general application.

The Issuer will at all times appoint and maintain a banking institution that is not an affiliate of the Issuer as Calculation Agent (the “Calculation Agent”) hereunder. The Issuer has initially appointed [the Trustee] [the financial institution specified in the Pricing Supplement] as such Calculation Agent and will give prompt written notice to the Trustee of any change in such appointment. The Issuer will cause the Calculation Agent to calculate the interest rate on this Note for any Interest Reset Date in accordance with the foregoing on or before the Calculation Date pertaining to the related Interest Determination Date (defined below). Except as otherwise provided herein, all percentages resulting from any calculations will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, with five one-millionths of a percentage point being rounded upwards (e.g., 9.876545% (or .09876545) being rounded to 9.87655% (or .0987655)), and all Specified Currency amounts used in or resulting from such calculations will be rounded to the nearest cent (with one-half cent being rounded upwards) or
approximate equivalent in a Specified Currency other than U.S. dollars. The Calculation Agent’s
determination of any interest rate will be final and binding in the absence of manifest error.

Upon the written request of the holder of this Note, the Issuer will cause the
Calculation Agent to provide to such holder the interest rate hereon then in effect and, if
determined, the interest rate hereon which will become effective on the next Interest Reset Date.

The Interest Determination Date pertaining to an Interest Reset Date if the
Interest Rate Basis for this Note is LIBOR (the “LIBOR Interest Determination Date”) will be
the second Market Day preceding such Interest Reset Date. The Interest Determination Date
pertaining to an Interest Reset Date if the Interest Rate Basis for this Note is Treasury Rate (the
“Treasury Interest Determination Date”) will be the day of the week in which such Interest Reset
Date falls on which Treasury bills would normally be auctioned. Treasury bills are normally
sold at auction on Monday of each week, unless that day is a legal holiday, in which case the
auction is usually held on the following Tuesday, except that such auction may be held on the
preceding Friday. If, as the result of a legal holiday, an auction is so held on the preceding
Friday, such Friday will be the Treasury Interest Determination Date pertaining to the Interest
Reset Date occurring in the next succeeding week. If an auction date shall fall on any Interest
Reset Date for a Treasury Rate Note, then such Interest Reset Date shall instead be the first
Market Day immediately following such auction date.

Interest pertaining to any LIBOR Interest Determination Date for any Note shall
be calculated on such LIBOR Interest Determination Date. The Calculation Date pertaining to
any Interest Determination Date (other than any LIBOR Interest Determination Date) for any
Note shall be the tenth day after such Interest Determination Date or, if any such day is not a
Market Day for such Note, the next succeeding such Market Day.

Payments of interest hereon with respect to any Interest Payment Date will
include interest accrued to but excluding such Interest Payment Date; provided that, if the
Interest Reset Period with respect to this Note is daily or weekly, the interest payable on any
Interest Payment Date, other than interest payable on the date on which principal is payable, will
include interest accrued to but excluding the day following the related Regular Record Date.

Accrued interest hereon from the Issue Date or from the last date to which interest
has been paid is calculated by multiplying the principal amount of this Note by an accrued
interest factor. Such accrued interest factor is computed by adding the interest factor calculated
for each day from the Issue Date, or from the last date to which interest has been paid, to but
excluding the date for which accrued interest is being calculated. The interest factor (expressed
as a decimal) for each such day is computed by dividing the interest rate (expressed as a decimal)
applicable to such day by 360 or, if the Interest Rate Basis for this Note is the Treasury Rate, by
the actual number of days in the year.]

[Include if Note is a Registered Note—(b) The interest so payable, and
punctually paid or duly provided for, on any Interest Payment Date will, unless otherwise
specified on the face hereof or in the Pricing Supplement, be paid to the person in whose name
this Note (or one or more predecessor Notes) is registered at the close of business on the 15th
day (whether or not a Business Day) (the “Regular Record Date”) next preceding such Interest
Payment Date; provided that interest payable at Stated Maturity will be payable to the person to whom principal shall be payable; and provided, further, that if this Note is a Global Security, any payment of interest on this Note shall be made to the applicable Depositary or its nominee, as the registered owner hereof. Unless otherwise specified on the face hereof or in the Pricing Supplement, the first payment of interest on any Note originally issued between a Regular Record Date and an Interest Payment Date will be made on the Interest Payment Date following the next succeeding Regular Record Date to the registered owner on such next succeeding Regular Record Date. Any such interest not so punctually paid or duly provided for will forthwith cease to be payable to the holder on such Regular Record Date and may either be paid to the person in whose name this Note (or one or more predecessor Notes) is registered at the close of business on a special record date for the payment of such defaulted interest to be fixed by the Trustee, notice whereof shall be given to holders of Notes not less than 10 days prior to such special record date, or be paid at any time in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange.

(c) Payment of principal (and premium, if any) and any interest due with respect to the Notes at Stated Maturity will be made in immediately available funds upon surrender of such Notes at the corporate trust office of the Trustee in the Borough of Manhattan, The City of New York, or at the specified office of any other Paying Agent, provided that the Note is presented to the Paying Agent in time for the Paying Agent to make such payments in such funds in accordance with its normal procedures. Payments of principal (and premium, if any) and any interest in respect of this Note to be made other than at Stated Maturity or upon redemption will be made by check mailed on or before the due date for such payments to the address of the persons entitled thereto as they appear in the Security Register; provided that (i) the applicable Depositary, as holder of the Global Securities, shall be entitled to receive payments of interest by wire transfer of immediately available funds, (ii) a holder of U.S. $10,000,000 (or the approximate equivalent thereof in a Specified Currency other than U.S. dollars) in aggregate principal or face amount of Notes having the same Interest Payment Date shall be entitled to receive payments of interest by wire transfer to an account maintained by such holder at a bank located in the United States as may have been appropriately designated by such person to the Paying Agent in writing no later than the relevant Regular Record Date and (iii) to the extent that the holder of a Note issued and denominated in a Specified Currency other than U.S. dollars elects to receive payment of principal and interest at Stated Maturity in such Specified Currency, such payment, except in circumstances described in the Pricing Supplement, shall be made by wire transfer of immediately available funds to an account specified in writing not less than 15 days prior to Stated Maturity by the holder to the Trustee. Unless such designation is revoked, any such designation made by such holder with respect to such Note shall remain in effect with respect to any further payments with respect to such Note payable to such holder.]

[Include if Note is a Bearer Note—(b) Principal of (and premium, if any, on) this Note shall be payable by check or wire transfer upon presentation and surrender of this Note at an office of a Paying Agent located outside the United States and its possessions, as defined herein, or at such other offices or agencies located outside the United States and its possessions as the Issuer shall have appointed for the purpose pursuant to the Indenture. Such Paying Agents shall initially be [London paying agent] and [Luxembourg paying agent]. Interest on this Note shall be payable by check or wire transfer to [the holder of each Coupon appertaining to this
Note in the amount determined in accordance with such Coupon, on or after the due date of such payment as set forth in such Coupon, upon presentation and surrender thereof] [Include if Note is a Permanent Global Bearer Note—the holder of this Note in the amount determined in accordance with the provisions set forth herein upon presentation of this Note] at the offices of the Paying Agents set forth on the reverse of [such Coupon] [this Note] or at such other offices or agencies located outside the United States and its possessions as the Issuer shall have appointed pursuant to the Indenture.]

[Include if Note is a Foreign Currency Note—( ) If the principal of or premium (if any), interest, Additional Amounts or other amounts on this Note is payable in a Specified Currency other than U.S. dollars (in which case, this Note is a “Foreign Currency Note”) and such Specified Currency is not available due to the imposition of exchange controls or other circumstances beyond the control of the Issuer, or is no longer used by the government of the country issuing such currency or for settlement of transactions by public institutions of or within the international banking community, the Issuer will be entitled to satisfy its obligations to the holder of this Note by making such payment in U.S. dollars on the basis of the noon buying rate in The City of New York for cable transfers in such Specified Currency as certified for customs purposes by the Federal Reserve Bank of New York (the “Exchange Rate”) for such Specified Currency on the second New York Business Day prior to the applicable payment date or, if the Exchange Rate is not then available, on the basis of the most recently available Exchange Rate. In the event no Exchange Rate is published for such currency, then the payment in U.S. dollars shall be made based on the rate given by the relevant central bank for buying such currency or, if no such rate is available, the rate shall be the average of rates given to the Exchange Rate Agent by internationally recognized commercial banks selected by the Exchange Rate Agent in consultation with the Issuer which regularly engage in foreign currency dealings for buying such currency. The Exchange Rate, or the rate as so determined, is referred to herein as the “Market Exchange Rate.” Any payment made under such circumstances in U.S. dollars where the required payment is due in other than U.S. dollars will not constitute an Event of Default under this Note.]

[Include if Note is a Registered Note and a Foreign Currency Note—( ) If this Note is a Foreign Currency Note and the Pricing Supplement so specifies, and except as provided in the next following paragraph, payments of principal and any premium, interest, Additional Amounts or other amounts with respect to this Note will be made in U.S. dollars if the holder of such Note on the relevant Regular Record Date or at Stated Maturity, as the case may be, has transmitted a written request for such payment in U.S. dollars to the Trustee and the applicable Paying Agent on or prior to such Regular Record Date or the date 15 days prior to Stated Maturity, as the case may be. Such request may be in writing (mailed or hand delivered) or by facsimile transmission. Any such request made with respect to any Registered Note by a holder will remain in effect with respect to any further payments of principal and any premium, interest, Additional Amounts or other amounts with respect to such Registered Note payable to such holder, unless such request is revoked on or prior to the relevant Regular Record Date or the date 15 days prior to Stated Maturity, as the case may be. Holders of Foreign Currency Notes that are registered in the name of a broker or nominee should contact such broker or nominee to determine whether and how an election to receive payments in U.S. dollars may be made.
The dollar amount to be received by a holder of a Foreign Currency Note who elects to receive payment in U.S. dollars will be based on the highest bid quotation in The City of New York received by the Exchange Rate Agent (as defined below) as of 11:00 A.M., New York City time, on the second Business Day in New York next preceding the applicable payment date from three recognized foreign exchange dealers (one of which may be the Exchange Rate Agent) for the purchase by the quoting dealer of the Specified Currency for U.S. dollars for settlement on such payment date in the aggregate amount of the Specified Currency payable to all holders of Notes electing to receive dollar payments and at which the applicable dealer commits to execute a contract. If three such bid quotations are not available on the second Business Day in New York preceding the date of payment of principal or any premium, interest, Additional Amounts or other amounts with respect to any Note, such payment will be made in the Specified Currency. All currency exchange costs associated with any payment in U.S. dollars on any such Foreign Currency Note will be borne by the holder thereof by deductions from such payment of such currency exchange being effected on behalf of the holder by the Exchange Rate Agent. Unless otherwise specified in the Pricing Supplement, the Trustee will be the exchange rate agent (the “Exchange Rate Agent”) with respect to Foreign Currency Notes.

Include if Note is a Foreign Currency Note—( ) In the event of an official redenomination of the Specified Currency of this Note, the obligations of the Issuer with respect to payments on this Note shall, in all cases, be deemed immediately following such redenomination to provide for payment of that amount of the redenominated Specified Currency representing the amount of such obligations immediately before such redenomination.

Include if Note is denominated in the currency of a Participating Member State of the European Community—( ) Except as otherwise provided in the Pricing Supplement, to the extent permitted by applicable law, the occurrence or non-occurrence of an EMU Event (as defined below) or the entry into force of any law, regulation, directive or order requiring redenomination or consolidation to be undertaken on terms different than those described herein will not have the effect of altering any term of, or discharging or excusing performance under, the Indenture or this Note, nor give the Issuer, any Guarantor, the Trustee, any other agent or any holder of this Note the right unilaterally to alter or terminate the Indenture or this Note or give rise to any Event of Default or otherwise be the basis for any acceleration, early redemption, rescission, notice, repudiation, adjustment or renegotiation of the terms of the Indenture of this Note. For purposes hereof, “EMU Event” means any event associated with EMU (as defined below) in the European Community, including, without limitation, each (and any combination) of (i) the introduction of, changeover to or operation of the euro; (ii) the irrevocable fixing of exchange rates between the currency of a Participating Member State (as defined below) and the euro or between the currencies of Participating Member States; (iii) the introduction of the euro as lawful currency in a Participating Member State; (iv) the withdrawal from legal tender of any currency that, before the introduction of the euro, was lawful currency in any of the Participating Member States; or (v) the disappearance or replacement of a relevant rate option or other price source for the national currency of any Participating Member State, or the failure of the agreed price or rate sponsor (or a successor sponsor) or screen provider to publish or display a relevant rate, index, price, page or screen.

Redenomination. If this Note is a Foreign Currency Note and the country in which such Specified Currency has been the legal currency (the “Currency Country”) becomes a
Participating Member State, then the Issuer may at its option, and without the consent of the holders of the Notes [or any coupons appertaining thereto] or the need to amend the Notes or the Indenture, on any Interest Payment Date after the date on which such Currency Country has become a Participating Member State (such Interest Payment Date, a “Redenomination Date”), redenominate all of the Notes into euros upon the giving of not less than 30 days’ notice thereof in accordance with the terms of the Notes, which notice shall set forth the manner in which such redenomination shall be effected. If the Issuer elects to so redenominate the Notes, with effect from the Redenomination Date:

(i) each denomination and, in the case of Fixed Rate Notes in bearer form, each amount of interest specified in the coupons appertaining thereto, will be deemed to be denominated in such amount of euro as is equivalent to its denomination or the amount of interest so specified in the Specified Currency at the Fixed Conversion Rate (as defined below), rounded down to the nearest euro 0.01;

(ii) after the Redenomination Date, all payments in respect of such Notes, other than payments of interest in respect of periods commencing before the Redenomination Date, will be made solely in euro as though references in such Notes to the Specified Currency were to euro. Payments will be made in euro by euro check, or by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee, as provided above;

(iii) if such Notes are Fixed Rate Notes and interest for any period ending on or after the Redenomination Date is required to be calculated for a period of less than one year, it will be calculated in accordance with the provisions specified for euro-denominated Fixed Rate Notes under “—Payment of Principal and Interest” above;

(iv) if such Notes are Floating Rate Notes, the relevant Pricing Supplement will specify any relevant changes to the provisions relating to interest; and

(v) such other changes shall be made to the terms and conditions of such Notes as the Issuer may decide, after consultation with the Trustee, and as may be specified in the notice, to conform such Notes to conventions then applicable to Notes denominated in euro or to enable such Notes to be consolidated with other Notes whether or not originally denominated in the Specified Currency or euro. Any such other changes may not take effect until the holders of such Notes have been notified thereof in accordance with “Notices” below.

“EMU” means economic and monetary union as contemplated by the Treaty of Rome;

“ECU” means the European Currency Unit as represented by the official ECU basket, as referred to in Article 109g of the Treaty of Rome, as amended by the Treaty on

[Include if Note is a Foreign Currency Note]—( ) All determinations referred to above made by the Exchange Rate Agent shall, in the absence of manifest error, be conclusive for all purposes and binding on holders of the Notes and the Issuer, and the Exchange Rate Agent shall have no liability therefor.

[Include if Note is a Registered Note]—3. (a) The Issuer shall maintain in the Borough of Manhattan, The City of New York, an office or agency where Notes may be surrendered for registration of transfer or exchange. The Issuer has initially appointed the corporate trust office of the Trustee as its agent in the Borough of Manhattan, The City of New York, for such purpose and has agreed to cause to be kept at such office a register in which, subject to such reasonable regulations as it may prescribe, the Issuer will provide for the registration of Notes and of transfers of Notes. The Issuer reserves the right to vary or terminate the appointment of the Trustee as security registrar or of any Transfer Agent or to appoint additional or other registrars or Transfer Agents or to approve any change in the office through which any security registrar or any Transfer Agent acts, provided that there will at all times be a security registrar in the Borough of Manhattan, The City of New York and, so long as the Notes are listed on the Luxembourg Stock Exchange and such Exchange shall so require, a Transfer Agent in Luxembourg.
(b) The transfer or exchange of a Note is registrable on the aforementioned register upon surrender of such Note at the corporate trust office of the Trustee or any Transfer Agent duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Trustee duly executed by the holder thereof or his attorney duly authorized in writing. Upon such surrender of a Note for registration of transfer, the Issuer shall execute one or more new Notes of any authorized denominations and of a like form, tenor and terms and a like aggregate principal amount, the Guarantor shall execute the Guaranty endorsed thereon, and the Trustee shall authenticate and deliver in the name of the designated transferee or transferees, such new Notes, dated the date of authentication thereof. At the option of the holder upon request confirmed in writing, Notes may be exchanged for Notes of any authorized denominations and of a like form, tenor and terms and a like aggregate principal amount upon surrender of the Notes to be exchanged at the office of any Transfer Agent or at the corporate trust office of the Trustee. Whenever any Notes are so surrendered for exchange, the Issuer and shall execute the Notes which the holder making the exchange is entitled to receive, the Guarantor shall execute the Guaranty endorsed thereon, and the Trustee shall authenticate and deliver such Notes.

(c) Any registration of transfer or exchange will be effected upon the Transfer Agent or the Trustee, as the case may be, being satisfied with the documents of title and identity of the person making the request and subject to such reasonable regulations as the Issuer may from time to time agree with any Transfer Agents and the Trustee.

(d) In the event of a redemption of Notes in part (if permitted by the provisions hereof), the Issuer shall not be required (i) to register the transfer of or exchange any Note during a period beginning at the opening of business 15 days before, and continuing until, the date on which notice is given identifying the Notes to be redeemed, or (ii) to register the transfer of or exchange any Note, or portion thereof, called for redemption.

(e) All Notes issued upon any registration of transfer or exchange of Notes shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits, as the Notes surrendered upon such registration of transfer or exchange. No service charge shall be made for any registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any stamp tax or other governmental charge payable in connection therewith, other than an exchange in connection with a partial redemption of a Note not involving any registration of a transfer.

Prior to due presentment of this Note for registration of transfer, the Issuer, any Guarantor, the Trustee and any agent of the Issuer, any Guarantor or the Trustee may treat the person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the Issuer, any Guarantor, the Trustee nor any such agent shall be affected by any notice to the contrary. [Include if Note is a Bearer Note—Title to this Note and any Coupons appertaining hereto shall pass by delivery. The Issuer, each Guarantor, the Trustee and any agent of the Issuer, any Guarantor or the Trustee may deem and treat the bearer of this Note or any Coupon appertaining hereto as the owner hereof for all purposes, whether or not this Note or such Coupon is overdue, and neither the Issuer, any Guarantor, nor the Trustee nor any such agent shall be affected by notice to the contrary.]
4. The Issuer shall pay to the Trustee at its principal office in the Borough of Manhattan, The City of New York, on or prior to 11:00 a.m., New York City time, on each Interest Payment Date, any redemption date and at the Stated Maturity of the Notes, in such amounts sufficient (with any amounts then held by the Trustee and available for the purpose) to pay the interest on, the redemption price of and accrued interest (if the redemption date is not an Interest Payment Date) on, and the principal of, the Notes due and payable on such Interest Payment Date, redemption date or Stated Maturity, as the case may be. The Trustee shall apply the amounts so paid to it to the payment of such interest, redemption price and principal in accordance with the terms of the Notes. Any monies paid by the Issuer to the Trustee for the payment of the principal, premium (if any) or interest on any Notes and remaining unclaimed at the end of two years after such principal (or premium, if any) or interest shall have become due and payable (whether at the Stated Maturity, upon call for redemption or otherwise) shall then be repaid to the Issuer upon its written request, and upon such repayment all liability of the Trustee with respect thereto shall cease, without, however, limiting in any way any obligation the Issuer may have to pay the principal of (and premium, if any) and interest on each Note as the same shall become due. Notwithstanding the foregoing, the Notes will become void unless presented for payment within five years after the maturity date thereof.

5. (a) The Issuer will pay all stamp and other duties, if any, which may be imposed by the United States or any political subdivision thereof or taxing authority of, or in the foregoing with respect to the Indenture or the issuance of this Note. Except as otherwise provided herein, the Issuer shall not be required to make any payment with respect to any tax, assessment or other governmental charge imposed by any government or any political subdivision or taxing authority thereof.

(b) The Issuer, or, in the case of a payment by a Guarantor, such Guarantor, will pay to the holder of this Note such additional amounts (“Additional Amounts”) as may be necessary in order that every net payment made by the Issuer or a Guarantor on this Note after deduction or withholding for or on account of any present or future tax, assessment or other governmental charge imposed upon or as a result of such payment by Mexico or any political subdivision or taxing authority thereof (“Mexican Withholding Taxes”), will not be less than the amount then due and payable on this Note. The foregoing obligation to pay Additional Amounts, however, will not apply to (i) any Mexican Withholding Taxes that would not have been imposed or levied on the holder of this Note but for the existence of any present or former connection between such holder and Mexico or any political subdivision or territory or possession thereof or area subject to its jurisdiction, including, without limitation, such holder (A) being or having been a citizen or resident thereof, (B) maintaining or having maintained an office, permanent establishment or branch therein, or (C) being or having been present or engaged in trade or business therein, except for a connection solely arising from the mere ownership of, or receipt of payment under, this Note; (ii) except as otherwise provided, any estate, inheritance, gift, sales, transfer or personal property or similar tax, assessment or other governmental charge; (iii) any Mexican Withholding Taxes that are imposed or levied by reason of the failure by such holder to comply with any certification, identification, information, documentation, declaration or other reporting requirement that is required or imposed by a statute, treaty, regulation, general rule or administrative practice as a precondition to exemption from, or reduction in the rate of, the imposition, withholding or deduction of any Mexican Withholding Taxes; provided that at least 60 days prior to (A) the first payment date with respect
to which the Issuer or any Guarantor shall apply this clause (iii) and, (B) in the event of a change in such certification, identification, information, documentation, declaration or other reporting requirement, the first payment date subsequent to such change, the Issuer or such Guarantor, as the case may be, shall have notified the Trustee in writing that the holders of Notes will be required to provide such certification, identification, information or documentation, declaration or other reporting; (iv) any Mexican Withholding Taxes imposed at a rate in excess of 4.9% in the event that such holder has failed to provide on a timely basis, at the reasonable request of the Issuer, information or documentation (not described in clause (iii) above) concerning such holder’s eligibility for benefits under an income tax treaty to which Mexico is a party that is necessary to determine the appropriate rate of deduction or withholding of Mexican taxes under any such treaty; (v) any Mexican Withholding Taxes that would not have been so imposed but for the presentation by such holder of this Note for payment on a date more than 15 days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later; (vi) any payment on this Note to any holder who is a fiduciary or partnership or other than the sole beneficial owner of any such payment, to the extent that a beneficiary or settlor with respect to such fiduciary, a member of such a partnership or the beneficial owner of such payment would not have been entitled to the Additional Amounts had such beneficiary, settlor, member or beneficial owner been the holder of this Note or (vii) any withholding tax or deduction imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other European Union Directive implementing the conclusions of the ECOFIN Council meeting of November 26-27, 2000 on the taxation savings income, or any law implementing or complying with, or introduced in order to conform to, such a directive or presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant Note to another Paying Agent in a Member State of the European Union. All references in this Note or in the Indenture to principal, premium, if any, and interest in respect of Notes shall, unless the context otherwise requires, be deemed to mean and include all Additional Amounts, if any, payable in respect thereof as set forth in this paragraph (b).

(c) Notwithstanding the foregoing, the limitations on the Issuer’s and the Guarantors’ obligation to pay Additional Amounts set forth in clauses (iii) and (iv) above shall not apply if the provision of the certification, identification, information, documentation, declaration or other evidence described in such clauses (iii) and (iv) would be materially more onerous, in form, in procedure or in the substance of information disclosed, to a holder or beneficial owner of this Note (taking into account any relevant differences between United States and Mexican law, regulation or administrative practice) than comparable information or other applicable reporting requirements imposed or provided for under United States federal income tax law (including the United States-Mexico Income Tax Treaty), regulation (including proposed regulations) and administrative practice. In addition, the limitations on the Issuer’s and the Guarantors’ obligation to pay Additional Amounts set forth in clauses (iii) and (iv) above shall not apply if Rule 3.23.8 published in the Diario Oficial de la Federación on April 30, 2004, or a substantially similar successor of such rule is in effect, unless (A) the provision of the certification, identification, information, documentation, declaration or other evidence described in clauses (iii) and (iv) is expressly required by statute, regulation, general rules or administrative practice in order to apply Rule 3.23.8 (or a substantially similar successor of such rule), the Issuer or the applicable Guarantor cannot obtain such certification, identification, information, documentation, declaration or evidence, or satisfy any other reporting requirements, on its own
through reasonable diligence and the Issuer or the applicable Guarantor otherwise would meet the requirements for application of Rule 3.23.8 (or such successor of such rule) or (B) in the case of a holder or beneficial owner of a Note that is a pension fund or other tax-exempt organization, such holder or beneficial owner would be subject to Mexican Withholding Taxes at a rate less than that provided by Rule 3.23.8 if the information, documentation or other evidence required under clause (iv) above were provided. In addition, clause (iii) above shall not be construed to require that a non-Mexican pension or retirement fund, a non-Mexican tax-exempt organization or a non-Mexican financial institution or any other holder or beneficial owner of this Note register with the Ministry of Finance and Public Credit of Mexico for the purpose of establishing eligibility for an exemption from or reduction of Mexican Withholding Taxes.

(d) The Issuer or a Guarantor, as the case may be, will, upon written request, provide the Trustee, the holders and the Paying Agents with a duly certified or authenticated copy of an original receipt of the payment of Mexican Withholding Taxes which such Issuer or Guarantor has withheld or deducted in respect of any payments made under or with respect to the Notes or the Guaranty, as the case may be. Any reference herein or in the Indenture to principal, interest, Redemption Price or any other amount payable under or with respect to the Notes will be deemed also to refer to any Additional Amounts which may be payable under the undertakings referred to herein.

(e) In the event that Additional Amounts actually paid with respect to this Note are based on rates of deduction or withholding of Mexican Withholding Taxes in excess of the appropriate rate applicable to the holder of this Note, and, as a result thereof, such holder is entitled to make a claim for a refund or credit of such excess, then such holder shall, by accepting this Note, be deemed to have assigned and transferred all right, title and interest to any such claim for a refund or credit of such excess to the Issuer or the applicable Guarantor, as the case may be. However, by making such assignment, the holder makes no representation or warranty that the Issuer or the applicable Guarantor, as the case may be, will be entitled to receive such claim for a refund or credit and incurs no other obligation with respect thereto.

6. (a) If so provided on the face hereof, this Note may be redeemed by the Issuer on or after the Redemption Commencement Date, if any, specified in the Pricing Supplement. If no Redemption Commencement Date is specified in the Pricing Supplement, this Note may not be redeemed prior to the Stated Maturity, except as specified in paragraph (b) below. On and after the Redemption Commencement Date, if any, this Note may be redeemed at any time in whole or from time to time in part in increments of U.S. $10,000 at the option of the Issuer at the applicable Redemption Price (as defined below) together with interest thereon payable to the Redemption Date, on notice given not less than 60 days prior to the Redemption Date. In the event of redemption of this Note in part only, a new Note for the unredeemed portion hereof shall be issued in the name of the holder hereof upon the surrender hereof.

The “Redemption Price” shall initially be the Initial Redemption Percentage specified in the Pricing Supplement of the principal amount of this Note to be redeemed, and shall decline at each anniversary of the Initial Redemption Date specified in the Pricing Supplement by the Annual Redemption Percentage Reduction, if any, specified in the Pricing Supplement of the principal amount to be redeemed until the Redemption Price is 100% of such principal amount.
(b) The Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time, together, if applicable, with interest accrued to but excluding the date fixed for redemption, at par, or if this Note is an Original Issue Discount Note, at the amount specified in the Pricing Supplement, on giving not less than 30 nor more than 60 days’ notice to the holders of the Notes (which notice shall be irrevocable), if (i) the Issuer certifies to the Trustee immediately prior to the giving of such notice that it has or will become obligated to pay Additional Amounts in excess of the Additional Amounts that it would be obligated to pay if payments (including payments of interest) on the Notes were subject to a tax at a rate of 10%, as a result of any change in, amendment to, or lapse of, the laws, regulations or rulings of Mexico or any political subdivision or any taxing authority thereof or therein affecting taxation, or any change in, or amendment to, an official interpretation or application of such laws, regulations or rulings, which change or amendment becomes effective on or after the date of issuance of the Notes and (ii) prior to the publication of any notice of redemption, the Issuer shall deliver to the Trustee an Officer’s Certificate stating that the obligation referred to in (i) above cannot be avoided by the Issuer taking reasonable measures available to it, and the Trustee shall be entitled to accept such certificate as sufficient evidence of the satisfaction of the condition precedent set out in (i) above in which event it shall be conclusive and binding on the holders of the Notes; provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obligated but for such redemption to pay such Additional Amounts were a payment in respect of the Notes then due and, at the time such notice is given, such obligation to pay such Additional Amounts remains in effect.

[Include if Note is Original Issue Discount Note]—(c) If this Note is issued with original issue discount, the amount payable in the event of redemption, repayment or other acceleration of maturity, in lieu of the principal amount due on the Maturity Date hereof, shall be the Amortized Face Amount (as defined below) as of the date of redemption or repayment or the date of such acceleration. The “Amortized Face Amount” in any such case shall be an amount equal to (a) the Issue Price (as set forth on the face hereof) plus (b) that portion of the difference between the Issue Price and the principal amount hereof that has accrued at the Yield to Maturity as set forth on the face hereof (computed in accordance with generally accepted United States bond yield computation principles) at the date as of which the Amortized Face Amount is calculated, but in no event shall the Amortized Face Amount of this Note exceed its stated principal amount.]

[(d)] The Issuer or any Guarantor may at any time purchase Notes at any price in the open market or otherwise. Notes so purchased by the Issuer or any Guarantor may be held, resold (subject to compliance with applicable securities and tax laws) or surrendered to the Trustee for cancellation.

7. If so specified in the Pricing Supplement attached hereto, this Note will be repayable prior to the Stated Maturity at the option of the holder on the Optional Repayment Dates specified in the Pricing Supplement and at the Optional Repayment Prices specified in the Pricing Supplement together with accrued interest to the Optional Repayment Date. In order for this Note to be repaid, the Issuer must receive, at least 30 but not more than 45 days prior to an Optional Repayment Date, this Note with the form below entitled “Option to Elect Repayment” duly completed. Any tender of this Note for repayment shall be irrevocable. Unless otherwise specified in the Pricing Supplement, the repayment option may be exercised by the holder of this
Note for less than the entire principal amount of the Note, provided that the principal amount of the Note remaining outstanding after repayment is an authorized denomination. Upon such partial repayment, this Note shall be cancelled and a new Note or Notes for the remaining principal amount hereof shall be issued in the name of the holder of this Note.

8. If any of the following events (each, an “Event of Default”) occurs and is continuing, the Trustee, if so requested in writing by holders of at least 20% in principal amount of the Notes then outstanding, shall give notice to the Issuer that the Notes are, and they shall immediately become, due and payable at their principal amount together with accrued interest:

(e) Without limiting the foregoing, a Holder entitled hereunder to give or take any such action with regard to any particular Security may do so with regard to all or any part of the principal amount of such Security.

SECTION 1.05. Notices, Etc., to Trustee and Issuer.

Any request, demand, authorization, direction, notice, consent, waiver or Act of Holders or other document provided or permitted by this Indenture to be made upon, given or furnished to, or filed with,

(1) the Trustee by any Holder, the Issuer or the Guarantor shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing to or with a Responsible Officer of the Trustee at its Corporate Trust Office, Attention: Trust and Securities Services,

(2) the Issuer by the Trustee or any Holder shall be sufficient for any purpose hereunder (unless otherwise herein expressly provided) if in writing and delivered by hand or by courier to the Issuer addressed to it at Pemex Project Funding Master Trust, c/o The Bank of New York, 101 Barclay Street, Floor 21 West, New York, NY 10286, Attn: Global Structured Finance Unit, or when delivered by facsimile to the Issuer, c/o the Managing Trustee, at 212-815-5915 (confirmed by overnight courier), or at any other address previously furnished in writing to the Trustee by the Issuer, or

(3) the Guarantor by the Trustee or by any Holder shall be sufficient for every purpose hereunder (unless otherwise herein expressly provided) if in writing and delivered by hand or by courier to the Guarantor addressed to it at the address of the Guarantor specified in the first paragraph of this Indenture, or when delivered by facsimile to the Guarantor at 52-55-1944-9703 (confirmed by overnight courier), or at any other address previously furnished in writing to the Trustee by the Guarantor.

SECTION 1.06. Notice to Holders; Waiver.

Where this Indenture provides for notice to Holders of Registered Securities of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if
in writing and mailed, first-class postage prepaid, to each Holder affected by such event, at his address as it appears in the Security Register, not later than the latest date (if any), and not earlier than the earliest date (if any), prescribed for the giving of such notice. In any case where notice to Holders is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders.

In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice by mail, then such notification as shall be made as directed by the Issuer shall constitute a sufficient notification for every purpose hereunder.

In addition, if and for so long as the Securities of any series are listed on Luxembourg Stock Exchange and the rules of such exchange require, notices pursuant to this Section to the holders of the Securities of such series will be published in a daily newspaper of general circulation in Luxembourg (which is expected to be the Luxemburger Wort). If the Issuer determines that publication as aforesaid is not practicable, notice will be made in accordance with the rules of the Luxembourg Stock Exchange.

Where this Indenture provides for notice to Holders of Bearer Securities of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if published (i) in a daily newspaper having general circulation in London and (ii) if and for so long as the Securities are listed on the Luxembourg Stock Exchange and the rules of such exchange so require, in a leading newspaper having general circulation in Luxembourg or, if any such publication is not practicable, in another leading daily English language newspaper having general circulation in Europe approved by the Trustee. Notices will, if published more than once or on different dates, be deemed to have been given on the date of the first publication in both such newspapers as provided above. Holders of coupons shall be deemed for all purposes to have notice of the contents of any notice to the Holders of the related Bearer Securities.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 1.07. **Conflict with Trust Indenture Act.**

Subject as otherwise provided in the next paragraph, the Trust Indenture Act shall apply as a matter of contract to this Indenture for purposes of interpretation, construction and defining the rights and obligations hereunder. If any provision hereof limits, qualifies or conflicts with a provision of the Trust Indenture Act that is required under such Act to be a part of and govern this Indenture (or would be required if this Indenture were qualified under the Trust Indenture Act), the latter provision shall control. If any provision of this Indenture modifies or excludes any provision of the Trust Indenture Act that may be so modified or excluded, the latter provision shall be deemed to apply to this Indenture as so modified or to be excluded, as the case may be.
Notwithstanding the foregoing, the provisions of Section 316(b) of the Trust Indenture Act shall not apply to this Indenture to the extent an exemption from the provisions of such Section is granted by the Commission pursuant to Section 304(d) thereof, in which case Section 316(b) thereof shall be treated as if not required under the Trust Indenture Act.

SECTION 1.08. **Effect of Headings and Table of Contents.**

The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

SECTION 1.09. **Successors and Assigns.**

All covenants and agreements in this Indenture by the Issuer and the Guarantor shall bind their respective successors and assigns, whether so expressed or not.

SECTION 1.10. **Separability Clause.**

In case any provision in this Indenture or in the Securities or the Guaranties shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

SECTION 1.11. **Benefits of Indenture.**

Nothing in this Indenture or in the Securities, express or implied, shall give to any Person, other than the parties hereto and their successors hereunder and the Holders of Securities, any benefit or any legal or equitable right, remedy or claim under this Indenture.

SECTION 1.12. **Governing Law.**

THIS INDENTURE, THE SECURITIES AND THE GUARANTIES SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICT OF LAW PRINCIPLES, EXCEPT THAT ALL MATTERS RELATING TO THE AUTHORIZATION AND EXECUTION OF THIS INDENTURE AND THE GUARANTIES BY THE GUARANTOR WILL BE GOVERNED BY THE LAWS OF MEXICO.

SECTION 1.13. **Consent to Service; Jurisdiction.**

(a) Each of the parties hereto irrevocably submits to the jurisdiction of any federal court or, if jurisdiction in federal court is not available, state court sitting in the Borough of Manhattan, The City of New York, in any action or proceeding arising out of or based on this Indenture or the Securities and irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of venue of any such action in any such court, and each of the parties hereto waives any right to which it may be entitled on account of residence or domicile.

(b) Service of process upon the Issuer at the office of the Managing Trustee in New York specified in or pursuant to Section 1.05 shall be deemed, in every respect, effective
service of process upon the Issuer. The Guarantor hereby appoints the Consul General of Mexico acting through his offices at 27 East 39th Street, New York, New York 10016, and his successors as its authorized agent (the “Authorized Agent”) upon which process may be served in any action arising out of or based upon the Securities or this Indenture which may be instituted in any federal court or, if jurisdiction in federal court is not available, state court sitting in the Borough of Manhattan, The City of New York, by the Holder of any Security. The appointment made by the Guarantor shall be irrevocable as long as any of the Securities remain Outstanding unless and until a successor agent shall have been appointed as the Guarantor’s Authorized Agent and shall have accepted such appointment. The Guarantor will take any and all action, including the filing of any and all documents and instruments, that may be necessary to continue such appointment or appointments in full force and effect as aforesaid. Service of process upon the Authorized Agent at the address indicated above, or at such other address in the Borough of Manhattan, The City of New York, by notice given by the Authorized Agent to each party hereto, and written notice of such service delivered to the Guarantor in the manner set forth in Section 1.05 shall be deemed, in every respect, effective service of process upon the Guarantor. Notwithstanding the foregoing, any action against the Guarantor arising out of or based on the Securities may be instituted in any competent court in Mexico.

(c) The Guarantor hereby waives irrevocably any immunity from jurisdiction to which it might otherwise be entitled (including, to the extent applicable, sovereign immunity, immunity from prejudgment attachment, post-judgment attachment and execution) in any such action in any federal court or, if jurisdiction in federal court is not available, state court in the Borough of Manhattan, The City of New York, or in any competent court in Mexico, except that Article 27 of the Political Constitution of Mexico (the “Constitution”), Articles 1, 2, 3 and 4 (and other related articles) of the Regulatory Law, Articles 15, 16 and 19 of the Regulations to the Regulatory Law, Articles 2, 16 and 60 (and other related articles) of the General Law on National Patrimony, Articles 1, 2, 3 and 4 (and other related articles) of the Organic Law, and Article 4 of the Federal Code of Civil Procedure of Mexico, set forth, inter alia, that (i) attachment prior to judgment, attachment in aid of execution and execution of a final judgment may not be ordered by Mexican courts against property of the Guarantor or any Subsidiary Guarantor, (ii) all domestic petroleum and hydrocarbon resources (whether solid, liquid, gas, or in gas form) are permanently and inalienably vested in Mexico (and, to that extent, subject to immunity), (iii) (A) the exploration, exploitation, refining, transportation, storage, distribution and first-hand sale of crude oil, (B) the exploration, exploitation, production and first-hand sale of gas, as well as the transportation and storage inextricably linked with such exploitation and production, and (C) the production, storage, transportation, distribution and first-hand sale of the derivatives of petroleum (including petroleum products) and of gas used as basic industrial raw materials and that constitute “basic petrochemicals” (the “Petroleum Industry”) are reserved exclusively to Mexico (and, to that extent, assets related thereto are entitled to immunity), (iv) the public entities created and appointed by the Federal Congress of Mexico to conduct, control, develop and operate the Petroleum Industry of Mexico are the Guarantor and the Subsidiary Guarantors (and, therefore, are entitled to immunity in respect of their respective assets related to such exclusive rights and powers). The Guarantor reserves the right to plead sovereign immunity under the Immunities Act with respect to actions brought against it under the United States federal securities laws or any state securities laws, and notwithstanding anything else in this Section to the contrary, neither the Guarantor’s appointment of the Authorized Agent nor its submission to jurisdiction nor its waiver of
immunity shall be interpreted to include such actions brought under the United States federal securities laws or any state securities laws.

Except as may be provided pursuant to Section 2.02 with respect to any series of Securities, in any case where any Interest Payment Date, Redemption Date or Stated Maturity of any Securities shall not be a Business Day, then (notwithstanding any other provision of this Indenture or of such Securities) payment of interest on or principal of such Securities need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the Interest Payment Date, Redemption Date or at the Stated Maturity.

SECTION 1.15. Limitations of Liability Concerning the Managing Trustee; No Recourse Against Others

(a) It is understood by each of the parties hereto that they do not have recourse to the assets of the Managing Trustee in respect of the obligations of the Issuer hereunder. In addition, The Bank of New York is entering into this Indenture solely in its capacity as Managing Trustee of the Issuer, and not in its individual capacity, and in no case shall The Bank of New York (or any person acting as successor managing trustee) be personally liable for or on account of any of the statements, representations, warranties, covenants or obligations stated to be those of the Issuer hereunder, all such liability, if any, being expressly waived by the parties hereto and any person claiming by, through, or under such party.

(b) A director, officer, employee or shareholder (if any), as such, of the Issuer, the Guarantor or any Subsidiary Guarantor shall not have liability for any obligations of the Issuer under the Securities or this Indenture, any obligations of the Guarantor under the Guaranties, any obligations of any Subsidiary Guarantor under the Subsidiary Guaranty or any claim based on, in respect of or by reason of such obligations or their creation. By accepting a Security, each Holder shall waive and release all such liability. The waiver and release shall be part of the consideration for the issue of the Securities.

SECTION 1.16. Subsidiary Guaranties.

The Guaranties and the Guarantor’s obligations under the Guaranties and under this Indenture will have the benefit of an unconditional guaranty as to payment of principal and interest jointly and severally from each of Pemex-Exploración y Producción, Pemex-Refinación and Pemex-Gas y Petroquímica Básica (each, a “Subsidiary Guarantor” and together, the “Subsidiary Guarantors”), pursuant to a Guaranty Agreement, dated July 29, 1996 (the “Subsidiary Guaranty”), among the Guarantor and the Subsidiary Guarantors. The Guarantor has designated its Guaranties of each of the Securities and this Indenture as obligations of the Guarantor entitled to the benefits of the Subsidiary Guaranty, pursuant to certificates of designation, each dated [●], 2004 (the “Certificates of Designation”).

SECTION 3.01. Forms Generally.

(a) The Securities of a series to be issued in registered form without interest coupons (“Registered Securities”) will be issuable in substantially the form of Exhibit A hereto or in such other form and in such denominations as shall be specified in the applicable Officer’s Certificate of the Issuer and the Guarantor or in an indenture supplement hereto. The Securities of a series, if any, to be issued in bearer form, with or without interest coupons attached (“Bearer Securities”), will be issuable in substantially the form of Exhibit B hereto, in the case of a definitive Bearer Security, Exhibit C hereto, in the case of a Temporary Global Bearer Security, or Exhibit D hereto, in the case of a Permanent Global Bearer Security, or in such other forms and in such denominations as shall be established by the Issuer and the Guarantor and specified in the applicable Officer’s Certificate of the Issuer and the Guarantor or in an indenture
supplement hereto. Any forms of Securities other than those set forth in Exhibits A, B, C and D which are established pursuant to an Officer’s Certificate of the Issuer and the Guarantor or in an indenture supplement hereto shall be delivered to the Trustee and shall be deemed to be a part of this Indenture. In this Indenture, Securities that are not in temporary form are referred to as “definitive Securities” and Securities that are in temporary form are referred to as “temporary Securities”.

(b) Definitive Securities shall be printed, lithographed or engraved or produced by any combination of these methods on steel engraved borders or may be produced in any other manner permitted by the rules of any securities exchange on which the Securities may be listed, all as determined by the officer or officers executing such Securities, as evidenced by their execution of such Securities.

(e) Each Bearer Security shall be dated the date from which any interest on the Securities of such series first begins to accrue and each Registered Security shall be dated the date of its authentication.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for below executed by the Trustee by manual signature of one of its Responsible Officers, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder.

BENEFICIAL INTERESTS IN THIS U.S. GLOBAL SECURITY MAY NOT BE TRANSFERRED EXCEPT IN ACCORDANCE WITH SECTION 3.05(b) OF THE INDENTURE.”]

(ii) Neither any members of, or participants in, a U.S. Depositary (“Agent Members”) nor any other persons on whose behalf Agent Members may act (including Euroclear and Clearstream, Luxembourg and account holders and participants therein) shall have any rights under this Indenture with respect to any U.S. Global Security registered in the name of such U.S. Depositary or any nominee thereof, or under any such U.S. Global Security, and such U.S. Depositary or nominee, as the case may be, may be treated by the Issuer, the Trustee and any agent of the Issuer, the Guarantor or the Trustee as the absolute owner and holder of such U.S. Global Security (including all Securities represented thereby) for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Guarantor, the Trustee or any agent of the Issuer, the Guarantor or the Trustee from giving effect to any written certification, proxy or other authorization furnished by such U.S. Depositary or such nominee, as the case may be, or impair, as between such U.S. Depositary, its Agent Members and any other person on whose behalf an Agent Member may act, the operation of customary practices of such persons governing the exercise of the rights of a holder of any Security.

(iii) Any Securities offered and sold in reliance on Regulation S may be issued in the form of a U.S. Global Security that is registered in the name of DTC, as U.S. Depositary, or a nominee thereof, and deposited with the Trustee, at its New York office, as custodian for the U.S. Depositary, for credit to the respective accounts of beneficial owners of the Securities represented thereby (or to such other accounts as they may direct); provided that upon such deposit all such accounts are maintained at or through Euroclear or Clearstream, Luxembourg. Each such U.S. Global Security, initially and until such time as the Restricted Period with respect to such Security has ended, shall be deemed to be a “Regulation S Global Security” and, thereafter, shall be deemed to be an “Unrestricted Global Security.” The aggregate principal amount of each Regulation S Global Security and Unrestricted Global Security may from time to time be increased or decreased by adjustments made on the records of the Trustee, as custodian for the U.S. Depositary therefor, as provided herein.

(iv) Any Securities offered and sold in reliance on Rule 144A may be issued in the form of a U.S. Global Security that is registered in the name of DTC, as U.S. Depositary, or a nominee thereof, and deposited with the Trustee, at its New York office, as custodian for the U.S. Depositary, for credit to the respective accounts of beneficial
owners of the Securities represented thereby (or to such other accounts as they may direct). Each such U.S. Global Security shall be deemed to be a “Restricted Global Security”. The aggregate principal amount of each Restricted Global Security may from time to time be increased or decreased by adjustments made on the records of the Trustee, as custodian for the U.S. Depositary, as provided herein.

(v) Exchange Securities that are issued in exchange for Initial Securities that are represented by a U.S. Global Security shall also be issued in the form of a U.S. Global Security that is registered in the name of DTC, as U.S. Depositary, or a nominee thereof, and deposited with the Trustee, at its New York office, as custodian for the U.S. Depositary. Exchange Securities shall not contain restrictions on transfers.

(vi) Any Securities offered and sold pursuant to an effective registration statement filed with the Commission may be issued in the form of a U.S. Global Security that is registered in the name of DTC, as U.S. Depositary, or a nominee thereof, and deposited with the Trustee, at its New York office, as custodian for the U.S. Depositary, for credit to the respective accounts of beneficial owners of the Securities represented thereby (or to such other accounts as they may direct). Such Securities shall not contain restrictions on transfer.

(b) International Global Securities. The Issuer may issue Securities represented, in whole or in part, by a Security in definitive or temporary global form that is deposited with or on behalf of a common depositary located outside the United States (a “Common Depositary”), for credit to the respective accounts of the beneficial owners of the Securities represented thereby (or to such other accounts as they may direct); provided that all such accounts are maintained at or through Euroclear or Clearstream, Luxembourg (an “International Global Security”). Registered Securities and Bearer Securities may be issued in the form of an International Global Security. This Section 3.04(b) shall apply to all International Global Securities.

(i) If the Issuer and the Guarantor shall establish in the Officer’s Certificate or supplemental indenture for any series of Securities that such Securities are to be issued in whole or in part in the form of one or more International Global Securities, then the Issuer shall execute one or more International Global Securities that (A) if issued in registered form, shall be registered in the name of the Common Depositary or its nominee and (B) shall be delivered by the Trustee to the Common Depositary or pursuant to the Common Depositary’s instructions, the Guarantor shall execute the Guaranty endorsed thereon, and the Trustee shall arrange for the authentication and delivery of such International Global Securities.

(ii) Neither any members of, or participants in, a Common Depositary (“Member Organizations”) nor any other persons on whose behalf Member Organizations may act shall have any rights under this Indenture with respect to any International Global Security registered in the name of, or held by, such Common Depositary or any nominee thereof, or under any such International Global Security, and such Common Depositary or nominee, as the case may be, may be treated by the Issuer, the Guarantor, the Trustee and any agent of the Issuer, the Guarantor or the Trustee as the absolute
owner and holder of such International Global Security (including all Securities represented thereby) for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Guarantor, the Trustee or any agent of the Issuer, the Guarantor or the Trustee from giving effect to any written certification, proxy or other authorization furnished by such Common Depositary or such nominee, as the case may be, or impair, as between such Common Depositary, its Member Organizations and any other person on whose behalf a Member Organization may act, the operation of customary practices of such persons governing the exercise of the rights of a holder of any Security.

(iii) If all Securities represented by an International Global Security have been offered and sold in reliance upon Regulation S, such International Global Security may be designated, pursuant to the applicable Officer’s Certificate or supplemental indenture, as a “Regulation S Global Security” subject to such procedures regarding exchanges and transfers as may be established in accordance with Section 3.05(b).

(c) **Bearer Securities.** This Section 3.04(c) shall apply to all Bearer Securities.

(i) Each Bearer Security shall initially be represented only in the form of one or more Securities in temporary global form without interest coupons attached (each, a “Temporary Global Bearer Security”), which shall be deposited with or on behalf of a Common Depositary, for credit to the respective accounts of the beneficial owners of the Securities represented thereby (or to such other accounts as they may direct); provided that all such accounts shall be maintained at or through Euroclear or Clearstream, Luxembourg. Notwithstanding the foregoing, if indicated in the applicable Officer’s Certificate or supplemental indenture, Bearer Securities with a maturity not exceeding one year from the date of issue may initially be represented by one or more Bearer Securities in permanent global form without interest coupons attached (each, a “Permanent Global Bearer Security”). No Bearer Security shall be mailed or otherwise delivered in connection with its sale during the applicable Restricted Period to any location in the United States of America (including the States thereof and the District of Columbia), its territories, its possessions and other areas subject to its jurisdiction (collectively, the “United States”). Temporary Global Bearer Securities and Permanent Global Bearer Securities are International Global Securities.

(ii) Each Temporary Global Bearer Security will be exchangeable for definitive Bearer Securities, interests in a Permanent Global Bearer Security or definitive Registered Securities, as provided pursuant to the applicable Officer’s Certificate or supplemental indenture relating to the series of which such Security is a part; provided that no Temporary Global Bearer Security or portion thereof may be exchanged for any definitive Bearer Security or an interest in a Permanent Global Bearer Security until (A) on or after the 40th day after the issue date of such Security (the “Exchange Date”) and (B) with respect to each beneficial interest in the portion of such Temporary Global Bearer Security to be so exchanged, (1) the Member Organization through which such beneficial interest is held has delivered to Euroclear or Clearstream, Luxembourg, as the case may be, a certificate substantially in the form of Exhibit F hereto (or such other form as may be established by the Issuer and the Guarantor) and (2) Euroclear or Clearstream,
Luxembourg, as the case may be, has delivered to the Trustee a certificate in substantially
the form of Exhibit G hereto (or such other form as may be established by the Issuer and
the Guarantor).

Upon the exchange of any portion of a Temporary Global Bearer Security
for definitive Securities or interests in a Permanent Global Bearer Security, such
Temporary Global Bearer Security shall be endorsed to reflect the reduction of the
principal amount evidenced thereby, whereupon its remaining principal amount shall be
reduced for all purposes by the amount so exchanged. Until so exchanged in full, such
Temporary Global Bearer Security shall in all respects be entitled to the same benefits
under this Indenture as the definitive Securities or Permanent Global Bearer Security that
may be authenticated and delivered hereunder in exchange therefor, except with respect
to the payment of interest as described in paragraph (iii) of this Section 3.04(c).

(iii) No interest payable in respect of any beneficial interest in a Temporary
Global Bearer Security shall be paid until the certification requirements set forth in
Section 3.04(c)(ii)(B)(1) and (2) above have been satisfied with respect to such beneficial
interest. Delivery of the certificate contemplated by Section 3.04(c)(ii)(B)(1) above by a
Member Organization shall constitute an irrevocable instruction by such Member
Organization to Euroclear or Clearstream, Luxembourg, as the case may be, to exchange,
on the applicable Exchange Date, the beneficial interest covered by such certificate for
such definitive Securities or an interest in a Permanent Global Bearer Security as such
Member Organization may specify consistently with the applicable Officer’s Certificate
or supplemental indenture (or, if no such specification is made, for definitive Bearer
Securities, unless only an interest in a Permanent Global Bearer Security or definitive
Registered Securities are issuable on such exchange, in which case for such interest or
definitive Registered Securities, as the case may be).

(d) Legends. Securities of a series shall be stamped or otherwise imprinted
with such legends, if any, as contemplated by the forms of Securities attached as Exhibits A, B,
C and D hereto or as provided in the applicable Officer’s Certificate or supplemental indenture
with respect to Securities of such series or pursuant to Section 3.04(a) or 3.01(c) hereof. Any
legends so provided may be removed as provided in the Officer’s Certificate or supplemental
indenture or pursuant to Section 3.05(c) hereof.

SECTION 3.05. Registration, Registration of Transfer and Exchange Generally; Certain
Transfers and Exchanges; Securities Legends.

(a) Registration, Registration of Transfer and Exchange Generally. The Issuer
shall cause to be kept at the Corporate Trust Office of the Trustee a register (the register
maintained in such office and in any other office or agency designated pursuant to Section 10.02
being herein sometimes collectively referred to as the “Security Register”) in which, subject to
such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of
Registered Securities and of transfers of Registered Securities. The Trustee is hereby appointed
“Security Registrar” for the purpose of registering Registered Securities and transfers of
Registered Securities as herein provided.
Upon surrender for registration of transfer of any Registered Security at an office or agency of the Issuer designated pursuant to Section 10.02 for such purpose, the Issuer shall execute one or more new Registered Securities of any authorized denominations and of a like aggregate principal amount, the Guarantor shall execute the Guaranty endorsed thereon, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, such new Registered Securities.

At the option of the Holder, and subject to the other provisions of this Section, Securities may be exchanged for other Securities of any authorized denominations, of a like aggregate principal amount and tenor and bearing such restrictive legends as may be required by this Indenture, upon surrender of the Securities to be exchanged at such office or agency; provided that Bearer Securities may not be issued in exchange for Registered Securities. Whenever any Securities are so surrendered for exchange, the Issuer shall execute the Securities which the Holder making the exchange is entitled to receive, the Guarantor shall execute the Guaranty endorsed thereon, and the Trustee shall authenticate and deliver such Securities.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Issuer, evidencing the same debt, and subject to the other provisions of this Section, entitled to the same benefits under this Indenture, as the Securities surrendered upon such registration of transfer or exchange.

Every Bearer Security surrendered for exchange for other Securities of such series shall have attached thereto all unmatured coupons and all matured coupons in default appertaining thereto. Every Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Guarantor or the Trustee) be accompanied by a written instrument of transfer in form satisfactory to the Guarantor and the Security Registrar executed by the Holder thereof or his attorney duly authorized in writing.

No service charge shall be made for any registration of transfer or exchange of Securities, but the Guarantor may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Securities, other than any United States or Mexican stamp tax or other governmental charge payable in connection with exchanges pursuant to Section 3.03, 3.04, 9.07 or 11.08 not involving any transfer or exchanges pursuant to a Registration Rights Agreement.

The provisions of clauses (1), (2), (3), (4), (5) and (6) below shall apply only to U.S. Global Securities unless otherwise provided in the applicable Officer’s Certificate or supplemental indenture:

(1) Each U.S. Global Security authenticated under this Indenture shall be registered in the name of the U.S. Depositary designated for such U.S. Global Security or a nominee thereof and delivered to such U.S. Depositary or a nominee thereof or custodian therefor, and each such U.S. Global Security shall constitute a single Security for all purposes of this Indenture.

(2) Notwithstanding any other provision in this Indenture, no U.S. Global Security may be exchanged (except at the option of the Issuer subject to Applicable
(3) Subject to clause (2) above, any exchange of a U.S. Global Security for other Securities may be made in whole or in part, and all Securities issued in exchange for a U.S. Global Security or any portion thereof shall be registered in such names as the U.S. Depositary for such U.S. Global Security shall direct.

(4) Every Security authenticated and delivered upon registration of transfer of, or in exchange for or in lieu of, a U.S. Global Security or any portion thereof, whether pursuant to this Article or otherwise, shall be authenticated and delivered in the form of, and shall be, a U.S. Global Security, unless such Security is registered in the name of a Person other than the U.S. Depositary for such U.S. Global Security or a nominee thereof.

(5) The U.S. Depositary or its nominee, as registered owner of a U.S. Global Security, shall be the Holder of such U.S. Global Security for all purposes under this Indenture and the Securities, and owners of beneficial interests in a U.S. Global Security shall hold such interests pursuant to the Applicable Procedures. Accordingly, any such owner’s beneficial interest in a U.S. Global Security shall be shown only on, and the transfer of such interest shall be effected only through, records maintained by the U.S. Depositary or its nominee or its Agent Members and such owners of beneficial interests in a U.S. Global Security shall not be considered the owners or holders thereof.

(6) In the event the Securities are issued as U.S. Global Securities with the U.S. Depositary: (i) the Trustee may deal with the U.S. Depositary as the authorized representative of the Holders; (ii) the rights of the Holders shall be exercised only through the U.S. Depositary and shall be limited to those established by law and agreement between the Holders and the U.S. Depositary and/or direct participants of the U.S. Depositary; (iii) the U.S. Depositary will make book-entry transfers among the direct participants of the U.S. Depositary and will receive and transmit distributions of the principal of and premium, if any, and interest on the Securities to such direct participants; and (iv) the direct participants of the U.S. Depositary shall have no rights under this Indenture under or with respect to any of the Securities held on their behalf by the U.S. Depositary, and the U.S. Depositary may be treated by the Trustee and its agents, employees, officers and directors as the absolute owner of the Securities for all purposes whatsoever.

An International Global Security may be exchanged, in whole or from time to time in part, for other Securities of such series, which may be issued as International Global
Securities or in non-global form, all if and as established pursuant to the applicable Officer’s Certificate or supplemental indenture and the Securities and this Indenture. Any International Global Security to be so exchanged shall be surrendered to the Trustee for exchange; *provided* that, if such Security so provides and is to be exchanged in part only, then, in lieu of such surrender, the principal amount thereof may be reduced, by an amount equal to the portion thereof to be so exchanged, by means of an appropriate adjustment on the records of the Trustee (and, if so contemplated by such Security, any appropriate notation made on such Security). Upon any such surrender or adjustment, the Trustee shall arrange for the authentication and delivery, in exchange for each portion of such International Global Security to be exchanged and without charge to the holders, of an equal aggregate principal amount of Bearer Securities and/or Registered Securities of the same series of authorized denominations and of like tenor as such portion, in such combination thereof as shall be communicated to the Trustee by Euroclear or Clearstream, Luxembourg, and, if in registered form, registered in such name as may be so communicated to the Trustee. With respect to any remaining portion of an International Global Security so surrendered for partial exchange, the Trustee shall arrange for the authentication and delivery, in exchange for such remaining portion and without charge to the holder, of a new International Global Security of the same series and of like tenor and form having an equal principal amount.

(b) Certain Transfers and Exchanges of Restricted Securities and Regulation S Securities. Notwithstanding any other provision of this Indenture or the Securities, transfers and exchanges of beneficial interests in U.S. Global Securities shall be made only in accordance with this paragraph (b). Transfers and exchanges subject to this paragraph (b) shall also be subject to the other provisions of this Indenture that are not inconsistent with this paragraph (b). Nothing in this paragraph (b) shall be deemed to apply to the transfer and exchange of Exchange Securities or Securities from which the legends have been removed (and not reinstated) pursuant to paragraph (c) of this Section.

(i) Restricted Global Security to Regulation S Global Security. If Securities of the same series and like tenor are issued in the form of a Restricted Global Security and a Regulation S Global Security, and if the owner of a beneficial interest in the Restricted Global Security wishes at any time to transfer such interest to a Person who wishes to take delivery thereof in the form of a beneficial interest in the Regulation S Global Security of the same series and like tenor, such holder may, subject to the rules and procedures of the U.S. Depositary therefor, Euroclear and Clearstream, Luxembourg (the “Applicable Procedures”), transfer or cause the transfer of such interest for an equivalent beneficial interest in such Regulation S Global Security in accordance with this clause (i). Upon receipt by the Trustee, as Security Registrar, at its office in The City of New York of (A) written instructions given in accordance with the Applicable Procedures from an Agent Member directing the Trustee to credit or cause to be credited to such Agent Member’s account a beneficial interest in such Regulation S Global Security in an amount equal to the beneficial interest in such Restricted Global Security to be transferred, (B) a written order given by the holder of such beneficial interest in accordance with the Applicable Procedures containing information regarding the Agent Member’s account to be credited with such increase and the name of such account, and (C) a certificate in substantially the form of Exhibit H hereto given by the holder of such beneficial interest stating that the transfer of such interest has been made in compliance
with the transfer restrictions applicable to the Securities and pursuant to and in accordance with Regulation S, the Trustee shall instruct the U.S. Depositary to reduce or reflect on its records a reduction of such Restricted Global Security by the aggregate principal amount of the beneficial interest in such Restricted Global Security to be so transferred and the Trustee shall instruct the U.S. Depositary concurrently with such reduction, to increase or reflect on its records an increase in the principal amount of such Regulation S Global Security by the aggregate principal amount of the beneficial interest in such Restricted Global Security to be so transferred, and to credit or cause to be credited to the account of the person specified in such instructions a beneficial interest in such Regulation S Global Security equal to the reduction in the principal amount of such Restricted Global Security.

(ii) **Transfer or Exchange from Restricted Global Security to Unrestricted Global Security.** If Securities of the same series and like tenor are issued in the form of a Regulation S Global Security and a Restricted Global Security, and if a holder of a beneficial interest in the Restricted Global Security deposited with the U.S. Depositary wishes at any time to exchange its interest in such Restricted Global Security for an interest in the Unrestricted Global Security of the same series and like tenor, or to transfer its interest in such Restricted Global Security to a person who wishes to take delivery thereof in the form of an interest in the Unrestricted Global Security of the same series and like tenor, such holder may, subject to the Applicable Procedures, exchange or cause the exchange, or transfer or cause the transfer, of such interest for an equivalent beneficial interest in such Unrestricted Global Security in accordance with this clause (ii). Upon receipt by the Trustee, as Security Registrar, at its office in The City of New York of (A) written instructions given in accordance with the Applicable Procedures from an Agent Member directing the Trustee to credit or cause to be credited to a specified Agent Member’s account, a beneficial interest in such Unrestricted Global Security in an amount equal to the beneficial interest in such Restricted Global Security to be exchanged or transferred, (B) a written order given by the holder of such beneficial interest in accordance with the Applicable Procedures containing information regarding the account of the Agent Member to be credited with such increase, and (C) a certificate in substantially the form of Exhibit I hereto given by the holder of such beneficial interest stating that the exchange or transfer of such interest has been made in compliance with the transfer restrictions applicable to the Securities and (1) that such transfer or exchange has been made pursuant to and in accordance with Regulation S or (2) that the Security being exchanged or transferred is being exchanged or transferred in a transaction permitted by and in accordance with Rule 144 under the Securities Act, the Trustee shall instruct the U.S. Depositary to reduce or reflect on its records a reduction of such Restricted Global Security by the aggregate principal amount of the beneficial interest in such Restricted Global Security to be so exchanged or transferred and the Trustee shall instruct the U.S. Depositary, concurrently with such reduction, to increase or reflect on its records an increase in the principal amount of such Unrestricted Global Security by the aggregate principal amount of the beneficial interest in such Restricted Global Security to be so exchanged or transferred, and to credit or cause to be credited to the account of the person specified in such instructions a beneficial interest in such Unrestricted Global Security equal to the reduction in the principal amount of such Restricted Global Security.
(iii) **Transfer or Exchange from Regulation S Global Security or Unrestricted Global Security to Restricted Global Security.** If Securities of the same series and like tenor are issued in the form of a Regulation S Global Security and a Restricted Global Security, and if a holder of a beneficial interest in the Regulation S Global Security or the Unrestricted Global Security deposited with the U.S. Depositary wishes at any time to exchange its interest in such Regulation S Global Security or Unrestricted Global Security for an interest in the Restricted Global Security of the same series and like tenor, or to transfer its interest in such Regulation S Global Security or Unrestricted Global Security to a person who wishes to take delivery thereof in the form of an interest in the Restricted Global Security of the same series and like tenor, such holder may, subject to the Applicable Procedures, exchange or cause the exchange, or transfer or cause the transfer, of such interest for an equivalent beneficial interest in such Restricted Global Security in accordance with this clause (iii). Upon receipt by the Trustee, as Security Registrar, of (A) written instructions given in accordance with the Applicable Procedures from an Agent Member directing the Trustee to credit or cause to be credited a beneficial interest in such Restricted Global Security in an amount equal to the beneficial interest in such Regulation S Global Security or such Unrestricted Global Security to be exchanged or transferred, such instructions to contain information regarding the Agent Member’s account with the U.S. Depositary to be credited with such increase, and, with respect to an exchange or transfer of an interest in the Unrestricted Global Security, information regarding the Agent Member’s account with the U.S. Depositary to be debited with such decrease, and (B) with respect to an exchange or transfer of an interest in such Regulation S Global Security (but not such Unrestricted Global Security) for an interest in the Restricted Global Security, a certificate in substantially the form of Exhibit J hereto given by the holder of such beneficial interest and stating that the person transferring such interest in such Regulation S Global Security reasonably believes that the person acquiring such interest in the Restricted Global Security is acquiring such interest for its own account or accounts as to which it exercises sole investment discretion and each such person and each such account is a qualified institutional buyer (as defined in Rule 144A) and is obtaining such beneficial interest in a transaction meeting the requirements of Rule 144A, the Trustee shall instruct the U.S. Depositary to reduce or reflect in its records a reduction of such Regulation S Global Security or such Unrestricted Global Security, as the case may be, by the aggregate principal amount of the beneficial interest in such Regulation S Global Security or Unrestricted Global Security to be exchanged or transferred, and the Trustee shall instruct the U.S. Depositary, concurrently with such reduction, to increase or reflect in its records an increase in the principal amount of such Restricted Global Security by the aggregate principal amount of the beneficial interest in such Regulation S Global Security or such Unrestricted Global Security, as the case may be, to be so exchanged or transferred, and to credit or cause to be credited to the account of the person specified in such instructions a beneficial interest in such Restricted Global Security equal to the reduction in the principal amount of such Regulation S Global Security or such Unrestricted Global Security, as the case may be.

(iv) **Other Transfers or Exchanges.** In the event that a Registered Global Security is exchanged for definitive Registered Securities, such Securities may be exchanged, as specified in the relevant Officer’s Certificate or supplemental indenture, or transferred for one another only in accordance with such procedures as are substantially
consistent with the provisions of clauses (i) through (iii) above (including the certification requirements intended to ensure that such exchanges or transfers comply with Rule 144A or Regulation S under the Securities Act, as the case may be) and as may be from time to time adopted by the Guarantor and the Trustee, and any Applicable Procedures.

(v) International Global Securities. If all Securities represented by an International Global Security deposited with a Common Depositary are offered and sold outside the United States in accordance with Regulation S, such International Global Security may be designated in the applicable Officer’s Certificate or supplemental indenture as a Regulation S Global Security. In such event, the procedures for transfer of beneficial interests in Regulation S Global Securities, Unrestricted Global Securities and Restricted Global Securities set forth in this Section 3.05(b) shall, if so established in the applicable Officer’s Certificate or supplemental indenture, apply to such International Global Security, with such modifications as may be necessary to reflect the involvement of the Common Depositary and similar matters, all as may be established in the applicable Officer’s Certificate or supplemental indenture.

The Trustee shall retain copies of all letters, notices and other written communications received pursuant to this Section 3.05(b). Each of the Issuer and the Guarantor (at its own expense) shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable prior written notice to the Trustee.

(c) Legends. If any Security is issued upon the transfer, exchange or replacement of another Security that does not bear a legend setting forth restrictions on transfer that are intended to ensure compliance with the Securities Act (the “Legend”), the Security so issued shall not bear the Legend. If any Security is issued upon the transfer, exchange or replacement of another Security bearing the Legend, or if a request is made to remove the Legend on any Security, the Security so issued shall bear the Legend, or the Legend shall not be removed, as the case may be, unless (i) such Securities (or beneficial interests) are exchanged in an Exchange Offer; (ii) such Securities (or beneficial interests) are transferred pursuant to a Registration Statement; or (iii) in connection with such transfer, exchange or replacement there is delivered to the Issuer and the Guarantor such satisfactory evidence, which may include an opinion of independent counsel licensed to practice law in the State of New York, as may reasonably required by the Guarantor that neither the Legend nor the restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of Rule 144A, Rule 144 or Regulation S under the Securities Act or that such Securities are not “restricted securities” within the meaning of Rule 144 under the Securities Act. Upon provision of such satisfactory evidence, the Trustee, at the written direction of the Guarantor, shall authenticate and deliver in exchange for such Security another Security or Securities having an equal aggregate principal amount that does or do not bear the Legend. If such a Legend required for a Restricted Security has been removed from such Security as provided above, it shall not be a Restricted Security and no other Security issued in exchange for all or any part of such Security shall bear the Legend, unless the Guarantor has reasonable cause to believe that such other Security is a “restricted security” within the meaning of Rule 144 under the Securities Act (or any successor provision) and instructs the Trustee in writing to cause a legend to appear thereon. If the Legend is
removed from the face of a Security and it is subsequently held by an Affiliate of the Issuer or
the Guarantor, the Legend shall be reinstated.

SECTION 3.06. **Mutilated, Destroyed, Lost and Stolen Securities.**

If any mutilated Security of any series is surrendered to the Trustee, the Issuer shall execute a new Security of such series of like tenor and principal amount and bearing a number not contemporaneously Outstanding, the Guarantor shall execute the Guaranty endorsed thereon, and the Trustee shall authenticate and deliver such new Security in exchange for such mutilated Security.

If there shall be delivered to the Issuer, the Guarantor and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security of any series and the ownership thereof and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of written notice to the Issuer or the Trustee that such Security has been acquired by a *bona fide* purchaser, the Issuer shall execute a new Security of the same series of like tenor and principal amount and bearing a number not contemporaneously Outstanding, the Guarantor shall execute the Guaranty endorsed thereon, and the Trustee shall authenticate and deliver such new Security in lieu of any such destroyed, lost or stolen Security.

In case any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Issuer may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Issuer and (as to the Guaranty thereof) the Guarantor, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of that series duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

SECTION 3.07. **Payment of Interest; Interest Rights Preserved.**

(a) In respect of any series of Registered Securities, interest on any Security which is payable other than at Maturity, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such
interest. In respect of any series of Registered Securities, interest payable at Maturity shall be payable to the Person to whom the principal thereof is payable.

Any interest on any Registered Security of any series which is payable other than at Maturity, but is not punctually paid or duly provided for, on any Interest Payment Date (herein called “Defaulted Interest”) shall forthwith cease to be payable to the Holder on the relevant Regular Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Issuer, at its election in each case, as provided in clause (1) or (2) below:

(1) The Issuer may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuer shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Security of such series and the date of the proposed payment, and at the same time the Issuer shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon the Trustee shall fix a “Special Record Date” for the payment of such Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Issuer and the Guarantor of such Special Record Date and, in the name and at the expense of the Issuer, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be given to the Holders of Securities of such series in accordance with Section 1.06, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so given, such Defaulted Interest shall be paid to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (2).

(2) The Issuer may make payment of any Defaulted Interest on the Securities of any series in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Securities of such series may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Issuer to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Security (except that Exchange Securities shall not be entitled to Additional Interest).
(b) Any interest on Bearer Securities of a series shall be payable by check or wire transfer upon presentation of the relevant Permanent Global Bearer Security or surrender of the applicable coupon, if any, and principal of (and premium, if any, on) Bearer Securities of such series shall be payable by check or wire transfer upon surrender of such Securities, at such offices or agencies of the Trustee or any paying agent outside the United States as the Issuer may from time to time designate, unless the Issuer shall have otherwise instructed the Trustee in writing, or additionally or alternatively, in such other manner as may be set forth or provided for in the Securities of such series. No such check which is mailed shall be mailed to an address in the United States, nor shall any transfer made in lieu of payment by check be made to an account maintained by the payee with a bank in the United States. The Trustee and each other Paying Agent shall not, and the Issuer shall not instruct the Trustee or any Paying Agent to, make such payments on Bearer Securities of a series at an office or agency located in the United States unless such payments are to be made in U.S. dollars and payment of the full amount so payable at each office of the Trustee and of each Paying Agent outside the United States appointed and maintained by the Issuer in accordance with Section 10.02 hereof is illegal or effectively precluded by reason of the imposition of exchange controls or other similar restrictions on the full payment or receipt of such amount in U.S. dollars.

(c) Each of the Issuer and the Guarantor shall have the right reasonably to require a holder of a Security, as a condition of payment of the principal of or any premium or interest on such Security, to present at such place as the Issuer or the Guarantor, as the case may be, shall designate a certificate to the Issuer, the Guarantor and the Trustee in such form as the Guarantor may from time to time prescribe to enable the Issuer and the Guarantor to determine their respective duties and liabilities with respect to (i) any taxes, assessments or governmental charges which the Issuer, the Guarantor, the Trustee or any withholding agent may be required to deduct or withhold from payments in respect of such Security under any present or future law of any jurisdiction or any regulation of any taxing authority thereof and (ii) any reporting or other requirements under such laws or regulations. To the extent not otherwise prohibited by applicable laws and regulations, the Issuer and the Guarantor shall be entitled to determine their respective duties and liabilities with respect to such deduction, withholding, reporting or other requirements on the basis of information contained in such certificate, or, if no certificate shall be presented, on the basis of any presumption created by any such law or regulation, and shall be entitled to act in accordance with such determination; provided that neither the Issuer nor the Guarantor shall be entitled to withhold all or any part of any such payment except as required by applicable law or regulation.

The Trustee and each such withholding agent shall retain each certificate received by it and relating to the Securities of a series for so long as any Security of such series is outstanding and in no event for less than four years after its receipt, and for such additional period thereafter as such certificate may become material in the administration of applicable tax laws.

(d) With respect to any series of Securities that is listed on the Luxembourg Stock Exchange and bears interest at a floating rate, the Trustee shall notify the Luxembourg Stock Exchange of the Interest Payment Dates for such Securities, the applicable interest rate and the amount of interest payable on each Interest Payment Date by no later than the beginning of the relevant Interest Reset Date (as defined in such Securities) relating to such Securities.
SECTION 3.08. Additional Amounts.

(a) The Issuer, or, in the case of a payment by the Guarantor or a Subsidiary Guarantor, such Guarantor or Subsidiary Guarantor, will pay to the Holders of the Securities of each series such additional amounts (“Additional Amounts”) as may be necessary in order that every net payment made by the Issuer, the Guarantor or a Subsidiary Guarantor on the Securities, the Guaranties or the Subsidiary Guaranties, as the case may be, after deduction or withholding for or on account of any present or future tax, assessment or other governmental charge imposed upon or as a result of such payment by Mexico or any political subdivision or taxing authority thereof or therein (“Mexican Withholding Taxes”) will not be less than the amount then due and payable on the Securities. The foregoing obligation to pay Additional Amounts, however, will not apply to:

(1) any Mexican Withholding Taxes which would not have been imposed or levied on a Holder of Securities but for the existence of any present or former connection between such Holder and Mexico or any political subdivision or territory or possession thereof or area subject to its jurisdiction, including, without limitation, such Holder of Securities (i) being or having been a citizen or resident thereof, (ii) maintaining or having maintained an office, permanent establishment or branch therein, or (iii) being or having been present or engaged in trade or business therein, except for a connection solely arising from the mere ownership of, or receipt of payment under, such Securities or related Guaranties or Subsidiary Guaranties;

(2) except as otherwise provided, any estate, inheritance, gift, sales, transfer, or personal property or similar tax, assessment or other governmental charge;

(3) any Mexican Withholding Taxes that are imposed or levied by reason of the failure by the Holder of such Securities to comply with any certification, identification, information, documentation, declaration or other reporting requirement that is required or imposed by a statute, treaty, regulation, general rule or administrative practice as a precondition to exemption from, or reduction in the rate of, the imposition, withholding or deduction of any Mexican Withholding Taxes; provided that at least 60 days prior to (i) the first Interest Payment Date with respect to which the Issuer, the Guarantor or any Subsidiary Guarantor shall apply this clause (3) and, (ii) in the event of a change in such certification, identification, information, documentation, declaration or other reporting requirement, the first Interest Payment Date subsequent to such change, the Issuer, the Guarantor or a Subsidiary Guarantor, as the case may be, shall have notified the Trustee, in writing, that such Holders will be required to provide such certification, identification, information or documentation, declaration or other reporting;

(4) any Mexican Withholding Taxes imposed at a rate in excess of 4.9%, in the event that such Holder has failed to provide on a timely basis, at the reasonable request of the Issuer, information or documentation (not described in clause (3) above) concerning such Holder’s eligibility, if any, for benefits under an income tax treaty to which Mexico is a party that is necessary to determine the appropriate rate of deduction or withholding of Mexican Withholding Taxes under any such treaty;
(5) any Mexican Withholding Taxes that would not have been so imposed but for the presentation of such Security by such Holder for payment on a date more than 15 days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later;

(6) any payment to a Holder who is a fiduciary or partnership or other than the sole beneficial owner of any such payment, to the extent that a beneficiary or settlor with respect to such fiduciary, a member of such a partnership or the beneficial owner of such payment would not have been entitled to the Additional Amounts had such beneficiary, settlor, member or beneficial owner been the Holder of such Security; or

(7) any withholding tax or deduction imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other European Union Directive implementing the conclusions of the ECOFIN Council meeting of November 26-27, 2000 on the taxation of savings income, or any law implementing or complying with, or introduced in order to conform to, such a directive or presented for payment by or on behalf of a Holder who would have been able to avoid such withholding or deduction by presenting the relevant Security to another Paying Agent in a member state of the European Union.

(b) Notwithstanding the foregoing, the limitations on the Issuer’s, the Guarantor’s and the Subsidiary Guarantors’ obligation to pay Additional Amounts set forth in clauses (3) and (4) of paragraph (a) above will not apply if the provision of the certification, identification, information, documentation, declaration or other evidence described in such clauses (3) and (4) would be materially more onerous, in form, in procedure or in the substance of information disclosed, to a Holder or beneficial owner of a Security (taking into account any relevant differences between United States and Mexican law, regulation or administrative practice) than comparable information or other applicable reporting requirements imposed or provided for under United States federal income tax law (including the United States-Mexico Income Tax Treaty), regulations (including proposed regulations) and administrative practice. In addition, the limitations on the Issuer’s, the Guarantor’s and the Subsidiary Guarantors’ obligation to pay Additional Amounts set forth in clauses (3) and (4) of paragraph (a) above shall not apply if Rule 3.23.8 published in the Diario Oficial de la Federación on April 30, 2004, as amended to date, or a substantially similar successor of such rule is in effect, unless (i) the provision of the certification, identification, information, documentation, declaration or other evidence described in such clauses (3) and (4) is expressly required by statute, regulation, general rules or administrative practice in order to apply Rule 3.23.8 (or a substantially similar successor of such rule), the Issuer, the Guarantor or the applicable Subsidiary Guarantor cannot obtain such certification, identification, information, documentation, declaration or evidence, or satisfy any other reporting requirements, on its own through reasonable diligence and the Issuer, the Guarantor or the applicable Subsidiary Guarantor otherwise would meet the requirements for application of Rule 3.23.8 (or such successor of such rule) or (ii) in the case of a Holder or a beneficial owner of a Security that is a pension fund or other tax-exempt organization, such Holder or beneficial owner would be subject to Mexican Withholding Taxes at a rate less than that provided by Rule 3.23.8 if the information, documentation or other evidence required under clause (4) of paragraph (a) above were provided. In addition, clauses (3) or (4) of paragraph (a) above shall not be construed to require that a non-Mexican pension or retirement fund, a non-
Mexican tax-exempt organization or a non-Mexican financial institution or any other Holder or beneficial owner of this Security register with the Secretaría de Hacienda y Crédito Publico (the “Ministry of Finance and Public Credit”) for the purpose of establishing eligibility for an exemption from or reduction of Mexican Withholding Taxes.

(c) The Issuer, the Guarantor or the applicable Subsidiary Guarantor will, upon written request, provide the Trustee, the Holders and the Paying Agents with a duly certified or authenticated copy of an original receipt of the payment of Mexican Withholding Taxes which the Issuer, the Guarantor or such Subsidiary Guarantor has withheld or deducted in respect of any payments made under or with respect to this Security, the Guaranty or the Subsidiary Guaranty, as the case may be.

(d) Any reference in this Indenture, the Securities, the Guaranties or the Subsidiary Guaranties to principal, interest, Redemption Price or any other amount payable under or with respect to the Securities, the Guaranties or the Subsidiary Guaranties will be deemed also to refer to any Additional Amounts which may be payable under the undertakings referred to in this Section and express mention of Additional Amounts in any provision hereof or thereof shall not be construed as excluding Additional Amounts in those provisions hereof and thereof where such express mention is not made.

(e) In the event that Additional Amounts actually paid with respect to the Securities are based on rates of deduction or withholding of Mexican Withholding Taxes in excess of the appropriate rate applicable to the Holder or beneficial owner of a Security and, as a result thereof, such Holder or beneficial owner is entitled to make a claim for a refund or credit of such excess, then such Holder or beneficial owner shall, by accepting the Securities, be deemed to have assigned and transferred all right, title and interest to any such claim for a refund or credit of such excess to the Issuer, the Guarantor or the applicable Subsidiary Guarantor, as the case may be. By making such assignment, however, the Holder or beneficial owner makes no representation or warranty that the Issuer will be entitled to receive such claim for a refund or credit, and such Holder or beneficial owner incurs no other obligation with respect thereto.

SECTION 3.09. Persons Deemed Owners.

Prior to due presentment of a Registered Security for registration of transfer, the Issuer, the Guarantor, the Trustee and any agent of the Issuer, the Guarantor or the Trustee may treat the Person in whose name such Security is registered as the owner of such Security for the purpose of receiving payment of principal of and (subject to Section 3.07) interest on such Security and for all other purposes whatsoever, whether or not such Security be overdue, and none of the Issuer, the Guarantor, the Subsidiary Guarantors, the Trustee nor any agent of any of them shall be affected by notice to the contrary.

The Trustee, the Issuer, the Guarantor, the Subsidiary Guarantors and any agent of any of them may deem and treat the bearer of any Bearer Security or coupon appertaining thereto as the owner thereof for all purposes thereunder and under this Indenture.
SECTION 3.10. Cancellation.

All Securities surrendered for payment, redemption, registration of transfer or exchange or conversion, if surrendered to any Person other than the Trustee, shall be delivered to the Trustee and shall be promptly canceled by it. The Issuer or the Guarantor may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Issuer or the Guarantor may have acquired in any manner whatsoever, and all Securities so delivered shall be promptly canceled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities canceled as provided in this Section, except as expressly permitted by this Indenture. All canceled Securities held by the Trustee shall be disposed of in accordance with the Trustee’s customary practices and procedures in effect from time to time.

SECTION 3.11. Assumption by Guarantor.

The Guarantor may, without the consent of the Holders, directly assume all of the covenants, agreements, rights and obligations of the Issuer hereunder with respect to any series of Securities and under the Securities of such series if, after giving effect to such assumption, no Event of Default shall have occurred and be continuing. Upon such an assumption, the Guarantor shall execute a supplemental indenture evidencing its assumption of all such rights and obligations of the Issuer, and the Issuer shall be released from its liabilities hereunder and under such Securities as obligor on the Securities of such series.

ARTICLE FOUR

(2) the Issuer and the Guarantor have paid or caused to be paid all other sums payable hereunder by the Issuer and the Guarantor; and

(3) the Guarantor has delivered to the Trustee an Officer’s Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Issuer and the Guarantor to the Trustee under Section 6.07, the obligations of the Trustee to any Authenticating Agent under Section 6.14 and, if money shall have been deposited with the Trustee pursuant to subclause (B) of clause (1) of this Section, the obligations of the Trustee under Section 4.02 and the last paragraph of Section 10.03 shall survive.

SECTION 4.02. **Application of Trust Money.**

Subject to the provisions of the last paragraph of Section 10.03, all money deposited with the Trustee pursuant to Section 4.01 shall be held in trust and applied by it, in accordance with the provisions of the Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal and interest for whose payment such money has been deposited with the Trustee.

If an Event of Default with respect to any series of Securities occurs and is continuing, then and in every such case the Trustee, if so requested in writing by the Holders of not less than 20% in principal amount of the Outstanding Securities of that series shall declare the principal amount (or, if the Securities of such series are Original Issue Discount Securities, such portion of the principal amount as may be specified in the terms of such series) of, and accrued interest on, all the Securities of that series to be due and payable immediately, by a notice in writing to the Issuer, the Guarantor and the Subsidiary Guarantors, and upon any such declaration the same shall become immediately due and payable.

At any time after such a declaration of acceleration with respect to Securities of any series has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article provided, the Holders of a majority in aggregate principal amount of the Outstanding Securities of that series, by written notice to the Issuer and the Trustee, may rescind and annul such declaration and its consequences if all Events of Default with respect to Securities of that series, other than the non-payment of the principal of
Securities of that series which has become due solely by such declaration of acceleration, have been cured or waived as provided in Section 5.13.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

If the Securities of any series provide that an amount other than the face amount thereof will be payable upon the maturity thereof or a declaration of acceleration of the maturity thereof, then for purposes of this Section 5.02 the principal amount of such Securities shall be deemed to be such amount as shall be due and payable upon the acceleration of the maturity thereof, except as may otherwise be provided with respect to such Securities pursuant to Section 2.02, and payment of such amount, together with interest, if any, thereon and all other amounts owing thereunder, shall constitute payment in full of such Securities.

SECTION 5.03. **Collection of Indebtedness and Suits for Enforcement by Trustee.**

The Issuer covenants that if

(1) default is made in the payment of any interest on any of the Securities of any series when such interest becomes due and payable and such default continues for a period of 30 days, or

(2) default is made in the payment of the principal of (or premium, if any, on) any of the Securities of any series at the Maturity thereof,

the Issuer shall, upon demand of the Trustee, pay to it, for the benefit of the Holders of the Securities of such series, the whole amount then due and payable on all Securities of such series for principal and any premium and interest, and, to the extent that payment of such interest shall be legally enforceable, interest on any overdue principal and on any overdue interest, at the rate or rates prescribed therefor in the Securities of such series, and, in addition thereto, such further amount as shall be sufficient to cover the reasonable and duly documented costs and expenses of collection, including the reasonable and duly documented compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If an Event of Default with respect to the Securities of any series occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of the Securities of such series by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

SECTION 5.04. **Trustee May File Proofs of Claim.**

In case of any judicial proceeding relative to the Issuer, the Guarantor, any Subsidiary Guarantor (or any other obligor upon the Securities of any series), its property or its creditors, the Trustee shall be entitled and empowered (but not required), by intervention in such proceeding or otherwise, to take any and all actions authorized under the Trust Indenture Act in order to have claims of the Holders of such Securities and the Trustee allowed in any such
proceeding. In particular, the Trustee shall be authorized to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder of such Securities to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders of such Securities, to pay to the Trustee any amount due it for the reasonable and duly documented compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 6.07.

No provision of this Indenture shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder of such Securities any plan of reorganization, arrangement, adjustment or composition affecting such Securities, Guaranties or Subsidiary Guaranties or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder of such Securities in any such proceeding.

SECTION 5.05. **Trustee May Enforce Claims Without Possession of Securities.**

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable and duly documented compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

SECTION 5.06. **Application of Money Collected.**

Any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal or any premium or interest, upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 6.07;

SECOND: To the payment of the amounts then due and unpaid for principal of or interest on the Securities in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal and any premium and interest, respectively; and

THIRD: Any remaining amounts shall be repaid to the Issuer or, to the extent that such money was provided by the Guarantor or a Subsidiary Guarantor, to such Guarantor or Subsidiary Guarantor, and their respective successors and assigns.
SECTION 5.07. **Limitation on Suits.**

No Holder of any Security of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless

1. such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Securities of that series;

2. the Holders of not less than 20% in principal amount of the Outstanding Securities of that series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

3. such Holder or Holders have offered to the Trustee indemnity satisfactory to it against the costs, expenses and liabilities to be incurred in compliance with such request;

4. the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and

5. no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in principal amount of the Outstanding Securities of that series;

it being understood and intended that no one or more Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders, or to obtain or to seek to obtain priority or preference over any other Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders.

SECTION 5.08. **Unconditional Right of Holders to Receive Principal and Interest.**

Notwithstanding any other provision of this Indenture, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment of the principal of and any premium and (subject to Section 3.07) interest on such Security on the respective Stated Maturity or Maturities expressed in such Security (or, in the case of redemption, on the Redemption Date) (as such Security may be amended or modified pursuant to Section 9.02) and to institute suit for the enforcement of any such payment, and, except as provided in Section 9.02, such rights shall not be impaired without the consent of such Holder.

SECTION 5.09. **Restoration of Rights and Remedies.**

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuer, the Guarantor, the Trustee and
the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

SECTION 5.10.  **Rights and Remedies Cumulative.**

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in the last paragraph of Section 3.06, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 5.11.  **Delay or Omission Not Waiver.**

No delay or omission of the Trustee or of any Holder of any Security to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 5.12.  **Control by Holders.**

The Holders of a majority in principal amount of the Outstanding Securities of any series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, with respect to the Securities of that series; provided that

1. such direction shall not be in conflict with any rule of law or with this Indenture, and
2. the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

SECTION 5.13.  **Waiver of Past Defaults.**

The Holders of not less than a majority in principal amount of the Outstanding Securities of any series may on behalf of the Holders of all the Securities of such series waive any past default hereunder and its consequences, provided that a default

1. in the payment of the principal of or premium or interest on any Security of such series, or
2. in respect of a covenant or provision hereof the modification of which would constitute a Reserved Matter,
may be waived only by a percentage of Holders of Outstanding Securities of such series that 
would be sufficient to effect a modification, amendment, supplement or waiver of such matter 
under Article Nine.

Upon any such waiver, such default shall cease to exist, and any Event of Default 
arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no 
such waiver shall extend to any subsequent or other default or impair any right consequent 
thereon.

SECTION 5.14.  **Undertaking for Costs.**

In any suit for the enforcement of any right or remedy under this Indenture, or in 
any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, a court may 
require any party litigant in such suit to file an undertaking to pay the costs of such suit, and may 
assess costs against any such party litigant, in the manner and to the extent provided in the Trust 
Indenture Act; **provided** that neither this Section nor the Trust Indenture Act shall be deemed to 
authorize any court to require such an undertaking or to make such an assessment in any suit 
instituted by the Issuer or the Guarantor.

SECTION 5.15.  **Waiver of Stay or Extension Laws.**

Each of the Issuer and the Guarantor covenants (to the extent that it may lawfully 
do so) that it shall not at any time insist upon, or plead, or in any manner whatsoever claim or 
take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time 
hereafter in force, which may affect the covenants or the performance of this Indenture; and each 
of them (to the extent that it may lawfully do so) hereby expressly waives all benefit or 
advantage of any such law and covenants that it shall not hinder, delay or impede the execution 
of any power herein granted to the Trustee, but shall suffer and permit the execution of every 
such power as though no such law had been enacted.

**ARTICLE SIX**

**THE TRUSTEE**

SECTION 6.01.  **Certain Duties and Responsibilities.**

(a) The duties and responsibilities of the Trustee shall be as provided by the Trust 
Indenture Act. Notwithstanding the foregoing, no provision of this Indenture shall require the 
Trustee to expend or risk its own funds or incur any liability, financial or otherwise, in the 
performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it 
shall have reasonable grounds for believing that repayment of such funds or adequate indemnity 
against such risk or liability is not reasonably assured to it. Whether or not therein expressly so 
provided, every provision of this Indenture relating to the conduct or affecting the liability of or 
affording protection to the Trustee shall be subject to the provisions of this Section.

(b) The Trustee undertakes to perform such duties and only such duties as are 
specifically set forth in this Agreement and in the Trust Indenture Act.
SECTION 6.02. **Notice of Defaults.**

If a default occurs hereunder with respect to Securities of any series, and if such default is actually known to a Responsible Officer of the Trustee, the Trustee shall give the Holders of Securities of such series notice of such default as and to the extent provided by the Trust Indenture Act; provided that except in the case of any default of the character specified in Section 5.01(a), the Trustee shall be protected in withholding such notice if and so long as Responsible Officers of the Trustee in good faith determine that the withholding of such notice is in the interests of the Holders; and provided, further, that, in the case of any default of the character specified in Section 5.01(c), no such notice to Holders shall be given until after the grace period, if any, applicable to such default has run. For the purpose of this Section, the term “default” means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Securities of such series.

SECTION 6.03. **Certain Rights of Trustee.**

Subject to the provisions of Section 6.01:

(1) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(2) any request or direction of the Issuer or the Guarantor mentioned herein shall be sufficiently evidenced by an Officer’s Certificate (unless other evidence in respect thereof is herein specifically prescribed) or, in the case of a request or direction of the Issuer or Guarantor, an Issuer Request or Issuer Order or Guarantor Request or Guarantor Order, respectively, and any resolution of the Board of Directors of the Guarantor may be sufficiently evidenced by a Board Resolution;

(3) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee shall be entitled to receive (unless other evidence be herein specifically prescribed) and may, in the absence of bad faith on its part, conclusively rely upon an Officer’s Certificate;

(4) the Trustee may consult with counsel of its own choosing and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(5) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of
any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to it against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(6) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document or to inquire into the compliance by the Issuer or the Guarantor with the covenants in Article Ten, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit;

(7) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it with the prior written consent of the Guarantor and monitored with due care by it hereunder; provided that the Trustee shall be required to terminate any such agent if it has actual knowledge of any failure by such agent to perform its delegated duties;

(8) the Trustee shall not be under any obligation to take any action that is discretionary under the provisions of this Indenture;

(9) the Trustee shall not be charged with knowledge of any default or Event of Default unless either (a) a Responsible Officer of the Trustee shall have actual knowledge of such event or (b) a Responsible Officer of the Trustee shall have received written notice thereof from the Issuer, the Guarantor or a Holder;

(10) no permissive power or authority available to the Trustee shall be construed as a duty;

(11) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer of the Trustee, unless the Trustee was grossly negligent in ascertaining the pertinent facts;

(12) the Trustee shall have no obligation to invest in and reinvest any cash held in the absence of timely and specific written investment direction from the Issuer; in no event shall the Trustee be liable for the selection of investments or for investment losses incurred thereon; and the Trustee shall have no liability in respect of losses incurred as a result of the liquidation of any investment prior to its stated maturity or the failure of the Issuer to provide timely written investment direction; and
(13) neither the Trustee nor any of its officers, directors, employees or agents shall be liable for any action taken or omitted under this Agreement or in connection therewith except to the extent caused by the Trustee’s gross negligence, bad faith, or willful misconduct. Anything in this Agreement to the contrary notwithstanding, in no event shall the Trustee be liable for special, indirect or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

SECTION 6.04. **Not Responsible for Recitals or Issuance of Securities.**

The recitals contained herein and in the Securities, except the Trustee’s certificates of authentication, shall be taken as the statements of the Issuer and the Guarantor, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities. The Trustee shall not be accountable for the use or application by the Issuer of Securities or the proceeds thereof.

SECTION 6.05. **May Hold Securities.**

The Trustee, any Authenticating Agent, any Paying Agent, any Security Registrar or any other agent of the Issuer, in its individual or any other capacity, may become the owner or pledgee of Securities and, subject to Sections 6.08 and 6.13, may otherwise deal with the Issuer and the Guarantor with the same rights it would have if it were not Trustee, Authenticating Agent, Paying Agent, Security Registrar or such other agent.

SECTION 6.06. **Money Held in Trust.**

Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed with the Issuer.

SECTION 6.07. **Compensation and Reimbursement.**

The Issuer and the Guarantor agree:

1. to pay to the Trustee from time to time such compensation as shall be agreed upon in writing between the Issuer, the Guarantor and the Trustee from time to time for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

2. except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable and duly documented expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable and duly documented compensation and the reasonable and duly
documented expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its gross negligence or bad faith; and

(3) to indemnify the Trustee and its directors, officers, agents and employees for, and to hold it harmless against, any and all loss, liability or expense incurred without gross negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of this trust, including the reasonable and duly documented costs and expenses of defending itself against or investigating any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder.

As security for the performance of the obligations of the Issuer and the Guarantor under this Section, the Trustee shall have a lien prior to the Securities upon all property and funds held or collected by the Trustee, except funds held in trust for the benefit of the Holders of particular Securities. When the Trustee incurs expenses or renders services in connection with an Event of Default as set forth in Sections 5.01(f), (g) or (h), such expenses (including the reasonable and duly documented fees and expenses of its counsel and agents) and the compensation for such services are intended to constitute expenses of administration under any bankruptcy law or law relating to creditor’s rights generally. The compensation and indemnification obligations of the Issuer and the Guarantor set forth in this Section shall survive the payment in full of all amounts due and owing hereunder and under the Securities, the termination and discharge of this Indenture or the earlier resignation or removal of the Trustee.

SECTION 6.08. **Disqualification; Conflicting Interests.**

If the Trustee has or shall acquire a conflicting interest within the meaning of the Trust Indenture Act, the Trustee shall either eliminate such interest or resign, to the extent and in the manner provided by, and subject to the provisions of, the Trust Indenture Act and this Indenture. To the extent permitted by the Trust Indenture Act, the Trustee shall not be deemed to have a conflicting interest by virtue of being a trustee under this Indenture with respect to Securities of more than one series.

SECTION 6.09. **Corporate Trustee Required; Eligibility.**

There shall at all times be a Trustee hereunder which shall be a Person that is eligible pursuant to the Trust Indenture Act to act as such and has a combined capital and surplus of at least U.S. $50,000,000 and is subject to supervision or examination by Federal, State or District of Columbia authority. If such Person publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such Person shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.
SECTION 6.10.  **Resignation and Removal; Appointment of Successor.**

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee under Section 6.11.

(b) The Trustee may resign at any time with respect to one or more series of Securities by giving written notice thereof to the Issuer and the Guarantor. If an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(c) The Trustee with respect to any series of Securities may be removed at any time by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series, delivered to the Trustee, the Issuer and the Guarantor.

(d) If at any time:

1. the Trustee shall fail to comply with Section 6.08 with respect to the Securities of any series after written request therefor by the Issuer or by any Holder who has been a *bona fide* Holder of a Security of such series for at least six months, or

2. the Trustee shall cease to be eligible under Section 6.09 and shall fail to resign after written request therefor by the Issuer or by any Holder of the Securities of any series, or

3. the Trustee shall become incapable of acting with respect to the Securities of any series or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (i) the Guarantor may remove the Trustee with respect to the applicable series of Securities (or all series, if required), or (ii) subject to Section 5.14, any Holder who has been a *bona fide* Holder of a Security of the applicable series for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee with respect to such series.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause, the Guarantor shall promptly appoint a successor Trustee with respect to the applicable series of Securities. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee shall be appointed by an Act of the Holders of a majority in principal amount of the Outstanding Securities of the applicable series delivered to the Issuer, the Guarantor and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee with respect to such series and supersede the successor Trustee.
appointed by the Issuer. If no successor Trustee shall have been so appointed by the Issuer or the Holders of the Securities of the applicable series and accepted appointment in the manner hereinafter provided, any Holder who has been a bona fide Holder of a Security of such series for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Issuer shall give notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee to all Holders of the Securities of the applicable series in the manner provided in Section 1.06. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office.

SECTION 6.11. Acceptance of Appointment by Successor.

Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to the Issuer, the Guarantor and the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on written request of the Issuer, the Guarantor or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Issuer and the Guarantor shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

In case of the appointment hereunder of a successor Trustee with respect to the Securities of one or more (but not all) series, the Issuer, the Guarantor, the retiring Trustee and each successor Trustee with respect to the Securities of one or more series shall execute and deliver an indenture supplemental hereto wherein each successor Trustee shall accept such appointment and which (1) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, each successor Trustee all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates, (2) if the retiring Trustee is not retiring with respect to all Securities, shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the retiring Trustee relates, (3) shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees co-trustees of the same trust and that each such Trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee; and upon the execution and delivery of such supplemental indenture the resignation or removal of the retiring Trustee shall become effective to the extent provided therein and each such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of
such successor Trustee relates; but, on request of the Issuer, the Guarantor or any successor Trustee, such retiring Trustee shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder with respect to the Securities of that or those series to which the appointment of such successor Trustee relates.

No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

SECTION 6.12.  **Merger, Conversion, Consolidation or Succession to Business.**

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Securities of any series shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver such authenticated Securities with the same effect as if such successor Trustee had itself authenticated such Securities.

SECTION 6.13.  **Preferential Collection of Claims.**

If and when the Trustee shall be or become a creditor of the Issuer, the Guarantor or any Subsidiary Guarantor (or any other obligor upon the Securities), the Trustee shall be subject to the provisions of the Trust Indenture Act regarding the collection of claims against the Issuer, the Guarantor or such Subsidiary Guarantor (or any such other obligor).

SECTION 6.14.  **Appointment of Authenticating Agent.**

The Trustee may appoint an Authenticating Agent or Agents which shall be authorized to act on behalf of the Trustee to authenticate the Securities of one or more series issued upon original issue and upon exchange, registration of transfer or pursuant to Section 3.06, and Securities so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder. Wherever reference is made in this Indenture to the authentication and delivery of Securities by the Trustee or the Trustee’s certificate of authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee by an Authenticating Agent and a certificate of authentication executed on behalf of the Trustee by an Authenticating Agent. Each Authenticating Agent shall be reasonably acceptable to the Issuer and the Guarantor and shall at all times be a corporation organized and doing business under the laws of the United States of America, any State thereof or the District of Columbia, authorized under such laws to act as Authenticating Agent, having a combined capital and surplus of not less than U.S. $50,000,000 and subject to supervision or examination by Federal, State or District of Columbia authority. If such Authenticating Agent publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such Authenticating Agent shall be deemed to be its
combined capital and surplus as set forth in its most recent report of condition so published. If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, such Authenticating Agent shall resign immediately in the manner and with the effect specified in this Section.

Any corporation into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which such Authenticating Agent shall be a party, or any corporation succeeding to the corporate agency or corporate trust business of an Authenticating Agent, shall continue to be an Authenticating Agent, provided such corporation shall be otherwise eligible under this Section, without the execution or filing of any paper or any further act on the part of the Trustee or the Authenticating Agent.

An Authenticating Agent for the Securities of any series may resign at any time by giving written notice thereof to the Trustee, the Issuer and the Guarantor. The Trustee may at any time terminate the agency of an Authenticating Agent by giving written notice thereof to such Authenticating Agent, the Issuer and the Guarantor. Upon receiving such a notice of resignation or upon such a termination of an Authenticating Agent for the Securities of any series, or in case at any time such Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, the Trustee may appoint a successor Authenticating Agent for the Securities of such series which shall be acceptable to the Issuer and the Guarantor and shall give written notice of such appointment to all Holders of the Securities of such series. Any successor Authenticating Agent upon acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent. No successor Authenticating Agent shall be appointed unless eligible under the provisions of this Section.

The Trustee agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services under this Section, and the Trustee shall not be entitled to be reimbursed for such payments unless the Issuer and the Guarantor shall have agreed to do so in writing at the time the Authenticating Agent is appointed. Each Authenticating Agent shall be entitled to the benefit of indemnities and other protections in like manner and extent as the Trustee.

If an appointment is made pursuant to this Section for the Securities of any series, the Securities of such series may have endorsed thereon, in addition to the Trustee’s certificate of authentication, an alternative certificate of authentication in the following form:
This is one of the Securities issued under the within-mentioned Indenture.

If the Guarantor is not subject to either Section 13(a) or 15(d) of the Exchange Act, then the Guarantor shall file with the Trustee and the Commission such supplementary and periodic information, documents and reports required to be so filed according to the rules and regulations of the Commission promulgated pursuant to Section 13 of the Exchange Act.

CONSOLIDATION, MERGER, CONVEYANCE, TRANSFER OR LEASE

SECTION 8.01. **Issuer, Guarantor and Subsidiary Guarantors May Consolidate, Etc., Only on Certain Terms.**

The Issuer and the Guarantor undertake that the Issuer, the Guarantor and the Subsidiary Guarantors will not consolidate with or merge into or convey, transfer or lease all or substantially all of their assets (taken as a whole) to, any Person, unless:

(a) the resulting, surviving or transferee Person (if not the Issuer, the Guarantor or a Subsidiary Guarantor) is a Person organized and existing under (i) in the case of the Issuer, the laws of any State of the United States or under the laws of Mexico or any state thereof or (ii) in the case of the Guarantor or a Subsidiary Guarantor, the laws of Mexico or any state thereof who is, in any case, either (1) a decentralized public entity of the Government or (2) a Person controlled by the Government and the resulting, surviving or transferee Person shall (A) in the case of the consolidation, merger, or conveyance, transfer or lease of all or substantially all of the assets of the Issuer, expressly assume, by an indenture supplemental hereto executed and delivered to the Trustee, in form reasonably satisfactory to the Trustee, the due and punctual payment of the principal of and interest on all the Securities of each series and the performance or observance of every covenant of this Indenture, the Securities of each series and any Registration Rights Agreements relating thereto on the part of the Issuer to be performed or observed, (B) in the

SECTION 8.02. Successor Substituted.

Upon any consolidation of the Issuer or the Guarantor with, or merger of the Issuer or the Guarantor into, any other Person or any conveyance, transfer or lease of the properties and assets of the Issuer or the Guarantor substantially as an entirety in accordance with Section 8.01, the successor Person formed by such consolidation or into which the Issuer or the Guarantor is merged or to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer or the Guarantor, as the case may be, under this Indenture with the same effect as if such successor Person had been named as such Issuer or Guarantor herein, and thereafter, except in the case of a lease, the predecessor Person shall be relieved of all obligations and covenants under this Indenture and the Securities of each series.
ARTICLE NINE

SUPPLEMENTAL INDENTURES

SECTION 9.01. Supplemental Indentures Without Consent of Holders.

Without the consent of any Holders, the Issuer and the Guarantor, when authorized by a Board Resolution, and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto, in form satisfactory to the Trustee, for any of the following purposes (which purpose shall be confirmed to the Trustee in a Guarantor Order or Opinion of Counsel):

(1) to evidence the succession of another Person to the Issuer or the Guarantor and the assumption by any such successor of the covenants and obligations of the Issuer or the Guarantor, as the case may be, herein and in the Securities of all series;

(2) to add to the covenants of the Issuer or the Guarantor for the benefit of the Holders of all or any series of Securities (and if such covenants are to be for the benefit of less than all series of Securities, expressly stating that such covenants are being included solely for the benefit of such series), or to surrender any right or power herein conferred upon the Issuer or the Guarantor;

(3) to secure all or any series of Securities pursuant to the requirements of this Indenture or otherwise (and if less than all series of Securities are to be secured, expressly stating that such securing is solely for the benefit of such series);

(4) to cure any ambiguity or to cure, correct or supplement any defective provision herein or in the Securities or the Guaranties;

(5) to amend this Indenture or the Securities of any series in any manner that, as set forth in an Officer’s Certificate, will not adversely affect the interests of the Holders of any series of Securities in any material respect;

(6) to establish the form or terms of Securities of any series as permitted by Section 2.02 and Section 3.01;

(7) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to the Securities of one or more series and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee in accordance with Section 6.11;
(8) to evidence the succession of another Person to the Issuer or the Guarantor in accordance with Section 8.01; or

(9) to modify, eliminate or add to the provisions of this Indenture to such extent as shall be necessary to effect the qualification of this Indenture under the Trust Indenture Act or under any similar federal statute hereafter enacted and to add to this Indenture such other provisions as may be expressly permitted by the Trust Indenture Act.

A supplemental indenture that changes or adds any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular series of Securities, or which modifies the rights of the Holders of Securities of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under this Indenture of the Holders of Securities of any other series.

SECTION 9.02. Supplemental Indentures with Consent of Holders.

With the consent of the Holders of not less than a majority in aggregate principal amount of the Outstanding Securities of each series affected thereby, by Act of said Holders delivered to the Issuer and the Trustee, the Issuer and the Guarantor, when authorized by a Board Resolution, and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture (or modifying, amending, supplementing or waiving the terms and conditions of the Securities of a series) or of modifying, amending, supplementing or waiving in any manner the rights of the Holders of Securities of such series under this Indenture; provided that

(1) no such supplemental indenture shall, without the consent of the Holders of not less than 75% in aggregate principal amount of the Outstanding Securities of each series affected thereby, by Act of said Holders delivered to the Issuer and the Trustee, effect a modification, amendment, supplement or waiver that constitutes a Reserved Matter set forth in clauses (9) through (13) below, and

(2) no such supplemental indenture shall, without the consent of each Holder of Outstanding Securities affected thereby, effect a modification, amendment, supplement or waiver that constitutes a Reserved Matter set forth in clauses (1) through (8) below, unless such supplemental indenture is sought in connection with a General Restructuring (as defined below) by Mexico, in which case such supplemental indenture may be entered into with the consent of the Holders of not less than 75% in aggregate principal amount of Outstanding Securities of each series affected thereby, by Act of said Holders delivered to the Issuer and the Trustee.

With respect to the Securities of any series, a “Reserved Matter” means any action that would:
(1) change the Stated Maturity of the principal of, premium (if any) or any installment of interest on, such Security,

(2) reduce the principal or face amount thereof, the portion of such principal amount which is payable upon acceleration of the maturity of such Security, the rate of interest thereon or the premium payable upon redemption of such Security,

(3) shorten the period during which the Issuer is not permitted to redeem such Security (except as permitted by Section 11.04), or permit the Issuer to redeem such Security prior to Maturity if, prior to such action, the Issuer is not permitted to do so (except as permitted by Section 11.04),

(4) except as permitted by the terms of such Security, change the coin or currency in which or the required places at which any principal of such Security or premium or interest thereon is payable,

(5) modify the Guaranty or the Subsidiary Guaranty in any manner adverse to the Holder of such Security,

(6) change the obligation of the Issuer, the Guarantor or any Subsidiary Guarantor to pay Additional Amounts,

(7) reduce the percentage of the principal amount of the series of such Securities the vote or consent of which is necessary to modify, amend or supplement the Indenture or the Securities of such series or the related Guaranties, or to make, take or give any request, demand, authorization, direction, notice, consent, waiver or other action provided thereby to be made, taken or given,

(8) modify any of the provisions of this Section 9.02, Section 5.13, Section 10.07 or Section 12.05, except to increase any such percentage or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Security affected thereby,

(9) change Section 1.12 with respect to this Indenture, the Guaranties or the Securities of such series,

(10) change the courts to the jurisdiction of which each of the parties hereto has submitted, the Guarantor’s obligation to appoint and maintain an Authorized Agent in the Borough of Manhattan, The City of New York, as set forth in Section 1.13 hereof, or the Guarantor’s waiver of immunity, in respect of actions or proceedings brought by any holder based upon the Securities of such Series, as set forth in Section 1.13 hereof.
(11) in connection with an exchange offer for the Securities of such series, amend any Event of Default,

(12) change the ranking of the Securities of such series, as set forth in the terms of the Securities of such series, or

(13) change the definition of “Outstanding” with respect to the Securities of such series.

“General Restructuring” shall mean a request by Mexico to effect one or more Mexico Reserved Matter Amendments to, or one or more Mexico Exchange Offers for, either (i) at least 75% of the aggregate principal amount of outstanding Mexico External Market Debt that will become due and payable within a period of five years following such request or offer or (ii) at least 50% of the aggregate principal amount of Mexico External Market Debt outstanding at the time of such request or offer, in each case as certified by the Issuer or the Guarantor to the Trustee in an Officer’s Certificate. For the avoidance of doubt, the principal amount of Mexico External Market Debt that is the subject of a Mexico Reserved Matter Amendment shall be added to the principal amount of Mexico External Market Debt that is the subject of a substantially contemporaneous Mexico Exchange Offer for the purposes of determining the existence of a General Restructuring.

“Mexico Reserved Matter Amendment” means any modification, amendment or supplement to, or waiver of, a term or condition of any Mexico External Market Debt that would, if made to a term or condition of any Securities issued hereunder, constitute a Reserved Matter (as certified by the Issuer or the Guarantor to the Trustee in an Officer’s Certificate).

“Mexico Exchange Offer” means an exchange offer by Mexico pursuant to which one or more series of its outstanding debt securities may be exchanged for one or more series of newly issued debt securities having different terms or conditions, which different terms or conditions, if effected by means of a modification, amendment or supplement to, or waiver of, the terms or conditions of such outstanding debt securities, would have constituted a Mexico Reserved Matter Amendment (as certified by the Issuer or the Guarantor to the Trustee in an Officer’s Certificate).

“Mexico External Market Debt” means Indebtedness of the Mexican Government (including debt securities issued by the Mexican Government) which is payable or at the option of its holder may be paid in a currency other than the currency of Mexico, excluding any such Indebtedness that is owed to or guaranteed by multilateral creditors, export credit agencies and other international or governmental institutions.

A supplemental indenture which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular series of Securities, or which modifies the rights of the Holders of Securities of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under this Indenture of the Holders of Securities of any other series.

Upon the request of the Issuer, and upon the filing with the Trustee of evidence of the consent of the Holders of Securities of such series and other documents, if any, required by
Section 6.01, the Trustee shall join with the Issuer and the Guarantor in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee’s own rights, duties, immunities or indemnities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obliged to, enter into such supplemental indenture.

It shall not be necessary for any Act of Holders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

Promptly after the execution by the Issuer, the Guarantor and the Trustee of any supplemental indenture pursuant to the provisions of this Section, the Issuer shall, or shall direct the Trustee to, give notice thereof to the Holders of the Securities of such series setting forth in general terms the substance of such supplemental indenture. Any failure of the Issuer or Trustee, as the case may be, to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

SECTION 9.03. Execution of Supplemental Indentures.

In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Section 6.01) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture.

Upon the execution of any supplemental indenture under this Article, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities of the series affected by such supplemental indenture theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

SECTION 9.05. Conformity with Trust Indenture Act.

Every supplemental indenture executed pursuant to this Article shall conform to the requirements of the Trust Indenture Act (which requirements will be deemed to reflect any exemption(s) granted by the Commission).

SECTION 9.06. Reference in Securities to Supplemental Indentures.

Securities of any series authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Issuer shall so determine, new Securities of any series so modified as to conform to any such supplemental indenture may be prepared and executed by the Issuer and authenticated and delivered by the Trustee in exchange for Outstanding Securities of such series.
ARTICLE TEN

COVENANTS

SECTION 10.01. Payment of Principal and Interest.

The Issuer covenants and agrees for the benefit of each series of Securities that it shall duly and punctually pay the principal of and any premium and interest on the Securities of such series in accordance with the terms of the Securities of such series and this Indenture.

SECTION 10.02. Maintenance of Office or Agency.

The Issuer shall maintain in the Borough of Manhattan, The City of New York, New York for each series of Securities an office or agency where Securities of that series may be presented or surrendered for payment, where Securities of that series may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Issuer in respect of the Securities of that series and this Indenture may be served. The Issuer shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Issuer hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

The Issuer may also from time to time designate one or more other offices or agencies (in or outside the Borough of Manhattan, The City of New York, New York) where the Securities of each series may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency in the Borough of Manhattan, The City of New York, New York for such purposes; and provided, further, that, so long as the Securities of any series are listed on the Luxembourg Stock Exchange and the rules of the Luxembourg Stock Exchange so require, the Issuer shall maintain a Paying Agent in Luxembourg and an office or agency in Luxembourg where Securities of that series may be surrendered for registration of transfer or exchange. The Issuer shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

SECTION 10.03. Money for Security Payments to Be Held in Trust.

If the Issuer shall at any time act as its own Paying Agent, it shall, on or before each due date of the principal of or interest on any of the Securities of any series, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal or interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and shall promptly notify the Trustee of its action or failure so to act.

Whenever the Issuer shall have one or more Paying Agents for any series of Securities, it shall, prior to each due date of the principal of or interest on any Securities of that series, deposit with a Paying Agent a sum sufficient to pay such amount, such sum to be held as
provided by the Trust Indenture Act, and (unless such Paying Agent is the Trustee) the Issuer shall promptly notify the Trustee of its action or failure so to act.

The Issuer shall cause each Paying Agent for any series of Securities other than the Trustee or an Affiliate of the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent shall (a) comply with the provisions of the Trust Indenture Act applicable to it as a Paying Agent and (b) during the continuance of any default by the Issuer (or any other obligor upon the Securities of that series) in the making of any payment in respect of the Securities of that series, upon the written request of the Trustee, forthwith pay to the Trustee all sums held in trust by such Paying Agent for payment in respect of Securities of that series.

The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Guarantor Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Issuer or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Issuer or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of or interest on any Security and remaining unclaimed for two years after such principal or interest has become due and payable shall be paid to the Issuer on Guarantor Request, or (if then held by the Issuer) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect thereto, and all liability of the Issuer as trustee thereof, shall thereupon cease. Unless otherwise provided by applicable law, the right to receive payment of principal of any Security (whether at Maturity or otherwise) or interest thereon will become void at the end of five years after the due date thereof.

SECTION 10.04. Compliance Certificate.

The Guarantor shall deliver to the Trustee, within 180 days after the end of each fiscal year of the Guarantor ending after the date hereof, an Officer’s Certificate, stating whether or not to the best knowledge of the signer thereof the Guarantor is in default in the performance and observance of any of the terms, provisions and conditions of this Indenture (without regard to any period of grace or requirement of notice provided hereunder) and, if the Issuer or the Guarantor shall be in default, specifying all such defaults and the nature and status thereof of which the signer thereof may have knowledge.

SECTION 10.05. Provision of Financial Information.

For as long as any Securities of any series remain Outstanding, the Guarantor shall furnish to any Holder of a Security or a beneficial interest in a Global Security of such series, or to any prospective purchaser designated by such Holder, upon request of such Holder, financial and other information described in paragraph (d) (4) of Rule 144A (including any
successor provision) with respect to the Guarantor and its Subsidiaries to the extent required in order to permit such Holder to comply with Rule 144A (including any successor provision) with respect to any resale of such Security or beneficial interest.

SECTION 10.06. Limitation on Liens.

For so long as any Security of any series remains outstanding, the Guarantor will not create or permit to subsist, and will not permit the Issuer, the Guarantor’s Subsidiaries or the Subsidiary Guarantors or any of their respective Subsidiaries to create or permit to subsist, any Security Interest upon the whole or any part of its or their crude oil or receivables in respect of crude oil to secure (a) any of its or their Public External Indebtedness; (b) any of its or their Guarantees in respect of Public External Indebtedness; or (c) the Public External Indebtedness or Guarantees in respect of Public External Indebtedness of any other Person, without at the same time or prior thereto securing the Securities of all series equally and ratably therewith or providing such other Security Interest for the Securities of all series as shall be approved by the Holders of at least 66 2/3% in aggregate principal amount of the Outstanding Securities of all such series; provided that the Issuer, the Guarantor and its Subsidiaries, and the Subsidiary Guarantors and their respective Subsidiaries, may create or permit to subsist a Security Interest upon its or their receivables in respect of crude oil if (i) on the date of creation of such Security Interest the aggregate of (A) the amount of principal and interest payments secured by Oil Receivables due during such calendar year in respect of Receivables Financings entered into or before such date, (B) the total amount of revenues during such calendar year from the sale of crude oil or gas transferred, sold, assigned or otherwise disposed of in Forward Sales (other than Governmental Forward Sales) entered into on or before such date and (C) the total amount of payments of the purchase price of crude oil, gas or Petroleum Products foregone during such calendar year as a result of all Advance Payment Arrangements entered into on or before such date, shall not exceed in such calendar year U.S. $4,000,000,000 (or its equivalent in other currencies) less the amount of Governmental Forward Sales during that calendar year, (ii) the aggregate amount outstanding in all currencies at any one time under all Receivables Financings, Forward Sales (other than Governmental Forward Sales) and Advance Payment Arrangements shall not exceed U.S. $12,000,000,000 (or its equivalent in other currencies) and (iii) the Guarantor has given a certificate to the Trustee certifying that on the date of creation of such Security Interest there is no default under any Financing Document resulting from a failure to pay principal or interest.

SECTION 10.07. Waiver of Certain Covenants.

The Issuer or the Guarantor may omit in any particular instance to comply with any of their respective covenants or conditions set forth in Section 10.06 with respect to the Securities of any series, and the Guarantor may omit in any particular instance to comply with any covenant or condition set forth in Section 10.06 with respect to the Securities of any series, if before or after the time for such compliance the Holders of at least 66 2/3% in principal amount of the Securities of such series at the time Outstanding, shall, by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived, and, until such waiver shall become effective, the
obligations of the Issuer and the Guarantor and the duties of the Trustee in respect of any such covenant or condition shall remain in full force and effect.

SECTION 10.08. **Duties of the Issuer**

Notwithstanding any other provision in this Indenture, the Guarantor shall cause the Issuer to perform each duty required to be performed by the Issuer under this Indenture.

**ARTICLE ELEVEN**

**REDEMPTION AND PURCHASE OF SECURITIES AND SINKING FUNDS**

SECTION 11.01. **Applicability of Article to Redemptions.**

Securities of any series that are redeemable before their Stated Maturity shall be redeemable in accordance with their terms and (except as otherwise specified as contemplated by Section 2.02 for Securities of any series) in accordance with this Article Eleven.

SECTION 11.02. **Election to Redeem; Notice to Trustee.**

If the Issuer shall desire to exercise the right to redeem all or any part of the Securities of any series, the Issuer shall, at least 60 days prior to the Redemption Date fixed by the Issuer (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee, in writing, of such Redemption Date and of the principal or face amount of the Securities of such series to be redeemed. If the Securities of such series may be originally issued from time to time with varying terms, the Issuer shall also notify the Trustee, in writing, of the particular terms or designation of the Securities of such series to be redeemed. In the case of any redemption of Securities prior to the expiration of any restriction on such redemption provided in the terms of such Securities or elsewhere in this Indenture, the Guarantor shall furnish the Trustee with an Officer’s Certificate evidencing compliance with such restriction.

SECTION 11.03. **Selection by Trustee of Securities to be Redeemed.**

If less than all the Securities of any series are to be redeemed, the particular Securities to be redeemed shall be selected not more than 60 days prior to the Redemption Date by the Trustee, from the Outstanding Securities of such series (or, in the case of Securities of a series that may be originally issued from time to time with varying terms, from among the Securities of such series having the same original issue date and terms) not previously called for redemption, by such method as the Trustee shall deem fair and appropriate and which may provide for the selection for redemption of portions (equal to the minimum authorized denomination for Securities of such series or any integral multiple thereof) of the principal or face amount of Securities of such series.

The Trustee shall promptly notify the Issuer and the Guarantor in writing of the Securities selected for redemption and, in the case of any Securities selected for partial redemption, the principal or face amount thereof to be redeemed.
For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption shall relate, in the case of any Securities redeemed or to be redeemed only in part, to the portion of the principal or face amount of such Securities which has been or is to be redeemed.

SECTION 11.04. **Right of Redemption for Tax Reasons; Election to Redeem.**

In addition to any redemption provisions that may be specified as contemplated by Section 2.02 with respect to the Securities of any series, each series of Securities is subject to redemption upon not less than 30 and not more than 60 days notice, at any time, as a whole but not in part, at the election of the Issuer or the Guarantor, at a price equal to the sum of (a) 100% of the principal amount of the Securities of such series being redeemed, (b) accrued and unpaid interest thereon up to but not including the date fixed for redemption and (c) any Additional Amounts which would otherwise be payable, if (i) the Issuer or the Guarantor certifies to the Trustee immediately prior to the giving of such notice that it has or will become obligated to pay Additional Amounts in excess of the Additional Amounts that it would be obligated to pay if payments of interest made on the Securities of such series (or payments under the Guaranty with respect to interest on the Securities of such series) were subject to withholding or deduction of Mexican Withholding Taxes at the rate of 10% as a result of any change in, amendment to, or lapse of, the laws, regulations or rulings of Mexico or any political subdivision or any taxing authority thereof or therein affecting taxation, or any change in, or amendment to, an official interpretation or application of such laws, regulations or rulings, which change or amendment becomes effective on or after the date of issuance of such series of Securities and (ii) prior to the publication of any notice of redemption, the Issuer or the Guarantor shall deliver to the Trustee an Officer’s Certificate stating that the obligation referred to in clause (i) above cannot be avoided by the Issuer or the Guarantor, as the case may be, taking reasonable measures available to it, and the Trustee shall be entitled to accept such certificate as sufficient evidence of the satisfaction of the condition precedent set out in clause (i) above in which event it shall be conclusive and binding on the Holders of the Securities of such series; provided that (i) no such notice of redemption will be given earlier than 90 days prior to the earliest date on which the Issuer or the Guarantor, as the case may be, would be obligated but for such redemption to pay such Additional Amounts were a payment in respect of the Securities of such series then due, and (ii) at the time such notice is given, such obligation to pay such Additional Amounts remains in effect.

SECTION 11.05. **Notice of Redemption.**

Notice of redemption shall be given not less than 30 nor more than 60 days prior to the Redemption Date to each Holder of the Securities of any series to be redeemed in accordance with Section 1.06.

All notices of redemption shall state:

(1) the Redemption Date;

(2) the Redemption Price or the manner in which the Redemption Price is to be determined;
(3) (a) that the Securities of such series are being redeemed at the option of the Issuer or the Guarantor pursuant to provisions contained in the terms of the Securities of such series or in a supplemental indenture establishing the terms of such Securities if such is the case, together with a summary of the facts permitting such redemption; or (b) that the Securities of such series are being redeemed at the option of the Issuer or the Guarantor pursuant to Section 11.04;

(4) that on the Redemption Date, the Redemption Price will become due and payable with respect to each Security of the series to be redeemed and that interest thereon will cease to accrue on and after said date;

(5) the place or places where the Securities of such series are to be surrendered for payment of the Redemption Price;

(6) the CUSIP and ISIN numbers of the series of Securities to be redeemed;

(7) if less than all the Securities of any series are to be redeemed, the identification of the particular Securities of such series to be redeemed and the portion of the principal or face amount thereof to be redeemed; and

(8) that the redemption is for a sinking fund, if such is the case.

Notice of redemption of a series of Securities to be redeemed at the election of the Issuer or the Guarantor shall be given by the Issuer or the Guarantor or, at the Issuer’s or the Guarantor’s written request, by the Trustee in the name and at the expense of the Issuer or the Guarantor, as the case may be, and shall be irrevocable.

SECTION 11.06. Deposit of Redemption Price.

On or prior to any Redemption Date, the Issuer or the Guarantor shall deposit with the Trustee or with a Paying Agent (or, if the Issuer is acting as its own Paying Agent, the Issuer shall segregate and hold in trust as provided in Section 10.03) an amount of money sufficient to pay the Redemption Price of all the Securities of the series which is to be redeemed on that date.

SECTION 11.07. Securities Payable on Redemption Date.

Notice of redemption having been given as aforesaid, the Securities so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless default is made in the payment of the Redemption Price and accrued interest) such Securities shall cease to bear interest. Upon surrender of any such Security for redemption in accordance with said notice, such Security shall be paid by the Issuer or the Guarantor, as the case may be, at the Redemption Price; provided that installments of interest whose Stated Maturity is on or prior to the Redemption Date shall be
payable to the Holders of the Securities of such series, or one or more Predecessor Securities of such Securities, registered as such at the close of business on the relevant Record Dates, in the case of Registered Securities, or in possession of such Securities or Predecessor Securities at the close of business on the relevant Record Dates, in the case of Bearer Securities, according to their terms and the provisions of Section 3.07.

If any Security of any series called for redemption shall not be so paid upon surrender thereof for redemption, the principal and any premium shall, until paid, bear interest from the Redemption Date at the rate borne by such Security.

SECTION 11.08. Securities Redeemed in Part.

Any Security that is to be redeemed only in part shall be surrendered at a place of payment therefor (with, if the Issuer or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to, the Issuer, the Registrar and the Trustee duly executed by the Holder thereof or his attorney duly authorized in writing), and the Issuer shall execute, and the Guarantor shall execute the Guaranty endorsed on, and the Trustee shall authenticate and deliver to the Holder of such Security without service charge, a new Security or Securities of the same series, of like tenor and of any authorized denomination, as requested by such Holder, in aggregate principal or face amount equal to and in exchange for the unredeemed portion of the principal or face amount of the Security so surrendered or, in the case of Securities providing appropriate space for notation, at the option of the Holder, the Trustee, in lieu of delivering a new Security or Securities as aforesaid, may make a notation on such Security of the payment of the redeemed portion thereof.

SECTION 11.09. Purchase of Securities by the Issuer.

The Issuer, the Guarantor or any Subsidiary Guarantor may at any time purchase any Securities of any series at any price in the open market, in privately negotiated transactions or otherwise. All Securities which are purchased by or on behalf of the Issuer, the Guarantor or any Subsidiary Guarantor may be held, resold or surrendered to the Trustee for cancellation.

SECTION 11.10. Applicability of Article to Sinking Funds.

The compliance by the Issuer with any sinking fund provisions included in the Securities of any series shall be in accordance with such provisions and this Article Eleven, except as otherwise specified as contemplated by Section 2.02 for the Securities of such series.

The minimum amount of any sinking fund payment provided for by the terms of the Securities of any series is herein referred to as a “mandatory sinking fund payment”, and any payment in excess of such minimum amount provided for by the terms of Securities of any series is herein referred to as an “optional sinking fund payment”. If provided for by the terms of Securities of any series, the cash amount of any sinking fund payment may be subject to reduction as provided in Section 11.11. Each sinking fund payment shall be applied to the redemption of the Securities of any series as provided for by the terms of the Securities of such series.
SECTION 11.11. Satisfaction of Sinking Fund Payments.

The Issuer (a) may deliver Outstanding Securities of a series (other than any previously called for redemption) and (b) may apply as a credit Securities of a series which have been redeemed either at the election of the Issuer pursuant to the terms of such Securities or through the application of permitted optional sinking fund payments pursuant to the terms of such Securities, in each case in satisfaction of all or any part of any sinking fund payment with respect to the Securities of such series required to be made pursuant to the terms of such Securities; provided that such Securities have not been previously so credited. Such Securities shall be received and credited for such purpose by the Trustee at the Redemption Price specified in such Securities for redemption through operation of the sinking fund and the amount of such sinking fund payment shall be reduced accordingly.

Not less than 60 days prior to each sinking fund payment date for any series of Securities (unless a shorter period shall be satisfactory to the Trustee), the Issuer will deliver to the Trustee an Officer’s Certificate specifying the amount of the next ensuing sinking fund payment for such series pursuant to the terms of such series, the portion thereof, if any, which is to be satisfied by payment of cash and the portion thereof, if any, which is to be satisfied by delivering and crediting Securities of such series pursuant to Section 11.11 and whether the Issuer intends to exercise its right to make a permitted optional sinking fund payment with respect to such series and will also deliver to the Trustee any Securities to be so delivered and credited. Such certificate shall be irrevocable and upon its delivery the Issuer shall be obligated to make the cash payment or payments therein referred to, if any, on or before the next sinking fund payment date. In the case of the failure of the Issuer to deliver such certificate, the sinking fund payment due on the next succeeding sinking fund payment date for that series shall be paid entirely in cash and shall be sufficient to redeem the principal amount of such Securities subject to a mandatory sinking fund payment without the option to deliver or credit Securities as provided in Section 11.11 and without the right to make any optional sinking fund payment, if any, with respect to such series. Not less than 30 days before each sinking fund payment date the Trustee shall select the Securities to be redeemed on such sinking fund payment date in the manner specified in Section 11.03 and cause notice of the redemption thereof to be given in the name of and at the expense of the Issuer in the manner provided in Section 11.05. Such notice having been duly given, the redemption of such Securities shall be made upon the terms and in the manner stated in Sections 11.06, 11.07 and 11.08.

Prior to any sinking fund payment date, the Issuer shall pay to the Trustee or a Paying Agent (or, if the Issuer is acting as its own Paying Agent, segregate and hold in trust as provided in Section 10.03) in cash a sum equal to any interest that will accrue to the date fixed for redemption of Securities or portions thereof to be redeemed on such sinking fund payment date pursuant to this Section 11.12.
ARTICLE TWELVE

MEETINGS OF HOLDERS OF SECURITIES

SECTION 12.01. Purposes for Which Meetings May Be Called.

A meeting of Holders of the Securities of any series may be called at any time and from time to time pursuant to this Article to make, give or take any request, demand, authorization, direction, notice, consent, waiver, amendment, modification, supplement or other Act provided by this Indenture or the Securities of such series to be made, given or taken by the Holders of the Securities of such series.

SECTION 12.02. Call, Notice and Place of Meetings.

(a) The Trustee may at any time call a meeting of Holders of the Securities of any series for any purpose specified in Section 12.01, to be held at such time and at such place in The City of New York as the Trustee shall determine.

(b) The Issuer, the Guarantor or the Holders of at least 10% in principal amount of the Outstanding Securities of any series may request the Trustee to call a meeting of the Holders of such Securities of such series for any purpose specified in Section 12.01 by giving written request to the Trustee setting forth in reasonable detail the action proposed to be taken at the meeting.

(c) Notice of every meeting of Holders of the Securities of any series, setting forth the time and the place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given to such Holders, the Guarantor and the Issuer in the manner provided in Section 1.06 and Section 1.05, respectively, not less than 30 and not more than 60 days prior to the date fixed for the meeting. If the Trustee shall not have sent notice of a meeting requested pursuant to Section 12.02(b) within 20 days after receipt of such request or shall not thereafter proceed to cause the meeting to be held as provided herein, then the Issuer or the Holders of the Securities of such series in the amount above specified, as the case may be, may determine the time and the place in The City of New York for such meeting and may call such meeting for such purposes by giving notice thereof as provided in this paragraph (c).

SECTION 12.03. Persons Entitled to Vote at Meetings.

To be entitled to vote at any meeting of Holders of the Securities of any series, a Person shall be (a) a Holder of one or more Outstanding Securities of such series, or (b) a person duly appointed by an instrument in writing as proxy for a Holder or Holders of one or more Outstanding Securities of such series by such Holder or Holders. The only Persons who shall be entitled to be present or to speak at any meeting of Holders shall be the Persons entitled to vote at such meeting and their counsel, any representatives of the Trustee and its counsel and any representatives of the Issuer and the Guarantor and their respective counsel.
SECTION 12.04. Determination of Voting Rights; Conduct and Adjournment of Meetings.

(a) Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Holders of Securities of any series with respect to the proof of the holding of Securities of such series and of the appointment of proxies and with respect to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall deem appropriate. Except as otherwise permitted or required by any such regulations, the holding of Securities shall be proved in the manner specified in Section 3.09 and the appointment of any proxy shall be proved in the manner specified in Section 1.04(b). Such regulations may provide that written instruments appointing proxies, regular on their face, may be presumed valid and genuine without the proof specified in Section 1.04(b) or other proof.

(b) The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Issuer, the Guarantor or by Holders of the Securities of such series as provided in Section 12.02(b), in which case the Issuer, the Guarantor or the Holders of the Securities of such series, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Persons entitled to vote a majority in principal amount of the Outstanding Securities of such series represented at the meeting.

(c) At any meeting each Holder of a Security of any series or proxy shall be entitled to one vote for each U.S. $1,000 principal amount of the Outstanding Securities of such series held or represented by such Holder; provided that no vote shall be cast or counted at any meeting in respect of any Security of such series challenged as not Outstanding and ruled by the chairman of the meeting to be not Outstanding. The chairman of the meeting shall have no right to vote, except as a Holder of Securities of such series or proxy.

SECTION 12.05. Quorum.

At any meeting of Holders of the Securities of any series (other than a meeting held to discuss a Reserved Matter), the presence of Persons holding or representing a majority of the aggregate principal amount of the Outstanding Securities of such series shall constitute a quorum. At any meeting of Holders held to discuss a Reserved Matter, the presence of Persons holding or representing 75% of the aggregate principal amount of the Outstanding Securities of such series shall constitute a quorum; provided that, at any meeting of Holders held to discuss a Reserved Matter which would require the consent of each Holder of Outstanding Securities affected thereby under Section 9.02, the presence of Persons holding or representing 100% of the aggregate principal amount of such Outstanding Securities shall constitute a quorum. Any meeting of such Holders duly called pursuant to Section 12.02 at which a quorum is present may be adjourned from time to time by Persons entitled to vote a majority of the aggregate principal amount of the Outstanding Securities of such series represented at the meeting; and the meeting may be held as so adjourned without further notice.
SECTION 12.06. **Counting Votes and Recording Action of Meetings.**

The vote upon any resolution submitted to any meeting of Holders of Securities of any series shall be by written ballots on which shall be subscribed the signatures of such Holders or of their representatives by proxy and the principal amounts and serial numbers of the Outstanding Securities of such series held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record, at least in duplicate, of the proceedings of each meeting of such Holders shall be prepared by the secretary of the meeting and there shall be attached to such record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was given as provided in Section 12.02. Each copy shall be signed and verified by the affidavits of the permanent chairman and secretary of the meeting and one such copy shall be delivered to the Issuer, and another to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting. Any record so signed and verified shall be conclusive evidence of the matters therein stated.

SECTION 12.07. **Revocation by Holders.**

At any time prior to (but not after) the evidencing to the Trustee, in the manner provided in Section 1.04, of the taking of any action by the Holders of the percentage in aggregate principal amount of the Securities of any series specified in this Indenture in connection with such action, any Holder of a Security of such series the serial number of which is included in the Securities the Holders of which have consented to such action may, by filing written notice with the Trustee at its principal corporate trust office and upon proof of holding as provided in Section 1.04, revoke such consent so far as concerns such Security. Except as aforesaid any such consent given by the Holder of any Security of such series shall be conclusive and binding upon such Holder and upon all future Holders and owners of such Security and of any Security of such series issued in exchange therefor or in lieu thereof, irrespective of whether or not any notation in regard thereto is made upon such Security. Any action taken by the Holders of the percentage in aggregate principal amount of the Securities of such series specified in this Indenture in connection with such action shall be conclusively binding upon the Issuer, the Guarantor, the Trustee and the Holders of all the Securities of such series.

ARTICLE THIRTEEN

THE GUARANTY

SECTION 13.01. **The Guaranty.**

(a) The Guarantor hereby unconditionally and irrevocably guarantees the punctual payment when due, whether at Stated Maturity, upon redemption or early repayment, upon acceleration or otherwise, of all payments of principal of and interest (including Additional
Amounts) and premium (if any) on the Securities, and any other amounts payable by the Issuer under the Securities or this Indenture (the “Obligations”). If the Issuer shall fail to pay punctually any Obligation, the Guarantor shall forthwith pay such Obligation when and as the same shall be due and payable to the person entitled thereto in the manner specified in the Securities or this Indenture, as the case may be. All payments hereunder shall be made in currency specified in the applicable Securities or this Indenture in same day funds (or such other funds as may, at the time of payment, be customary for the settlement in New York City of international banking transactions in the such currency) as if such payment were made by the Issuer in accordance with the terms of the applicable Securities and this Indenture.

(b) The obligations of the Guarantor set forth herein shall constitute a guaranty of payment and not of collection, and shall be absolute and unconditional. This Guaranty shall be continuing and remain in full force and effect and be binding upon the Guarantor and its successors and assigns and inure to the benefit of the Holders of the Securities and the Trustee (each, a “Beneficiary,” and collectively, the “Beneficiaries”) until all Obligations of the Issuer have been paid and discharged in full. The Guarantor hereby waives, to the extent permitted by applicable law, all claims of waiver, exchange, release, surrender, alteration or compromise and all set-offs, counterclaims and recoupments which it may have or assert against the Beneficiaries. The Guarantor hereby waives promptness, diligence, presentment, demand for payment, notice of acceptance of this Guaranty, protest of any kind whatsoever, any requirement that a Beneficiary exhaust any right or take any action against the Issuer or any other person or entity or any property or collateral, as well as any right to require a proceeding first against the Issuer or the Issuer’s property or the exercise by a Holder of the Securities of its rights upon the occurrence and continuation of an Event of Default. The Guarantor further waives any right to which it may be entitled to have the assets of the Issuer first be used as payment of the Issuer’s or the Guarantor’s obligations hereunder prior to any amount being claimed from or paid by the Guarantor hereunder.

(c) Without limiting the generality of the foregoing, the obligations of the Guarantor set forth herein, and the rights of the Beneficiaries to enforce the same by proceedings, whether by action at law or suit in equity or otherwise, shall not in any way be affected by any insolvency, bankruptcy, suspension of payments, concurso mercantil, reorganization or similar proceeding by or against the Issuer (subject to applicable bankruptcy, suspension of payments, concurso mercantil, insolvency and similar laws affecting creditors’ rights generally).

(d) This Guaranty shall remain in full force and effect and continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Obligations is rescinded, reduced or must otherwise be returned by a Beneficiary upon the insolvency, suspension of payments, concurso mercantil, bankruptcy or reorganization of the Issuer or otherwise, all as though such payment had not been made.

(e) If a Beneficiary shall receive any amounts from the Issuer (or from the Trustee in respect of a payment made by the Issuer to the Trustee) that are identifiable as a payment in respect of which the Guarantor has made payment pursuant to this Guaranty, such Beneficiary shall, (i) so long as no Event of Default shall have occurred and be continuing, upon receipt thereof from the Issuer or the Trustee, as the case may be, forthwith and without the
requirement of any demand or other notice from the Guarantor pay such amounts to the
Guarantor (or, in the case of a payment from the Trustee, pay such amounts to the Trustee for the
account of the Guarantor), and (ii) upon the cure by the Issuer of any Event of Default, forthwith
pay to the Guarantor any such amounts previously received from the Issuer and retained by the
Beneficiary.

(f) A Beneficiary shall be entitled to grant the Issuer such extension or
extensions of time to pay any Obligation as may seem advisable to such Beneficiary at any time
and from time to time, without terminating, affecting or impairing the obligations of the
Guarantor hereunder and no such extension shall terminate, impair or affect the validity of this
Guaranty.

(g) Anything contained herein to the contrary notwithstanding, the due and
punctual payment of any of the Obligations by or on behalf of the Guarantor shall be deemed to
be the due and punctual payment of such Obligations by the Issuer for purposes of the Securities
and this Indenture, and upon payment of any such Obligations by or on behalf of the Guarantor,
no Event of Default shall be deemed to have occurred or be continuing as a result of the failure
of the Issuer to pay any such Obligations.

(h) The Guarantor irrevocably waives (to the extent permitted by law) any and
all rights to which it may be entitled, by operation of law or otherwise, upon making any
payment hereunder to be subrogated to the rights of the applicable Beneficiary against the Issuer
with respect to such payment or otherwise to be reimbursed, indemnified or exonerated by the
Issuer in respect thereof, and agrees that the Guarantor shall not be entitled to enforce or to
receive any payments arising out of, or based upon, the right of subrogation, until all the
Obligations due at such time shall have been paid in full. If any amount shall be paid by the
Issuer to the Guarantor on account of the Guarantor’s performance hereunder at any time after
any amount becomes due and payable by the Guarantor hereunder and when all the Obligations
shall not have been paid in full, such amount shall be held in trust for the benefit of the
applicable Beneficiary and shall forthwith be paid to such Beneficiary to be credited and applied
against the Obligations, whether matured or unmatured, in accordance with the terms of the
Securities and this Indenture. If the Guarantor shall at any time make payment to a Beneficiary
of all or any part of the Obligations and all Obligations due at such time to such Beneficiary shall
be paid in full, such Beneficiary will, at the Guarantor’s request and subject to the provisions of
this Section 13.01(h), execute and deliver to the Guarantor appropriate documents, without
recourse and without representation or warranty, necessary to evidence the transfer by
subrogation to the Guarantor of an interest in the Obligations resulting in such payment by the
Guarantor.

The Guarantor hereby represents and warrants that all acts, conditions and things
required to be done and performed precedent to the creation and issuance of the Guaranty, and to
constitute the same legal, valid and binding obligations of the Guarantor enforceable in
accordance with their respective terms, have been done and performed and have happened in
compliance with all applicable laws.
SECTION 13.03. **Benefit of Guaranty.**

The terms and provisions of this Guaranty shall be binding upon and inure to the benefit of the Guarantor, the Beneficiaries and their respective successors and permitted assigns; including the Holders from time to time of the Securities; *provided* that the Guarantor shall not be entitled to assign its rights or obligations under this Guaranty without the prior written consent of each affected Beneficiary and no Beneficiary shall be permitted to make an assignment of its rights under this Guaranty except in connection with a permitted assignment of its rights under the Securities and this Indenture. Any purported assignment in contravention of this Section 13.03 shall be null and void and of no force and effect.

SECTION 13.04. **Execution and Delivery of Guaranties.**

The Guaranties to be endorsed on the Securities shall include the terms of the Guaranty set forth in Section 13.01 and any other terms that may be set forth in the form of Guaranty established pursuant to Section 2.02 or 3.01. The Guarantor hereby agrees to execute its Guaranty, in a form established pursuant Section 2.02 or 3.01, to be endorsed on each Security authenticated and delivered by the Trustee.

This instrument may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument.
IN WITNESS WHEREOF, the parties hereto have caused this Indenture to be duly executed, all as of the day and year first above written.

[Include if Note is an Initial Security and entitled to Registration Rights — Any reference herein or in the Indenture to interest on this Note shall be deemed also to refer to any Additional Interest (as defined herein) which may be payable on this Note under the undertakings referred to herein.

In the event that (i) a registration statement (the “Exchange Offer Registration Statement”) on an appropriate form under the Securities Act in respect of an offer (the “Exchange Offer”) to exchange all of the Notes (as defined on the reverse hereof) for Exchange Notes (as defined in the Registration Rights Agreement referred to hereinafter) (or a Shelf Registration Statement (as defined below) in lieu thereof) is not filed with the United States Securities and Exchange Commission (the “Commission”) on or prior to the [_________] day following the date of issue of the Notes, (ii) the Exchange Offer Registration Statement (or a Shelf Registration Statement in lieu thereof) is not declared effective on or prior to the [_________] day following the date of issue of the Notes, (iii) the Exchange Offer is not completed (as provided in the Registration Rights Agreement hereinafter referred to) on or prior to the [_________] day after the date specified for the effectiveness of the Exchange Offer Registration Statement, (iv) a Shelf Registration Statement with respect to this Note required to be filed pursuant to the Registration Rights Agreement hereinafter referred to is not filed by the required filing date specified therein, (v) a Shelf Registration Statement with respect to this Note
required to be filed pursuant to the Registration Rights Agreement hereinafter referred to is not declared effective by the required effectiveness date specified therein or (vi) a Shelf Registration Statement with respect to this Note required to be filed pursuant to the Registration Rights Agreement hereinafter referred to has been declared effective by the Commission but thereafter ceases to be effective prior to the end of the period specified for such effectiveness (and subject to the exceptions set forth) in the Registration Rights Agreement hereinafter referred to (each of clauses (i) through (vi) above, a “Registration Default”), then the interest rate borne by this Note shall be increased by one-quarter of one percent per annum (“Additional Interest”) with respect to each 90-day period after the Registration Default until all such Registration Defaults shall be cured; provided that the aggregate increase in the per annum rate of interest borne by this Note will in no event exceed one percent. Upon the filing of the Exchange Offer Registration Statement (or a Shelf Registration Statement in lieu thereof) in the case of clause (i) above, the effectiveness of the Exchange Offer Registration Statement (or a Shelf Registration Statement in lieu thereof) in the case of clause (ii) above, the date of the consummation of the Exchange Offer in the case of clause (iii) above, the filing of such Shelf Registration Statement in the case of (iv) above or the effectiveness of such Shelf Registration in the case of clause (v) or clause (vi) above, the interest rate borne by this Note from the date of such filing, effectiveness or consummation, as the case may be, will be reduced by the full amount of any such increase or increases to the extent that such increase or increases resulted from such Registration Default.

1. This Note is one of a duly authorized series of Securities of Pemex Project Funding Master Trust (the “Issuer”) designated as its [Specified Currency, principal amount, interest rate and title of issue] (the “Notes”), issued and to be issued in accordance with an indenture, dated as of [ ], 2004 (herein called the “Indenture”), among the Issuer, Petróleos Mexicanos, as Guarantor (the “Guarantor”), and Deutsche Bank Trust Company Americas, as Trustee (herein called the “Trustee”, which term includes any successor trustee under the Indenture), copies of which Indenture are on file and available for inspection at the Corporate Trust Office of the Trustee in the Borough of Manhattan, The City of New York and, so long as the Notes are listed on the Luxembourg Stock Exchange and such Exchange shall so require, at the office of the Paying Agent in Luxembourg. Reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Issuer and the holders of the Notes and of the terms upon which the Notes are, and are to be, authenticated and delivered. The Notes are initially limited to an aggregate initial principal amount of [amount], subject to increase as provided in Paragraph 10 below. Capitalized terms not otherwise defined herein or on the face of this Note shall have the meanings assigned to them in the Indenture.

The Notes are direct, unsecured and unsubordinated Public External Indebtedness (as defined in Paragraph 8 below) of the Issuer for money borrowed and will rank pari passu with each other and with all other present and future unsecured and unsubordinated Public External Indebtedness for money borrowed of the Issuer. The Notes are not obligations of, or guaranteed by, the United Mexican States (“Mexico”).

Each of the Notes will have the benefit of the unconditional guaranty endorsed hereon (the “Guaranty”) as to punctual payment when due of all amounts of principal of and interest (including Additional Amounts) and premium (if any) on the Notes, and any other amounts payable by the Issuer under the Notes or the Indenture. The Guarantor's payment obligations under the Guaranty and the Indenture will have the benefit of an unconditional guaranty as to payment of principal and interest (including Additional Amounts) jointly and severally from each of Pemex-Exploración y Producción, Pemex-Refinación and Pemex-Gas y Petroquímica Básica (each, a “Subsidiary Guarantor” and together, the “Subsidiary Guarantors”), pursuant to a Guaranty Agreement, dated July 29, 1996 (the “Subsidiary Guaranty”), among the Guarantor and the Subsidiary Guarantors. The Guarantor has designated its Guaranty of each of the Notes and this Indenture as obligations of the Guarantor entitled to the benefits of the Subsidiary Guaranty, pursuant to certificates of designation, each dated [ ], 2004 (the “Certificates of Designation”).

The Notes are denominated in U.S. dollars or in the Specified Currency specified on the face hereof. Payments on the Notes will be made in the Specified Currency specified on the face hereof, except as may otherwise be provided in a Pricing Supplement attached hereto with respect to Notes issued and denominated in a Specified Currency other than U.S. dollars (each such Note, a “Foreign Currency Note”). [Include if Note is a Registered Note—The Notes are issuable only in fully registered form, without interest coupons. Notes are issuable in
authorized denominations of U.S. $10,000 and integral multiples thereof or, if this Note is a Foreign Currency Note, the denominations specified in the Pricing Supplement attached hereto.] [Include if Note is a Bearer Note—The Notes are issued in bearer form (“Bearer Notes”) in denominations of U.S. $10,000 and U.S. $100,000 or, if this Note is a Foreign Currency Note, the denominations set forth in the Pricing Supplement attached hereto. If this Note is a definitive Bearer Note, it has attached hereto on original issue Coupons with respect to the payment of interest, if any, payable hereon.]

2. (a) This Note will bear interest from the Issue Date specified on the face hereof or [Include if Note is a Fixed Rate Note—from the most recent Interest Payment Date to which interest has been paid or duly provided for, at the interest rate per annum equal to the Interest Rate specified in the Pricing Supplement and on the face hereof, until the principal hereof has been paid or duly made available for payment. The interest on this Note (other than Fixed Rate Notes denominated in Euro) shall be payable in arrears on each Interest Payment Date specified in the Pricing Supplement attached hereto, and shall be computed, unless otherwise specified in the Pricing Supplement, on the basis of a 360-day year consisting of twelve 30-day months. Interest on Fixed Rate Notes denominated in euro will be computed on the basis of the actual number of days in the relevant period for which interest is being calculated (the “Calculation Period”) divided by the product of the number of days in the interest period during which such Calculation Period falls and the number of interest periods in any year. Any payment on this Note due on any day which is not a Business Day in The City of New York or the place of payment need not be made on such day, but may be made on the next succeeding Business Day with the same force and effect as if made on the due date, and no interest shall accrue for the period from and after such due date. “Business Day”, as used herein with respect to any particular location, means each Monday, Tuesday, Wednesday, Thursday and Friday which is not a day on which banking institutions in such location are authorized or obligated by law to close in such location.] [Include if the Note is a Floating Rate Note—from the Issue Date specified above or from the most recent Interest Payment Date (or, if the Interest Reset Period specified in the Pricing Supplement is daily or weekly, from the day following the most recent Regular Record Date (as defined herein)) to which interest has been paid or duly provided for, on the Interest Payment Dates in each year specified in the Pricing Supplement and on the Stated Maturity specified above (except to the extent redeemed prior to the Stated Maturity), commencing on the first such Interest Payment Date next succeeding the Issue Date (or, if the Issue Date is after a Regular Record Date and before the Interest Payment Date immediately following such Regular Record Date, on the second such Interest Payment Date next succeeding the Issue Date), at a rate per annum equal to the Initial Interest Rate specified above until the first Interest Reset Date following the Issue Date and on and after such Interest Reset Date at the rate determined in accordance with the provisions set forth herein, until the principal hereof is paid or duly made available for payment.

If any Interest Payment Date other than the Stated Maturity would otherwise fall on a date that is not a Market Day (as defined herein), such Interest Payment Date will be the next succeeding Market Day (or, if the Interest Rate Basis specified in the Pricing Supplement attached hereto is LIBOR, if such day falls in the next calendar month, the next preceding Market Day). If the Stated Maturity falls on a day which is not a Business Day (as defined herein) in The City of New York or the place of payment, payment of the principal hereof and premium (if any) hereon need not be made on such day, and may be made on the next
succeeding Business Day with the same force and effect as if made on the due date, and no interest shall accrue for the period from and after such due date.

The rate of interest on this Note will be reset and become effective daily, weekly, monthly, quarterly, semiannually, annually or otherwise (each, an “Interest Reset Period”), as specified in the Pricing Supplement; provided that (i) the interest rate in effect from the Issue Date to the first Interest Reset Date will be the Initial Interest Rate, if an Initial Interest Rate is specified in the Pricing Supplement, and (ii) the interest rate in effect for the ten days immediately before the Stated Maturity (except to the extent redeemed prior to such Stated Maturity) of this Note will be that in effect hereon on the tenth day preceding such Stated Maturity (except to the extent redeemed prior to such Stated Maturity). Except as provided in the next sentence, the “Interest Reset Date” will be, if this Note resets daily, each Market Day; if this Note resets weekly (unless the Interest Rate Basis for this Note is the Treasury Rate), the Wednesday of each week; if this Note resets weekly and the Interest Reset Basis for this Note is the Treasury Rate, the Tuesday of each week (except as provided in the sixth succeeding paragraph); if this Note resets monthly, the third Wednesday of each month; if this Note resets quarterly, the third Wednesday of each March, June, September and December; if this Note resets semiannually, the third Wednesday of two months of each year, as specified herein and in the Pricing Supplement; and if this Note resets annually, the third Wednesday of one month of each year, as specified herein and in the Pricing Supplement. If any Interest Reset Date would otherwise be a day that is not a Market Day for this Note, the Interest Reset Date shall be postponed to the next day that is a Market Day for this Note, except that if the Interest Rate Basis specified herein is LIBOR and such next succeeding such Market Day is in the next succeeding calendar month, such Interest Reset Date shall be the immediately preceding Market Day for this Note. As used herein:

“Index Maturity” means the period to maturity of the instrument or obligation on which the interest rate formula for this Note is based, as specified in the Pricing Supplement.

“Market Day” means, (a) unless the rate of interest on this Note shall be determined in accordance with the provisions under the heading “LIBOR” below, if this Note is denominated in U.S. dollars, any Business Day in The City of New York, (b) if this Note is denominated in a Specified Currency other than U.S. dollars, any day (i) that is a Business Day in the financial center of the country issuing the Specified Currency or, in the case of Euros, a day on which the Trans-European Automated Real-Time Settlement Express Transfer (“TARGET”) System is operating and a day on which commercial banks are open for dealings in Euro deposits in the London interbank market, (ii) on which banking institutions in such financial center are carrying out transactions in such Specified Currency and (iii) that is a London Banking Day (as defined below) and (c) if the rate of interest on this Note shall be determined in accordance with the provisions under the heading “LIBOR” below, any London Banking Day.

“Business Day”, as used herein with respect to any particular location, means each Monday, Tuesday, Wednesday, Thursday and Friday which is not a day on which banking institutions in such location are authorized or obligated by law to close in such location.
“London Banking Day” means any day on which dealings in deposits in U.S. dollars are transacted in the London interbank market.

“person” means any individual, corporation, partnership, joint venture, association, joint-stock company, trust, unincorporated organization or government or any agency or political subdivision thereof.

The rate of interest on this Note in effect on any day on or after the first Interest Reset Date shall equal either (i) if such day is an Interest Reset Date, the interest rate for such Interest Reset Date or (ii) if such day is not an Interest Reset Date, the interest rate for the immediately preceding Interest Reset Date; provided that the interest rate in effect for the ten days immediately before the Stated Maturity (except to the extent redeemed prior to the Stated Maturity) of this Note will be that in effect hereon on the tenth day preceding such Stated Maturity (except to the extent redeemed prior to the Stated Maturity).

Except as otherwise specified in this paragraph, the rate of interest on this Note for each Interest Reset Date shall be the rate determined in accordance with the provisions below under the heading below corresponding to the Interest Rate Basis specified herein:

LIBOR. If the Interest Rate Basis of this Note is LIBOR, the interest rate hereon for any Interest Reset Date shall be determined in accordance with the following provisions:

(A) On the relevant LIBOR Interest Determination Date (as defined below), LIBOR will be determined on the basis of either:

(i) if the Pricing Supplement specifies “LIBOR Reuters,” or if the Pricing Supplement specifies “LIBOR Moneyline Telerate” but no rate appears on Moneyline Telerate Page 3750 as described in clause (ii) below, the offered rates for deposits in U.S. dollars having the specified Index Maturity, commencing on the second Market Day immediately following such LIBOR Interest Determination Date, which appear on the display designated as page “LIBO” on the Reuters Monitor Money Rates Service (or such other page as may replace the LIBO page on that service for the purpose of displaying London interbank offered rates of major banks) (“Reuters Screen LIBO Page”) as of 11:00 A.M., London time, on such LIBOR Interest Determination Date. If at least two such offered rates appear on the Reuters Screen LIBO Page, LIBOR with respect to such Interest Reset Date will be the arithmetic mean of such offered rates as determined by the Calculation Agent. If fewer than two offered rates appear, LIBOR with respect to such Interest Reset Date will be determined as described in clause (ii) below; or

(ii) if the Pricing Supplement specifies “LIBOR Moneyline Telerate,” or if the Pricing Supplement specifies “LIBOR Reuters” but fewer than two offered rates appear on the Reuters Screen LIBO Page as described in clause (i) above, the offered rate for deposits in U.S. dollars having the specified Index Maturity, commencing on the second Market Day immediately following such LIBOR Interest Determination Date, which appears on the display designated as
Page 3750 on the Moneyline Telerate Service (or such other page as may replace Page 3750 on that service or such other services as may be nominated by the British Bankers’ Association for the purpose of displaying London interbank offered rates for U.S. dollar deposits) (“Moneyline Telerate Page 3750”) as of 11:00 A.M., London time on such LIBOR Interest Determination Date. If no such offered rate appears, LIBOR with respect to such Interest Reset Date will be determined as described in clause (i) above.

(B) With respect to a LIBOR Interest Determination Date on which fewer than two offered rates for the Index Maturity specified herein appear on the Reuters Screen LIBO Page as described in (A)(i) above, and on which no rate appears on Moneyline Telerate Page 3750, as described in (A)(ii) above, LIBOR will be determined on the basis of the rates at approximately 11:00 A.M., London time, on such LIBOR Interest Determination Date at which deposits in U.S. dollars having the Index Maturity specified in the Pricing Supplement are offered to prime banks in the London interbank market by four major banks in the London interbank market selected by the Calculation Agent (after consultation with the Issuer) commencing on the second Market Day immediately following such LIBOR Interest Determination Date and in a principal amount equal to an amount of not less than U.S. $1,000,000 (or its approximate equivalent in a Specified Currency other than U.S. dollars) that in the Issuer’s judgment is representative for a single transaction in such market at such time (a “Representative Amount”). The Calculation Agent will request the principal London office of each of such banks to provide a quotation of its rate. If at least two such quotations are provided, LIBOR with respect to such Interest Reset Date will be the arithmetic mean of such quotations. If fewer than two quotations are provided, LIBOR for such Interest Reset Date will be the arithmetic mean of the rates quoted at approximately 11:00 A.M., New York City time, on such LIBOR Interest Determination Date by three major banks in The City of New York, selected by the Calculation Agent (after consultation with the Issuer), for loans in U.S. dollars to leading European banks having the Index Maturity specified in the Pricing Supplement commencing on the Interest Reset Date and in a Representative Amount; provided that, if fewer than three banks selected as provided above by the Calculation Agent are quoting as mentioned in this sentence, LIBOR with respect to such Interest Reset Date will be the LIBOR in effect on such LIBOR Interest Determination Date.

(C) In each of cases (A)(i), (A)(ii) and (B) above, the interest rate hereon for such Interest Reset Date shall be LIBOR as adjusted (x) by the addition or subtraction of the Spread, if any, specified in the Pricing Supplement, and then (y) by the multiplication by the Spread Multiplier, if any, specified in the Pricing Supplement.

Treasury Rate. If the Interest Rate Basis of this Note is the Treasury Rate, the interest rate hereon for any Interest Reset Date shall be determined in accordance with the following provisions. The “Treasury Rate” with respect to such Interest Reset Date shall equal (a) the rate for the auction on the relevant Treasury Interest Determination Date (as defined below) of direct obligations of the United States (“Treasury Bills”) having the Index Maturity specified in the Pricing Supplement, (i) as such rate as such rate appears on Telerate Page 56, in the case of a Note having a three-month Index Maturity, or Telerate Page 57, in the case of a Note having a six-month Index Maturity, under the heading “INVESTMENT RATE;” or (ii) in
the event that such rate does not appear by 3:00 p.m., New York City time, on the Calculation Date pertaining to such Treasury Interest Determination Date, then the rate on such date as published in H.15 Daily Update under the heading “U.S. government securities—Treasury bills—Auction high;” or (b) in the event that the foregoing rates do not so appear or are not so published by 3:00 p.m., New York City time, on the Calculation Date pertaining to such Treasury Interest Determination Date, then the Treasury Rate for such Interest Reset Date shall be the “Investment Rate” (expressed as a bond equivalent yield, on the basis of a year of 365 or 366 days, as applicable, and applied on a daily basis) as announced by the United States Department of the Treasury for the auction held on the Treasury Interest Determination Date. In the event that the results of the auction of Treasury Bills having the Index Maturity specified on the face hereof are not published or reported as provided above by 3:00 p.m., New York City time, on such Calculation Date or if no such auction is held on such Treasury Interest Determination Date, then the Treasury Rate shall be calculated by the Calculation Agent and shall be a yield to maturity (expressed as a bond equivalent yield, on the basis of a year of 365 or 366 days, as applicable, and applied on a daily basis) of the arithmetic mean of the secondary market bid rates, at approximately 3:30 p.m., New York City time, on such Interest Determination Date, of three leading primary United States government securities dealers selected by the Calculation Agent with the approval of the Issuer (such approval not to be unreasonably withheld) for the issue of Treasury Bills with a remaining maturity closest to the specified Index Maturity; provided that if the dealers selected as aforesaid by the Calculation Agent with the approval of the Issuer (such approval not to be unreasonably withheld) are not quoting as mentioned in this sentence, the Treasury Rate for such Interest Reset Date shall be the Treasury Rate in effect on such Treasury Interest Determination Date.

“Telerate Page 56” means the display designated as page “56” on the Telerate Service (or such other page as may replace the “56” page on that service or such other service or services for the purpose of displaying the rate for three-month Treasury Bills). “Telerate Page 57” means the display designated as page “57” on the Telerate Service (or such other page as may replace the “57” page on that service or such other service or services for the purpose of displaying the rate for six-month Treasury Bills).

Notwithstanding the foregoing, the interest rate hereon shall not be greater than the Maximum Interest Rate, if any, or less than the Minimum Interest Rate, if any, specified in the attached Pricing Supplement. In addition, the interest rate hereon will in no event be higher than the maximum rate permitted by New York law, as the same may be modified by United States law of general application.

The Issuer will at all times appoint and maintain a banking institution that is not an affiliate of the Issuer as Calculation Agent (the “Calculation Agent”) hereunder. The Issuer has initially appointed [the Trustee] [the financial institution specified in the Pricing Supplement] as such Calculation Agent and will give prompt written notice to the Trustee of any change in such appointment. The Issuer will cause the Calculation Agent to calculate the interest rate on this Note for any Interest Reset Date in accordance with the foregoing on or before the Calculation Date pertaining to the related Interest Determination Date (defined below). Except as otherwise provided herein, all percentages resulting from any calculations will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, with five one-millionths of a percentage point being rounded upwards (e.g., 9.876545% (or .09876545) being rounded to 9.876545%).
9.87655% (or .0987655), and all Specified Currency amounts used in or resulting from such calculations will be rounded to the nearest cent (with one-half cent being rounded upwards) or approximate equivalent in a Specified Currency other than U.S. dollars. The Calculation Agent’s determination of any interest rate will be final and binding in the absence of manifest error.

Upon the written request of the holder of this Note, the Issuer will cause the Calculation Agent to provide to such holder the interest rate hereon then in effect and, if determined, the interest rate hereon which will become effective on the next Interest Reset Date.

The Interest Determination Date pertaining to an Interest Reset Date if the Interest Rate Basis for this Note is LIBOR (the “LIBOR Interest Determination Date”) will be the second Market Day preceding such Interest Reset Date. The Interest Determination Date pertaining to an Interest Reset Date if the Interest Rate Basis for this Note is Treasury Rate (the “Treasury Interest Determination Date”) will be the day of the week in which such Interest Reset Date falls on which Treasury bills would normally be auctioned. Treasury bills are normally sold at auction on Monday of each week, unless that day is a legal holiday, in which case the auction is usually held on the following Tuesday, except that such auction may be held on the preceding Friday. If, as the result of a legal holiday, an auction is so held on the preceding Friday, such Friday will be the Treasury Interest Determination Date pertaining to the Interest Reset Date occurring in the next succeeding week. If an auction date shall fall on any Interest Reset Date for a Treasury Rate Note, then such Interest Reset Date shall instead be the first Market Day immediately following such auction date.

Interest pertaining to any LIBOR Interest Determination Date for any Note shall be calculated on such LIBOR Interest Determination Date. The Calculation Date pertaining to any Interest Determination Date (other than any LIBOR Interest Determination Date) for any Note shall be the tenth day after such Interest Determination Date or, if any such day is not a Market Day for such Note, the next succeeding such Market Day.

Payments of interest hereon with respect to any Interest Payment Date will include interest accrued to but excluding such Interest Payment Date; provided that, if the Interest Reset Period with respect to this Note is daily or weekly, the interest payable on any Interest Payment Date, other than interest payable on the date on which principal is payable, will include interest accrued to but excluding the day following the related Regular Record Date.

Accrued interest hereon from the Issue Date or from the last date to which interest has been paid is calculated by multiplying the principal amount of this Note by an accrued interest factor. Such accrued interest factor is computed by adding the interest factor calculated for each day from the Issue Date, or from the last date to which interest has been paid, to but excluding the date for which accrued interest is being calculated. The interest factor (expressed as a decimal) for each such day is computed by dividing the interest rate (expressed as a decimal) applicable to such day by 360 or, if the Interest Rate Basis for this Note is the Treasury Rate, by the actual number of days in the year.]

[Include if Note is a Registered Note—(b) The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, unless otherwise specified on the face hereof or in the Pricing Supplement, be paid to the person in whose name
this Note (or one or more predecessor Notes) is registered at the close of business on the 15th
day (whether or not a Business Day) (the “Regular Record Date”) next preceding such Interest
Payment Date; provided that interest payable at Stated Maturity will be payable to the person to
whom principal shall be payable; and provided, further, that if this Note is a Global Security, any
payment of interest on this Note shall be made to the applicable Depositary or its nominee, as the
registered owner hereof. Unless otherwise specified on the face hereof or in the Pricing
Supplement, the first payment of interest on any Note originally issued between a Regular
Record Date and an Interest Payment Date will be made on the Interest Payment Date following
the next succeeding Regular Record Date to the registered owner on such next succeeding
Regular Record Date. Any such interest not so punctually paid or duly provided for will
forthwith cease to be payable to the holder on such Regular Record Date and may either be paid
to the person in whose name this Note (or one or more predecessor Notes) is registered at the
close of business on a special record date for the payment of such defaulted interest to be fixed
by the Trustee, notice whereof shall be given to holders of Notes not less than 10 days prior to
such special record date, or be paid at any time in any other lawful manner not inconsistent with
the requirements of any securities exchange on which the Notes may be listed, and upon such
notice as may be required by such exchange.

(c) Payment of principal (and premium, if any) and any interest due with respect
to the Notes at Stated Maturity will be made in immediately available funds upon surrender of
such Notes at the corporate trust office of the Trustee in the Borough of Manhattan, The City of
New York, or at the specified office of any other Paying Agent, provided that the Note is
presented to the Paying Agent in time for the Paying Agent to make such payments in such funds
in accordance with its normal procedures. Payments of principal (and premium, if any) and any
interest in respect of this Note to be made other than at Stated Maturity or upon redemption will
be made by check mailed on or before the due date for such payments to the address of the
persons entitled thereto as they appear in the Security Register; provided that (i) the applicable
Depositary, as holder of the Global Securities, shall be entitled to receive payments of interest by
wire transfer of immediately available funds, (ii) a holder of U.S. $10,000,000 (or the
approximate equivalent thereof in a Specified Currency other than U.S. dollars) in aggregate
principal or face amount of Notes having the same Interest Payment Date shall be entitled to
receive payments of interest by wire transfer to an account maintained by such holder at a bank
located in the United States as may have been appropriately designated by such person to the
Paying Agent in writing no later than the relevant Regular Record Date and (iii) to the extent that
the holder of a Note issued and denominated in a Specified Currency other than U.S. dollars
elects to receive payment of principal and interest at Stated Maturity in such Specified Currency,
such payment, except in circumstances described in the Pricing Supplement, shall be made by
wire transfer of immediately available funds to an account specified in writing not less than 15
days prior to Stated Maturity by the holder to the Trustee. Unless such designation is revoked,
you such designation made by such holder with respect to such Note shall remain in effect with
respect to any further payments with respect to such Note payable to such holder.]

[Include if Note is a Bearer Note]—(b) Principal of (and premium, if any, on)
this Note shall be payable by check or wire transfer upon presentation and surrender of this Note
at an office of a Paying Agent located outside the United States and its possessions, as defined
herein, or at such other offices or agencies located outside the United States and its possessions
as the Issuer shall have appointed for the purpose pursuant to the Indenture. Such Paying Agents
shall initially be [London paying agent] and [Luxembourg paying agent]. Interest on this Note shall be payable by check or wire transfer to [the holder of each Coupon appertaining to this Note in the amount determined in accordance with such Coupon, on or after the due date of such payment as set forth in such Coupon, upon presentation and surrender thereof] [Include if Note is a Permanent Global Bearer Note—the holder of this Note in the amount determined in accordance with the provisions set forth herein upon presentation of this Note] at the offices of the Paying Agents set forth on the reverse of [such Coupon] [this Note] or at such other offices or agencies located outside the United States and its possessions as the Issuer shall have appointed pursuant to the Indenture.]

[Include if Note is a Foreign Currency Note— ( ) If the principal of or premium (if any), interest, Additional Amounts or other amounts on this Note is payable in a Specified Currency other than U.S. dollars (in which case, this Note is a “Foreign Currency Note”) and such Specified Currency is not available due to the imposition of exchange controls or other circumstances beyond the control of the Issuer, or is no longer used by the government of the country issuing such currency or for settlement of transactions by public institutions of or within the international banking community, the Issuer will be entitled to satisfy its obligations to the holder of this Note by making such payment in U.S. dollars on the basis of the noon buying rate in The City of New York for cable transfers in such Specified Currency as certified for customs purposes by the Federal Reserve Bank of New York (the “Exchange Rate”) for such Specified Currency on the second New York Business Day prior to the applicable payment date or, if the Exchange Rate is not then available, on the basis of the most recently available Exchange Rate. In the event no Exchange Rate is published for such currency, then the payment in U.S. dollars shall be made based on the rate given by the relevant central bank for buying such currency or, if no such rate is available, the rate shall be the average of rates given to the Exchange Rate Agent by internationally recognized commercial banks selected by the Exchange Rate Agent in consultation with the Issuer which regularly engage in foreign currency dealings for buying such currency. The Exchange Rate, or the rate as so determined, is referred to herein as the “Market Exchange Rate.” Any payment made under such circumstances in U.S. dollars where the required payment is due in other than U.S. dollars will not constitute an Event of Default under this Note.]

[Include if Note is a Registered Note and a Foreign Currency Note— ( ) If this Note is a Foreign Currency Note and the Pricing Supplement so specifies, and except as provided in the next following paragraph, payments of principal and any premium, interest, Additional Amounts or other amounts with respect to this Note will be made in U.S. dollars if the holder of such Note on the relevant Regular Record Date or at Stated Maturity, as the case may be, has transmitted a written request for such payment in U.S. dollars to the Trustee and the applicable Paying Agent on or prior to such Regular Record Date or the date 15 days prior to Stated Maturity, as the case may be. Such request may be in writing (mailed or hand delivered) or by facsimile transmission. Any such request made with respect to any Registered Note by a holder will remain in effect with respect to any further payments of principal and any premium, interest, Additional Amounts or other amounts with respect to such Registered Note payable to such holder, unless such request is revoked on or prior to the relevant Regular Record Date or the date 15 days prior to Stated Maturity, as the case may be. Holders of Foreign Currency Notes that are registered in the name of a broker or nominee should contact such broker or nominee to determine whether and how an election to receive payments in U.S. dollars may be made.

E-9
The dollar amount to be received by a holder of a Foreign Currency Note who elects to receive payment in U.S. dollars will be based on the highest bid quotation in The City of New York received by the Exchange Rate Agent (as defined below) as of 11:00 A.M., New York City time, on the second Business Day in New York next preceding the applicable payment date from three recognized foreign exchange dealers (one of which may be the Exchange Rate Agent) for the purchase by the quoting dealer of the Specified Currency for U.S. dollars for settlement on such payment date in the aggregate amount of the Specified Currency payable to all holders of Notes electing to receive dollar payments and at which the applicable dealer commits to execute a contract. If three such bid quotations are not available on the second Business Day in New York preceding the date of payment of principal or any premium, interest, Additional Amounts or other amounts with respect to any Note, such payment will be made in the Specified Currency. All currency exchange costs associated with any payment in U.S. dollars on any such Foreign Currency Note will be borne by the holder thereof by deductions from such payment of such currency exchange being effected on behalf of the holder by the Exchange Rate Agent. Unless otherwise specified in the Pricing Supplement, the Trustee will be the exchange rate agent (the “Exchange Rate Agent”) with respect to Foreign Currency Notes.]

[Include if Note is a Foreign Currency Note—( ) In the event of an official redenomination of the Specified Currency of this Note, the obligations of the Issuer with respect to payments on this Note shall, in all cases, be deemed immediately following such redenomination to provide for payment of that amount of the redenominated Specified Currency representing the amount of such obligations immediately before such redenomination.]

[Include if Note is denominated in the currency of a Participating Member State of the European Community—( ) Except as otherwise provided in the Pricing Supplement, to the extent permitted by applicable law, the occurrence or non-occurrence of an EMU Event (as defined below) or the entry into force of any law, regulation, directive or order requiring redenomination or consolidation to be undertaken on terms different than those described herein will not have the effect of altering any term of, or discharging or excusing performance under, the Indenture or this Note, nor give the Issuer, the Guarantor, any Subsidiary Guarantor, the Trustee, any other agent or any holder of this Note the right unilaterally to alter or terminate the Indenture or this Note or give rise to any Event of Default or otherwise be the basis for any acceleration, early redemption, rescission, notice, repudiation, adjustment or renegotiation of the terms of the Indenture of this Note. For purposes hereof, “EMU Event” means any event associated with EMU (as defined below) in the European Community, including, without limitation, each (and any combination) of (i) the introduction of, changeover to or operation of the euro; (ii) the irrevocable fixing of exchange rates between the currency of a Participating Member State (as defined below) and the euro or between the currencies of Participating Member States; (iii) the introduction of the euro as lawful currency in a Participating Member State; (iv) the withdrawal from legal tender of any currency that, before the introduction of the euro, was lawful currency in any of the Participating Member States; or (v) the disappearance or replacement of a relevant rate option or other price source for the national currency of any Participating Member State, or the failure of the agreed price or rate sponsor (or a successor sponsor) or screen provider to publish or display a relevant rate, index, price, page or screen.
( ) Redenomination. If this Note is a Foreign Currency Note and the country in which such Specified Currency has been the legal currency (the “Currency Country”) becomes a Participating Member State, then the Issuer may at its option, and without the consent of the holders of the Notes [or any coupons appertaining thereto] or the need to amend the Notes or the Indenture, on any Interest Payment Date after the date on which such Currency Country has become a Participating Member State (such Interest Payment Date, a “Redenomination Date”), redenominate all of the Notes into euros upon the giving of not less than 30 days’ notice thereof in accordance with the terms of the Notes, which notice shall set forth the manner in which such redenomination shall be effected. If the Issuer elects to so redenominate the Notes, with effect from the Redenomination Date:

(i) each denomination and, in the case of Fixed Rate Notes in bearer form, each amount of interest specified in the coupons appertaining thereto, will be deemed to be denominated in such amount of euro as is equivalent to its denomination or the amount of interest so specified in the Specified Currency at the Fixed Conversion Rate (as defined below), rounded down to the nearest euro 0.01;

(ii) after the Redenomination Date, all payments in respect of such Notes, other than payments of interest in respect of periods commencing before the Redenomination Date, will be made solely in euro as though references in such Notes to the Specified Currency were to euro. Payments will be made in euro by euro check, or by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee, as provided above;

(iii) if such Notes are Fixed Rate Notes and interest for any period ending on or after the Redenomination Date is required to be calculated for a period of less than one year, it will be calculated in accordance with the provisions specified for euro-denominated Fixed Rate Notes under “—Payment of Principal and Interest” above;

(iv) if such Notes are Floating Rate Notes, the relevant Pricing Supplement will specify any relevant changes to the provisions relating to interest; and

(v) such other changes shall be made to the terms and conditions of such Notes as the Issuer may decide, after consultation with the Trustee, and as may be specified in the notice, to conform such Notes to conventions then applicable to Notes denominated in euro or to enable such Notes to be consolidated with other Notes whether or not originally denominated in the Specified Currency or euro. Any such other changes may not take effect until the holders of such Notes have been notified thereof in accordance with “Notices” below.

[Include if Note is a Foreign Currency Note]—( ) All determinations referred to above made by the Exchange Rate Agent shall, in the absence of manifest error, be conclusive for all purposes and binding on holders of the Notes and the Issuer, and the Exchange Rate Agent shall have no liability therefor.

[Include if Note is a Registered Note]—3. (a) The Issuer shall maintain in the Borough of Manhattan, The City of New York, an office or agency where Notes may be surrendered for registration of transfer or exchange. The Issuer has initially appointed the corporate trust office of the Trustee as its agent in the Borough of Manhattan, The City of New York, for such purpose and has agreed to cause to be kept at such office a register in which, subject to such reasonable regulations as it may prescribe, the Issuer will provide for the registration of Notes and of transfers of Notes. The Issuer reserves the right to vary or terminate the appointment of the Trustee as security registrar or of any Transfer Agent or to appoint additional or other registrars or Transfer Agents or to approve any change in the office through which any security registrar or any Transfer Agent acts, provided that there will at all times be a security registrar in the Borough of Manhattan, The City of New York and, so long as the Notes are listed on the Luxembourg Stock Exchange and such Exchange shall so require, a Transfer Agent in Luxembourg.
(b) The transfer or exchange of a Note is registrable on the aforementioned register upon surrender of such Note at the corporate trust office of the Trustee or any Transfer Agent duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Trustee duly executed by the holder thereof or his attorney duly authorized in writing. (d) In the event of a redemption of Notes in part (if permitted by the provisions hereof), the Issuer shall not be required (i) to register the transfer of or exchange any Note during a period beginning at the opening of business 15 days before, and continuing until, the date on which notice is given identifying the Notes to be redeemed, or (ii) to register the transfer of or exchange any Note, or portion thereof, called for redemption.

(e) All Notes issued upon any registration of transfer or exchange of Notes shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits, as the Notes surrendered upon such registration of transfer or exchange. No service charge shall be made for any registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any stamp tax or other governmental charge payable in connection therewith, other than an exchange in connection with a partial redemption of a Note not involving any registration of a transfer.

Prior to due presentment of this Note for registration of transfer, the Issuer, the Guarantor, each Subsidiary Guarantor, the Trustee and any agent of the Issuer, the Guarantor, any Subsidiary Guarantor or the Trustee may treat the person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the Issuer, the Guarantor, any Subsidiary Guarantor, the Trustee nor any such agent shall be affected by any notice to the contrary.] [Include if Note is a Bearer Note—Title to this Note and any Coupons appertaining hereto shall pass by delivery. 4. The Issuer shall pay to the Trustee at its principal office in the Borough of Manhattan, The City of New York, on or prior to 11:00 a.m., New York City time, on each Interest Payment Date, any redemption date and at the Stated Maturity of the Notes, in such amounts sufficient (with any amounts then held by the Trustee and available for the purpose) to pay the interest on, the redemption price of and accrued interest (if the redemption date is not an Interest Payment Date) on, and the principal of, the Notes due and payable on such Interest Payment Date, redemption date or Stated Maturity, as the case may be. The Trustee shall apply the amounts so paid to it to the payment of such interest, redemption price and principal in accordance with the terms of the Notes. Any monies paid by the Issuer to the Trustee for the payment of the principal, premium (if any) or interest on any Notes and remaining unclaimed at the end of two years after such principal (or premium, if any) or interest shall have become due and payable (whether at the Stated Maturity, upon call for redemption or otherwise) shall then be repaid to the Issuer upon its written request, and upon such repayment all liability of the Trustee with respect thereto shall cease, without, however, limiting in any way any obligation the Issuer may have to pay the principal of (and premium, if any) and interest on each Note as the same shall become due. Notwithstanding the foregoing, the Notes will become void unless presented for payment within five years after the maturity date thereof.

5. (a) The Issuer will pay all stamp and other duties, if any, which may be imposed by the United States or any political subdivision thereof or taxing authority of or in the foregoing with respect to the Indenture or the issuance of this Note. Except as otherwise provided herein, the Issuer shall not be required to make any payment with respect to any tax, assessment or other governmental charge imposed by any government or any political subdivision or taxing authority thereof or therein.

(b) The Issuer, or, in the case of a payment by the Guarantor or a Subsidiary Guarantor, such Guarantor or Subsidiary Guarantor, will pay to the holder of this Note such additional amounts (“Additional Amounts”) as may be necessary in order that every net payment made by the Issuer, the Guarantor or a Subsidiary Guarantor on this Note after deduction or withholding for or on account of any present or future tax, assessment or other governmental charge imposed upon or as a result of such payment by Mexico or any political subdivision or taxing authority thereof or therein (“Mexican Withholding Taxes”), will not be less than the amount then due and payable on this Note. The foregoing obligation to pay Additional Amounts, however, will not apply to (i) any Mexican Withholding Taxes that would not have been imposed or levied on the holder of this Note but for the existence of any present or former connection between such holder and Mexico or any political subdivision or territory or possession thereof or area subject to its jurisdiction, including, without limitation, such holder (A) being or having been a citizen or resident thereof, (B) maintaining or having maintained an office, permanent establishment or branch therein, or (C) being or having been present or engaged in trade or business therein, except for a connection solely arising from the mere ownership of, or receipt of payment under, this Note; (ii) except as otherwise provided, any estate, inheritance, gift, sales, transfer or personal property or similar tax, assessment or other governmental charge; (iii) any Mexican Withholding Taxes that are imposed or levied by reason of the failure by such holder to comply with any certification, identification, information,
documentation, declaration or other reporting requirement that is required or imposed by a statute, treaty, regulation, general rule or administrative practice as a precondition to exemption from, or reduction in the rate of, the imposition, withholding or deduction of any Mexican Withholding Taxes; provided that at least 60 days prior to (A) the first payment date with respect to which the Issuer, the Guarantor or a Subsidiary Guarantor shall apply this clause (iii) and, (B) in the event of a change in such certification, identification, information, documentation, declaration or other reporting requirement, the first payment date subsequent to such change, the Issuer, the Guarantor or a Subsidiary Guarantor, as the case may be, shall have notified the Trustee in writing that the holders of Notes will be required to provide such certification, identification, information or documentation, declaration or other reporting; (iv) any Mexican Withholding Taxes imposed at a rate in excess of 4.9% in the event that such holder has failed to provide on a timely basis, at the reasonable request of the Issuer, information or documentation (not described in clause (iii) above) concerning such holder’s eligibility for benefits under an income tax treaty to which Mexico is a party that is necessary to determine the appropriate rate of deduction or withholding of Mexican taxes under any such treaty; (v) any Mexican Withholding Taxes that would not have been so imposed but for the presentation by such holder of this Note for payment on a date more than 15 days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later; (vi) any payment on this Note to any holder who is a fiduciary or partnership or other than the sole beneficial owner of any such payment, to the extent that a beneficiary or settlor with respect to such fiduciary, a member of such a partnership or the beneficial owner of such payment would not have been entitled to the Additional Amounts had such beneficiary, settlor, member or beneficial owner been the holder of this Note or (vii) any withholding tax or deduction imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other European Union Directive implementing the conclusions of the ECOFIN Council meeting of November 26-27, 2000 on the taxation savings income, or any law implementing or complying with, or introduced in order to conform to, such a directive or presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant Note to another Paying Agent in a Member State of the European Union. All references in this Note or in the Indenture to principal, premium, if any, and interest in respect of Notes shall, unless the context otherwise requires, be deemed to mean and include all Additional Amounts, if any, payable in respect thereof as set forth in this paragraph (b).

(c) Notwithstanding the foregoing, the limitations on the Issuer’s, the Guarantor’s and the Subsidiary Guarantors’ obligation to pay Additional Amounts set forth in clauses (iii) and (iv) above shall not apply if the provision of the certification, identification, information, documentation, declaration or other evidence described in such clauses (iii) and (iv) would be materially more onerous, in form, in procedure or in the substance of information disclosed, to a holder or beneficial owner of this Note (taking into account any relevant differences between United States and Mexican law, regulation or administrative practice) than comparable information or other applicable reporting requirements imposed or provided for under United States federal income tax law (including the United States-Mexico Income Tax Treaty), regulation (including proposed regulations) and administrative practice. In addition, the limitations on the Issuer’s, the Guarantor’s and the Subsidiary Guarantors’ obligation to pay Additional Amounts set forth in clauses (iii) and (iv) above shall not apply if Rule 3.23.8 published in the Diario Oficial de la Federación on April 30, 2004, or a substantially similar
successor of such rule is in effect, unless (A) the provision of the certification, identification, information, documentation, declaration or other evidence described in clauses (iii) and (iv) is expressly required by statute, regulation, general rules or administrative practice in order to apply Rule 3.23.8 (or a substantially similar successor of such rule), the Issuer, the Guarantor or the applicable Subsidiary Guarantor cannot obtain such certification, identification, information, documentation, declaration or evidence, or satisfy any other reporting requirements, on its own through reasonable diligence and the Issuer, the Guarantor or the applicable Subsidiary Guarantor otherwise would meet the requirements for application of Rule 3.23.8 (or such successor of such rule) or (B) in the case of a holder or beneficial owner of a Note that is a pension fund or other tax-exempt organization, such holder or beneficial owner would be subject to Mexican Withholding Taxes at a rate less than that provided by Rule 3.23.8 if the information, documentation or other evidence required under clause (iv) above were provided. In addition, clause (iii) above shall not be construed to require that a non-Mexican pension or retirement fund, a non-Mexican tax-exempt organization or a non-Mexican financial institution or any other holder or beneficial owner of this Note register with the Ministry of Finance and Public Credit of Mexico for the purpose of establishing eligibility for an exemption from or reduction of Mexican Withholding Taxes.

(d) The Issuer, the Guarantor or a Subsidiary Guarantor, as the case may be, will, upon written request, provide the Trustee, the holders and the Paying Agents with a duly certified or authenticated copy of an original receipt of the payment of Mexican Withholding Taxes which such Issuer, Guarantor or Subsidiary Guarantor has withheld or deducted in respect of any payments made under or with respect to the Notes, the Guaranty or the Subsidiary Guaranty, as the case may be. Any reference herein or in the Indenture to principal, interest, Redemption Price or any other amount payable under or with respect to the Notes will be deemed also to refer to any Additional Amounts which may be payable under the undertakings referred to herein.

(e) In the event that Additional Amounts actually paid with respect to this Note are based on rates of deduction or withholding of Mexican Withholding Taxes in excess of the appropriate rate applicable to the holder of this Note, and, as a result thereof, such holder is entitled to make a claim for a refund or credit of such excess, then such holder shall, by accepting this Note, be deemed to have assigned and transferred all right, title and interest to any such claim for a refund or credit of such excess to the Issuer, the Guarantor or the applicable Subsidiary Guarantor, as the case may be. However, by making such assignment, the holder makes no representation or warranty that the Issuer, the Guarantor or the applicable Subsidiary Guarantor, as the case may be, will be entitled to receive such claim for a refund or credit and incurs no other obligation with respect thereto.

6. (a) If so provided on the face hereof, this Note may be redeemed by the Issuer on or after the Redemption Commencement Date, if any, specified in the Pricing Supplement. If no Redemption Commencement Date is specified in the Pricing Supplement, this Note may not be redeemed prior to the Stated Maturity, except as specified in paragraph (b) below. On and after the Redemption Commencement Date, if any, this Note may be redeemed at any time in whole or from time to time in part in increments of U.S. $10,000 at the option of the Issuer at the applicable Redemption Price (as defined below) together with interest thereon payable to the Redemption Date, on notice given not less than 60 days prior to the Redemption Date. In the
event of redemption of this Note in part only, a new Note for the unredeemed portion hereof shall be issued in the name of the holder hereof upon the surrender hereof.

The “Redemption Price” shall initially be the Initial Redemption Percentage specified in the Pricing Supplement of the principal amount of this Note to be redeemed, and shall decline at each anniversary of the Initial Redemption Date specified in the Pricing Supplement by the Annual Redemption Percentage Reduction, if any, specified in the Pricing Supplement of the principal amount to be redeemed until the Redemption Price is 100% of such principal amount.

(b) The Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time, together, if applicable, with interest accrued to but excluding the date fixed for redemption, at par, or if this Note is an Original Issue Discount Note, at the amount specified in the Pricing Supplement, on giving not less than 30 nor more than 60 days’ notice to the holders of the Notes (which notice shall be irrevocable), if (i) the Issuer or the Guarantor certifies to the Trustee immediately prior to the giving of such notice that it has or will become obligated to pay Additional Amounts in excess of the Additional Amounts that it would be obligated to pay if payments (including payments of interest) on the Notes (or payments under the Guaranties with respect to interest on the Notes) were subject to a tax at a rate of 10%, as a result of any change in, amendment to, or lapse of, the laws, regulations or rulings of Mexico or any political subdivision or any taxing authority thereof or therein affecting taxation, or any change in, or amendment to, an official interpretation or application of such laws, regulations or rulings, which change or amendment becomes effective on or after the date of issuance of the Notes and (ii) prior to the publication of any notice of redemption, the Issuer or the Guarantor shall deliver to the Trustee an Officer’s Certificate stating that the obligation referred to in (i) above cannot be avoided by the Issuer or the Guarantor, as the case may be, taking reasonable measures available to it, and the Trustee shall be entitled to accept such certificate as sufficient evidence of the satisfaction of the condition precedent set out in (i) above in which event it shall be conclusive and binding on the holders of the Notes; provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer or the Guarantor, as the case may be, would be obligated but for such redemption to pay such Additional Amounts were a payment in respect of the Notes then due and, at the time such notice is given, such obligation to pay such Additional Amounts remains in effect.

[Include if Note is Original Issue Discount Note—(c) If this Note is issued with original issue discount, the amount payable in the event of redemption, repayment or other acceleration of maturity, in lieu of the principal amount due on the Maturity Date hereof, shall be the Amortized Face Amount (as defined below) as of the date of redemption or repayment or the date of such acceleration. The “Amortized Face Amount” in any such case shall be an amount equal to (a) the Issue Price (as set forth on the face hereof) plus (b) that portion of the difference between the Issue Price and the principal amount hereof that has accrued at the Yield to Maturity as set forth on the face hereof (computed in accordance with generally accepted United States bond yield computation principles) at the date as of which the Amortized Face Amount is calculated, but in no event shall the Amortized Face Amount of this Note exceed its stated principal amount.]
[(d)] The Issuer, the Guarantor or any Subsidiary Guarantor may at any time purchase Notes at any price in the open market or otherwise. Notes so purchased by the Issuer, the Guarantor or any Subsidiary Guarantor may be held, resold (subject to compliance with applicable securities and tax laws) or surrendered to the Trustee for cancellation.

7. If so specified in the Pricing Supplement attached hereto, this Note will be repayable prior to the Stated Maturity at the option of the holder on the Optional Repayment Dates specified in the Pricing Supplement and at the Optional Repayment Prices specified in the Pricing Supplement together with accrued interest to the Optional Repayment Date. In order for this Note to be repaid, the Issuer must receive, at least 30 but not more than 45 days prior to an Optional Repayment Date, this Note with the form below entitled “Option to Elect Repayment” duly completed. Any tender of this Note for repayment shall be irrevocable. Unless otherwise specified in the Pricing Supplement, the repayment option may be exercised by the holder of this Note for less than the entire principal amount of the Note, provided that the principal amount of the Note remaining outstanding after repayment is an authorized denomination. Upon such partial repayment, this Note shall be cancelled and a new Note or Notes for the remaining principal amount hereof shall be issued in the name of the holder of this Note.

8. If any of the following events (each, an “Event of Default”) occurs and is continuing, the Trustee, if so requested in writing by holders of at least 20% in principal amount of the Notes then outstanding, shall give notice to the Issuer that the Notes are, and they shall immediately become, due and payable at their principal amount together with accrued interest:

9. The Indenture permits, with certain exceptions as therein provided, amendments, modifications and supplements of the rights and obligations of the Issuer and the Guarantor and the rights of the holders of the Notes under the Indenture and the Notes at any time to be made by the Issuer, the Guarantor and the Trustee with the consent of the holders of specified percentages in principal amount of the Notes at the time Outstanding, on behalf of the
holders of all Notes. The Indenture also contains provisions permitting the holders of specified percentages in principal amount of the Notes at the time Outstanding, on behalf of the holders of all Notes, to waive compliance by the Issuer or the Guarantor with certain provisions of the Indenture and certain past defaults under the Indenture or the Notes and their consequences. Any such consent or waiver by the holder of this Note shall be conclusive and binding upon such holder and upon all future holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

10. The Issuer may from time to time without the consent of any holder of Notes create and issue additional notes having the same terms and conditions as Notes previously issued (or the same except the first payment of interest or the issue price), which additional notes may be consolidated to form a single series with the outstanding Notes; provided that such additional notes do not have, for purposes of U.S. federal income taxation, a greater amount of original issue discount than the Notes have as of the date of the issue of such additional notes.

11. No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligations of the Issuer or the Guarantor, which are absolute and unconditional, to pay the principal and premium (if any) of and interest on this Note (as such Notes may be amended, modified, supplemented or waived, as provided in the Indenture) at the times, place and rate, and in the coin or currency, herein prescribed.

12. The Bank of New York is executing this Note not in its individual capacity but solely as Managing Trustee of the Issuer and in no event shall The Bank of New York have any liability for the representations, warranties, covenants, agreements or other obligations of the Issuer or the Guarantor hereunder, as to which recourse shall be had solely to the assets of the Issuer or the Guarantor, and under no circumstances shall The Bank of New York be personally liable for the payment of any indebtedness due under the Note. The Note does not represent interests in or obligations of The Bank of New York.

13. **THIS NOTE SHALL BE GOVERNED BY, AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, UNITED STATES OF AMERICA.**
GUARANTY

1. The Guarantor hereby unconditionally and irrevocably guarantees the punctual payment when due, whether at Stated Maturity, upon redemption or early repayment, upon acceleration or otherwise, of all payments of principal of and interest (including Additional Amounts) and premium (if any) on the Notes, and any other amounts payable by the Issuer under the Notes or the Indenture (the “Obligations”). If the Issuer shall fail to pay punctually any Obligation, the Guarantor shall forthwith pay such Obligation when and as the same shall be due and payable to the person entitled thereto in the manner specified in the Notes or the Indenture. All payments hereunder shall be made in currency specified in the Notes in same day funds (or such other funds as may, at the time of payment, be customary for the settlement in New York City of international banking transactions in the such currency) as if such payment were made by the Issuer in accordance with the terms of the Notes and the Indenture.

This Guaranty shall be continuing and remain in full force and effect and be binding upon the Guarantor and its successors and assigns and inure to the benefit of the holders of the Notes and the Trustee (each, a “Beneficiary, and collectively, the “Beneficiaries”) until all Obligations of the Issuer have been discharged in full. The Guarantor hereby waives, to the extent permitted by applicable law, all claims of waiver, exchange, release, surrender, alteration or compromise and all set-offs, counterclaims and recoupments which it may have or assert against the Beneficiaries. The Guarantor hereby waives promptness, diligence, presentment, demand for payment, notice of acceptance of this Guaranty, protest of any kind whatsoever, any requirement that a Beneficiary exhaust any right or take any action against the Issuer or any other person or entity or any property or collateral, as well as any right to require a proceeding first against the Issuer or the Issuer’s property or the exercise by a holder of the Notes of its rights upon the occurrence and continuation of an Event of Default.

4. The obligations of the Guarantor to the Beneficiaries pursuant to this Guaranty and the Indenture, and the rights of the Guarantor with respect thereto, are expressly set forth in the Indenture and reference is hereby made to the Indenture for the precise terms of this Guaranty, which are incorporated herein by reference and made a part hereof.

5. Capitalized terms used herein and not otherwise defined herein have the meanings specified in the Indenture.

THIS GUARANTY SHALL BE GOVERNED BY, AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, UNITED
STATES OF AMERICA, EXCEPT THAT ALL MATTERS RELATING TO THE
AUTHORIZATION AND EXECUTION BY THE GUARANTOR OF THIS GUARANTY
SHALL BE GOVERNED BY THE LAWS OF MEXICO.
