ORDER TO APPROVE THE DISTRIBUTION PLAN**

**NOTICE OF MOTION**

PLEASE TAKE NOTICE that upon the accompanying Motion, Memorandum, and Proposed Order, and all other papers and proceedings herein, Plaintiff United States Securities and Exchange Commission ("SEC" or "Commission") will move this Court, the Honorable Edgardo Ramos at a date, time and place as may be determined by the Court for an Order approving the Commission's proposed plan to distribute funds paid by defendants Luis Chang ("Chang") and Everbright Development Overseas Limited ("Everbright") (collectively "Defendants") and any future funds to be paid by Defendants to harmed investors submitted herewith.

**MOTION**

Plaintiff Securities and Exchange Commission (the "Commission") respectfully moves

the Court for an order to approve the Commission's proposed plan to distribute funds paid by defendants Luis Chang ("Chang") and Everbright Development Overseas Limited ("Everbright") (collectively "Defendants") and any future funds to be paid by Defendants to harmed investors submitted herewith (the "Distribution Plan"). A Proposed Order has been contemporaneously filed herewith.

## **MEMORANDUM OF LAW**

### **I. FACTUAL AND PROCEDURAL BACKGROUND**

On July 28, 2014, the Securities and Exchange Commission ("Commission") filed an Amended Complaint against Luis Chang ("Chang") and Everbright Development Overseas Limited ("Everbright") (collectively "Defendants") alleging that Everbright violated Section 17(a) of the Securities Act of 1933 ("Securities Act") and Sections 10(b) and 13(d)(1) of the Securities Exchange Act of 1934 ("Exchange Act") and Rules 10b-5(a), 10b-5(c), and 13d-1 thereunder; and, Chang violated Section 17(a) of the Securities Act and Sections 10(b), 13(d)(1) and 14(e) of the Exchange Act and Rules 10b-5, 13d-1, and 14(e)-8 thereunder. The Commission also alleged that Chang, as Everbright's control person, was liable for Everbright's violations of the Exchange Act, under Section 20(a) of the Exchange Act. The Commission charged the Defendants in connection with a scheme to manipulate the market for the common stock of Allied Nevada Gold Corporation ("Allied Nevada"), a publicly traded American mining company (Dkt. 29).<sup>1</sup>

On May 15, 2015, the Court entered a final judgment against the Defendants ("Final Judgment"), finding that they were jointly and severally, liable for disgorgement of

\$2,890,507 and for prejudgment interest of \$94,569. In addition, Chang was found liable for a civil penalty of \$2,890,507 (Dkt. 50).<sup>2</sup> Defendants satisfied these obligations by paying a grand total of \$5,875,583. The Final Judgment ordered that the Court Registry would hold the monies paid, together with any interest and income earned thereon pending further order of the Court. The Final Judgment further authorized the Commission to “propose a plan to distribute the fund subject to the Court’s approval.”

By order dated June 21, 2016, the Court created a Fair Fund pursuant to Section 308(a) of Sarbanes-Oxley, to return funds to harmed investors (“Fair Fund”) and appointed Rust Consulting, Inc. to serve as the distribution agent (“Distribution Agent”) to oversee all aspects of the administration and distribution of the Fair Fund in accordance with the terms of a distribution plan to be approved by the Court, and in coordination with the Commission staff (Dkt. 56).<sup>3</sup> The Fair Fund consists of the \$5,875,583 plus any interest minus tax obligations and fees and expenses of the distribution agent and tax administrator.

## **II. LEGAL STANDARD FOR REVIEW**

### **a. The Court May Give Significant Deference to the SEC’s Distribution Plan.**

Nearly every plan to distribute funds obtained in SEC enforcement actions requires choices to be made regarding the allocation of funds among potential claimants within the parameters of the amounts recovered. In recognition of the difficulty of this task, courts give the Commission significant discretion to design and set the parameters of a distribution plan. *See SEC v. Wang*, 944 F.2d 80 (2d Cir. 1991); *SEC v. Levine*, 881 F.2d 1165 (2d Cir. 1989). The court’s review of a distribution plan focuses on whether the plan is fair and reasonable. *SEC v. Fishbach*, 133 F.3d 170, 175 (2d Cir. 1997); *See Official Comm. Of Unsec. Creditors of*

<sup>2</sup> Final Judgment as to Defendants Luis Chang and Everbright Development Overseas Limited, Docket No. 50.

<sup>3</sup> Order to Establish a Fair Fund and Appoint a Distribution Agent, Docket No. 56.

*Worldcom, Inc. v. SEC*, 467 F.3d 73, 81 (2d Cir. 2006). (“[U]nless the consent decree specifically provides otherwise (,) once the district court satisfies itself that the distribution of proceeds in a proposed SEC disgorgement plan is fair and reasonable, its review is at an end.”), citing *Wang*, 944 F.2d at 85. For the reasons articulated below, the Commission believes that the Distribution Plan constitutes a fair and reasonable allocation of the limited funds available and should be approved.

**b. The Commission’s Proposed Distribution Plan Provides a Fair and Reasonable Allocation of the Distribution Fund.**

The Commission’s principal goal in fashioning a distribution plan is to identify a methodology that would allocate the available funds fairly and reasonably, in a manner proportional to the injury that investors suffered as a result of the actions of the Defendant. In its Complaint, the Commission alleged that Chang and Everbright manipulated the market for securities of Allied Nevada.

The Distribution Plan is designed to compensate purchasers of Allied Nevada common stock during the Relevant Period.<sup>4</sup> The proposed distribution methodology allocates the Distribution Fund amongst Eligible Claimants. An Eligible Claimant’s Eligible Loss Amount, as determined in accordance with the Plan of Allocation contained in Exhibit B to the Distribution Plan, will be used to determine the amount of their distribution payment. Should the total Eligible Loss Amounts of all Eligible Claimants exceed the Net Fair Fund, the Distribution Agent shall determine each Eligible Claimant’s *pro rata* share based upon each Eligible Claimant’s total Eligible Loss Amount divided by the aggregate total Eligible Loss Amount of all Eligible Claimants. In no event will an Eligible Claimant receive a Distribution Payment totaling more than his, her or its calculated harm.

---

<sup>4</sup> Capitalized terms have the meanings defined in the Distribution Plan.

### III. CONCLUSION

The Commission believes that the Distribution Plan for the Fair Fund should be approved as fair and reasonable. The proposed plan directs the Fair Funds' proceeds to investors who were harmed by the improper conduct alleged in the Commission's underlying lawsuit. The plan reasonably and fairly allocates its funds in accordance with each Eligible Claimant's Eligible Loss Amount.

Copies of the Distribution Plan and accompanying Plan of Allocation are attached to this motion as Exhibit A and Exhibit B, respectively.

A Proposed Order to Approve the Distribution Plan is filed herewith.

WHEREFORE, the Commission respectfully requests that this Court enter the Proposed Order and grant such relief as the Court deems just and proper.

The Commission also alleged that Chang, as Everbright’s control person, was liable for Everbright’s violations of the Exchange Act, under Section 20(a) of the Exchange Act. The Commission charged the Defendants in connection with a scheme to manipulate the market for the common stock of Allied Nevada Gold Corporation (“Allied Nevada”), a publicly traded American mining company (Dkt. 29).<sup>5</sup>

On May 15, 2015, the Court entered a final judgment against the Defendants (“Final Judgment”), finding that they were jointly and severally, liable for disgorgement of \$2,890,507 and for prejudgment interest of \$94,569. In addition, Chang was found liable for a civil penalty of \$2,890,507 (Dkt. 50).<sup>6</sup> Defendants satisfied these obligations by paying a grand total of \$5,875,583. The Final Judgment ordered that the Court Registry would hold the monies paid, together with any interest and income earned thereon (collectively, the “Fund”), pending further order of the Court. The Final Judgment further authorized the Commission to “propose a plan to distribute the fund subject to the Court’s approval.”

### **III. Administration of the Fair Fund**

#### **A. Identification of and Notice to Potential Claimants**

2. The Distribution Agent will, insofar as is practicable, use its best efforts to identify Potential Claimants from a review of trading records and account information provided by the Defendants, the transfer agent for Allied Nevada, registered broker-dealers, investment advisors and other sources.

3. In order to ensure a timely mailing to Potential Claimants, the Distribution Agent shall obtain data files from Allied Nevada’s transfer agent no later than forty-five (45) days from the date of the entry of the order by the Court approving the Distribution Plan. The required content and format of the data files will be communicated directly to the transfer agent by the Distribution Agent. The Distribution Agent shall seek assistance from the Defendants, Allied

Nevada, or the Commission staff as necessary to obtain information from the transfer agent and/or Depository Trust and Clearing Corporation regarding banks and brokers that traded in Eligible Securities during the Relevant Period.

4. The Distribution Agent will create a claims database consisting of the records provided by the Defendant's transfer agent or otherwise obtained by the Distribution Agent.

5. The Distribution Agent will design and submit a Claims Packet, including a Fair Fund Notice and a Claim Form, to the Commission staff for review and approval.

6. Before commencing any mailing, the Distribution Agent will run a National Change of Address search to obtain updated addresses for all Potential Claimants recorded in the database.

7. The Distribution Agent will commence mailing the Fair Fund Notice to all Potential Claimants known to the Distribution Agent within seventy-five (75) days following the entry by this Court of an Order approving the Distribution Plan ("Initial Mailing"). Each Fair Fund Notice will notify the Potential Claimant of the Fair Fund, contain a brief description of the eligibility requirements, generally describe the Fair Fund's claim and distribution processes, explain how to obtain a copy of the approved Distribution Plan and Claim Form by request or from the Fair Fund website, and provide instructions for submitting a claim.

8. This deadline will be extended proportionally to any delay in delivery of the data files to the Distribution Agent.

9. The Distribution Agent will mail notices to the Distribution Agent's list of banks, brokers, and other nominees, as well as any other institutions identified during the outreach process ("record holders") that may have records of holders of Eligible Securities during the Relevant Period. The Distribution Agent will request that these entities, to the extent that they

were record holders for beneficial owners of the Eligible Securities:

- a. Notify the respective beneficial owners within fourteen (14) days of receipt of the Distribution Agent's notice so that beneficial owners may timely file a claim. The burden will be on the record holders to ensure the Claims Packets and other relevant materials are properly disseminated to their customers; and/or
- b. Provide the Distribution Agent a list of last known names and addresses for all beneficial owners for whom the record holders purchased Eligible Securities during the Relevant Period in a timely manner so that the Distribution Agent can communicate with them directly.

10. Claims Packets will be available on the Fair Fund website to brokerages and other institutions that hold Eligible Securities in "street name" for the benefit of their customers who are the beneficial owners of the securities. The Distribution Agent will promptly provide a Claims Packet to any Potential Claimant upon request.

11. Within twenty (20) days of the Initial Mailing, the Distribution Agent will carry out the Notice Publication, which will notify the public of the Fair Fund, contain a brief description of the eligibility requirements, generally describe the Fair Fund's claim and distribution processes, explain how to obtain a copy of the approved Distribution Plan and Claim Form by request or from the Fair Fund website, and provide instructions for completing and submitting a Claim Form.

12. The Distribution Agent will establish and maintain a website devoted solely to the Fair Fund. The Fair Fund website, located at [www.SECChangFairFund.com](http://www.SECChangFairFund.com), will make available a copy of the Fair Fund Notice, the approved Distribution Plan, and provide

information regarding the claims process and eligibility requirements for participation in the Fair Fund in the form of frequently asked questions. The website will also include a copy of a Claim Form and related materials in a downloadable form, and such other information covering process or substance that the Distribution Agent believes will be beneficial to Potential Claimants. The Commission staff retains the right to review and approve any material posted on the Fair Fund website.

13. The Distribution Agent will provide a copy of the Distribution Plan and Fair Fund Notice to the Commission staff to post the approved Distribution Plan and Fair Fund Notice on the Commission's website, Information for Harmed Investors page, located at <https://www.sec.gov/divisions/enforce/claims.htm> and establish a link to the Fair Fund website.

14. The Distribution Agent will establish and maintain a toll-free telephone number for Potential Claimants to call to hear prerecorded information about the Fair Fund, twenty-four hours a day, seven days a week. Potential Claimants who call the toll-free number will have the option of leaving a voice message so that a representative can return their call. The Distribution Agent will provide the Commission staff with the toll-free telephone number to post on the Information for Harmed Investors page. The Distribution Agent will also establish and maintain a traditional mailing address and an email address to enable Potential Claimants to correspond with the Distribution Agent, which will be provided to Commission staff.

15. The Distribution Agent will attempt to locate any Potential Claimant whose mailing is returned by the United States Postal Service ("USPS") as "undeliverable" and will document all such efforts. The Distribution Agent will utilize all means reasonably available, including LexisNexis, to obtain updated addresses in response to undeliverable notices, and forward any returned mail for which an updated address is provided or obtained. The

Distribution Agent will make available, upon request by the Commission staff, a list of all Potential Claimants whose Fair Fund Notices have been returned as “undeliverable” due to incorrect addresses and for which the Distribution Agent has been unable to locate current addresses.

**B. Claims Process**

16. The Claims Bar Date will be clearly identified on all materials as the calendar date one hundred twenty (120) days from the initial Notice Publication. To avoid being barred from asserting a claim, each Potential Claimant must submit to the Distribution Agent a properly completed Claim Form reflecting such Potential Claimant's claim, together with all required supporting documentation postmarked on or before the Claims Bar Date. A Claim Form that is postmarked after the Claims Bar Date will not be accepted unless the deadline is extended by the Distribution Agent after consultation with Commission staff.

17. Claims containing a) one hundred (100) or more transactions or b) claims submitted by an intermediary on behalf of twenty (20) or more accounts must be submitted electronically using the format provided by the Distribution Agent. The electronic filing template will be made available on the Fair Fund website. Files that do not comply with the format provided by the Distribution Agent may be rejected.

18. The burden to ensure the Claim Form is properly and timely postmarked and to prove receipt of the claim by the Distribution Agent will be upon the Potential Claimant; therefore Potential Claimants will be instructed to submit their claims in a manner that will enable them to prove receipt of the claim by the Distribution Agent.

19. Claim Forms must be properly filled out per the instructions provided by the Distribution Agent, and must be accompanied by such documentary evidence as the Distribution

Agent deems necessary or appropriate to substantiate the claim. Without limitation, this information may include third party documentary evidence of purchases and dispositions of Eligible Securities during the Relevant Period, as well as holdings of Eligible Securities on pertinent dates.

20. All claims and supporting representations necessary to determine a Potential Claimant's eligibility to receive a distribution from the Fair Fund must be verified by a declaration executed by the Potential Claimant under penalty of perjury under the laws of the United States. The declaration must be executed by the Potential Claimant, unless the Distribution Agent accepts such declaration from a Person authorized to act on the Potential Claimant's behalf, whose authority is supported by such documentary evidence as the Distribution Agent deems necessary.

21. The Distribution Agent will review all claim submissions and determine the eligibility of each Potential Claimant to participate in the Fair Fund by reviewing the claim data and supporting documentation (or the lack thereof), verifying the claim, and calculating each Potential Claimant's Eligible Loss Amount pursuant to the Plan of Allocation. Each Potential Claimant will have the burden of proof to establish the validity and amount of his, her, or its claim, and that they qualify as an Eligible Claimant. The Distribution Agent will have the right to request, and the Potential Claimant will have the burden of providing to the Distribution Agent, any additional information and/or documentation deemed relevant by the Distribution Agent.

**C. Deficiency and Claim Determination Processes**

22. The Distribution Agent will provide a Determination Notice to each Potential Claimant that submitted a deficient or ineligible Claim Form, setting forth the Distribution

Agent's conclusions concerning such claim.

23. The Determination Notice will provide to each Potential Claimant whose claim is deficient, in whole or in part, the reason(s) for the deficiency (e.g., failure to provide required information or documentation). The Determination Notice will also notify the Potential Claimant of the opportunity to cure such deficiency, and provide instructions regarding what is required to do so. Any Potential Claimant with a deficient claim will have forty-five (45) days from the date of the Determination Notice to cure any deficiencies identified in the Determination Notice.

24. In the event the claim is denied, in whole or in part, the Determination Notice will state the reason for such denial. Any Potential Claimant seeking reconsideration of a denied claim must advise the Distribution Agent in writing within forty-five (45) days of the date of the Determination Notice. All requests for reconsideration must include the necessary documentation to substantiate the basis upon which the Potential Claimant is requesting reconsideration of their claim.

25. The Distribution Agent will send, as appropriate, a Final Determination Notice to all Potential Claimants who responded to the Determination Notice in an effort to cure a deficiency or to seek reconsideration of a denied claim. The Distribution Agent will send such Final Determination Notices no later than sixty (60) days following receipt of documentation or information in response to the Determination Notice, or such longer time as the Distribution Agent determines is necessary for a proper determination concerning the claim.

26. The Distribution Agent may consider disputes of any nature presented by Potential Claimants, and will consult Commission staff as appropriate. The Distribution Agent will have the authority to waive technical claim deficiencies and approve claims on a case-by-

case basis, or in groups of claims. All determinations made by the Distribution Agent in accordance with the Distribution Plan in any dispute, request for reconsideration, or request to cure a deficient claim will be final and not subject to appeal.

27. The Potential Claimant has the burden of notifying the Distribution Agent of a change in his, her, or its current address and other contact information, and of ensuring that such information is properly reflected in the Distribution Agent's records.

28. The receipt of Eligible Securities by gift, inheritance, devise, or by operation of law will not be deemed to be a purchase of Eligible Securities, nor will it be deemed an assignment of any claim relating to the purchase of such securities unless specifically so provided in the instrument of inheritance. However, the recipient of Eligible Securities as a gift, inheritance, devise or by operation of law will be eligible to file a Claim Form and participate in the distribution of the Fair Fund to the extent the original purchaser would have been eligible under the terms of this Distribution Plan. Only one claim may be submitted with regard to the same transactions in Eligible Securities, and in cases where multiple claims are filed by the donor and donee, the donee claim will be honored, assuming it is supported by proper documentation.

29. Claims on behalf of a retirement plan covered by Section 3(3) of ERISA, 29 U.S.C. § 1002(3), which do not include individual retirement accounts, and such plan's participants, are properly made by the administrator, custodian or fiduciary of the plan and not by the plan's participants. The Distribution Agent will issue any Distribution Payments on such claims directly to the administrator, custodian or fiduciary of the retirement plan. The custodian or fiduciary of the retirement plan will distribute any payments received in a manner consistent with its fiduciary duties and the governing account or plan provisions. With respect to any retirement plan that has been closed prior to the Distribution Agent's identification of Potential

Claimants, the Distribution Agent will endeavor to distribute funds directly to the beneficial accountholders of such retirement plans if the information required for such a distribution is known to or provided to the Distribution Agent.

#### **IV. Establishment of the Escrow Account**

30. Prior to disbursement of the Net Fair Fund, the Distribution Agent will establish accounts described as follows at a U.S. commercial bank (“Bank”), not unacceptable to Commission staff. The Distribution Agent will establish an escrow account (the “Escrow Account”) pursuant to an escrow agreement (the “Escrow Agreement”) to be provided by Commission staff. The Escrow Account will be established to receive the monies from the Commission and the Fair Fund will be held in the Escrow Account until the time of distribution. The Distribution Agent will also establish a separate deposit account (*e.g.*, controlled distribution account, managed distribution account, linked checking and investment account) (the “Distribution Account”) for the purpose of funding the Distribution Payments to be distributed to Eligible Claimants. The accounts shall be in the name of and bearing the Employer Identification Number of the Fair Fund as custodian for the distributees of the Distribution Plan. The name of each account will be in the following form: “SEC v. Chang Distribution Fund, as custodian for the benefit of investors allocated a distribution pursuant to the Distribution Plan in *SEC v. Chang*, Case No. 14-cv-4132 (S.D.N.Y.)”

31. During the term of the Escrow Agreement, if invested, the Escrow Account shall be invested and reinvested in short-term United States (“U.S.”) Treasury securities backed by the full faith and credit of the U.S. Government or an agency thereof, of a type and term necessary to meet the cash liquidity requirements for payments to Eligible Claimants or tax obligations that may accrue. This may include investment or reinvestment in a bank account insured by the

Federal Deposit Insurance Corporation (“FDIC”) up to the guaranteed FDIC limit, or investments in AAA-rated Money Market Mutual Funds registered under the Investment Company Act of 1940 that directly invest 100% of their assets in short-term U.S. Treasury securities and obligations, all backed by the full faith and credit of the U.S. Government; provided, however, that the AAA-rated Money Market Mutual Funds’ investments in short term U.S. Treasury securities will not be made through repurchase agreements or other derivative products.

32. In consultation with the Commission staff, the Distribution Agent will work with the Bank on an ongoing basis to determine an allocation of funds between the Escrow Account and Distribution Account that will preserve earnings, if possible, while providing maximum protection for the Fair Fund.

33. All interest earned will accrue for the benefit of the Fair Fund and all costs associated with the Escrow and Distribution Accounts.

34. Upon receipt of the monies from the Commission into the Escrow Account, the Distribution Agent will provide a signed receipt to the Commission staff within ten (10) business days. The Commission staff will file the receipt with the Court.

35. Upon transfer from the Commission, the assets of the Fair Fund will be held in the Escrow Account, separate from Bank assets, until the presentation of Distribution Payments. All Distribution Payments via check will be subject to “positive pay” controls before they are honored by the Bank. The “positive pay” system provides protection against fraud arising from counterfeit or altered checks. The “positive pay” system will require, at a minimum, confirmation by the Bank that all checks presented for payment match the identifiers and amounts on the payee list prior to honoring such checks. In each instance, funds will be

transferred from the Escrow Account to the Distribution Account on the Bank's confirmation that a presented check matches the relevant "positive pay" criteria.

36. The Distribution Agent will provide copies of the bank and/or investment statements on any accounts established by the Distribution Agent to the Tax Administrator on a monthly basis and will assist the Tax Administrator in obtaining any other statements, as necessary.

## **V. Distribution**

37. The Net Fair Fund will be distributed to Eligible Claimants as provided under the terms of this Distribution Plan. An Eligible Claimant's Eligible Loss Amount, as determined in accordance with the Plan of Allocation contained in Appendix 1 to this Distribution Plan, will be used to determine the amount of their Distribution Payment.

38. The Distribution Agent will disburse the Net Fair Fund to all Eligible Claimants, in one or more tranches, once all Claim Forms have been processed and all Potential Claimants whose claims have been denied or disallowed, in whole or in part, have been notified and provided the opportunity to cure pursuant to the procedures set forth herein. No distribution will be conducted without prior authorization by an Order of the Court.

39. Within seventy-five (75) days following the date the Distribution Agent has mailed the Final Determination Notices, the Distribution Agent will prepare a list of all Eligible Claimants, the Eligible Loss Amount, and the Distribution Payment of each Eligible Claimant ("Payment File"). This Payment File shall be accompanied by a reasonable assurances letter as to the completeness and accuracy of the Payment File. The Distribution Agent will also prepare the relevant materials to effect a distribution, including recommending an estimated distributable amount from the Net Fair Fund. The Distribution Agent will retain a prudent reserve to pay any

federal, state or local taxes payable in connection with the Fair Fund.

40. After receipt and acceptance of the Payment File, the Commission staff will petition the Court for authority to disburse the entire balance of the Net Fair Fund from the Commission to the Distribution Agent for distribution to Eligible Claimants pursuant to the Distribution Plan. In conjunction with any motion seeking approval of a distribution, the Payment File will, upon request, be made available to the Court under seal.

41. Following the Court's approval of the Commission's petition for the authority to distribute the Net Fair Fund to Eligible Claimants as provided for in this Distribution Plan, the Distribution Agent will commence the distribution to Eligible Claimants as promptly as possible following the transfer of funds.

42. Should the total amount of the Eligible Loss Amounts of all Eligible Claimants exceed the Net Fair Fund, the Distribution Agent will distribute funds to the Eligible Claimants based upon a *pro rata* distribution formula. This formula will be the fraction of the Eligible Loss Amount of each Eligible Claimant divided by the aggregate Eligible Loss Amounts of all Eligible Claimants.

43. No Distribution Payment will be made to an otherwise Eligible Claimant unless the amount to be paid equals or exceeds the *de minimis* amount of \$10.00.

44. The Distribution Agent in its exclusive discretion may, but will have no obligation to, aggregate accounts held by a Person in the same legal capacity in determining Eligible Loss Amounts and Distribution Payments amounts.

45. Checks will be issued by the Distribution Agent from the Distribution Account set up at the Bank. Checks will be issued in U.S. dollars and bear a stale date of ninety (90) days from the date of issuance. Accordingly, checks that are not negotiated within this Check-

Cashing Period will be voided, and the issuing financial institution will be instructed to stop payment on those checks, except as provided below. Where an Eligible Claimant's check is not negotiated within the Check-Cashing Period and has been voided by the Distribution Agent, that Eligible Claimant's claim will be extinguished. All such funds will remain in the Net Fair Fund.

46. Payments to Eligible Claimants will be preceded or accompanied by a communication that includes, as appropriate:

- a. A statement characterizing the distribution;
- b. A statement that checks will be void and cannot be reissued after ninety (90) days from the date the original check was issued;
- c. A statement that reissued checks will expire on the later of ninety (90) days from the date of the original check or sixty (60) days from the date of the reissued check;
- d. A statement that the tax treatment of the distribution is the responsibility of the Eligible Claimant and that the Eligible Claimant should consult his, her, or its tax advisor for advice regarding the tax treatment of the distribution; and
- e. Contact information for the Distribution Agent for questions regarding the Distribution Payment.

47. Distribution Payments and/or accompanying communications will clearly indicate that the money is being distributed from a Fair Fund established to compensate investors for harm suffered as a result of their investment in Allied Nevada. Any such communication, letter or other mailing to Eligible Claimants characterizing the distribution will be submitted to the Commission staff and the Tax Administrator for review and approval.

48. Under no circumstances will the Distribution Agent, its employees or its agents incur any liability to any Person for making a distribution in accordance with the Order of the Court approving the distribution and the schedules of Eligible Claimants, and all Persons shall be enjoined from taking any action in contravention of this provision. Upon receipt and acceptance by an Eligible Claimant of a Distribution Payment from the Fair Fund, such Eligible Claimant will be deemed to have released all claims that such Eligible Claimant may have against the Distribution Agent, its employees, agents, and attorneys in connection with the Distribution Plan and the administration of the Fair Fund, and shall be barred from prosecuting or asserting any such claims.

## **VI. Post Distribution**

### **A. Handling of Returned or Uncashed Checks**

49. The Distribution Agent is authorized to reissue checks to Eligible Claimants upon the receipt of a valid, written request from the Eligible Claimant. Such reissued checks will be void at the later of ninety (90) days from issuance of the original check or sixty (60) days from the reissuance, and in no event will a replacement check be reissued after ninety (90) days from the date of original issuance.

50. The Distribution Agent will research and attempt to locate all Eligible Claimants whose checks are returned to the Distribution Agent as undeliverable by the USPS. However, the Eligible Claimant has the burden of providing the Distribution Agent with any changes to his, her, or its mailing address. The Distribution Agent will mail a reissued check to the updated address, subject to the time limits detailed herein.

51. In cases where an Eligible Claimant is unable to endorse a Distribution Payment (*e.g.*, as the result of a name change because of marriage or divorce, or as the result of death),

any request by an Eligible Claimant or a lawful representative for reissuance of a Distribution Payment in a different name must be documented to the satisfaction of the Distribution Agent. If such change is properly documented, in the sole discretion of the Distribution Agent, the Distribution Agent will issue an appropriately redrawn Distribution Payment, subject to the time limits detailed herein.

52. The Distribution Agent will make reasonable efforts to contact Eligible Claimants to follow up on the status of uncashed Distribution Payments over \$100 (other than those returned as “undeliverable”) and take appropriate action to follow up on the status of uncashed checks at the request of Commission staff. The Distribution Agent may reissue such checks, subject to the time limits detailed herein.

**B. Disposition of Remaining Funds**

53. If, after the distribution is complete, all tax obligations of the Fair Fund have been satisfied, and funds remain in the Net Fair Fund, the Distribution Agent will return to the remaining funds to the Commission for transfer to the United States Treasury.

**VII. The Distribution Agent**

54. The Distribution Agent will be responsible for administering the Fair Fund in accordance with the Distribution Plan. This will include, among other things, taking reasonable steps to identify and contact Potential Claimants; obtaining accurate mailing information for Potential Claimants; establishing a website and staffing a call center to address inquiries during the claims process; developing a claims database; preparing accountings; cooperating with the Tax Administrator to satisfy any tax liabilities and to ensure compliance with income tax reporting requirements; advising Potential Claimants of deficiencies in claims and providing an opportunity to cure any documentary defects; taking antifraud measures, such as identifying

false, ineligible and overstated claims; making determinations under the criteria established herein as to Potential Claimant eligibility; advising Potential Claimants of final claim determinations; and disbursing the Net Fair Fund in accordance with this Distribution Plan.

55. To carry out the purposes of this Distribution Plan, the Distribution Agent is authorized to make and implement immaterial changes to the Distribution Plan upon agreement with Commission staff. If a change is deemed to be material by Commission staff, Court approval is required prior to implementation by amending the Distribution Plan.

56. The Distribution Agent may extend any procedural deadline contained in the Distribution Plan for good cause shown, if agreed upon by the Commission staff.

57. The Distribution Agent is authorized to enter into agreements with institutions (“Institutions”) as may be appropriate or necessary in the administration of the Fair Fund, provided such Institutions are not excluded pursuant to other provisions of this Distribution Plan. In connection with such agreements, the Institutions shall be deemed to be agents of the Distribution Agent under this Distribution Plan.

58. The Distribution Agent will be entitled to reasonable administrative fees and expenses in connection with the administration and distribution of the Fair Fund (including any such fees and expenses incurred by agents, consultants or third parties retained by the Distribution Agent in furtherance of its duties). Copies of invoices will be provided to the Commission staff on a quarterly basis. All payments to the Distribution Agent will be paid from the Fair Fund after review by Commission staff and approval of the Court.

59. The Distribution Agent may be removed at any time by the Court, and replaced with a successor. In the event the Distribution Agent decides to resign, it will first give written notice to the Commission staff and the Court of such intention, and such resignation will not be

effective until the Court has appointed a successor. The Distribution Agent will then follow such instructions as such successor or the Court provides in turning over management of the Fair Fund.

60. The Distribution Agent will retain all claims materials in paper and electronic form for a period of six (6) years after approval of the final report and final accounting and thereafter will transfer the documents to the Commission, pursuant to Commission direction. In addition, the Distribution Agent will shut down the website, P.O. Box and customer service telephone line(s) established specifically for the administration of the Fair Fund six (6) months after the closing of the Escrow and Distribution Accounts, or at such earlier time as the Distribution Agent determines with the concurrence of the Commission staff.

#### **VIII. Tax Compliance**

61. The Fair Fund is a Qualified Settlement Fund (“QSF”) under Section 468B(g) of the Internal Revenue Code, 26 U.S.C. § 468B(g), and related regulations. The Tax Administrator is the administrator of such QSF for purposes of Treas. Reg. § 1.468B-2(k)(3)(I), and shall satisfy the tax related administrative requirements imposed by Treas. Regs. §§ 1.468B-1 to 1.468B-5, including, but not limited to:

- a. Obtaining a taxpayer identification number;
- b. Submitting requests for funds from the Fair Fund that are necessary for the timely payment of all applicable taxes, making timely payment of taxes for which the Tax Administrator has received funds, and filing all applicable returns; and
- c. Satisfying any information, reporting, or withholding requirements in connection with the distribution of the Fair Fund.

62. When the Fair Fund is transferred to the Escrow Account for distribution, the Distribution Agent will tender to the Tax Administrator funds necessary to pay taxes upon the request of the Tax Administrator. The Commission will approve and arrange payment of the tax obligations without further approval of the Court, pursuant to the Order to Appoint a Tax Administrator, issued by the Court on May 17, 2016.

63. All fees, costs and expenses of the Tax Administrator will be paid by the Fair Fund as part of the cost of the administration of the Fair Fund. Any taxes on interest earned by the Fair Fund will be paid by the Fair Fund.

**IX. Fair Fund Reporting and Accounting**

64. The Distribution Agent will provide to Commission staff, who will file with the Court, a quarterly status report within forty-five (45) days of Court approval of this Distribution Plan, and will provide additional reports and quarterly account statements within thirty (30) days after the end of every quarter thereafter as detailed below.

65. Once the money has been transferred to the Escrow Account, a quarterly account statement, in a format to be provided by the Commission staff, shall be submitted with the status report by the Distribution Agent.

66. The status report and quarterly account statement will inform the Court and the Commission staff of the activities and status of the Fair Fund during the relevant reporting period, and once funds are transferred to the Distribution Agent will specify, at a minimum:

- a. The location of the account(s) comprising the Fair Fund; and
- b. An interim accounting of all monies in the Fair Fund as of the most recent month-end, including the value of the account(s), all monies earned or received into the account(s), funds distributed to Eligible Claimants under

this Distribution Plan, and any monies expended from the Fair Fund to satisfy any fees, costs, taxes and other expenses incurred in the implementation of this Distribution Plan.

67. The Distribution Agent will prepare a final report and final accounting, in a format to be provided by the Commission staff, when the Fair Fund administration is complete. In compiling the final accounting, the Distribution Agent will coordinate with the Tax Administrator. The Commission staff will file the final report and final accounting with the Court.

68. Commission staff, or other relevant party, shall provide the Distribution Agent with any and all account information relating to the Fair Fund that may be required to meet reporting obligations; including providing copies of any account statements that the Distribution Agent may request.

**X. Termination of the Fair Fund**

69. Once all Distribution Payments have been negotiated or voided, any funds remaining in the Escrow and Distribution Accounts will be transferred to the SEC.

70. The Fair Fund will be eligible for termination and the Distribution Agent will be eligible for discharge after all of the following have occurred:

- a. A final report and final accounting in a format to be provided by the staff has been submitted to and approved by the Court;
- b. All taxes, fees and expenses have been paid; and
- c. All remaining funds have been transferred to the Commission.

71. Once the Fair Fund has been terminated, no further claims will be allowed and no additional Distribution Payments will be made whatsoever.

**XI. Limitation of Liability**

72. The Court reserves the right to amend this Distribution Plan from time to time; and retains exclusive jurisdiction over all claims arising in connection with this Distribution Plan, including, but not limited to, claims against the Distribution Agent asserting liability for violation of any duty imposed by this Distribution Plan or other Court order.

73. The Distribution Agent is entitled to rely on all outstanding rules of law and Court orders. The Distribution Agent will not be liable to anyone, except the Commission on behalf of the Fair Fund for a pecuniary loss to the Fair Fund, for any action taken or omitted by the Distribution Agent in connection with the Distribution Plan and all Potential Claimants will have no claims against the Distribution Agent, its employees, agents, and attorneys in connection with the Distribution Plan and the administration of the Fair Fund, and will be deemed enjoined from prosecuting or asserting any such claims, except upon a finding by this Court of gross negligence or reckless disregard of duty under this Distribution Plan.

74. The submission of the Claim Form and the receipt and acceptance of a distribution by an Eligible Claimant will not affect an Eligible Claimant's rights and claims as against any party (other than the Distribution Agent), including, without limitation, the Defendants and the Defendant's past or present directors, officers, employees, affiliates, nominees, creditors, advisors and agents.

**Appendix 1 – SEC v. Luis Chang Plan of Allocation**

The Fair Fund will be distributed to Eligible Claimants pursuant to the terms of the Plan of Allocation.

**CALCULATION OF RECOGNIZED LOSS PER SHARE**

1. Based on the formula set forth below, “Recognized Loss Per Share,” shall be calculated for each purchase/acquisition or sale of Allied Nevada Gold Corporation “ANV” common stock during the Relevant Period (January 14, 2014) that is listed in the claim and for which adequate documentation is provided, or was accepted as part of the SEC Action. In the calculations below, if a Recognized Loss Per Share calculates to a negative number, then the Recognized Loss Per Share shall be considered a Recognized Gain Per Share and will offset Recognized Loss Per Share on other transactions.
2. For each share of ANV common stock purchased during the Relevant Period and:
  - a. Sold on January 14, 2014 the Recognized Loss Per Share shall be the purchase/acquisition price minus the sale price.
  - b. Held as of the close of trading on January 14, 2014, the Recognized Loss Per Share shall be the purchase/acquisition price minus \$4.31.
  - c. Covered a short position open as of the close of trading on January 13, 2014, the Recognized Loss Per Share shall be the purchase/acquisition price minus \$4.31.
3. For shares of ANV common stock not purchased during the Relevant Period and:
  - a. Sold on January 14, 2014 the Recognized Loss Per Share shall be *the lesser of*: (i) \$4.31 minus the sale price; or (ii) \$0.00.
  - b. Held as of the close of trading on January 14, 2014, the Recognized Loss Per Share shall be \$0.00.

**GENERAL PROVISIONS**

4. Exercise of option contracts or the conversion of preferred stock into common stock will be considered purchases or sales of common stock as of the date of the exercise or conversion.
5. Subject to the limitations set forth in the Distribution Plan, if a Potential Claimant acquired ANV common stock by way of gift, inheritance, devise or operation of law, such claim will be computed using the date and price of the original purchase and not the date and price of transfer, gift or inheritance. To the extent those shares were not originally purchased in the Relevant Period, the Recognized Loss Per Share for that

acquisition shall be calculated according to paragraph 3, above.

**USE OF “FIFO” METHODOLOGY FOR COMPUTATION OF RECOGNIZED LOSSES FOR ELIGIBLE CLAIMANTS WHO MADE MULTIPLE TRANSACTIONS IN ELIGIBLE SECURITIES DURING THE RELEVANT PERIOD**

6. For Eligible Claimants who held shares before the beginning of the Relevant Period and/or made multiple purchases, acquisitions or sales of ANV common stock during the Relevant Period, the sales of shares will be matched in chronological order first against their closing position the day before the beginning of the Relevant Period, until that day's closing position has been exhausted; then remaining sales after the beginning of the Relevant Period will be matched in chronological order against purchases or acquisitions made in the Relevant Period until all such shares have been exhausted. Purchases and sales of Eligible Securities shall be deemed to have occurred on the “contract” or “trade” date as opposed to the “settlement” or “payment” date.

**COMPUTATION OF THE ELIGIBLE LOSS AMOUNT FOR EACH ELIGIBLE CLAIMANT**

7. The Eligible Loss Amount will be calculated for each share of ANV common stock that was purchased or sold in the Relevant Period, listed in the Proof of Claim Form and for which adequate documentation is provided or which is listed in the Eligible Claimant's record. The Eligible Loss Amount for each share of ANV common stock is calculated by multiplying the number of shares by the appropriate Recognized Loss Per Share or Recognized Gain Per Share as calculated in paragraphs 2 and 3 above. An Eligible Claimant's Eligible Loss Amount equals the sum of Recognized Losses and Recognized Gains for all shares purchased or sold in the Relevant Period. If the Eligible Recognized Loss Amount calculates to a negative number, that Eligible Claimant's Eligible Loss Amount shall be \$0.00

**DISTRIBUTION PAYMENT CALCULATIONS**

8. Should the total Eligible Loss Amounts of all Eligible Claimants exceed the Net Fair Fund, the Distribution Agent will distribute funds to the Eligible Claimants based upon a *pro rata* distribution formula. The Distribution Agent shall determine each Eligible Claimant's *pro rata* share of the Net Distribution Fund based upon each Eligible Claimant's total Eligible Loss Amount divided by the total Eligible Loss Amounts of all Eligible Claimants.
9. Each Eligible Claimant shall be allocated a Distribution Payment if eligible. An Eligible Claimant's Eligible Loss Amount will be reduced by the amount of any compensation for the loss that resulted from the conduct described in the Amended Complaint in this case that was received from another source (e.g., class action settlement), to the extent known by the Distribution Agent. In no event will an Eligible Claimant receive a Distribution Payment totaling more than his, her or its Eligible Loss Amount.
10. If an Eligible Claimant has a calculated Distribution Payment that is less than \$10.00 in

total that Eligible Claimant will not be included in the calculation and the funds will be distributed to other Eligible Claimants whose Distribution Payment is greater than this amount.
