DISTRIBUTION PLAN FOR THE MACQUARIE CAPITAL FAIR FUND

INTRODUCTION

On March 27, 2015, the Commission filed a complaint against Macquarie Capital (USA) Inc. (“Macquarie”), and two investment bankers formerly affiliated with Macquarie¹ (collectively “Defendants”), alleging that Defendants proceeded to underwrite and market a \$108 million follow-on public offering by Puda Coal, Inc. (“Puda”), a U.S. issuer that purported to own a coal company located in the People’s Republic of China (“PRC” or “China”), despite due diligence efforts that uncovered the fact that Puda no longer owned the Chinese coal company, Puda’s principal asset and sole source of revenue. The Commission alleged that the Defendants’ conduct violated Sections 17(a)(2) and 17(a)(3) of the Securities Act of 1933 (the “Securities Act”) [15 U.S.C. §§ 77q(a)(2) and 77q(a)(3)].

Pursuant to Final Judgments entered against the Defendants on April 1, 2015, the Defendants consented to and were permanently restrained and enjoined from violating Sections

¹ Aaron Black (“Black”) and William Fang (“Fang”).

17(a)(2) and 17(a)(3) of the Securities Act [15 U.S.C. §§ 77q(a)(2) and 77q(a)(3)]. Defendant Macquarie was further ordered to pay to the Commission a total of \$12 million in disgorgement and prejudgment interest, consisting of \$10,728,525 in disgorgement and \$1,271,475 in prejudgment interest thereon, and a civil penalty in the amount of \$3,000,000 pursuant to Section 20(d) of the Securities Act [15 U.S.C. § 77t(d)].²

On or about April 1, 2015, \$15 million was paid to the Commission and deposited into an interest-bearing account with the Bureau of Fiscal Services.³ On August 12, 2015, a Fair Fund (“Fair Fund” or “Fund”) was established by the Court to compensate investor victims of the fraud and a Tax Administrator, Damasco & Associates, LLP, was appointed to handle the tax obligations of the Fund.⁴ On October 20, 2015, the Court entered an order appointing Epiq Class Action & Claims Solutions, Inc. (“Epiq”) as the Distribution Agent for the Fair Fund to assist in overseeing the administration of the distribution of the Fair Fund in consultation with Commission staff, pursuant to the terms of this Distribution Plan.⁵

1.15 **“Eligible Claimant”** means a Potentially Eligible Claimant who suffered a loss as a result of transactions in Eligible Securities and who is determined by the Distribution Agent to be eligible for a Distribution Payment from the Fair Fund. An Eligible Claimant shall not include:

Should the Total Eligible Loss Amount of all Eligible Claimants exceed the Net Fair Fund, the Distribution Agent will distribute funds to the Eligible Claimants based upon a *pro rata* distribution formula. ARTICLE II

ADMINISTRATION OF THE CLAIMS PROCEDURE

A. General Administrative Provisions

2.1 The Distribution Agent shall oversee the administration of the claims, procedures, and distribution as provided in this Distribution Plan. The Distribution Agent shall review the claim of each Potentially Eligible Claimant and make a determination under the criteria

established herein as to the eligibility of each Potentially Eligible Claimant to recover monies and the amount of money to be distributed from the Fair Fund to each Eligible Claimant in accordance with the provisions of this Distribution Plan.

2.2 All claims asserted by a Potentially Eligible Claimant must be verified on the basis of a sworn Proof of Claim Form, executed by the Potentially Eligible Claimant under penalty of perjury under the laws of the United States.

2.3 Any claim asserted by a Potentially Eligible Claimant shall provide adequate documentary evidence to substantiate the claim, including all documentary evidence which the Distribution Agent deems necessary or appropriate, including, but not limited to, available account statements and trade confirmations.

2.4 Claims with 100 or more transactions or on behalf of 20 or more different accounts must be submitted electronically and in the format specified by the Distribution Agent. The mandatory electronic filing requirements will be available on the website. Files that do not comply with the required electronic filing format may be rejected.

2.5 In determining the Total Eligible Loss Amount for an Eligible Claimant, the Distribution Agent will calculate a Total Eligible Loss Amount for each unique account held by an Eligible Claimant. Eligible Claimants will not be able to aggregate their accounts, even if such accounts are controlled by the same Person or Entity, with the exception of the aggregation outlined in paragraph 2.5(a) below. This is to ensure that Eligible Loss Amounts can be correctly calculated in accordance with the Plan of Allocation.

(a) If a Potentially Eligible Claimant purchased Eligible Securities in the Secondary Offering and subsequently transferred such shares to a different account, such accounts may be aggregated for the purpose of correctly applying the calculations set forth in the

Plan of Allocation regarding matching of purchases and sales.

(b) The Distribution Agent in its exclusive discretion may, for purposes of Section 2.5(a), aggregate accounts not designated for aggregation in a Proof of Claim Form, but the Distribution Agent shall not have any obligation to do so where such transfer information is not clearly provided by the Potentially Eligible Claimant.

2.6 The receipt of Eligible Securities by gift, inheritance, devise, or operation of law shall not be deemed to be a purchase of Eligible Securities during the Relevant Period, nor shall it be deemed an assignment of any claim relating to the purchase of such securities unless specifically provided in the instrument of gift or assignment. However, the recipient of Eligible Securities as a gift or as a distribution from an estate shall be eligible to file a Proof of Claim Form and participate in the distribution of the Fair Fund to the extent the particular donor or decedent as the actual purchaser of Eligible Securities would have been eligible based upon the circumstance of such purchase. Such a claim will be computed by using the date and price of the original purchase and not the date and price of transfer. However, the donee and the donor may not both make a claim with regard to the same share of an Eligible Security. If both the donor and the donee make such a claim, only the claim filed by the donee will be honored.

2.7 To the extent that an Eligible Claimant, his or her representative, heir, or assign requests a distribution check to be issued or reissued in a different name than the Eligible Claimant (*e.g.*, as the result of a name change because of marriage or divorce, or as the result of death), the Distribution Agent shall honor such request upon receipt of documentation which the Distribution Agent in its sole discretion deems appropriate to substantiate the request.

2.8 Claims on behalf of a retirement plan covered by Section 3(3) of ERISA, 29 U.S.C.

§ 1002(3), which do not include Individual Retirement Accounts are properly made by the custodian or fiduciary of the plan and not by the plan's participants. The Distribution Agent shall distribute any payments on such claims directly to the custodian or fiduciary of the retirement plan. The distribution shall be accompanied by a list of plan participants and the number of shares owned by each plan participant, if that information is known to the Distribution Agent or provided to the Distribution Agent. The custodian or fiduciary of the retirement plan shall distribute any payments received in a manner that is consistent with its fiduciary duties and the account or plan provisions. With respect to any retirement plan that has been closed prior to the Distribution Agent's identification of Potentially Eligible Claimants, the Distribution Agent shall endeavor to distribute funds directly to the beneficial account holders of such retirement plans if the information required for such a distribution is known to or provided to the Distribution Agent prior to the Claims Bar Date.

2.9 Custodians, trustees, or professionals investing on behalf of more than one Potentially Eligible Claimant in a pooled investment fund or entity will be required to complete a certification, which will require them, at a minimum, to attest that any distribution to the custodian, trustee, or investment professional representing multiple potentially eligible beneficial owners, will be allocated for the benefit of current or former pooled investors and not for the benefit of management. The certification form will be available upon request from the Distribution Agent.

B. Identification of and Notice to Potentially Eligible Claimants

2.10 The Distribution Agent shall, insofar as is practicable, use its best efforts to identify Potentially Eligible Claimants from a review of records obtained by the Commission, account information provided by the transfer agent for Macquarie, registered broker-dealers,

investment advisors, and any other commercially reasonable sources available to it.

2.11 Consistent with the terms and deadlines for notice that will be Ordered by the Court in the Preliminary Approval Order for the Class Action, the Distribution Agent shall:

- (a) Create a mailing and claims database, consisting of the existing information of the Potentially Eligible Claimants;
- (b) Design and submit a Claim Packet, including a Distribution Plan Notice and a Claim Form, to the Commission staff for review and approval;
- (c) Mail by United States First Class Mail a Claim Packet to each Potentially Eligible Claimant known to the Distribution Agent;
- (d) Establish and maintain a Fair Fund website, located at www.pudacoalfund.com, from which each Potentially Eligible Claimant may obtain a copy of the Joint Notice or the approved Distribution Plan, download a copy of the Claim Packet, request a Claim Packet by mail and obtain information regarding the claims process and eligibility requirements;
- (e) Request that the Commission staff establish a link to the website on the Information for Harmed Investors page on the Commission's website, www.sec.gov;
- (f) Establish a toll-free telephone number by which Potentially Eligible Claimants may call and speak to a live representative of the Distribution Agent from 6:00 a.m. to 6:00 p.m. Eastern Standard Time, or outside of such hours to hear pre-recorded information about the Fair Fund. The Distribution Agent will advise the Commission staff of the toll-free telephone number;
- (g) Establish and maintain a traditional mailing address and an email

address, info@pudacoalfund.com, to enable Potentially Eligible Claimants to correspond with the Distribution Agent; and

(h) Publish a copy of a Summary Notice, approved by Commission staff, on a single occasion in the *Investor's Business Daily* and disseminate the Summary Notice via PRNewswire.

2.12 The Distribution Agent will mail notices to the Distribution Agent's list of banks, brokers, and other nominees, as well as any other institutions identified during the outreach process, that may have records of purchasers of Eligible Securities in the Secondary Offering. The Distribution Agent will request that these entities, to the extent that they were record holders for beneficial owners of the Eligible Securities:

(a) Notify the respective beneficial owners within ten (10) days of receipt of the Distribution Agent's notice so that beneficial owners may timely file a claim. The burden will be on the nominee holders to ensure the Claim Packets and other relevant materials are properly disseminated to their customers; and/or

(b) Provide the Distribution Agent with a list of last known names and addresses for all beneficial owners for whom the record holders purchased Eligible Securities in the Secondary Offering so that the Distribution Agent can communicate with them directly.

2.13 The Distribution Agent shall promptly provide a Claim Packet to any Potentially Eligible Claimant who so requests electronically, in writing, or by telephone, as set forth in the Distribution Plan Notice.

2.14 To avoid being barred from asserting a claim, on or before the Claims Bar Date, each Potentially Eligible Claimant must submit to the Distribution Agent a properly completed

Proof of Claim Form reflecting such Potentially Eligible Claimant's claim, together with all required supporting documentation. The Distribution Agent shall have the authority, after consultation with the Commission staff, on a case-by-case basis, to extend the Claims Bar Date and waive technical claim deficiencies and approve claims. Where the Claims Bar Date is extended for one or more Potentially Eligible Claimants by the Distribution Agent, such extension shall constitute the Claims Bar Date for such Potentially Eligible Claimants. Unless otherwise determined by the Distribution Agent, in consultation with the Commission staff, and for good cause shown, any Potentially Eligible Claimant who does not file a properly completed and documented Proof of Claim Form, including the Potentially Eligible Claimant's Tax Identification Number, so that such completed form and documentation are postmarked by (or received by the Distribution Agent if not sent by U.S. Mail) on or before the Claims Bar Date (*see* Section 1.3 above), shall be barred from asserting a claim against the Fair Fund or the Distribution Agent. The burden shall be upon the Potentially Eligible Claimant to ensure that his or her Proof of Claim Form has been properly and timely received by the Distribution Agent.

2.15 A claim will not be deemed submitted unless the Potentially Eligible Claimant receives an "Acknowledgement Postcard" or an electronic acknowledgement from the Distribution Agent. The Acknowledgement Postcard or the electronic acknowledgement shall be the official acknowledgement that the Distribution Agent has received and will review the claim.

C. Notification of Claims Determination, Including Notice of Deficient Claims and Opportunity to Cure

2.16 The Distribution Agent shall review each Proof of Claim Form received to determine the validity and amount of such Potentially Eligible Claimant's Total Eligible Loss Amount. Each Potentially Eligible Claimant shall have the burden of proof to establish the validity and amount of his or her claim, and that he or she qualifies as an Eligible Claimant; and the Distribution Agent shall have the right to request, and the Potentially Eligible Claimant shall have the burden of providing to the Distribution Agent, any additional information and/or documentation deemed relevant by the Distribution Agent. The Potentially Eligible Claimant also has the burden of notifying the Distribution Agent of his or her current address and other contact information, and confirming receipt of that information by the Distribution Agent.

2.17 The Distribution Agent shall provide to each Potentially Eligible Claimant whose claim is deficient, in whole or in part, a Claim Deficiency Notice setting forth the reason(s) why the claim is deficient, notify the Potentially Eligible Claimant of the opportunity to cure such deficiency, and provide instructions regarding what is required to cure such deficiency. The Claim Deficiency Notice shall be provided to such affected claimants within sixty (60) days after the Claims Bar Date.

2.18 Any Potentially Eligible Claimant who has received a Claim Deficiency Notice shall have twenty (20) days from the date of the Claim Deficiency Notice to cure any deficiencies identified in the Notice.

2.19 On or before the Claims Determination Date, the Distribution Agent shall send by United States First Class Mail or via email for electronic filings a Determination Notice to each Potentially Eligible Claimant who has filed a Proof of Claim Form with the Distribution Agent,

setting forth the Distribution Agent's conclusions concerning such claim. In the event the claim is denied, the Determination Notice will state the reason for such denial.

2.20 All determinations made by the Distribution Agent in accordance with this Distribution Plan shall be final and not subject to appeal.

D. Payment of Approved Claims

2.21 The Distribution Agent shall distribute the Fair Fund to Eligible Claimants only after all timely submitted Proofs of Claim have been processed and all Potentially Eligible Claimants whose claims have been rejected or disallowed, whether in whole or in part, have been notified and provided the opportunity to cure pursuant to the procedures set forth above and provided that the Distribution Payment to be made to an Eligible Claimant is equal to or exceeds the Minimum Distribution Amount.

E. Final Payee List

2.22 Within thirty (30) days following the Claims Determination Date, the Distribution Agent shall prepare a list of Eligible Claimants, the amount of the asserted claim of each Eligible Claimant, and the Total Eligible Loss Amount of each Eligible Claimant (*i.e.*, the Final Payee List). The Distribution Agent shall provide the Final Payee List to Commission staff with a reasonable assurances letter as to the completeness and accuracy of the Final Payee List.

2.23 After receipt and acceptance of the Final Payee List, Commission staff will petition the Court to transfer the entire Fair Fund to the Distribution Agent for distribution to Eligible Claimants pursuant to this Distribution Plan. In recommending a distributable amount to the Court, the Distribution Agent will retain a prudent reserve to pay any taxes,

fees and expenses payable in connection with the Fair Fund, as well as a reasonable contingency for potential unforeseen issues. The Final Payee List shall, upon request, be made available to the Court under seal.

F. Establishment of the Escrow Account

2.24 Prior to disbursement of the Fair Fund, the Distribution Agent will establish accounts described as follows at a U.S. commercial bank (“Bank”), not unacceptable to Commission staff. The Distribution Agent will establish an escrow account (the “Escrow Account”) pursuant to an escrow agreement (the “Escrow Agreement”) to be provided by Commission staff. The Escrow Account will be established to receive the monies from the Commission and the Fair Fund will be held in the Escrow Account until the time of distribution. The Distribution Agent will also establish a separate deposit account (*e.g.*, controlled distribution account, managed distribution account, linked checking and investment account) (the “Distribution Account”) for the purpose of funding the Distribution Payments to be distributed to Eligible Claimants. The accounts shall be in the name of and bearing the Employer Identification Number of the Fair Fund as custodian for the distributees of this Distribution Plan. The name of each account will be in the following form: “Macquarie Capital Fair Fund, as custodian for the benefit of investors allocated a distribution pursuant to the Distribution Plan in SEC v. Macquarie, Case No. 15-cv-02304 (S.D.N.Y.)”

2.25 During the term of the Escrow Agreement, if invested, the Escrow Account shall be invested and reinvested in short-term United States Treasury securities backed by the full faith and credit of the United States Government or an agency thereof, of a type and term necessary to meet the cash liquidity requirements for payments to Eligible Claimants, tax obligations, and/or fees and expenses that may accrue, including investment or reinvestment

in a bank account insured by the Federal Deposit Insurance Corporation (“FDIC”) up to the guaranteed FDIC limit, or money market mutual funds registered under the Investment Company Act of 1940 that invest 100% of their assets in direct obligations of the United States Government.

2.26 In consultation with the staff of the Commission, the Distribution Agent will work with the Bank on an ongoing basis to determine an allocation of funds between the Escrow Account and Distribution Account that will preserve earnings, if possible, while providing maximum protection for the Fair Fund.

2.27 Upon receipt of the monies, the Distribution Agent shall sign and file a receipt acknowledging the receipt of the funds with the Court and supply a copy of the receipt to counsel for the Commission in this matter within ten (10) days of receipt of the monies.

2.28 Upon transfer from the Commission the assets of the Fair Fund will be held in the Escrow Account, separate from Bank assets, until the presentation of checks. All Fair Fund checks presented for payment or electronic transfers will be subject to “positive pay” controls before they are honored by the Bank. The “positive pay” system provides protection against fraud arising from counterfeit or altered checks. The “positive pay” system will require, at a minimum, confirmation by the Bank that all checks presented for payment match the identifiers and amounts on the payee list prior to honoring such checks. In each instance, funds will be transferred from the Escrow Account to the Distribution Account on the Bank’s confirmation that a presented check matches the relevant “positive pay” criteria.

2.29 The Distribution Agent shall provide copies of bank and/or investment statements on any accounts established by the Distribution Agent to the Tax Administrator on a monthly basis and shall assist the Tax Administrator in obtaining mid-cycle statements, as necessary.

G. Distribution

2.30 The Fair Fund will be distributed to Eligible Claimants as provided under the terms of the Distribution Plan. An Eligible Claimant's Total Eligible Loss Amount, as determined in accordance with the Plan of Allocation contained in Exhibit A to this Distribution Plan, will be used to determine the amount of their Distribution Payment.

2.31 Should the total amount of the Total Eligible Loss Amount of all Eligible Claimants exceed the Net Fair Fund, the Distribution Agent will distribute funds to the Eligible Claimants based upon a *pro rata* distribution formula. This formula will be the fraction of the Total Eligible Loss Amount of each Eligible Claimant divided by the aggregate Total Eligible Loss Amounts of all Eligible Claimants. No Distribution Payment will be made to an otherwise Eligible Claimant unless the amount to be paid equals or exceeds \$10.00.

2.32 Following the Court's approval of the Commission's petition for the authority to distribute the Fair Fund to Eligible Claimants as provided for in this Distribution Plan, the Distribution Agent shall commence the distributions to all Eligible Claimants as promptly as possible following the transfer of funds from the Commission to the Escrow Account at the Bank.

2.33 All Fair Fund checks issued to Eligible Claimants by the Distribution Agent shall bear a stale date of ninety (90) days. Accordingly, checks that are not negotiated within this period shall be voided and the issuing financial institution shall be instructed to stop payment on those checks. Where an Eligible Claimant's check has not been negotiated within the ninety (90) day period and has been voided by the Distribution Agent, that Eligible Claimant's claim shall be extinguished upon the occurrence of the stale date. All such funds will remain in the Fair Fund.

2.34 All Distribution Payments shall be preceded or accompanied by a communication, submitted to the staff of the Commission and the Tax Administrator for review and approval, that includes, as appropriate:

- (a) A statement characterizing the distribution;
- (b) A statement that the tax treatment of the distribution is the responsibility of each recipient and that the recipient should consult his or her tax advisor for advice regarding the tax treatment of the distribution;
- (c) A statement that checks will be void after ninety (90) days; and
- (d) The name of a person or entity to contact if the Eligible Claimant has any questions regarding the distribution.

2.35 The Fair Fund distribution checks, on their face, or the accompanying mailing shall clearly indicate that the money is being distributed from a Fair Fund established by the Commission to compensate investors for harm as a result of their trades in the Eligible Securities made contemporaneously with Defendants during the Relevant Period.

ARTICLE III

UNCASHED AND REISSUED CHECKS

3.1 The Distribution Agent shall reissue checks to Eligible Claimants, upon the receipt of a valid, written request from the Eligible Claimant. Such reissued checks will be void at the later of ninety (90) days from the issuance of the original check or thirty (30) days from the reissuance, and in no event will a check be reissued after ninety (90) from the date of the original issuance.

3.2 The Distribution Agent shall use reasonable commercially available resources to locate all Eligible Claimants whose checks are returned to the Distribution Agent as

undeliverable by the U.S. Postal Service, and will reissue checks to Eligible Claimants who are located so long as the new address is received within ninety (90) days post-distribution. However, Eligible Claimants have the burden of providing the Distribution Agent with any changes to their mailing address.

3.3 In addition, the Distribution Agent will make reasonable efforts to contact Eligible Claimants to follow up on the status of uncashed Distribution Payments over \$100 (other than those returned as “undeliverable”) and take appropriate action to follow up on the status of uncashed checks at the request of Commission staff. The Distribution Agent may reissue such checks, subject to the time limits detailed herein.

ARTICLE IV

TERMINATION OF FAIR FUND

4.1 Once all Distribution Payments have been negotiated or voided, any funds remaining in the Escrow and Distribution Accounts will be transferred to the Commission.

4.2 Upon final distribution of the funds, the Distribution Agent shall make arrangement for the final payment of taxes, and any remaining fees and expenses.

4.3 The Distribution Agent shall also provide to Commission staff, who shall file with the Court for approval, a final report and final account statement in a format to be provided by Commission staff, when the administration of the Fair Fund is completed. The final report shall include, among other things, a final accounting of all monies received, earned, spent, and distributed in connection with the administration of the Distribution Plan and shall be compiled in coordination with the Tax Administrator.

4.4 If, after the Distribution Agent makes the distribution to Eligible Claimants, significant funds remain in the Fair Fund, the Commission staff will consult with the Distribution Agent and

determine the feasibility of a subsequent distribution. If a determination is made that a subsequent distribution is feasible, the Commission will file with the Court a Motion requesting approval of a subsequent disbursement of funds. 4.7 The Distribution Agent will shut down the toll-free number and website established specifically for the administration of the Fair Fund upon approval of the final fund accounting by the Court.

4.8 Following the distribution, all approved final fees and expenses shall be paid by Macquarie, all outstanding checks shall be voided, and any remaining funds shall be paid to the Commission for transfer to the United States Treasury upon receipt of written instructions by the Distribution Agent.

4.9 Once the Fair Fund has been terminated, no further claims will be allowed and no additional payments will be made whatsoever.

7.5 All proceedings with respect to the administration, processing, and determination of claims and the determination of all related controversies, shall be subject to the exclusive jurisdiction of this Court.

7.6 The Court reserves the right to amend this Distribution Plan from time to time, and retains jurisdiction over this matter for this purpose and for any and all other matters that may arise under or relate to this Distribution Plan.

7.7 Under no circumstances shall the Distribution Agent, its employees or its agents incur any liability to any Person for making a distribution in accordance with the Order of the Court approving the distribution and the schedules of Eligible Claimants, and their Eligible Loss Amounts as approved by the Court, and all Persons are enjoined from taking any action in contravention of this provision. 7.8 The submission of the Proof of Claim Form and the receipt and acceptance of a distribution by an Eligible Claimant shall not affect an Eligible Claimant's rights and claims against any party (other than the Distribution Agent), including, but not limited to, Defendants and Defendants' past or present directors, officers, employees, advisers, and agents.

EXHIBIT A

PLAN OF ALLOCATION

GENERAL PROVISIONS

1. To Receive a Distribution from the Fair Fund, a Potentially Eligible Claimant MUST:
 - a) Have purchased Eligible Securities in the Secondary Offering and held those securities after the close of trading on April 7, 2011;
 - b) Complete and sign a Proof of Claim Form and supply all required documentation; and
 - c) Submit the completed Proof of Claim Form and required documentation so that it is postmarked by (or received by the Distribution Agent if not sent by U.S. Mail) on or before the Claims Bar Date.

2. Each Proof of Claim Form Must Separately Set Forth:
 - a) The Potentially Eligible Claimant's position in Puda Coal common stock as of the close of trading on December 7, 2010, the day before the Secondary Offering;
 - b) The number of Eligible Securities purchased in the Secondary Offering;
 - c) Each transaction, i.e., purchase or sale of Puda Coal common stock made from the Secondary Offering through and including April 30, 2012; and
 - d) The Potentially Eligible Claimant's position in the Eligible Securities as of the close of trading on April 30, 2012.

CALCULATION OF ELIGIBLE LOSS AMOUNT PER SHARE

3. For shares of Puda Coal common stock not purchased in the Secondary Offering, the Eligible Loss Amount per share is \$0.00.

4. For shares of Puda Coal common stock purchased in the Secondary Offering and:
 - a) Sold before the close of trading on April 7, 2011, the Eligible Loss Amount per share is \$0.00;
 - b) Sold between the opening of trading on April 8, 2011 and the close of trading on April 30, 2012, the Eligible Loss Amount per share is \$12.00 minus the sales price per share;
 - c) Held as of the close of trading on April 30, 2012, the Eligible Loss Amount per share is \$12.00.

TREATMENT OF SHORT POSITIONS COVERED WITH PURCHASES IN THE SECONDARY OFFERING

5. For an investor who held a short position before the Secondary Offering, shares purchased in the Secondary Offering will be matched, in chronological order, against the short position until the short position has been exhausted. The Eligible Loss Amount per share for shares purchased in the Secondary Offering to cover short positions held before the Secondary Offering is \$0.00 in accordance with paragraph 4(a) above.

ACQUISITION BY GIFT, INHERITANCE OR OPERATION OF LAW

6. Subject to the limitations set forth in the Distribution Plan, if a Potentially Eligible Claimant acquired the Eligible Security by way of gift, inheritance, devise or operation of law, such claim will be computed using the date and price of the original purchase and not the date and price of transfer, gift or inheritance. To the extent those shares were not originally purchased in the Secondary Offering, the Eligible Loss Amount for that acquisition shall be \$0.00.

PRO RATA CALCULATION

7. Should the Total Eligible Loss Amount of all Eligible Claimants exceed the Net Fair Fund, the Distribution Agent will distribute funds to the Eligible Claimants based upon a pro-rata distribution formula. The Distribution Agent shall determine each Eligible Claimant's pro rata share of the Fair Fund based upon each Eligible Claimant's Total Eligible Loss Amount divided by the Total Eligible Loss Amounts of all Eligible Claimants.

USE OF "FIFO" METHODOLOGY FOR COMPUTATION OF ELIGIBLE LOSSES FOR ELIGIBLE CLAIMANTS WHO MADE MULTIPLE TRANSACTIONS IN ELIGIBLE SECURITIES

For Potentially Eligible Claimants who held shares before the Secondary Offering and/or made multiple purchases, acquisitions or sales of the Eligible Securities after the Secondary Offering, the sales of shares after the Secondary Offering will be matched in chronological order first against the claimant's closing position on the day before the Secondary Offering, until that day's closing position has been exhausted; then remaining sales after the Secondary Offering will be matched in chronological order against purchases or acquisitions made in the Secondary Offering until all such shares have been exhausted. Purchases and sales of eligible securities shall be deemed to have occurred on the "contract" or "trade" date as opposed to the "settlement" or "payment" date.

COMPUTATION OF THE ELIGIBLE LOSS AMOUNT FOR EACH ELIGIBLE CLAIMANT

8. The Eligible Loss Amount will be calculated for each Eligible Security that was purchased in the Secondary Offering, listed in the Proof of Claim Form, and for which adequate documentation is provided. The Total Eligible Loss Amount for each Eligible Security is calculated by multiplying the number of shares by the appropriate Eligible Loss Amount per share as calculated in paragraph 4 above. An Eligible Claimant's Total Eligible Loss Amount equals the sum of Eligible Loss Amounts for all shares purchased in the Secondary Offering.
