<p>In re: Pending Administrative Proceedings</p>
--

ORDER

On January 16, 2019, due to a lapse in appropriations, the Commission stayed all pending administrative proceedings initiated by an order instituting proceedings that set the matter down for a hearing before either an administrative law judge or the Commission. Appropriations to the Commission have now been restored. Accordingly, the Commission hereby lifts the stay.

Any party in a proceeding pending before an administrative law judge may request that a filing or hearing date—including any such date between December 27, 2018 and January 30, 2019—be extended in its case by filing a motion with the administrative law judge. Any party in a proceeding pending before the Commission may make such a request to the Commission. Any such request for an extension of time predicated on the lapse of appropriations should be made within 14 days of the date of this order. Reasonable requests for extensions of time should be granted. In the absence of such a request, any filing that was due between December 27, 2018 and January 30, 2019 should be filed within 14 days of the date of this order.

By the Commission.
