II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its fee schedule to clarify the eligibility requirements for the EDGX Retail Membership Program (the "Program"). Specifically, the Exchange first proposes to note that a new Member may not have been approved as an EDGX Equities Exchange Retail Member Organization ("RMO") within 18 months prior to approval as an RMO. Currently, the fee schedule specifies that to be eligible, a new Member may not have been approved as an EDGX Equities Exchange member within 18 months prior to approval as an RMO. The proposed change specifies that it is membership as an RMO specifically that is considered when determining the time eligibility requirements, meaning, that a participant that is an EDGX Equities Exchange member, and then later attains its status as an RMO, may be eligible for the program based on the timing of its admittance as an RMO. Additionally, the Exchange proposes to remove the sentence pertaining to membership eligibility for Members that were approved on or after January 1, 2021 as it is no longer relevant.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the "Act") and the rules and regulations thereunder applicable to the

Exchange and, in particular, the requirements of Section 6(b) of the Act.<sup>3</sup> Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)<sup>4</sup> requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)<sup>5</sup> requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

In particular, the Exchange believes that adding this clarifying language better sets forth the expectations for potential Program participants. The Exchange currently follows this timing (of basing the time eligibility of a Member's status as an RMO member and not solely as a member). Additionally, the Exchange believes that by removing the dated reference to January 2021 (as it is no longer applicable), that it further provides clarity within the fee schedule. These updates are intended to align with current practices and manage expectations of potential Program participants. The proposed changes also apply uniformly to all prospective Program participants.

**B. Self-Regulatory Organization's Statement on Burden on Competition**

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. This

<sup>5</sup> Id.

proposal does not create an unnecessary or inappropriate intra-market burden on competition because the proposed change will apply uniformly to all prospective Program participants. Further, the proposed change is not designed to address any competitive issues. Indeed, this proposal does not create an unnecessary or inappropriate inter-market burden on competition because it merely updates the process to clarify requirements for applicants inline with current business practices.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>6</sup> and paragraph (f) of Rule 19b-4<sup>7</sup> thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
