Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934,¹ notice is hereby given that on June 26, 2009, International Securities Exchange, LLC ("ISE" or the "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by ISE. The Commission is publishing this notice to solicit comments on the proposed rule change from interested parties:

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The ISE is proposing to amend its Schedule of Fees. The text of the proposed rule change is available on the Exchange's Web site (<http://www.ise.com>), at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, ISE included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The ISE has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, Proposed Rule Change

1. Purpose

The purpose of this proposed rule change is to amend the Exchange's Schedule of Fees. First, ISE currently waives most customer transaction fees, with such waiver scheduled to expire on June 30, 2009.² Zero customer transaction fees in options are part of the competitive pricing landscape. Since its inception, ISE has not charged fees for customer transactions for most products by way of a fee waiver. Despite having an effective rate of \$0.00 per contract for customer transactions in these products, ISE's fee schedule reflects a customer fee of \$0.05 with a waiver to offset the fee. Instead of extending the waiver on a year-to-year basis, the Exchange proposes to remove the fee waiver language from its fee schedule and replace the \$0.05 fee with \$0.00 for First Market options, effective July 1, 2009. ISE believes this change will make its customer fees easier for market participants to understand. The Exchange will continue to charge \$0.05 per contract for customer transactions in Second Market options and proposes to create a new line item to reflect this.

Second, the Exchange currently has a fee cap for large-size foreign currency ("FX") options orders. This fee discount applies for orders of 5,000 contracts or more and waives fees on incremental volume above 5,000 contracts. Contracts at or under the threshold are charged the constituent's prescribed execution fee. This waiver is for both Public Customer orders and Firm Proprietary orders. ISE adopted this fee incentive, on a pilot basis, to encourage members to execute large-sized FX options orders on the Exchange. The current

pilot program is set to expire on June 30, 2009.³ The Exchange now proposes to extend this fee waiver through June 30, 2010 in a continuing effort to attract more activity in its FX options.

2. Statutory Basis

The basis under the Securities Exchange Act of 1934 (the "Exchange Act") for this proposed rule change is the requirement under Section 6(b)(4) that an exchange have an equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities. In particular, the Exchange believes calculating the fee on a per symbol basis is necessary to allow the Exchange to target cancellations that do not have a valid justification.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing rule change establishes or changes a due, fee, or other charge imposed by the Exchange, it has become effective pursuant to Section 19(b)(3)(A)

³ Id.

of the Act⁴ and subparagraph (f)(2) of Rule 19b-4⁵ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
