it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to attract additional business by renewing its sponsored access rule, which is similar to that of other exchanges. During the previous pilot program, no member organizations availed themselves of the program, but the Exchange seeks to make another attempt to institute the program, for a pilot period expiring October 29, 2009. The Exchange will evaluate whether to continue the sponsored access program or not.

A Sponsored Participant is a non-member of the Exchange, such as an institutional investor, that gains access to the Exchange and trades under a Sponsoring Member's execution and clearing identity pursuant to a sponsorship arrangement between such non-member and a member organization. Specifically, the Exchange proposes to permit Sponsored Participants to be sponsored by Sponsoring Member Organizations, and thereby access the Exchange, subject to certain requirements. These requirements are intended to confirm that the Sponsored Participant is required to and had procedures in place to comply with Exchange rules, and that the Sponsoring Member Organization takes responsibility for the Sponsored Participant's activity on the Exchange.

First, the Sponsored Participant and its Sponsoring Member Organization must have entered into and maintained an Access Agreement with the Exchange. The Sponsoring Member Organization must designate the Sponsored Participant by name in an addendum to the Access Agreement.

Second, there must be a Sponsored Participant Agreement between the Sponsoring Member Organization and the Sponsored Participant that contains the following sponsorship provisions, enumerated in full in Rule 1094(b)(ii):

- (i) the orders of the Sponsored Participant are binding in all respects on the Sponsoring Member Organization;
- (ii) the Sponsoring Member Organization is responsible for the actions of the Sponsored Participant;
- (iii) in addition to the Sponsoring Member Organization being required to comply with the Exchange Certificate of Incorporation, By-laws, Rules and procedures of the Exchange, the Sponsored Participant shall do so as if such Sponsored Participant were an Exchange member organization;
- (iv) the Sponsored Participant shall maintain, keep current and provide to the Sponsoring Member Organization a list of individuals authorized to obtain access to the Exchange on behalf of the Sponsored Participant;
- (v) the Sponsored Participant shall familiarize its authorized individuals with all of the Sponsored Participant's obligations under this Rule and will assure that they receive appropriate training prior to any use or access to the Exchange;
- (vi) the Sponsored Participant may not permit anyone other than authorized individuals to use or obtain access to the Exchange;⁴
- (vii) the Sponsored Participant shall take reasonable security precautions to prevent unauthorized use or access to the Exchange, including unauthorized entry of

⁴ If the Exchange determines that an authorized individual has caused a Member Organization to violate the Exchange's Rules, the Exchange could direct the Member Organization to suspend or withdraw the person's status as an authorized individual.

information into the Exchange, and agrees that it is responsible for any and all orders, trades and other messages and instructions entered, transmitted or received under identifiers, passwords and security codes of authorized individuals, and for the trading and other consequences thereof;

- (viii) the Sponsored Participant acknowledges its responsibility to establish adequate procedures and controls that permit it to effectively monitor its employees', agents' and Participants' use and access to the Exchange for compliance with the terms of this agreement;
- (ix) the Sponsored Participant shall pay when due all amounts, if any, payable to Sponsoring Member Organization, the Exchange, or any other third parties that arise from the Sponsored Participant's access to and use of the Exchange. Such amounts include, but are not limited to applicable exchange and regulatory fees.

Third, the Sponsoring Member Organization must provide the Exchange with a Sponsored Participant Addendum to its Access Agreement acknowledging its responsibility for the orders, executions and actions of its Sponsored Participant at issue.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act⁵ in general, and furthers the objectives of Section 6(b)(5) of the Act⁶ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest by helping market participants seeking access to a marketplace.

⁶ 15 U.S.C. 78f(b)(5).

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing rule change does not: (1) significantly affect the protection of investors or the public interest; (2) impose any significant burden on competition; and (3) become operative for 30 days after the date of this filing, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁷ and Rule 19b-4(f)(6) thereunder.⁸

A proposed rule change filed under 19b-4(f)(6) normally may not become operative prior to 30 days after the date of filing.⁹ However, Rule 19b-4(f)(6)(iii)¹⁰ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay so that the proposal may become operative upon filing. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest

⁷ 15 U.S.C. 78s(b)(3)(A).

⁸ 17 CFR 240.19b-4(f)(6).

⁹ 17 CFR 240.19b-4(f)(6)(iii). In addition, Rule 19b-4(f)(6)(iii) requires that a self-regulatory organization submit to the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied the five-day pre-filing notice requirement.

because such waiver would allow the pilot program to continue uninterrupted. The Commission notes that the proposal is substantially similar to the rules of other national securities exchanges.¹¹ Accordingly, the Commission hereby grants the Exchange's request and designates the proposal operative upon filing.¹²

At any time within 60 days of the filing of such proposed rule change the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments
