Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"), and Rule 19b-4 thereunder, notice is hereby given that on September 29, 2009, the International Securities Exchange, LLC (the "Exchange" or the "ISE") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which items have been prepared by the self-regulatory organization. The Exchange has designated this proposal as one establishing or changing a due, fee, or other charge imposed by ISE under Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b-4(f)(2) thereunder, which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

II. <u>Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change</u>

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. <u>Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis</u> for, the Proposed Rule Change

1. Purpose

The Exchange currently has a payment-for-order-flow ("PFOF") program that helps its market makers establish PFOF arrangements with an EAM in exchange for that EAM preferencing some or all of its order flow to that market maker. This program is funded through a fee paid by Exchange market makers for each customer contract they execute, and is administered by both Primary Market Makers ("PMM")⁵ and Competitive Market Makers ("CMM"), depending on who the order is preferenced to.

The Exchange now proposes to adopt an administrative fee to offset its costs in administering the PFOF program. Specifically, ISE proposes to assess an administrative fee of 0.45% of the total amount of funds collected each month. ISE will closely monitor the amount of funds raised by this administrative fee and amend the fee in the future if necessary, so that the fee provides sufficient funds to adequately offset ISE's costs in administering the PFOF

program. The Chicago Board Options Exchange currently assesses a similar fee to administer its PFOF program. ISE proposes to implement this fee beginning on October 1, 2009. ISE is not making any other changes to its PFOF program.

2. Statutory Basis

The basis under the Securities Exchange Act of 1934 (the "Exchange Act") for this proposed rule change is the requirement under Section 6(b)(4) that an exchange have an equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities. In particular, the proposed fee change will allow the Exchange to offset its costs of administering its PFOF program.

B. <u>Self-Regulatory Organization's Statement on Burden on Competition</u>

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. <u>Self-Regulatory Organization's Statement on Comments on the Proposed Rule</u> Change Received from Members, Participants, or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. <u>Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action</u>
The foregoing rule change has become effective pursuant to Section 19(b)(3) of the Act⁷
and Rule 19b-4(f)(2)⁸ thereunder. At any time within 60 days of the filing of such proposed rule change the Commission may summarily abrogate such rule change if it appears to the
