Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on October 1, 2009, NASDAQ OMX BX, Inc. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

II. Self-Regulatory Organizations’ Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In their filings with the Commission, each of the NASDAQ OMX Exchange Subsidiaries included statements concerning the purpose of and basis for its proposed rule change and discussed any comments it received on its proposed rule change. The text of these statements may be examined at the places specified in Item IV below. Each of the NASDAQ OMX Exchange Subsidiaries has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organizations’ Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

NASDAQ OMX is proposing to file the Certificate of Designation described below. Under Article Fourth, Paragraph B of the Certificate, NASDAQ OMX’s Board of Directors may authorize the issuance of preferred stock, establish the number of shares to be included in such series and fix the designation, powers, preferences and rights of the shares of such series, and the qualifications, limitations and restrictions thereof. As provided in Articles XI and XII of the NASDAQ OMX By-Laws, proposed amendments

to the Certificate are to be reviewed by the Board of Directors of each self-regulatory subsidiary of NASDAQ OMX, and if any such proposed amendment must, under Section 19 of the Act and the rules promulgated thereunder, be filed with, or filed with and approved by, the Commission before such amendment may be effective, then such amendment shall not be effective until filed with, or filed with and approved by, the Commission, as the case may be. Senior management of each of the NASDAQ OMX Exchange Subsidiaries, through delegated authority of their governing boards, have determined that the proposed change should be filed with the Commission, and the governing boards of BSECC and SCCP have each reviewed the proposed change and determined that it should be filed with the Commission.⁴ Under Delaware law, the amendment of the Certificate by the filing of a Certificate of Designation does not require approval by the stockholders of NASDAQ OMX.

The issuance of the Series A Preferred is part of a transaction between NASDAQ OMX and one of its existing shareholders, Silver Lake Partners (“Silver Lake”), whereby Silver Lake agreed to convert all of the 3.75% Series A Convertible Notes due 2012 (the “Notes”) held by certain of its affiliates (“Silver Lake Affiliates”) into shares of NASDAQ OMX common stock (“Common Stock”) prior to the maturity date of such Notes.⁵ As an inducement to convert the Notes, NASDAQ OMX has delivered a cash payment and has agreed to deliver 1,600,000 shares of Series A Preferred to the Silver

⁴ The Nasdaq OMX Exchange Subsidiaries, BSECC and SCCP are each submitting this filing pursuant to Section 19(b)(3)(A)(iii) of the Act, 15 U.S.C. 78s(b)(3)(A)(iii).

⁵ Under Article Fourth, Section C.1(b) of the Certificate, the Notes are entitled to vote on an as-converted basis on matters that are submitted to a vote of the stockholders of NASDAQ OMX, voting together with the holders of the Common Stock and any other shares of capital stock entitled to vote.

Lake Affiliates (“Transaction”). Effective September 28, 2009, the Silver Lake Affiliates converted Notes into 8,246,680 shares of Common Stock. As a result, Silver Lake no longer holds any Notes and, through certain of the Silver Lake Affiliates, currently is the beneficial owner of shares of Common Stock that equal less than five percent (5%) of the outstanding voting securities of NASDAQ OMX.

Under the Certificate of Designation, up to two million shares will be designated for issuance as shares of Series A Preferred. The Series A Preferred will be senior in preference and priority to the Common Stock and on parity with all other classes and series of preferred stock.

The Series A Preferred will have limited voting rights and will not have the right to vote on any matters that are subject to the vote of the holders of Common Stock. The approval of at least a majority of the then outstanding shares of Series A Preferred will be required to approve any amendment to the Certificate or the NASDAQ OMX By-Laws that would adversely affect the rights, preferences or privileges of the Series A Preferred (including any change in the dividends payable or liquidation preference). In addition, any amendments to reduce the dividend payable to the Series A Preferred, to increase the number of authorized shares of the Series A Preferred or to change certain specified provisions of the Certificate of Designation will require the written consent of 75% of the then outstanding shares of Series A Preferred, voting together as a class.

The shares of Series A Preferred will be convertible into shares of Common Stock. Under the applicable NASDAQ listing rules, approval by the stockholders of

NASDAQ OMX (“Shareholder Approval”) is required to permit the conversion of the Series A Preferred.⁶ NASDAQ OMX intends to seek Shareholder Approval at the company’s 2010 annual meeting of stockholders.

Upon the date of Shareholder Approval, the Series A Preferred will mandatorily convert into shares of Common Stock as provided in the Certificate of Designation.⁷ In the event that Shareholder Approval is not obtained, the Series A Preferred will accrue cumulative dividends, accrued on a daily basis and compounded quarterly, at a per annum rate equal to 12%. In addition, in the event that Shareholder Approval is not obtained, the Series A Preferred will be subject to optional redemption by NASDAQ OMX subject to the terms of the Certificate of Designation. The Series A Preferred will be mandatorily redeemable by NASDAQ OMX on the fourth anniversary of the original issuance date and will be redeemable at the option of the holders upon a Fundamental Change (as defined in the Certificate of Designation).

⁶ Pursuant to NASDAQ Listing Rule 5635(c), shareholder approval is required when an equity compensation arrangement is made pursuant to which stock may be acquired by an issuer’s officers, directors, employees, or consultants. Pursuant to agreements relating to the issuance of the Notes, a Silver Lake representative currently serves on the NASDAQ OMX Board of Directors. The Commission notes that it takes no position regarding whether the requirements of NASDAQ Listing Rule 5635(c) have been satisfied with respect to the Series A Preferred Stock.

⁷ The number of shares of Common Stock to be issued upon conversion is variable. To the extent that the conversion results in Silver Lake obtaining beneficial ownership of shares of voting securities in excess of five percent (5%) of the then-outstanding shares of stock entitled to vote, Silver Lake will be subject to the existing voting restrictions in Article Fourth, Section C.3 [sic] of the Certificate. This provision provides that no person who is the beneficial owner of voting securities of NASDAQ OMX in excess of five percent (5%) of the then-outstanding shares of stock generally entitled to vote (“Excess Securities”) may vote such Excess Securities.

The issuance of Series A Preferred will result in no substantive change in the ownership or governance structure of NASDAQ OMX, since the Series A Preferred will have no voting rights other than the limited rights described above. The Transaction also has resulted in the conversion of most of the outstanding Notes into Common Stock.⁸

2. Statutory Basis

The NASDAQ OMX Exchange Subsidiaries believe that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁹ in general, and with Sections 6(b)(1) and (b)(5) of the Act,¹⁰ in particular, in that the proposal enables the NASDAQ OMX Exchange Subsidiaries to be so organized as to have the capacity to be able to carry out the purposes of the Act and to comply with and enforce compliance by members and persons associated with members with provisions of the Act, the rules and regulations thereunder, and self-regulatory organization rules, and is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The NASDAQ OMX Exchange Subsidiaries believe that the issuance of Series A Preferred to existing investors will result in no substantive change to the corporate

⁸ Prior to the Transaction, the Silver Lake Affiliates held approximately \$119.5 million in aggregate principal amount of the outstanding Notes. Another holder continues to hold approximately \$500,000 in aggregate principal amount of the outstanding Notes.
