March 9, 2010

Self-Regulatory Organizations; International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Customer Fees for the Block Order Mechanism

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on March 1, 2010, the International Securities Exchange, LLC (the "Exchange" or the "ISE") filed with the Securities and Exchange Commission the proposed rule change, as described in Items I, II, and III below, which items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The ISE proposes to adopt a fee for certain customer orders executed in the Exchange's Block Order Mechanism. The text of the proposed rule change is available on the Exchange's Web site (<http://www.ise.com>), at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On October 1, 2009, the Exchange implemented a new order type, Professional Orders,<sup>3</sup> and adopted a \$0.20 per contract fee for Professional Orders for their crossing activity, i.e., their interaction in the Exchange's Facilitation, Solicitation and Price Improvement Mechanisms.<sup>4</sup> ISE adopted this fee on the belief that trading in the Exchange's crossing order mechanisms is primarily activity that is conducted by broker-dealers and thus it is reasonable for the Exchange to charge non-broker-dealer orders that conduct a Professional Order business the same fee the Exchange charges broker-dealer orders. ISE now proposes to adopt a similar \$0.20 per contract fee for Professional Orders that interact in the Exchange's Block Order Mechanism. The Exchange believes that executing orders in the Block Order Mechanism is also characteristic of professional traders and thus should be subject to a fee.

<sup>3</sup> A "Professional Order" is defined by the Exchange to mean an order that is for the account of a person or entity that is not a Priority Customer. A "Priority Customer" is defined by the Exchange to mean a person or entity that is (i) not a broker or dealer in securities, and (ii) does not place more than 390 orders in listed options per day on average during a calendar month for its own beneficial account(s).

<sup>4</sup> See Exchange Act Release No. 60861 (October 22, 2009), 74 FR 55872 (October 29, 2009).

## 2. Basis

The Exchange believes that the proposed rule change is consistent with the objectives of Section 6 of the Exchange Act,<sup>5</sup> in general, and furthers the objectives of Section 6(b)(4),<sup>6</sup> in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities. In particular, the proposed rule change will allow the Exchange to charge a similar fee to both broker-dealer orders and certain non-broker-dealer orders that interact in the Exchange's Block Order Mechanism.

### B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

## III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3) of the Act<sup>7</sup> and Rule 19b-4(f)(2)<sup>8</sup> thereunder. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if

it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
